A Good Delegate Must Be -

Dedicated: Dedicated to the principle that government is and must remain the servant of the people;

Dedicated to the basic soundness of local government by and for those so governed.

Independent: Independent of worries of money, health, or employment;

Independent of special interest, selfich groups, or powerfully organized minorities;
Independent of specific, detailed, absolute commitments.

Aware: Aware of the awesome responsibility of being delegated to help write the basic law to which we are willing to surrender a part of our personal freedoms;

Aware that dangers may be hidden in an innocent sounding phrase;

Aware that this is to be a full time job for at least 7½ months.

Experienced: Experienced in the practice of politics; Experienced in the give and take necessary to find a generally acceptable instrument of government.

Dependable: Dependable in that he will devote his absolute best efforts to preserve and protect the rights and interests of all those he is to represent.

I believe I meet these requirements:
I pledge myself to be a
good delegate:

With this clearly in mind I sincerely ask your support July 25th

Saunderson-Coulter Vows Spoken in Church Ceremony

Mrs. Donald Clark Coulter

The Holmes Chapel of Westminster Presbyterian church in Buffalo, N. Y., was the scene at high noon Saturday of the wedding of Susan Berwick Saunderson and Donald Clark Coulter.

Parents of the couple are Mr. and Mrs. George Edward Saunderson of Buffalo and Mr. and Mrs. Clark Claire Coulter of this city.

Dr. Albert George Butzer officiated at the ceremony.

The bride chose an eyelet embroidered gown of imported Swiss organdy for her wedding. The snugly fitted bodice featured a square neckline and short sleeves while the five tiered skirt of ruffles, with center panel at the back, fell to a regal, sweep train. Her veil was of shoulder length illusion secured with a wreath of daisies and ivy. She carried a bouquet of the same flowers and ivy.

Daryl Margot Dobrindt of Buffalo was maid of honor. She wore a short bouffant dress of pastel yellow organdy and matching accessories. Her bouquet was of daisies andivy to match the bride'sand her headress was a wreath of the same flowers.

Christine Ellen Saunderson, sister of the bride, and Janice M. Goode both of Buffalo were bridesmaids. They wore gowns of pastel blue organdy identical to the honor attendant's matching accossreies and carried identical bouqets of daisies and ivy.

James Dunlop Coulter of Birmingham assisted his brother as best man. Ushers were George C. Campbell, also of Birmingham, and T. William Eustis III of New York City.

A reception followed at the Sheraton Hotel. From there the couple left on a wedding trip to Bermuda. They will make their home at Traverse City

In Buffalo for the wedding were Mr. and Mrs. Clark C. Coulter.

News Round-up at Camp Charlevoix

The first week of our 36th season started off on Monday morning with the campers being taken to each activity where that activity man introduced himself and told the way he was going to instruct in his activity. Fifteen minutes was allowed for each activity and at the end of the day, each boy had had an introduction to sll of the camp's many activities. It was interesting to hear s boy say after each visit be had made" Boy, I want to take that activity".

Tuesday morning the Counsellors-In-Training took a horseback overnight trip with Cy Pick and Herky Williams, cowboy from Oklahoma in charge. These boys were Grant Washburn, Jon Steffensen, John Donaldson, Mike Grass, Hank Holstc, Tom Kennedy, Wes Murfin, Ron Kirk, Chris Nyland, Dich Moon and Ace Hoyt. One of the big events of the day which saw all boys start their activities was tbe different sections choosing their Green and Grey captains. These are very important positions as these boys are the ones who lead their teams all summer long In many different kinds of events. The Junior Greys elected Capt. Tommy Arndt. Grosse Pointe, Lieutenant Irving Ingraham, Grosse Pointe, and Lt. Chris Somers, Cleveland. The Junior Greens chose Capt. Jack Reeder, Dayton; Lt. Eddie Robertson, Addison; and Lt. Paul Kirwin, Union City, Ind. The Prep Greens chose Dennis Heck, Captain from Grosse Point, with the lieutenants being Bill Grosse from Grosse Point, and C. J. Shelley, from Flint. The Prep Greys picked Tom Rotz, from Muncie, Ind. as their captain, with the lieutenants being Doug Laing, from Kalamazoo, and Rick Nichols from Dayton. The Intermediate Greys chose Robbie Plisken, Akron, as their captain with Walt Silver, Akron, and Dave Gerber, Middletown, Ohio, to be the lieutenants; The Intermediate Greens picked Joe Hutchinson, Akron, as capt. with the lieutenants being Sandy Coakley, Cleve end Mike Pliskin, Akron. The Senior Greys chose John Deane, Grand Rapids, as captain, with John Fraim Dayton, and Mark Taylor, Dayton, as lieutenants. The Senior Greens picked Bruce Nyland, Flint as captain, with Mike Boutell, Detroit an Dave Roberts, Akron, as the lieutenants. These are the boys who will organize all this inner-camp competition. It rained this evening very hard, so we hsd a movie which the boys enjoyed very much. It was Jeff Chandler in "Great Sioux Uprising".

On Wednesday, our trips man got more trips out and as it is the first year we have had overnights during the first week of camp, the boys were eager and we had eleven cabins take trips this week.

Cabin 18 with Dave Garland in charge took his boys to Fisherman's Island. These boys were: John Guba, Steve Wardrop, Tom Huard, George Brode, Jim Imhoff, Gil Hsynie, and Larr Shine.

"Rebel" Thompson and Kent Gibbs, took their boys by truck down to Eastport where the boys enjoyed the State Park there. These boys were: Bruce Nyland, Carl Bsum, Jay Heitz, Sandy Lungershsusen, Marc Taylor, John Fraim, David Parkhurst, David Donaldson; Chuck Sullivan, Skip Kessler, Chip Hoagland, John Deane, Rick Tomkinson, Ned Dean, Dave Roberts, and Mike Bash.

Cabins 4 and 5 were taken to the Charlevoix Beach for a day trip by their counsellors, Terry Ward and Bob Smith. These boys were: Irving Ingraham, Chris Somers, Roy Feldman, Eddie Robertson, Chris Searles, Jimmy Jordan, Tommy Arndt, Charles Dort, Billy Carroll, Paul Kirwin, Mark Murfin, Jack Reeder, Alan Cutting, Mike Bogdanik, and Louis Raden.

Thursday dawned bright and sunny and ideal for good camping, and boys love the sun and hot weather. Cabin 17, with Jim Adams in charge, and Tom Kennedy, one of our cowboys, took an overnight horseback trip. These boys were: Terry Hall, Mike Stoltz, Don Strutz, Jim Sweet, Paul Phillips, David Arndt, Ted Hatcher, and Jim Flaherty.

Not to be out done by the bigger boys, three of our Junior Cabins, Numbers 1, 2, and 3, took off for a day trip, Marv Crain with his boys, Jimmy Chalat, Andy Jacob, David Washburn, Kim Kuehn, Bill Kirwin and Scott Harris, went along with Kerm Krueger and his boys, John Sears, Brad Rea, Oliver Janson, Charles Herrington, Gary Hill, Mike Rees, and John Danaher. Bob Wyman also took his boys on this trip, too. They were Tommy Bayer, John Neiman, Jim Kuehn, Bill Fraim, Bob Mardigan, and Woody Roe.

Friday was another bright, sunny, hot day, ideal for camping and the waterfront was a most popular place. Doug Bottomley took his boys on an overnight by horseback, the boys on this trip being, Bob Logan, Steve Martin, Bill Kennedy, David Spaulding, Mark Gardner, Bob Hoffman, Mike Harper.

On Saturday night the camp initiation council fire was held in the Council Ring. All day long the new campers were trying to figure out what was to happen to them as they were initiated. The new campers were led blindfolded down the path to the council ring and challenged to observe certain rules and regulations in order to become members of the tribe of Charlevoix.

Four of the staff gave talks. Marvin Crain spoke on "The Awareness of the Camper to God and Nature". John Steffensen, one of our C. I. T.'S spoke on "What a Camper Should Get From A Summer at Camp". John Stephenson spoke on "The Camper's Responsibilities to Himself and bis Cabin Group". Our head cowboy spoke on "The Camper's Responibilities to his Camp". The spirits of the 1960 season were dug up, and several of them were read to the campers. After taps were sung and echoed from the lake, the boys quietly left the council ring for their cabins.

Sunday morning chapel was held in our outdoor chapel with Bill Townsend, director of activities, as the speaker. He spoke on "Building a Personality". In the afternoon, we had an activity afternoon with all events being Green-Gray competition. This did not count in the actual points gathering as it was a test run to help the captains see where their strength lies. In the evening, Vespers were held In all sections. The boys are anxiously looking forward to the Fourth when we start off the Green-Grey competition with a track meet followed by the cook-out by the lake, and late in tbe evening fireworks.

Pamona Grange Mystery Ride Set For July 15

The Charlevoix county Pamona Grange will sponsor its annual 'mystery ride' Saturday evening, July 15, George E. Smith, Grange master, has announced.

The event will be held in order to select a Grange Prince and Princess to represent the county at the State convention to be held this fall. The winners will compete in the state contest for the honor of representing Michigan In the Nstional Contest to be held during the national Grange convention.

There will be two starting points for the mystery ride which will conclude with the contest, and a social hour including dancing and a potluck lunch. Grange members in the East Jordan area will gather at the Golden Rule service station on M-66 at Water st. in East Jordan at 8:15 They will be met there by Mr. Smith who will lead the caravan to Ferry ave. beach where the members of Charlevoix area Granges are scheduled to assemble at 8:30 p.m. The caravan will then continue on the 'mystery ride' to a pre-arranged meeting place for the evening. Grange members in the Boyne City area may join either the East Jordan or Charlevoix aggregstions.

All subordinate Granges are urged to enter candidates in the Prince and Princess contest. Candidates must be members in good standing of a subordinate Grange, 14 through 19 years of age and unmarried.

Exchange Student Sponsoring Group Makes Fall Plane

The Local Youth for Understanding committee met last week for its final meeting until fall.

Tentative arrangements were made for an early fall meeting to wbich three exchange students who will be spending the 1961-62 school year in Charlevoix and their foster parents will be invited. Mrs. Max Hosmer will host the meeting at a date to be set later.

Rev. James P. Sherman, chairman of the group, appointed Rev. George L. Majors and Mrs. Bryon K. Wright to a committee to compile information regarding the aims and work of the local committee for a brochure. Mrs. Harold E. Kohn, Mrs. Harry Stewart and Fran Martin were named to a committee to work on requirements for a scholarship the group is planning to establish.

Tentative plans were also made to present the purpose and aims of the committee to organizations in the area wbich might be interested in supporting the work of the group.

Letters to his family from Tony Duerr telling of his experiences since leaving last month to spend the summer with a family in Elmshorn, Germany, were read and enjoyed by the group.

Rev. Sherman who is leaving Charlevoix shortly to serve Park Congregational church in Grand Rapids named Miss Martin temporary chairman of the organization until fall when a new chairman will be named.

Mich. State Police To Experiment in Use of Police Dogs

Trooper Clare M. Helms of the Petoskey State Police Post, who is well known here, bas been selected to participate in the expansion of the experiment in the use of police dogs by the Michigan State Police.

The experiment resulted from the gift of four German police dogs to the department.

The training program will be conducted under the supervision of Trooper Richard H. Abbott of the training bureau at headquarters. Abbott and 'Jocko', the first department-owned dog in the program, were trained last year at the St. Louis, Mo., police department canine school.

The dogs are being trained principally in tracking criminals and lost persons and in retrieving lost articles or items of evidence. The handlers will continue to perform their regular duties in addition to working as required with the dogs.

The expansion will provide a better yardstick for assessing the merits of the experiment. The great distances involved in the state and the necessity for placing dogs on scent as soon as possible necessitates more strategic location of man-dog team if they are to be used.

Trooper Helms was among four in the state selected to train as a handler.

Organize Group For School Study

A general meeting of the school study group for the Charlevoix-Ellsworth-Central Lake areas was held at the Ellsworth school recently.

A general cbairman and secretary and vice-chairman for the three districts were named. They are as follows: chairman, Betty Huntly; secretary, Alice Campau; Charlevoix vice chairman, Mrs. Max Hosmer; Ellsworth vice chairman, Bernice Ruis and Central Lake vice chairman, Eunice McDowell.

Committee progress reports were presented and plans made to publicize the reports as they are completed.

Tbe next general meeting will be held at the Ellsworth school at 8 p.m. July 18.

The colorful Scottish Kilt probably evolved from the garb of early Celts, the National Geographic Magazine says. The traditional full kilt was a 15-foot length of tartan that the owner spread on the ground and tucked into pleats; then he lay upon it and belted it around himself, pinning the upper part at the left

"Lost And Found, Found, Found, Found!"

I ran one of the most important "Lost and Fonnd" advertisements in *Clarion* history for the Widow Parker last week.

Seems she lost her purse with $8 in it at the last town meeting. We figured it would meen a lot to her if it were found and returned.

Well, the ad ran and the strangest thing happened! We received four envelopes—from Buck Hanson, Windy Taylor, Curly Rice and Slim Thomas. Each envelope contained a note saying the enclosed money was found in or around Town Hall. We returned the lost money with 300% interest!

From where I sit, people are pretty wonderful. I see it in a lot of little things. For instance, my neighbor always has a cold glass of beer on hand when he invites me over for dinner—though he prefers tea with his meals and has for years. His gesture is *not* only *generous* but tolerant, too . . . both are valuable assets to be "found" in any community.

Circlin' The Bases

By DEANO

Barnard edged Lake Construction in a crowd-pleaser by a 6-5 score. American Mold continued unbeaten in the fastball league. The Paul Bunyan Lane Cubs moved into first in the peanut league. Puff's beat Paul-Reed in a well-played contest in the Woman's league. These are the hi-lights of the second week of current softball season.

MOLD STILL UNBEATEN

American Mold continued to lead the fastball division as they racked up a 6-0 win over hard-luck U.S.C.G. Mold only picked up one hit off Ted Potter, but errors, passed balls, and walks set up the winners runs. Jim Alger's two base hit was the only safety for the winners. Ted Potter had two hits for the USCG.

Freedman and the Merchants hooked up in a cliff-hanger with Freedman scoring an unnearned run in the eighth inning for a 6-5 win. Dave VanDrummel was the hitting star for the winners as his three hits produced three of the Freedman runs, Dave Schuchard and Dean Davenport paced the loser's attack with three and four hits respectively. Bud Balch chipped in with a Freedman home run.

Barnard Wins Junior League Thriller

Barnard and Lake Construction haaked up in an extra inning contest that saw both teams amazing the huge crowd with their outstanding play. The game was scoreless for the first three innings. Then Lake Construction picked up two fourth inning runs. Barnard came back with two of their own only to have Construction score three times in the fifth. The score remained 5-2 with two out in the Barnard sixth.

Herb Cummings and Mike Crain singled. Bruce Murray promptly hit a long home run over the left field fence to tie the game. Neither team threatened in the seventh. In the Barnard eight, an error allowed Mike Crain to reach first. Murry followed with a blast over the centerfielder's head that scored Crain with the winning run.

Cubs Lead in Peanut League

The Cubs beat the Dodgers by a 13-10 score, scoring the three winning runs in the seventh inning. The Cubs scored five first inning runs and were off and running. Mike Moore paced the winners with two hits while John Ferguson led the Dodgers with a double and a triple.

The Pirates scored a 15-6 win over the Tigers by scoring in every inning. Larry Feindt was the winning pitcher while Neil Cross took the loss.

The Cubs blasted the Braves 25-3. Mike Moore again leading the attack with three base hits.

The Tigers moved into the win column by whipping the Cardinals 13-3 with Neil Cross pitching and hitting to lead the Tiger cause. Bob Foster had two Card hits in a losing effort.

The Dodgers won their first of the season beating the Pirates 16-11 in a wild contest. The Pirates picked up only two hits but were aided by numerous walks. Jim Coon paced the winners with three hits.

Cherry Co. Playhouse To Present Laura

The Cherry County Playhouse, Traverse City, will present Gloria Grahame, Academy Award-winning film star, in the exciting psychological mystery "Laura", beginning Tuesday, July 11th through July 16th.

The Cherry County Playhouse, now in its seventh season, will bring a new play each week to area audiences.

Bible Baptists to Hear Dr. John Ross

Dr. John Ross, retired professor of Prophecy and Testament at the Baptist Bible College in Springfield, Mo., will present a series of three sermons on prophecy at the Bible Baptist church during the 11 a.m. worship services for the next three Sundays, the pastor, the Rev. James Lugibihl, has announced.

The Rev. Ross has entitled the series "The Ages of God and the God of the Ages". In illustrating his sermons he will use the huge chart which he has designed to show the past, present, and future events of prophecy.

He will deliver his sermons at the Bible Baptist church at 11 a. m. July 9, 16 and 23.

Dr. Ross was at one time pastor of Parr Memorial Baptist church in Petoskey and later taught at the Bible Baptist college. He is also the author of two books and a gospel tract.

In announcing Dr. Ross's appearance at the local church, Rev. Lugibihl has extended an invitation to the public to attend the special services.

Charlevoix Yacht Basin Is Peaceful but Busy Harbor

As one of the finest harbors for pleasure craft to be found in the Great Lakes, Charlevoix-the-Beautiful will play host to over 800 boats this summer. For small outboards, palatial yachts and huge cruising steamers, the basin becomes a bee-hive of activity for all things nautical.

Yachtsmen from all points of the compass make the run here, for its excellent gateway from Lake Michigan into Lake Charlevoix not only affords them safety and convenience, but gives them a wonderful home port for daily excursions to nearby points of interest.

Many of the docks and slips, some of which are pictured above, extend into Round Lake off East Park from Clinton Street to Antrim Street, a distance of two blocks. Just a few yards from the water front is Charlevoix's main throughfare, which offers shopping, dining and services. Cruises down Lake Charlevoix to Boyne City and East Jordan are becoming increasingly popular, with docking facilities also available at these picturesque towns.

Daily round trips by the motorship "Emerald Isle" offer you the opportunity to visit this scenic island, historically famous, and rich in legend and romance. Extensive forests spread over the island, surrounding inland lakes alive with fish, and spreading out to reach picturesque dunes and the white beach sands of Lake Michigan.

Threads of history, dating back to its discovery by the early French explorers, are evident throughout the Beavers. It was here that James Jesse Strand, after breaking with the main body of the Morman Church, set up an island kingdom for his followers, and proclaimed himself king. Later, Irish immigrants who found this was their "emerald isle" in the new world, gave it a touch of the "old sod".

Accomidations on the Island are excellent for an extended vacation or a one day visit. "Welcome to Emerald Isle" is the friendly greeting upon your arrival, and the inhabitants of this enchanting island will see to it your visit is one to be remembered!

Headed for National Boy Scout Camp

All aboard for Philmont!

Minutes after the above picture was taken these local Scouts departed for Philmont, N. M., where they will spend two days roughing it on the Boy Scout ranch which takes in several thousand acres of the beautiful Southwest country.

They are (l to r) Skip Young, son of Mr. and Mrs. Drew Young; Tom Hawley, son of Mr. and Mrs. E. D. Hawley; Larry Edwards, son of Mr. and Mrs. Richard Edwards; Bob Odmark, son of the C. A. Odmark's; Melvin Holburn, son of Mr. and Mrs. Earl Holburn; Jose Olson, son of Mr. and Mrs. Paul Olson and Skip Duerr, son of the C. A. Duerr's.

The seven are among the Boy Scouts, Sea Scouts and Explorer Scouts of the Scenic Trails council, numbering 43 in all, who departed Saturday by Chartered bus from Chicago where they boarded the Burlington Zephyr for the trip to Denver after a tour of Chicago. Arriving in Denver at 8:30 a.m. Monday, the group enjoyed a tour of the city before returning to the station for the trip to Trinadad, N. M. They will then make the trip to the Philmont ranch via chartered bus. After an orientation period at the ranch, they will make the trip through back country on burros.

They will return home July 25.

Among the adult advisors accompanying the contingent of Scouts from the Scenic Trails Council is Harvey Griswold, former northern district Scout executive who is now with the Chief Okemos Council in Lansing.

Four of the lovely models who will appear in the eight annual fashion show to be presented during a luncheon at the Beach Hotel sponsored by the Women's Guild of the Charlevoix hospitel are pictured here.

They are Jane Rowe (left) and her sister, Shelly, (right) of Toledo, Ohio. Mrs. R. E. Ellis (standing) and Mrs. Robert Pew of Grand Rapids, all summer residents who are volunteering their services for the show which annually raises funds to purchase equipment for the Charlevoix hospital.

Charlevoix Band To Participate in Cherry Festival

Sixty-five members of the Charlevoix high school senior and reserve bands, accompanied by their director, C. A. Odmark, will leave early Friday for Traverse City to represent Charlevoix in the annual National Cherry Festival.

The band will present a street corner concert on Front st. opposite the Ford Garage at 12:30 p.m. before participating in the grand floral parade which is scheduled to begin at 2 p.m.

This will make the fourteenth appearance of the Charlevoix band in the festival in the past 15 years. The local group is the only one north of Traverse City to have such a record.

The majority of the group appearing in the parade Friday will be members of the Charlevoix Reserve band augmented by members of the senior band who can get get away from summer jobs for the day.

Robt. Miles Jr. Joins Aetna Insurance Company Staff

Robert C. Miles Jr., a recent graduate of Michigan State University, has accepted a position in the Detroit office of the Aetna Insurance Co.

He recently spent the holiday weekend here with his parents, Mr. and Mrs. Robert C. Miles Sr., returning Tuesday via plane.

Harry Boak, 42 Given Long Prison Sentence

A special session of circuit court here Monday took on the aspect of a scene from a television Western when a charge of cattle rustling and a manslaughter charge involving a native American appeared on the docket.

The only 'player' out of character was Judge Charles L. Brown of arrival by stagecoach, dropped in on the courtroom scene via his private airplane.

"Marshall" Glen E. Rose brought the prisoners before Judge Brown wearing a ten gallon hat and the traditional sidearm.

The native American, Harry Boak, 42, who had previously pleaded guilty to a charge of manslaughter growing out of the violent death of Julius Washegeshik, 46, on June 17, was sentenced to five to 15 years in Southern Michigan prison. Washegeshik was found dead near the home of George Shananaquet after being struck a severe blow on the head with a blunt instrument. Boak later confessed striking the fatal blow with the handle of a butcher knife he had in his hand when an argument developed over who was to replenish the supply of wine during a drinking bout at the Shananaquet home.

Ervin Lee Prevo, 25, of East Jordan entered a plea of guilty to a charge of larceny of livestock (cattle rustling) when arraigned before Judge Brown. The case' was referred to the probate department for investigation and report. He will be sentenced later. Bond was continued at $250.

Charlevoix Lets Garage Bid to John G. Apfel Co.

The contract for the construction of the new street department garage on Stover road was awarded to the John G. Apfel Construction Co. of Bellaire at a special meeting of the city council held Monday night at the city hall.

The bid, one of six received for the work, was in the amount of $27,033 less $734 when an alternate was selected for a net cost of $26,299.

The 50 by 100 ft. structure will be of concrete block construction and will be built on property already owned by the city. The new building will replace the present garage on May st. near Garfield ave.

The council also voted to approve the transfer of property on Meech st. owned by the city to Mr. and Mrs. Edward Thorp, receiving in turn, the Thorp property located in Charlevoix township. The recently acquired property wil be used to enlarge the length of the runway at the municipal airport..

The council also voted to exercise its option on the Coeling property located adjacent to the Thorpe property.

A letter from the Medusa Cement Co. stating that the company would cooperate in every way possible in tha proposed program to enlarge the present airport facilities was read.

Approval was given a motion to have the city attorney, Norman D. Ance, draft regulations regarding the rezoning of property being purchased by Allen Pease for use as an amusement park. A hearing regarding the proposed change in the zoning ordinance will be held at a later date.

Bishop Bennison To Visit Christ Church Sunday

The Bishop of the Episcopal Diocese of Western Michigan, the Rt. Rev. Charles E. Bennison of Grand Rapids, will celebrate the Holy Communion at Christ church at 8 and 11 o'clock Sunday morning, July 16th, and will preach at the second service, Tom Carey has announced.

Bishop Bennison is the fifth Bishop to serve in this diocese since its inception in 1875.

Jaycees to Sponsor Annnal Venetian Queen Contest

Do you have a queen in your family?

If you think so won't you enter her name in the Venetian Queen contest to be held Monday, July 21, to choose a successor to lovely Carla Riley, 1960 Venetian Queen.

Contestants must be between the ages of 17 and 25, never been married and residents of the Charlevoix area..

Application blanks for the contest, sponsored by the Charlevoix JayCees, may be obtained at the Chamber of Commerce office.

The 1961 Venetian Queen will be selected July 21 but her identity will not be made known until the night of the coronation ball at the Charlevoix Beach Hotel, Friday July 28.

Annual Venetian Festival Program Gets Underway

Plans for the annual Venetian Festival July 29 and 30 are shaping up well according to Robert G. Winchester, general chairman of the event, who this week has listed some of the attractions which promises to make this year's event an outstanding one.

The appearance of a three-man team of parachute jumpers several times during the festival heads the list of new attractions.

The Manda-Bee-Kee dancers composed of area Indians presenting true tribal dances will also highlight the festival. This group, whose fame is growing, will participate in the opening parade Saturday morning and will present formal programs in East Park Saturday evening and again on Sunday afternoon under the direction of Robert Domonic of Petoskey and Dorothy Kiogema of Harbor Springs.

The popular young athletes from the National Summer Plaestrium at Williamsburg will also be returned to the festival. These young gymnasts have been great favorites in the past.

A sunrise service in East Park at 7 a. m. Sunday will be part of the festival for the first time. The service to which worshippers of all faiths are invited will be held under the sponsorship of the Charlevoix Ministerial Association.

The traditional Doll, Pet and 'Dress-up' parade in East Park Saturday afternoon, followed by children's contests; the horsepulling contest at Kipke field; an exhibition of Western Square Dancing in East Park followed by a street dance will be some of the features of the festival on Saturday.

The Soapbox derby races early Sunday afternoon and a program in East Park Sunday evening will also be featured.

The traditional boat parade on Round Lake under a barrage of colorful fireworks will climax the weekend event.

Booths of every description set up in East Park will add to the carnival atmosphere of the festival.

Charlevoix Loses Tax Levy; Elect Two Trustees

A three mill tax levy was defeated by the residents of the Charlevoix school district during the annual school election Monday during which two trustees were elected to the board of education for terms of four years.

The tax levy was turned down by a vote of 429 to 296 in an election which brought out 733 voters, a record number for a summer election.

Joe Martinchek Jr. of Marion township was elected with 407 votes to the board of education to succeed Gordon L.. Freedman who polled 291 votes. The only other incumbent. Albert H. Smith, was returned to the board after collecting 370 votes. The fourth candidate, Ervin Racignol received 356 votes.

Entries Accepted For Annnal Soap Box Derby

The Charlevoix Chamber of Commerce has issued an invitation to all boys between the ages of 11 and 15 years inclusive to enter the annual Soap Box Derby to run Sunday, July 30, during the annual Venetian Festival.

The contest is open to all boys in the above age group residing in Charlevoix county.

As in the past the event will be staged on South Bridge st. hill on Sunday afternoon, July 30, under the direction of the 310th Ordnance Co. headed by Capt. John Barkdoll.

There will be two classes this year, Class A. for boys 13 through 15 and Class B for boys 11 to 12 inclusive. Cash prizes will be offered the first three winners in each class.

All boys are urged to build racers with the assistance of their parents for the race. Entry blanks may be obtained by caling or stopping at the Chamber of Commerce information booth.

Notaries Listed By Sec'y of State

The list of notaries who were newly appointed or reappointed during the second quarter of 1961 has been released by Secretary of State James M. Hare.

Among those in the Charlevoix area are C. Meredith Bice, Gertrude M. Curtis, Ida M. Heise, H. B. Schofield and Florence S. Uhrick of Charlevoix.

Others are Jewell F. Gillispie, Vernon H. LaFreniere and Lloyd McDonough of St. James.

Mobile X-Ray Unit To Visit Here Friday

The Michigan Department of Health mobile x-ray unit will visit Charlevoix from noon until 6 p.m. tomorrow (Friday), Dr. A. F. Litzenberger, director of the District Health Department No. 3, has announced.

The mobile unit will be at the City hall beginning at noon after spending the last three days at East Jordan and Boyne City.

Tuberculosis stalks persons of all ages but young people in their late teens and 20's and senior citizens have been found to be the most freqoent victims of the disease. For this reason, persons in these age catagories are urged to visit the mobile unite while it is in Charlevoix Friday. The procedure is simple: you register, have an x-ray taken without disrobing and depart; it takes but a few minutes and there is no inconvenience so won't you plan now to visit the unit when it comes here tomorrow?

The unit is making a spot check survey in several northern Michigan counties in cooperation with the Michigan Tuberculosis Association and the District Health Department.

The unit will be manned by a full staff of Health Department technicians assisted by a group of local residents serving as registrars organized under the direction of Mrs. C. M. Bice, They are Mrs. Robert Winchester, Miss Kathleen Fessenden, Mrs. William Downing, Mrs. Joseph Etieene, Mrs. Harry Strother, Mrs. Floyd Brown, Mrs. Robert Bergmann, Jill Davis and Jill Stewart.

Factions at Odds on Ironton School Issue

Residents of the Ironton school district, at their annual school election Monday night, voted to send the school age youngsters of the community to schools in either East Jordan or Charlevoix or both, come September, after electing Kenneth Tunison to the post of school board president.

However, another faction of the school district has challenged the action of the 34 residents and one non-resident who took the above action after the first group met sharply at 8 p.m., elected William Dajnowicz chairman and then adjounred before any further business could be discussed.

The second faction that eventually carried on the business of electing a board member and voted to send the children to school in nearby communities in September continued the meeting after being advised by Charlvoix county Superintendent of Schools Charles A. Robinson that they could do so "because a "no" vote to adjourn the earlier meeting had not been taken, according to Willam Warstler, secretary of the board, who told Mr. Robinson that only an affirmative vote to adjourn had been requested by the chairman, Mr. Dajnowicz. Mr. Robinson had added that "since a negative vote to adjourn had not been taken and because the number of people voting in the affirmative might not have been in the majority, the meeting could be continued and business transacted".

Further action in the hassle is expeeted to follow a meeting of the faction chaired by Mr. Dajnowicz after the group met Wednesday night.

The resulting dissention in the school district followed the condemnation of the Ironton school in April by the State Fire Marshall's office, making it necessary to transport the 22 children attending the school at the time to a classroom offerd by the East Jordan schools.

In the weeks that followed a number of property owners asked to have their property annexed to East Jordan School district; one other asked to have his property annexed to Charlevoix school district. Still others would like to annex to one or the other school districts while still others want to build a new school to replace the one condemned earlier.

Meanwhile, the school age children of the Ironton school district are not expected to know for some time where they will attend classes, come September.

East Jordan Church Launches Fund Drive

St. Joseph's parish in East Jordan has launched a fund drive for a new church, the Rev. Joseph Malinowski, pastor of the 63 year old church has announced.

The estimated cost of construction of the new church has been set at $100,000. The purpose of the fund campaign being conducted under the direction of John V. McCarthy and Associates, Inc., of Detroit, is to raise as much of this amount as possible so that the parish will not have to assume a large indebtness.

William M. Swoboda is general ohairman with Julius O'Brien serving as his associate.

The drive will continue for ten next five weeks.

MEMO . . .

From the Editor's Desk

There's a continual cry for action to bring new industry to Charlevoix but that action requires more than merely waving a magic wand. As of today this community can have a new industry that will be of real value to the economy of Charlevoix. It appears that most people have been looking to the Charevoix Development Corp. to do the job. Bear in mind that the Charlevoix Development Corp. is made up of citizens who are trying to do something about it instead of passing the buck. Now that an opportunity is here, it is time for everybody to get on the job. The Charlevoix Development Corp. is your organization, operated to help you to help yourself.

Charleveix's traveling ambassadors, Capt and Mrs. Hubert Paddock, report an interesting trip on their tour of Western Canada. With their report came the following clipping from the Medicine Hat News.

The United Fund

Statism, the business of government caring for the people, is becoming the "which-came-first?" argument of our age. Politicians defend their increasing draft toward the welfare state by saying the voters demand it and the voters blame the politicians for promising too much too nicely.

Concern over this draft to statism prompted a young medical student to pen a parody on the Bible's most famous Psalm. He has entitled it: "Hymn to the Welfare State".

"The Government is my shepherd,
Therefore I need not work.
It alloweth me to lie down on a good job.
It leadeth me beside still factories;
It destroyeth my initiative.
It leadeth me in the path of a paradise for politics' sake.
Yea, though I walk through the valley of laziness and deficit spending,
I will fear no evil, for the Government is with me.
It prepareth an economic Utopia for me by appropriating the earnings of my own grandchildren.
It filleth my head with false security;
My inefficiency runneth over.
Surely the Government should care for me all the days of my life!

We haven't heard any comment about the absence of light poles and wires that once detracted from the beauty of the East Park water front. It's a commendable improvement.

Many business people in the area took advantage of the workshop recently sponsored by the Charlevoix Chamber of Commerce, and the County Extension Service in co-operation with Michigan State University. Purpose was to improve the courtesy and hospitality extended to tourists, answer questiona and promote local attractions and services available. Now we hear of a local business man who declined an invitation to attend because he "wasn't going to have anyone tell him how to run his business." We'll admit he has done very well, but we ask you, where would he be if the whole town moved out and left him high and dry. Maybe he could build another Charlevoix all by himself.

Dale Boss, chairman of the building committee for the new Community Reformed church of Charlevoix, turns the first shovel of earth during the official ground breaking ceremony Sunday afternoon at the site of the new structure on US 31 north at Petoskey ave. and Meech st.

More than 250 members of the congregation now known as the Barnard Reformed church and friends of the church were present for the ceremony at which the Rev. Charles A. Stoppels (second from left) spoke briefly.

Pictured are (l to r) Franklin Boss who will serve as project superintendent during the building of the church which is scheduled for completion early next year; Rev. Stoppels, pastor of the 56-year old church; Mr. Boss; Richard Potter, vice president of the Consistory; Elden Potter, superintendent of the Sunday School; Mrs. Charles Bergmann, president of the church guild and Lorraine Boss president of the Young People's Society.

Richard-Schoals Vows Exchanged At East Jordan

The First Presbyterian church of Boyne City was the scene recently of the wedding of Billie Jo Richard and Warren Richard Schoals, U. S. Navy.

Parents of the couple are Mr. and Mrs. Joseph Richard of Boyne City and Mr. and Mrs. Warren Schoals of this city.

Red and white peonies and mock orange formed a setting for the candlelight service at which the Rev. John Chirrona officiated on July 1. Mrs. David Wilson was the organist and Mrs. James Schoals the soloist.

Given in marriage by her father, the bride selected a gown of white nylon lace over taffeta for her wedding. The fitted bodice was fashioned with a scalloped neckline and long sleeves and a full skirt with pleated net inserts. Her fingertip veil fell from a crown of seedpearls and seh carried a white Bible decorated with an arrangement of white carnations and ivy.

Mrs. Howard Pinney of Petoskey, as matron of honor, wore a gown of white nylon chiffon over taffeta with yellow trim at the neckline and yellow streamers in the back. She wore a white hat and other accessories and carried a white carnation boouquet.

Ruth Boyer of Boyne City, as bridesmaid, wore a gown identical to the honor attendant's a white hat and carried a bouquet of white carnations.

Mr. Pinney assisted the bridegroom as best man, David Green of Gloversville, N. Y., was groomsman. Seating the guests were Steve Gennett and Don Heise of this city.

Mrs. Richard chose a lavender jersey dress and white accessories for her daughter's wedding. Mrs. Schoals, mother of the bridegroom, wore a lavender nylon lace gown and white accessories. Their corsages were of white carnations.

A reception followed in the church dining room.

The bride is a 1961 graduate of the Boyne City high school. The bridegroom is a graduate of the Charlevoix high school and is presently serving with the U. S. Navy.

Mr. and Mrs. Ben Yettaw Jr. and family of Detroit returned home Sunday after spending a week visiting his parents, Mr. and Mrs. Ben Yettaw of Charlevoix and her parents, Mr. and Mrs. S. T. Gokee of Petoskey.

The Friendly Place to
Relax & Enjoy Yourself!

Edna M. McCann

Daily round trips by the motorship "Emerald Isle" offer you the opportunity to visit this scenic island. Historically famous, and rich in legend and romance, the 34 mile cruise to Beaver Island on Lake Michigan takes several hours, and makes for a pleasant day's outing. If you wish to stay longer, the accomodations on the island are excellent, with many recreational facilities available.

The Battle Of Pine River Fought 108 Years Ago Today

ENTRANCE OF PINE RIVER. Just a stone's throw away from here, settlers clashed with Mormons in 1853.

Exactly 108 years ago today, July 13, 1853, two groups of armed, angry men faced each other on the Lake Michigan shore near the entrance of Pine River. In an exciting series of events which had all the elements of a good television plot, shots were fired, a man wounded ,and a long chase by boat followed.

A bronze plaque overlooking the site describes the skirmish as a dispute between the Mormons of Beaver Island, and fishermen from the new settlement of Pine River. Countless tourists have read the tarnished inscription with out realizing the part it played in the history of Michigan's pioneers. The Battle of Pine River, as it is called, was a boiling point in this area's early days, and when it slowly simmered down, the town of Charlevoix emerged.

The saga really begins on Beaver Island, a little strip of land 34 miles to the north. There the inhabitants were mostly Latter Day Saints, an offshoot of the Mormon church. Their leader was an ambitious man named James Jesse Strang, who found in Beaver Island the promised land for his followers. He formed a powerful community with all authority under his control, and by 1852, declared the island his kingdom and crowned himself "King" Strang.

Petoskey Playhouse In Full Swing With Hits!

Summer Stock Offers Variety of Broadway Plays

PETOSKEY PLAYHOUSE, located on Route 31 and Crooked Lake in Oden, is the oldest summer theatre in Michigan north of Grand Rapids.

Now in its eighth season, the Petoskey Playhouse has already raised its curtain on two Broadway hits, with seven more to follow. The company this year is the largest in the playhouse's eight year history, and as usual are professionals recruited from New York plays. According to managing director Bentley Lenhoff, the main fare of the summer season will be comedy, with a few more serious works and even an old-fashioned "meller-drammer" thrown in.

"Send Me No Flowers" opened the season, and proved to be a sure-fire hit. "Summer And Smoke" began last Tuesday, and will run through July 16th. The following weeks will also feature outstanding plays with Broadway casts: W. Somerset Maugham's "Rain", July 18-23; "The Waltz Of The Toreadors", July 25-30; the old fashioned melodrama, "The Drunkard", August 1-6; "Majority Of One", August 8-16; "Sweet Bird Of Youth", August 15-20; "Under The Yum Yum Tree", August 22-27; and "The Marriage Go-Round", August 29 through September 3rd, will round out the season.

The Petoskey Playhouse is the only theatre in Michigan specifically designed and constructed for summer stock presentations. Curtain times are 8:30 Tuesday through Friday, 9:15 on Saturday, and 7:30 on Sundays. Reservations May be made by phoning Petoskey, DIamond 7-8382.

The Petoskey region, Emmet County and the surrounding area welcomes you to use their complete facilities for a grand vacation! Whether its a vigorous day outdoors, or a leisurely shopping trip to Petoskey's famous shops, you'll enjoy it as one of your vacation highlights!

Miss Bodley and Ernest R. DePas Marry in Church Ceremony

Barbara Irene Bodley, daughter of Mr. and Mrs. Willard S. Bodley, became the bride of Ernest R. DePas, son of Mr. and Mrs. Ignes Depas of Wilson, at an impressive ceremony solemnized Sunday afternoon at the Seventh Day Adventist church in Petoskey.

The Rev. Roy E. Lemon officiated at the service in the presence of more than 75 guests before an altar decorated with pink and white peonies. Mrs. Lemon was the orangist and Mrs. Leo Burnett Jr. of Charlevoix the soloist.

Given in marriage by her father, the bride chose a ballerina length gown of white lace fashioned with a fitted bodice, jewel neckline, short puffed sleeves and a bouffant skirt. Her short veil fell from a white feather hat and she carried a white Bible topped with an arrangement of sweetheart roses and white carnations.

Moneta Wilkins of Detroit, as maid of honor, wore a blue nylon gown and matching blue accessories and carried a bouquet of pink carnations.

Julie Geer of Charlevoix niece of the bride, as flower girl, wore a pink gown and carried a basket of pink and white carnations.

Cecil Depas of Chicago assisted his brother as best man. Ronald Burnett and Leo Burnett Jr. both of Charlevoix seated the guests.

Mrs. Bodley selected a navy and white nylon jersey dress; white accessories and a corsage of red and white roses for her daughter's wedding. Mrs. DePas, mother of the bridegroom, wore a light blue and gray print dress, light blue accessories and a corsage of pink and white roses.

A reception followed at the home of the bride's parents in Hayes township. A tiered wedding cake centered the refreshment table. Assisting were Mrs. Lloyd Kuebler, Mrs. Ronald Burnett and Mrs. Kroehler of Wilson, sister of the bridegroom.

For traveling on their wedding trip to Big Rapids and Grand Rapids, the bride wore a brown print dress and matching accessories.

The bride is a graduate of the Charlevoix high school and attended Ferris Institute for two years. At Ferris Institute she was affiliated with Beta Sigma Phi sorority.

Mr. Depas is a graduate of Powers high school and also attended Ferris Insitute for two years.

Wedding guests were present from Chicago, Detroit, Bay City, Wilson, Big Rapids, Grand Rapids, Charlevoix and Petoskey.

Pine River Battle

(Continued from Page 6)

Although Strang touted his domain as an island paradise, some of the Mormon Saints didn't agree, and took refuge among the fishermen of Pine River. Frustrated at having his flock stray, he sent a sheriff and posse to the mainland to bring them bach, using the excuse he was summoning them to serve on the grand jury.

On that fateful afternoon of July 13, the women of Pine River were attending a quilting party high on the hill overlooking Lake Michigan. They noticed two boats approaching out of the setting sun, and after first thinking the vessels were manned by indians, a spyglass revealed them to be Mormons. A short distance away towards South Point, the settlement's fishermen were hard at work among their boats and nets when they also noticed the approching men. Quickly arming themselves, they allowed the Mormons to land, but stopped them as they approached the mouth of Pine River.

The leader of the Saints, Jonathan Pierce, demanded that three of the refugees from Beaver Island be turned over to them. The fishermen steadfastly refused, and both sides voiced threats of violence. Then the youngest of the Mormon deserters stepped over to Pierce, and in the heated argument which followed, a shot was fired and one of the settlers wounded in the leg.

This brought about immediate retaliation by the fishermen. As the Mormons hurridly took to their boats and began an urgent evacuation towards Beaver Island, a barrage of shots hastened their departure. Quickly the fisher- from the entrance of Pine River, men commandeered a large boat and with two men to an oar, began the pursuit. Placing one of their better marksmen at the bow, the Mormon boats soon became sitting ducks, with many of the settler's shots taking effect. After a frantic chase of about seven miles on Lake Michigan, the Mormons fortunately came upon the bark "Morgan", a sailing ship enroute to Chicago. Begging for assistance, they were taking aboard and saved from their vengeful pursuers.

It was later stated in "The Northern Islander", a newspaper printed on Beaver Island by the Mormons, that 7 of their group were killed and 5 wounded in the Battle of Pine River.

The tension between the settlers and Mormons heightened after the battle, and fearing reprisals, fishermen from Pine River abandoned their homes for safer communities farther north. It was a well known fact that the Mormons were covetous of the fishing settlement, and were desirous of moving in, lock, stock and barrel. Using the Battle of Pine River as a justifiable excuse, they invaded the colony and for the next three years kept all newcomers out by threats of violence.

Although the Battle of Pine River took only a few hours in the long history of Michigan's early development, it stands as a monument to the pioneer's stubborn determination and courage which ultimately carved out of the wilderness the jewel known as Charlevoix-the-Beautiful.

CON CON, The Issue

Big Government U.S. Individual rights and freedoms.

Whether the new constitution is to be an instrument designed to insure the powers of government at the expense of the rights of the individual and of minorities, or is it to continue to be a shield against excesses of government. All else that may be called issues are in and are a part of this basic issue.

If DEMOCRACY is to be maintained three basic principles must be continued and strengthened:

1. The three departments of government, legislative, executive, and judicial must be kept separate, distinct, and in balance;
2. We must keep our balanced legislature with its two houses, the Senate apportioned basically by area, and the House of Representatives apportioned basically by population; and
3. Strong local self government by and for those so governed with elected officials directly responsible to those who elected them. This does not constitute any approval by one of the so called "Home Rule" idea which is the exact opposite of the above.

I am a candidate for Con-Con delegate nomination at the Republican Primary.

I pledge my support to the above principles.

In seeking your support I have no ax to grind.

News Round-up at Camp Charlevoix

The second week of camp started off with more trips taking to the roads, with Bruce Baker and his boys going to Fisherman's Island. These boys were Robby Pliskin, Peter Cowhey,. Rusty Smith, Russell Washburn, Woody Kiefaber, Jeff Whitesell, and Bob Hamburger. Cabin 13, with Danny Ross as Counsellor went down the Lake to Whiting's Park, the boys being Bill Kunst, Bill Parker, Greg Nyland, David Gerber, John Foley, Peter Renchard and Rick Fenton. John Stephensen and his boys went to Bay Shore and spent the night, these boys being Marc Witus, Walt Silver, Hunt Harris, Geoff Hockmeyer, Mike Kelly, Bob Bosse, and Joe Hutchinson.

The Glorious Fourth dawned bright and sunny and warm and the cowboys took our matched Palomino team of Belgian Percheron's (horses) and our big white wagon down to East Jordan to be in the parade. Those of us who saw the parade were most pleased with the showing these huge horses made. In the afternoon, the Annual Track Meet was held under the leadership of Kent Gibbs and Dick Stadler. It was very well arranged and most every boy took part in some event. This was the start of the Green-Grey competition, so enthusiasm was high, as the winners of the day's events is always off to a flying start. The high point men in the Junior Section were Mark Murfin, Bill Kirwin, Bill Fraim and Chris Somers. The Prep Section had the honor of having the meet's high point man who was Bill Orr with four first places. Other Preps winning points were Rick Nichols and Barney Kelly. The high point men in the Intermediate Section were Sandy Coakley, David Gerber, Bill Henderson and Rick Toncray. The Senior Section had some close competition at the close of which the high point winners were John Fraim, Dave Roberts, and Bill Kennedy. The Steeple Chase event, the most grueling of the Senior events was won by Mike Boutell. Ten men started this event and all finished. At the end of the meet the Greys had won 3 points and the Greens one point.

Our Annual Buffet Supper out on the Shore was held for the evening meal, and our cooks, Joe and Lewie, had a most attractive table set up with much good food, the meat being cooked over an outdoor fire. The Juniors then had a Green-Green soccer game which the Greens won, adding another point to their score which makes the score at the end of the first day of competition ,Greys 3 Greens 2. The finale of the day was the meeting on the shore of the entire camp to watch the camp fireworks. This was the most elaborate display we have ever had, at the close of which each boy was given a box of sparklers.

It was a long day, but one which the boys will never forget.

We slept late on Wednesday morning. Rising bell wasn't until 8:30 with breakfast at 9:15. Both boys and staff enjoyed this extra hour of sleep. One of our Junior Cabins, number 3, with Bob Wymann and George Smillie in charge went on an overnight horseback trip with cowboy Rick William, Oklahoma in charge. The boys in this cabin are Tommy Bayer, John Neiman, Bill Fraim, Bob Mardigian, Woody Roe, Alan Cutting. In the evening, we had our first skit night arranged by Marvin Crain in the "Bigwam", and it was a most hilarious time. Cabin 19, Rebel Thompson as counsellor presented one of their members, Sandy Lungersbausen, a Magician. He did a really fine job, and the boys all enjoyed his fooling them so completely. Cabin 20, Kent Gibbs boys, gave "The Lighthouse Keeper's Daughter". The cast was a follows: Rotunda was John Deane, The Keeper was Chuck Sullivan, Wife, Chip Hoagland, Hero Nero was Dave Roberts, Villian Dill was Skip Kessler, the Lighthouse was Mike Bash. Rick Tomkinson was Narrator. The Counsellors-In-Training, gave a "This Is Your Life" Skit, the surprised guest being "Rebel" Thompson. This was extremely well done with Wes Murfin being the Ralph Edwards in the skit. After singing "taps" the day was ended on a most happy note.

On Thursday, several cabin groups took trips. Cabin 11 with Ted Fleming and Darden Pyron in charge took their boys on a canoe trip down the lake to Young's State Park. These boys were George Steinhart, Ralph Meisel, Wayne Hause, John Middleton, D. J.Somers, Wally Dyer and Ricki Toncray. It was a long paddle, and the boys were quite tired, but very happy, upon their return. Cabin 21, with Dick Kinder in charge took a day trip to Fisherman's Island. Dick Flaningham, David Hause, John Rotz, Charles Nelson, Mike Jones, Brook Bosse and Mike Boutell took this trip. A day trip to the Charlevoix Beach was on the docket for Don Stephens cabin along with Roger Carother's boys. These boys were Jim Kuehn, Jim Warner, George Turner. C. J. Shelley, Barney Kelley, Bob Foley, Rick Nichols, Peter Crew, Danny Hall, Howard Davis David Hoyt, Lee Gonsior, Denny Heck, Atwood McAndrew, and Tom Harper.

Friday morning found the Mackinac Island boys up at six and having breakfast at six thirty ready to leave at seven for Mackinac Island. Ken along with Bruce Baker, Gary Murfin and Doug Bottomley accompanied the following boys: John Foley, Joe Hutchinson, Steve Martin, David Spaulding, David Hause, David Parkhurst, Steve Wardrop, Paul Phillips, Jim Sweet, David Arndt, George Turner, Bob Foley, Tom Harper, Lee Beckman, George Steinhardt, Ralph Miesel, Tommy Seidman, Rick Toncray, Wayne Hause, Sandy Coakley, Bob Hamburger, Rusty Smith, Russell Washburn, Bill Kirwin, David Janson, Tommy Arndt, Oliver Janson, Bill Carroll, and Paul Kirwin. It was a bright, sunny, warm day and the boys had a really great day on the Island, so many things to see. Dean Herman took his cabin 10 on an overnight canoe trip. The boys on this trip were David Strout, Tom Rotz, John Stearns, Drew Parks, Chris Jones, John Kiefaber, and Richard Mueller. Jim Donnellan took his boys from cabin 12 on a day trip to Charlevoix Beach. They were John Patterson, Frank Kolbert, Mike Pliskin, Bill Henderson, Carl Anderson and Steve Nivon.

On Saturday night, we had another skit night, after which the C. I. T.'S with Cy Pick in charge were shown a movie, popcorn and all, and they did enjoy "The Sign of the Pagan" starring Jeff Chandler.

On Sunday morning at our outdoor chapel we had several visiting parents. It is always a pleasure to have parents attend our chapel service on Sunday morning. Cy Pick, Head of Waterfront, was the speaker and he gave the boys and staff much to think about with his talk on "Finding God at Camp Charlevoix". It was a most inspiring talk. Ken Smith then conducted a memorial service for David Holste, who passed away in Chicago on Friday. David was a camper here last season and was to attend the second period this summer. It was most impressive. In the afternoon, the Green-Grey waterfront meet was held with most all of the Campers taking part in the many events, sailing, canoeing, and swimming. At the end of the afternoon the Greys had picked up three points to the Greens one, so the score now stands at Greys-6, the Greens-5.

In the evening, Vesper services were held in all sections.

It doesn't seem possible that the first two weeks are gone and we are starting on the third week. Boys are rapidly becoming close friends and gaining in new skills. Riflery scores are getting higher, sailors are getting more proficient, riders are getting more skillful and results are seen in all the activities of boys beginning to take their places among the leaders.

Michigan Mirror

By ELMER E. WHITE

"IF YOU SEEK a pleasant peninsula, look about you."

So says the Michigan motto, in Latin, inscribed on the great seal of the state, on the state flag and many other places. This is more than a Michigan Week promotional phrase, and it could be the greatest key to what the Water Wonderland has to offer her citizens.

The motto hits the heart of a resource, specifically, tourist trade potential, that might someday vie with heavy industry as the most significant Michigan product.

* * *

Young people with vision, especially, would do well to look into tourist-related fields when seeking a career.

Not only is there a potential money tree awaiting those ready, willing and able to provide vacation and recreation services, but there can be a satisfying life which includes the pleasure of making a contribution.

The vast field of tourist, travel and recreation spending ranks right along with agriculture and indurstry at the top of Michigan income producers.

* * *

Estimated money intake from the tourist trade in 1960 is set at $653 million.

And this figure does not include those fringe areas such as retail businesses, many of which depend largely on tourist spending for their yearly income.

Hoop-la about Michigan's tourist potential is aimed at a vaster target than prospective tourists who will bring dollars to spend from within or out of the state in the recreation areas.

* * *

It is an invitation to Michigan citizens to get on the bandwagon; build a satisfying life and a still better industry.

The Michigan State Chamber of Commerce recently devoted almost an entire issue of its monthly magazine, **Michigan Challenger**, to the tourist business as it presents an economic opportunity.

In effect, the state chamber was saying, "why not take advantage of the pleasant peninsula that you can see by looking about you."

* * *

By way of a teaser, to get people to look into the tourist potential of Michigan, Harry R. Hall, the executive vice president of the state chamber, offered several hints as to what awaits the entrepreneur who would like to take advantage of a growing and vibrant industry.

Michigan has enough historical attractions, from the days of the fur-traders, the relics of a great lumbering industry, its Indian heritage, its mining days and its role as the birthplace of great industry to qualify it as top-flight tourist territory.

It has first-rate highways, scenic and convenient water routes and compact accessibility tailor-made for tourist travel.

* * *

A further taste of Michigan's delightful possiblities can be had by considering what several regions have to offer in a general sense to the travel or vacation-hungry city dweller.

In the Southeast, only an hour or so by car from Detroit, there are 50,000 acres of public land, 726 inland lakes, several winter sports areas and the shore lines of Lake Erie and Lake St. Clair.

The East-Central vacation area offers lake Huron frontage numerous inland lakes and miles of rivers and streams.

* * *

From the Indiana line to the Straits of Mackinac, the West Michigan area offers sport and recreation areas, both summer and winter, plus 400 miles of continuous shoreline on Lake Michigan and a variety of annuel festivals.

The magnificent Mackinac Bridge is the gateway to the wilderness wonderland of Michigan, the Upper Peninsula.

This two-peninsula paradise, teeming with tourist opportunity, offers virtually unlimited promise to those who would join the hundred of thousands of Michigan citizens who already gain their livelihood by serving the vacation needs of the state, the nation and the world.

* * *

DON'T PANIC if you spot a "no passing zone" sign that seems to be on the wrong side of a Michigan highway in the future.

The State Highway Department is experimenting with putting the signs on the left side of two-lane highways to see if they are better seen in this position.

Also being tested as a new kind of paint that might make those yellow lines that mean no passing easier to see in all kind of weather.

* * *

"No passing" signs on the left side of the highway are expected to be of greatest benefit to motorists who would fail to see such signs by the vehicle they are attemping to pass.

The theory is that when a motorist pulled out to go around a big truck, for example, he would see the "no passink" sign on the left and be able to swing back into the lane of traffic.

A driver attempting to overtake several cars in one pass would also be better warned when a "no passing zone" is coming up.

The caravan of five buses, one truck, a sound car and three passenger cars is scheduled to arrive here at 3:30 p.m. The units will organize for the parade at the corner of Brodge and Hurlbut streets and march through the business section. Enroute they will entertain with band music and unique drills.

Circlin' The Bases

By DEANO

The past week saw little change in the five leagues as the league leaders continued to hold their positions. Mold won three games to continue undefeated in the fastball league. Barnard kept their slate clean in the junior league. The Cubs of the peanut league needed a seventh inning run to stay unbeaten. Puff's kept their women's league record clean and the Dairy Queens led the pack in the girl's league.

MOLD STILL TEAM TO BEAT IN FASTBALL LEAGUE.

American Mold is still flying high behind the fine pitching of Nate Boss and racking up six straight wins.

Against defending champion Freedman, Mold scored three third inning runs and coasted to a 5-0 win. Ken Balch and Scott Supernaw led the winner's attack with two hits each. Meanwhile Boss had five innings of no hit ball going before John Thompson hit a long sixth inning triple.

Ironton proved no match for the Moldmen as they blasted out a 18-0 win. Harvey Cole paced an eleven hit attack by collecting three safeties.

The Merchants gave Mold a fight before falling 4-0.

The first four men to bat in the first inning hit safely with three of them scoring. That was the last hit they got as Merchant pitcher Davenport retired the 21 men without allowing a safe hit. Meanwhile the Merchants threatened in every inning but couldn't score off Boss.

The Coast Gaurd won two behind the tight pitching of Ted Potter. His one-hitter sent Ironton to a 9-0 defeat. Bob Potter collected the only hit off brother Ted.

Against the Merchants they waited until their final turn at bat and then scored four times for a 4-3 win. They had one hit until that time. Bob Darbee collected for a two-run homer in the uprising.

BARNARD LEADS IN JUNIOR LEAGUE

Barnard remained unbeaten in the junior league. They took the measure of a young V. F. W. team 17-10 in a real slug-feast. Six first inning runs aided the winners. Herb Cummings had three of the winners hits.

Barnard posted 9-0 and 11-1 wins over the Scouts and Browe Electric. The big show down is scheduled for Monday when they tangle with second place Lake Construction. Game time is 8:00.

Browe Electric and V.F.W. hooked up in a slam-banger with Browes pushing across an eighth inning run for a 15-14 win. Steve Anderson singled home the winning run. Mike Brinker had a grand slam home run over the left field fence for the losers.

PUFF'S UNDEFEATED IN WOMEN'S LEAGUE

Puff's took over first place in the women's division by whipping the High School girls 8-2. Verna Helms had two hits for the winners. Marliyn Novak had the same number in a losing cause. Earlier Puff's defeated Paul-Reed 3-1 in a well played contest. Nancy Balch collected two of the winner's safeties.

Paul-Reed blasted Ironton 19-2 behind the tight pitching of Betty Bergman and some lusty hitting.

Telling the Story at Big Rock

Visitors at the new Information Center at the Big Rock Point Nuclear Power Plant will find these four representatives of the company ready to explain the operation of northern Michigan's first nuclear plant which is scheduled for completion late in 1962.

They are (l to r), Charlas Herron, electrical engineer who has been transferred here from Manistee, Jeroma D. Lescoe, general construction superintendent on the Big Rock Point project, Alun Bevan, of the personnel and accounting departments, who came here from the company's main office in Jackson, to serve as co-ordinator of the Information center, and Charles Miller, general construction supervisor.

The Information Center is open from 9 a.m. to 5 p.m. daily.

Annual Venetian Festival Scheduled for July 29 and 30

An exciting new attraction has been added to the growing list of entertainment for the Venetian Festival scheduled to open Friday evening July 28, with the Coronation Ball honoring the Venetian Queen.

The newest addition to the program is the Grosse Isle Naval Tars and Rifles drill team, a sharp precision outfit which will appear in the parade at 10 a.m. Saturday morning and present demonstrations Saturday evening and early Sunday afternoon.

The unit will supplement the attractions listed earlier.

The weekend of festivities will open early Saturday with a street parade; the doll, pet and dress-up parade will be staged in East Park at 1:30 p.m. Saturday followed by other events to be climaxed by an appearance of the Indian dancers of Petoskey.

The sunrise service in East Park at 6:30 a. m. under the direction of the Charlevoix Ministerial Association will open Sunday's activities which will include an appearance of the drill team, the gymnastic team from the Palastreum at Williamsburg, a variety program featuring a concert by the Charlevoix Marine Band all climaxed by the Venetian Boat Parade on Round Lake as darkness falls Sunday evening. A brilliant display of fireworks will conclude the weekend festivities.

Local Residents Host Brazilian Students

Charlevoix was host over the weekend to 22 Brazilian students who are spending a month in the state.

The students, ranging in age from 16 through 28, are all from Soa Palo, Brazil, and were brought here at their own expense by their English teacher, Werner Kraft, to learn about the American way of life. Mr. Werner, who is associated with Michigan State University interests in Brazil, selected Lansing and East Lansing as a representative community of the United States. The students arrived from South America July 3 after several days in New York and are staying with Lansing residents while visiting industrial plants, government and social agencies, the university, markets, stores, shopping centers, etc., and learning how Americans live. They will return home July 27.

They arrived here Thursday night, spent Friday at Mackinac Island as guests of W. S. Doyle of the Mackinac Island Commission, who hosted a luncheon in their honor. They also were entertained at island homes and the yacht club and at a dinner given by the management of the Chippewa Hotel and taken on tours of the historic island before returning here Friday night. On Saturday they enjoyed a picnic, a trip aboard the Julius Gilbert yacht, water skiing and other informal entertainment planned by the local hosts, the Thomas Darntons, the William Darntons and Mrs. Gladys Olds Anderson. They returned to southern Michigan Sunday.

They were accompanied here by Supreme Court Justice and Mrs. George Edwards and Mrs. John Green of Lansing who were entertained by the Gilberts and the Frank Rothschilds.

Rev. Fr. Partridge To Celebrate First Mass Sunday

The Rev. Fr. Francis C. Partridge, who was ordained to the priesthood of the Roman Catholic church in Rome in December, will celebrate his first Solemn High Mass at his home parish, St. Mary's church here, at 11:30 a.m. Sunday.

The Rev. A. V. Ulanowicz of Holy Cross church in Cedar, former pastor of the local church, will preach the sermon; the Rev. Joseph Herp O.F.A., former pastor of Holy Cross church on Beaver Island, will be deacon and the Rev. Stanislaus Bur of Grand Rapids, sub-deacon at Mass at which the Rev. E. Francis Denay, present pastor of St. Mary's will be the assistant priest.

The parish will host a breakfast honoring Father Patridge, his mother, Mrs. Francis C. Partridge, and members of his family, and other guests at St. Mary's school hall following his first Masa Sunday.

At 3 p.m. a reception honoring him will be held at St. Mary's school hall. Members of his family, guests, and members of the parish and friends are invited to attend the event which will continue until 5 p.m.

The Rev. Fr. Partridge, the first member of St. Mary's parish to be ordained to the priesthood in the more than 70 year history of the church, was ordained at the Chapel of the Immaculate Conception, at the American College in Rome where he had studied for the past four years. A native of Charlevoix where he was born Jan. 10, 1930, he is a graduate of the Charlevoix high school. He received his B.A. degree from Aquinas College in Grand Rapids and an M.A degree in Library Science from the University of Michigan. He taught at Beaver Island Community school on Beaver Island before attending St. Jerome's College (Seminary) Kitchner, Ont., for four years. He went to Rome following his graduation in 1957.

He has been assigned to St. Francis deSales church in Muskegon as an assistant.

Jail Escapee Apprehended in East Jordan Area

Darrell J. Irwin, 27, of Ypsilanti, who walked away from a work project at the county jail here sometime after 3 p.m. Saturday, was apprehended at East Jordan late Tuesday evening and returned here.

He was picked up by Night Patrolman Harold Olson at East Jordan when he came out of the woods northeast of the city where he had been hiding to seek food. He told Sheriff Glen E. Rose that a friend had given him two egg sandwiches and a blanket and that he had been hiding in the woods since his escape.

He had walked away from a work project at the jail Saturday afternoon. His disappearance was discovered about 4:45 p.m. Saturday and road blocks were formed in the area. However, he eluded these by walking through the woods to East Jordan where he sought assistance from friends.

He has been held at the county jail since Aug. 18, 1960, on a charge of gross indecency.

New Contractor To Complete School Work

The Koenig Construction Co. of Traverse City has been awarded the contract for completing the new junior-senior high school and the Capitol Lumber and Wrecking Co. of Grand Rapids the contract for razing the 60 year old high school on Mason st. by the Charlevoix board of education.

The action was taken at a board meeting held Monday night.

The Traverse City firm was engaged to complete the high school after Wallace N. Bjorkland of Douglas, general contractor, defaulted on his contract by repeated delays and refusal to proceed.

The original contract called for completion of the project on Oct. 15, 1960. The completion date was then extended to Jan. 15, 1961. When the building was not completed in June the school board terminated Bjorklund's employment under tha contract and accepted the Koenig company's bid for the completion of the building following approval of the move by Bjorklund'a bonding company, Peerless Insurance Co. with offices in Grand Rapids.

Work to be done on the school includes the cleaning of the new building and re-adjustment and completion of various small projects and the remodeling of the former shop and music room on the Mason st. site for use as a cafeteria and classrooms for the elementary school.

The amount of general contract as awarded Bjorklund was $592,028.47. As the result of change orders in the amount of $8,303.77 after the building was started the total amount of the contract is now $600,332.24.

The Koenig Construction Co. plans to start work on the contract within the week and will continue with sub-contractors for completion of the high school and the remodeling project on Mason st.

The amount of the contract with the Koenig firm is fixed fee of $2,240 plus costs of material, labor and the use of equipment to be charged against the original contractor. Completion dates on the project are Sept. 1 for the new school and Sept. 15 on the remodeling project.

The Capitol Lumber and Wrecking Co. of Grand Rapids has been awarded the contract for razing the old high school. The company's bid, one of two received for the work, was for $4,475 and included razing the building to three feet below grade level and filling the hole left by the basement. Work is expected to begin shortly and is due for completion Sept. 1.

At the business meeting held Wednesday night, Robert G. Lieberman was re-elected chairman of the board of education; Darrell Dinwiddie, vice president; Burr Blanchard, secretary and Dr. Robert G. Martin, treasurer. Joe Martinchek Jr. and Albert H. Smith were sworn in as members of the board. Clarence Smith is the seventh member of the board.

Anticipate Record Vote At Con Con Primary Election Tuesday

One of the most important elections to face the residents of Michigan, the primary election to nominate delegates for the constitutional convention, more familiarly known as Con-Con, is scheduled for Tuesday, July 25.

Delegates to the important convention, the first of its kind in more than 50 years, will be faced with the problem of re-writing the state's constitution. Any document drawn up by the convention and approved by the people of the state probably will last as long as the present constitution has.

Because of the seriousness of the task facing the delegates who will eventually represent northern Michigan at the convention, voters are urged to give serious thoughts to the delegates and determine whether they will represent the best interests of the region before going to the polls to cast their ballots on Tuesday.

Polls will be open in city halls and townships throughout the county from 7 a.m. to 8 p.m. Tuesday.

Voters will find on the ballot the names of candidates for the nomination from the Charlevoix Representative District which takes in Charlevoix, Antrim, Benzie and Leelanau counties the following names: Republican: Fred W. Palling, Edward K. Shanahan, Beryl Abbott, Ronald J. (Jack) Abfalter, Ted McCutcheon and Husted M. Meyer.

On the Democratic ballot will be the names of Robert J. Garthe and Allen Blacklock.

Voters will cast their ballot for ooe and only one delegate on one of the other ballot.

The names of the delegates in both parties winning the nominations for their respective parties will appear on the ballot in the general election scheduled for Sept. 12.

Plan Annual Doll And Pet Parade at Venetian Festival

Plans for the fourth annual Doll, Pet and 'Dress-up' parade one of the most popular events of the Venetian Festival, have been announced by Mrs. Byron Wright, chairman of this year's event.

The parade, open to children in the four through 10 year age group will again be staged in East Park at 1:30 p.m. Saturday.

Entry blanks will be placed at Staley's store, Edwards' Food Mart, Essenberg's Grocery, Gebeau's Grocery, and the Chamber of Commerce so youngsters may register for the event.

Three prizes to be paid in silver dollars, will be offered in each of the three catagories.

Mrs. Robert Tollas is co-chairman of the event.

All youngsters in the community, year-around residents and visitors alike, are urged to participate in the Doll, Pet and Dress-up parade staged for the children so that they may be a part of the Venetain Festival.

The parade, one of the early events of the fun-packed weekend is sponsored by the Chamber of Commerce.

Mrs. Lydia Liston Leases Grill to Mrs. George Schmidt

Liston's Grill located on US-31 South near the airport has been leased to Mrs. George Schmidt, Mrs. Lydia Liston, who has operated the popular restaurant for the past 2½ years, has announced.

Mrs. Schmidt plans to operate the business as in the past featuring regular meals as well as short orders.

She formerly operated the Eastporter on Torch Lake for two years and has been employed at the Grill here.

In announcing the leasing of the business, Mrs. Liston thanked the public for its past patronage and asked that the residents of the community continue to frequent the Grill.

New Electric Rates to Become Effective Sept. 7

The Charlevoix city council, at its regular meeting Monday night, approved the adoption of residential electric rates as proposed by the electric committee on June 19 of this year to become effective Sept 1.

The new rates will directly parallel Consumers Power rates and will be less than they are now. New industrial rates were adopted earlier and are now in effect.

A hearing has been scheduled for 8 p.m. Monday July 31 regarding the re-zoning of property located on Sheridan ave., also known as the Norwood road, which Allen Pease proposes to use as an amusement park. The council, at its meeting Monday, approved the rezoning of the property.

Dewey Bruce and Bud Hecres, representing the residents of the southwest section of the city, appeared before the council to ask what could be done to install water and sewer lines to that section of the city. City Supt. James Taylor was asked to make a survey of the needs and report at a future meeting.

Bills totaling $25,827.08 were approved and ordered paid. The figure includes a $7,825.84 payroll; $5,994.69, accounts receivable; $2,895.75, diesel fuel oil; $1,900 city-used utilities and $1,000 payment to Scott Engineering for plans and specifications for re-construction of the municipal dock.

A Warning

Charlevoix is blessed with miles of inviting beaches and beautiful shore line picnic sites. Many of these beauty spots, although privately owned, have always been available for the enjoyment of the public, both local citizens and visitors. These privileges will no doubt remain as long as they are not abused.

The principal abuse is by the so-called "litter-bug" who fails to assume any responsibility in leaving an area as clean and inviting as it was found.

Every year there are a few careless or slovenly individuals who leave their litter on the beaches. The condition is more deplorable when the trash includes cans and broken bottles which are a hazard to all who frequent the beaches. The litter-bug is a menace to the public as a whole and a particular nuisance to those owning property that extends to the shoreline.

Continuation of these abuses can only result in restrictions and policing of the public beaches if they are to be maintained for the enjoyment of all. And when the owner of beach property, now open to the public, has had his fill of the menace, he is very likely to resort to fencing with "No Trespassing" signs.

If we are to keep and enjoy the beauty that surrounds us, every individual had better assume responsibilty and do his own policing.

The Story Of Profit

The labor unions' unceasing drive for ever-higher wages and fringe benefits is largely justified by the argument that these demands can be met out of corporation profits, without price increases.

If that seems logical to you, read what David Lawrence wrote in the April 10 issue of U.S. News & World Report: "The latest figures available, for 1958, show that, out of a total of 990,381 corporations, only 3,857—less than one per cent—made a profit of a million dollars or more after taxes. Approximately 607,000 corporations made less than one million, while about 379,000 made no profit at all. This same general precentage has held true in recent years."

We can have increased wages without more inflation only if there is increased productivity per man-hour. That requires two things. One is union policies which recognize this plain fact. The other is tax-depreciation laws which will enable and encourage industry to replace and modernize its machines and plants in order to produce at lower costs.

JULY
IN MICHIGAN
By Harold E. Kohn

Some Things to Notice in July

Weather considerably influences the amount of singing our summer birds will do. The exceedingly high temperature of July afternoons drastically decreases the sining of our songbird neighbors. So does a sudden unseasonable cold snap. So does a high wind. Most songsters stop singing during a heavy rain, but a few days ago an oven bird sitting in brookside birches outside my study window, his spirits undampened by a cold, midmorning rain, sang joyfully to the rhythmic beat of falling raindrops.

High humidity immediately preceding and following a rainstorm often stimulates singing. Even the loons, not the best candidates for concert careers, become excited as air pressure lowers and humidity rises, and begin filling the air with their wierd mixture of song, hoot, and laughter.

Nothing in nature is free from trouble. Every living thing is the object of the attack of other living things. A deer is plagued with bot flies, and so is a lion. Pick up a turtle plodding across a country road and you will likely find black leeches attached to his legs, neck, and back. Trout are subject to diseases, as are the men who fish for them, and more trees are killed by infections than are destroyed by forest fire. Grain fields are attacked by "rust," and garden vegetables by hosts of marauding insects. July—the month for outdoor living—offers the vacationer opportunity to observe that we living creatures are all bound together by a thread of trouble, and it is therefore fitting that our sympathies be as wide as is the fellowship of suffering.

On these bright summer nights see how many "shooting stars" you can count in one-half hour's time. Most of what we call "shooting stars" are really meteors—streaks of light caused by meteroids rushing through the sky. It is estimated that between 80 million and 100 million meteroids—fragments of metallic or stony material—strike the earth's atmosphere every twenty-four hours. Most meteroids travel at such a speed—from ten to forty miles per second—that the friction of the material passing through the atmosphere burns it up, completely vaporizing it, so that it does not reach the earth. Occasionally, however, the material reaches the earth's surface and is found. The Hayden Planetarium has one meteorite on display that weighs more than 34 tons.

Farm Bureau Proclaims Farm Safety Week

July 23 through July 29 has been proclaimed Farm Safety Week by the Farm Bureau.

Theme of this year's safety program sponsored by the Farm Bureau is "Safety is a Family Affair". To point up the inportance of safety to a farm family, K. C. Festerling of Petoskey spoke recently at the regular monthly meeting of the Charlevoix County Farm Bureau Women held at the home of Mrs. Thomas Wieland, outlining, in his talk, some of the ways to improve safety on the farm. Husbands of the members were guests at the meeting.

In addressing the group, Mr. Festerling said there were several major fields in which safety was imperative. He listed these as electricity and wiring, farm ponds and lakes, farm machinery, farm animals, poisonous sprays and dynamite caps and small, sharp implements used around the farm.

In regard to electricity and wiring, he stressed the importance of lightening rods on farm buildings and added that television aerials, well-grounded, could be used in this capacity.

During an electric storm, there is as much action going on underground as in the air above, he said, and advised that people not touch water pipes, faucets or other metal obpects during such a storm.

He also warned against standing under trees, in open spaces on a hill or near screened windows and doors during an electric storm.

Old wiring should be replaced and all wiring heavy enough to handle the voltage load in farm homes as well as other buildings, Mr. Festerling said. He also advised that fire extinguishers in good repair be kept in convenient and strategic places.

Farm ponds and lakes are always a hazard and should be fenced from young children; boats used on the lakes should be equipped with life preservers and all persons using the lake or ponds should know how to swim, he advised.

Farm machiner should be kept in good repair; should not be driven or used by children or persons not trained in their use; should be equipped with reflectorized tape and should be driven with care on highways No one should take chances with the machinery either on the farm or the highway and should follow all rules and precautions.

Farm animals, no matter how tame they may seem, can become ugly without provocation he warned. Bulls should be penned and handled with caution at all times. A vicious dog can also be a hazard to the owner as well as as a visitor.

Poisonious sprays and dynamite caps should be stored in safe places out of the reach of children of all sizes. Rules should be followed when these items are being used by adults.

Small pieces of equipment such as hay forks, hand rakes and hoes, shovels and other small items should never be left where one may step on them or trip over them.

In conclusion, Mr. Festerling warned against taking chances and reiterated the need for the use of common sense at all times.

Memo

I had a smattering of foreign language as a student and I thought them most inconsistent compared with my native tongue. The following poem which appeared in the Manchester (Neb.) Guardian illustrates the foreigner's problems when he attempts to learn English.

I take it you already know
Of tough and bough and cough and dough?

Others may stumble, but not you
On hiccough, through, lough and through?

And cork and work and card and ward,
And font and front and word and sword.
Well done! And now if you wish, perhaps,
To learn of less familiar traps?

Beware of heard, a dreadful word
That looks like beard and sounds like bird.
And dead: it's said like bed, not bead—
For goodness sake don't call it "deed"!

Watch out for meat and great and threat,
(They rhyme with suite and straight and debt).

A moth is not a moth in mother,
Nor both in bother, broth in brother.

And here is not a match for there,
Nor dear and fear for bear and pear,
And then there's dose and rose and lose—
Just look them up—and goose and choose,
And do and go then thwart and cart.
Come, come, I've hardly made a start!
A dreadful language? man alive,
I'd mastered it when I was five.

Mr. and Mrs. Don D. Dixon to Make Their Home in Petoskey

The Community Church of God was the scene recently of the wedding of Shirley Joan Bascom and Don D. Dixon.

Parents of the couple are Mr. and Mrs. S. A. Bascom of this city and Mr. and Mrs. Harry W. Dixon of Boyne Falls.

The Rev. George Majors officiated at the double ring service July 8. before an altar adorned with arrangements of pink and white gladioli and candelabra. Pink and white satin bows and streamers marked the pews for the service. Mrs. Walter Fairbairn of Alanson was the organist and Robert Boxell of Alanson the soloist.

Given in marriage by her father, the bride selected a floor length gown of white nylon organza for her wedding. The fitted bodice scattered with seedpearls and sequins featured a Sabrina neckline. Appliques of Chantilly lace adorned the full skirt which also had panels of the same lace which fell into a chapel length train. A crown of seedpearls and squins secured her shoulder length veil of silk illusion. She carried a cascade bouquet of pink and white roses and ivy.

Marilyn Bascom, as her sister's maid of honor, wore a gown of orchid chiffon over satin fashioned with a fitted bodice, acoop neckine and satin cummerbund. Her short veil was of matching nylon illusion and she carried a colonial bouquet of lavender and white pompoms and ivy.

Bridesmaids were Shirley Bascom, sister of the bride, and Dorie and Kristinia Dixon of Boyne Falls, sister of the bridegroom, who wore gowns identical to the honor attendant's in mint green, yellow and blue, respectively. Their colonial bouquets matched their gowns.

Debbie Bascom, sister of the bride, as flower girl, wore a pink nylon chiffon gown and carried a basket of white garden flowers. Jack Gabbard of Moscow, nephew of the bride, was ring bearer.

Dale Dixon of Boyne Falls assisted his brother as best man. Groomsmen were Robert Bascom and Raymond Bascom, brothers of the bride, and William Dixon of Boyne Falls, brother of the bridegroom. Seating the guests were Louis Warner, brother-in-law of the bride, and Ronald Massey of Boyne Fals.

Mrs. Bascom selected a turquoise chiffon gown and white accessories for her daughter's wedding. Mrs. Dixon, mother of the bridegroom, wore a light green lace gown and white accessories. Corsages of white orchids completed their costumes.

A reception followed at Fellowship hall where Mr. and Mrs. Benton Gabbard of Moscow served as master and mistress of ceremonies. Mrs. Paul Schroeder of Petoskey cut the wedding cake which was made by Mrs. Gabbard. Assisting were Mrs. John Bascom who served the punch, Mrs. Massey, the coffee, and Mrs. Warner and Donna Marme, the ice cream. Irene Bascom was in charge of the guest book.

For traveling on their Canadian wedding trip the bride wore a white chiffon dress, blue accessories and a corsage of pink and white rosebuds. They will make their home at 703 E. Lake st. in Petoskey.

Among the out of town guests were relatives and friends from Jackson, Hillsdale, Homer, Petoskey, Wolverine, Boyne City and Boyne Falls.

True Natives of Michigan to Stage Spectacular Pageant

Phot. courtesy of Petoskey News-Reviek.

★ ★ ★

The second annual All-State Indian Pageant will be staged at the Petoskey high school stadium over the weekend under the sponsorship of the Northern Michigan Ottawa Association whose membership takes in 5,000 residents of the state.

The festivities will be officially launched at 1 p.m. Saturday with a parade of Indian tribes in full dress through downtown Petoskey.

A two-hour show of authentic Indian dancing and entertainment will be presented nightly Saturday, Sunday and Monday beginning at 8 p.m. In addition contest dancers will be featured at the Petoskey stadium each afternoon at 2 p.m. Competing in the event will be dance groups from throughout the state and Cleveland, Ohio.

The public is invited to attend the festivities which are planned and staged entirely by Indians to benefit Michigan Indians.

MICHIGAN MIRROR ....

DANIEL BOONE HAD NOTHING on Michigan when it comes to bringing home the bear meat.

Boone, a Tennessee frontiersman of no mean skill with the muzzleloader, may rank as the most famous bear hunter of all time, but hunters in the Water Wonderland have improved their take over the years.

Bow and arrow and firearm hunters killed 1,238 of the ferocious furry animals during 1960, the Conservation Department reports.

* * *

It was in the Upper Peninsula wnere bear hunters found their greatest success, and an improvement during the firearm season, which is concurrent with the deer hunting season, was the reason.

Some 800 bears were taken from above the Straits of Mackinac compared with only 270 in 1959, the department said.

Another 297 bruins were counted crossing the Mackinac Bridge on their way to the food locker or the taxidermist shop during the early fall bear season last year.

* * *

While hunters who use dogs to go after bear are often criticized by other sportsmen, the department said figures over the years have shown only a small percentage of bears are taken with the aid of dogs.

The department said 543 hunters reported using dogs last year, only 7.4 percent of them were successful, bagging 40 bears.

Skill with weapons, rivalling old Daniel Boone, was the chief reason for the increase in bear kill last year, but the weatherman has to be given an assist, Conservation experts said warm weather during the concurrent deer and bear season, while hampering the whitetail hunters, kept bears from denning up early and helped produce the high tally.

* * *

FINAL FIGURES comprising the box score for the 1961 Legislature showed about a quarter of the bills introduced finally passed.

In fact, there were 1,077 measures introduced, 681 in the House and 396 in the Senate, and 258 of them made it past the pitfalls of the lawmaking process.

Without considering the quanlity of the legislation, its sheer quanlity is formidable.

* * *

Perhaps as many as 100 of the bills created major controversy before their passage. These ranged ffom the routine appropriations bills, which always bring strife, to highly specialized measures that would affect only a small portion of Michigan's population.

A lesson in the results of the 1961 session might be that whatever the amount of sound and fury, the lawmaking process goes on.

While attention focuses on the battles over dollars and the anguish of special interest legislation, a great deal of attention each session must be devoted to the relatively minor housekeeping measures and routine operational bills.

* * *

BOATERS BEWARE! this is the warning sounded by safety experts who site the growing number of powerboat registrations in Michigan as a potential danger to life and limb, if used unthinkingly.

Nearly 370,000 boats have been registered in Michigan under the Federal numbering system, state officials report.

And the number of watercraft authorized for use on Michigan Waterways is growing at the rate of about 500 a day. The flow of registrations is expected to taper off by mid-summer, however.

* * *

Water safety, like safety on the highways, is the business of man behind the wheel or rudder, as the case may be.

In 1960, Michigan motorists injured 13,280 children in traffic!

Of these, 200 died!

Of all persons injured in Michigan traffic last year 57.8 per cent were children under 15 years of age–3,500 youngsters!

More than 34 per cent of all persons killed in Michigan traffic were children!

The most common accidents injuring or killing children were:

(1) Crossing the street or road not at an intersection and from behind parked cars.

(2) Playing in the roadway.

Eight out of 10 fatalities to children occurred in broad day light. The worst hours for child accidents are from 3 to 8 p.m.

More than 50 per cent of all child accidents occur on residential streets – a few blocks from home.

Circlin' The Bases

By DEANO

It was "black Monday" for the three leaders in the fastball, peanut, and junior leagues as all three were handed their first loss of the 1961 season. In the fastball league the Coast Guard erupted for four fourth inning runs and went on to hand American Mold their first loss of the season. In the junior league first place was up for grabs as Lake Construction held on to beat previously unbeaten Barnard 8-7. The win enabled Lake Construction to move into first place tie. Not to be outdone the peanut league produced the biggest upset as the Sox walked all over the Cubs 12-2 and handed them their first loss.

MOLD APPEARS "IN"

American Mold appears to have cinched first place in the fastball league despite losing their first game of the season. Freedman, second place team has lost two games and Mold has only to beat last place Ironton Thursday (tonight) to cinch the first round.

The Coast Guard picked up six runs in the fourth frame with three coming on Bob Darbee's second homer of the year to beat Mold 8-2. The winners picked up eight hits in a bombardment of hits. Ken Wojan homed for the losers.

Pitching was the main topic of the week as every pitcher hurled at least one 'tough' game. Bob Klooster took the lime light with a no-hitter against Ironton as Freedmans posted a 4-0 win. The winners picked up only four hits off loser, Bob Potter. Against the Coast Guard Klooster and Ted Potter allowed only two hits each, but both Freedman hits were homers.

Brothers Hank and Bob Klooster had the circuit blows as Freedmans edged. the Coast Guerd 3-0.

The Merchants picked up a 5-1 win on Davenport's one-hitter against Ironton.

The Coast Guard whipped the Merchants behind Ted Potter's two-hitter 7-2.

Proof that the fastball league is truly a pitcher's league is that only four ployers are hitting over the .300 mark.

BARNARD LAKE CONSTRUCTION TIED

The junior league first round title is a two team race with Barnard and Lake Construction each posting records of six wins against one loss. In games in the junior league during the past week: Lake Construction whipped winless V.F.W. 12-2 and Browes 10-2 Barnard whipped Browes 13-9 and then lost to Lake Construction 8-7.

PEANUT LEAGUE LEAD UP FOR GRABS

The Sox pinned the Cubs with their first loss 12-2 behind the pitching of Del Kelly and thus threw the race open for several different teams. Kelly allowed only two hits. The tigers kept pace by whipping the Braves 16-2.

The Pirates blasted the Braves 15-3, and the Sox took the measure of the Dodgers 11-7.

OUTSTATE MICHIGAN

Offers You Strong Electric and Natural Gas Service

—NOW AND IN THE FUTURE

At Big Rock Point on Lake Michigan near Charlevoix, Michigan, Consumers Power Company is building a pioneering nuclear electric plant.

It has two purposes: to advance the development of nuclear energy as a heat source for the generation of electric power . . . and to help meet the expanding use of electricity in the northern part of Michigan's Lower Peninsula.

Consumers Power Company's electric network serves 61 Michigan counties . . . its natural gas system, 30 counties. The Consumers service area extends from the state's southern border to the Straits of Mackinac . . . and from Lake Michigan to Lake Huron.

The Great Lakes provide the greatest concentration of fresh water in the world . . . water for industry, water for transportation, water for recreation. Outstate Michigan is a place where industry thrives and living is good.

Many fine industrial sites are available. One of them is right for your new plant.

For further information or personal assistance, contact our Area Development Department, H. L. Brewer, Director.

Swimming Program Reaches New High At Guarded Beaches

The swimming program conducted at two of Charlevoix's three guarded beaches has reached a new high, according to Jim Barry, lifeguard at the north side or depot beach, and Scott Supernaw, the guard at the Ferry ave. beach.

The program which provides swimming lessons for all youngsters has been sponsored on local beaches over a period of years but this season has reached a new peak, according to Mr. Barry who expects to have a total of 135 yongsters registered for lessons before the end of the week. He has asked for assistance in the program and will be assisted by Larry Burns, another city employee who has served as a lifeguard in the past, and Miss Judy McKnight.

The registrants will receive two lessons weekly Monday through Thursday.

Mrs. Maurice Hinckley and son, Stephen and daughter, Melanie, have arrived from Kalamazoo to visit the former's mother, Mrs. Frank Partridge.

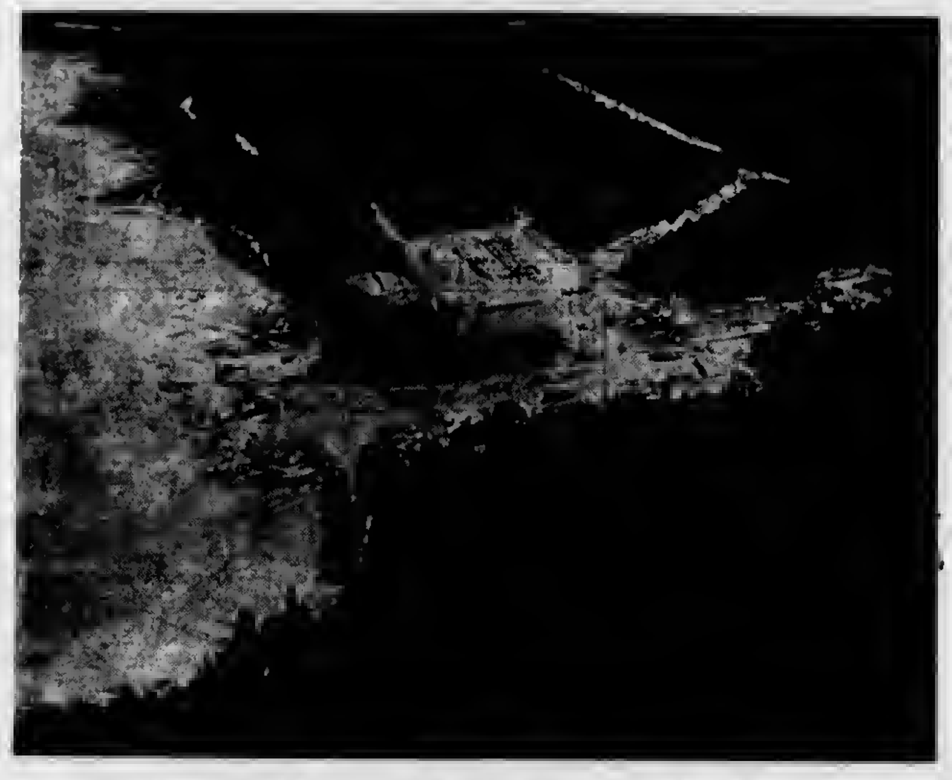
Nuclear Electric Power Plant Is Big Tourist Attraction



Consumer Power Co.'s. Big Rock Point Nuclear Plant.

With approximately two to three hundred tourists a day visiting the new nuclear electric generating plant at picturesque Big Rock Point on Lake Michigan near Charlevoix, a new information center at the site is giving it the atmosphere and appearance of a World's Fair exhibit. Colorful, carefully prepared displays and a cut-away scale model of the plant makes the complex nature of converting atomic energy into electricity easy to understand. A small theatre in the information center has frequent showings of a motion picture describing the plant's construction and function.

In the last phase of its construction, the Consumers Power Company's nuclear generating plant will be ready for operation in 1962. Situated on a 600 acre site about four miles northeast of Charlevoix just off Route US-31 to Petoskey, the interesting and educational plant is open to the public without cost, seven days a week from 9 to 5. Contrary to popular belief, there is nothing hush-hush about the installation, and camera-carrying vacationers are welcome.

When completed, electricity will be produced as a coal-burning steam-electric generating plant except that nuclear energy will be the heat source for production of steam. The plant will include a direct single-cycle forced-circulation boiling water reactor.

Michigan Highways Follow Routes Blazed By Indians

Vacationers who are visiting the Petoskey and Charlevoix areas make many side trips by auto or foot through the beautiful countryside, following routes seemingly designed for them by the Chamber of Commerce. Never a thought is given to the creators of these scenic trails, which more ofter than not were the Indian inhabitants of bygone days.

Early explorers and settlers in Michigan adopted many things from Indian culture, including the canoe, mocassins and snowshoes. But of all the Indian's contributions, the most useful and important were the foot trails he blazed through the wilderness of the state's two peninsulas.

These paths, trod smooth by mocassin-clad feet for centuries, were located on high ground along watersheds and streams. Today, vacation and business traffic flows along many modern highways following these ancient trails.

Then, as now, the trails served a variety of purposes, connecting major villages and leading to the best hunting and fishing areas.

Prior to the white man's arrival, the narrow paths were wide enough only for single file travel. When trappers and explorers began to use them, the pathways widened as bulky loads carried by pack horses broke off branches and bushes bordering the trails.

Settlers then moved into Michigan and ox-drawn wagons opened the trails still further, but the paths bore faint resemblance to anything that today would be called a road.

The evolutionary process from woodland trail to superhighway was a long one, but the fact that many of Michigan's main arterial highways follow the ancient Indian routes attests to the red man's skill in selecting the best path.

Best known of the Michigan Indian trails was the Sauk Trail—in use centuries before Columbus discovered the new world. Sauk, Chippewa, Fox and Potowatomi were among the tribes that traveled this primitive thoroughfare. First improvement of the trail to handle wheeled traffic was largely the result of Father Gabriel Richard's efforts to devolop a surveyed route from Detroit to Chicago. When a straight-line route proved impractical, it was decided to follow the well-marked Sauk Trail. Today's highway US-112 is a direct descendant of that trail.

The area where Detroit now stands was a center of Indian transportation, and routes stretched out from this hub to key villages throughout the lower peninsula. Many of these trails, too, are now Michigan highways.

Initial nominal capacity will be 50,000 kilowatts. The plant is being designed for a maximum expected gross electrical capacity **of 75,000 kilowatts. This will give** it the highest production capacity of any electric generating plant in Michigan north of the Bay City and Muskegon areas.

In connection with the construction of this plant, Consumers Power Company (sole owner) and General Electric Company, in cooperation with the United States Atomic Energy Commission, are conducting a research and development program on nuclear fuels. It will continue for a period of four and a half years after the plant goes into operation.

The purpose of this program is to achieve more economical nuclear power through the dual objectives of lower plant investment per kilowatt of capacity and improved fuel economy. Both of these are expected to be achieved through higher power density, longer fuel life and lower fuel fabrication costs.

At the conclusion of this program the plant will operate as a commercial facility, producing power at the most economical level.

A single intergrated conventional building will house the turbine-generator unit and its auxiliaries control room, shop warehouse, laboratories, and administration facilities.

Safety systems of several types, operating independently of each other, will assure fullest additional protection to plant personnel, visitors and neighboring residents. These systems have been developed and proved through construction of boiling water reactors now in operation.

Total cost, including convention turbine generator and related facilities, is estimated at $27,762,000.

Indian Trails

The St. Joseph Trail, running west from Detroit to St. Joseph, has become a modern expressway, US-12 (Interstate 94). Another east-west route was the Grand River Trail to Grand Rapids—now designated as US-16 (Interstate 96). The Saginaw Trail, extending northward from Detroit, is closely approximated by today's US-10.

From the city of Saginaw, the famous Mackinac Trail was the Indian route to the northernmost tip of the lower peninsula. Here the five-mile-wide Straits of Mackinac, separating the two peninsulas, was an insurmountable obstacle for the Indians, but a Chippewa legend foretold of the day when a brave would fell a huge pine tree that would span the waters.

The recently-built Mackinac Bridge realized this Indian dream and serves to connect the modern counterparts of two old Indian routes—the Mackinac Trail and the Sault-Green Bay Trail across the upper peninsula.

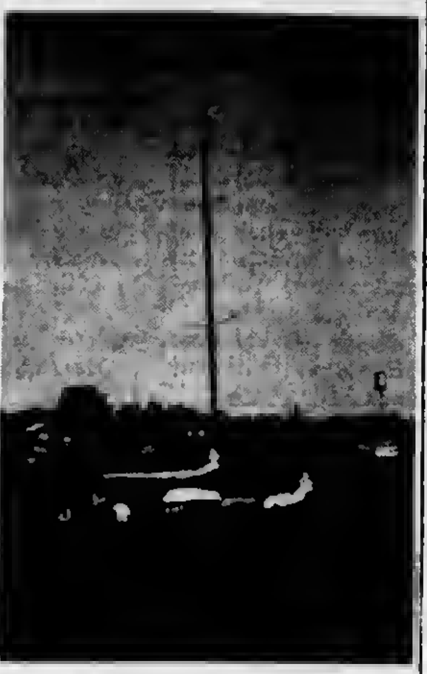
Nearly all major highways in the upper peninsula follow ancient Indian Courses. US-2 is the modern equivalent of the Sault-Green Bay Trail; the Lax Vieux Desert Trail is now US-141; the L'Anse-Marquette Trail has become US-41; and M-35, connecting Marquette and Escanaba, is the old Carp River Trail.

These are only examples of the many instances where modern highways have followed the lead of Indian foot trails that laced Michigan's wilderness centuries ago.

Charlevoix Boat Enters Annual Sailing Race

Charlevoix had a special interest in the annual Chicago to Mackinac sailing race last weekend.

Pictured below is the 43 ft. cutter rigged sloop, Bangalore owned by William Witherspoon of St. Louis, Mo., and the Belvedere Club which departed Saturday for Chicago to enter the race.



Aboard the vessel when it sailed from Chicago Saturday was the owner, Mr. Witherspoon and his crew, James Witherspoon of Granville, Ohio, Robert R. Ware, Robert D. Olt and the official measurer, Robert Wade, all of Chicago, Charles W. Hughes M. D. of River Forest, Ill., oldtimer Howard K. Olson of Atlanta, Ga., J. J. P. O'Dell of Wayne, Ill., Robert E. Ellis M. D., also of Atlanta.

Fred A. Depeyster M. D. of Winnetka. Ill., replaced Mr. Wade in the crew on the trip from Charlevoix to Chicago. Mr. Wade joined the ship in Chicago for the race.

According to Robert Ware Sr. of the Belvedere Club this is the first time a boat from Charlevoix has been entered in the Chicago to Mackinac race.

Organize Tour to Inspect Projects In Conservation

A soil Conservation Tour is planned by the board of directors of the Charlevoix Soil Conservation District for Sunday afternoon. William Korthase, Jr., chairman, is in charge of the tour. All persons are to meet at Ironton at 2:00 p.m. The group will make five stops in this order: (1) farm pond for live stock, Mark Saunders; (2) sod water-way, Albert Carlson; (3) contour strips, Elden Pettigrew; (4) run off plot, Hi Brock: and (5) woodlot thinning, Carl Gruthsch, Jr.

These items are just a few of the practices that are being sponsored by the Charlevoix Soil Conservation District. Farm ponds are necessary for water for many purposes. Many areas have run-off and without a pond this water is lost. Sod waterways are necessary to move the water from a watershed to a pond or other outlet. Contour stripping aids in the control of water and wind ersosion.

The runoff plots are a demonstration showing the amount of soil and water lost from different methods of farming. Charlevoix County has placed a picnic table at these plots for your convenience. Proper woodlot thinning will improve the quality of woodlots by encouraging the growth of a more valuable species of timber.

Plan a drive with your family on Sunday afterneen and see your own county. Many do not see what they have in their own backyard. Here is a chance for you to observe our soil and water conservation program.

News Round-up at Camp Charlevoix

Each year each cabin elects a representative to the Camper Council which is the group that decides, among other things, the number of places we send our charity contributions. All chapel collections, the money taken in at the annual carnival, and the money from the rodeo go into a fund which is divided among several charities. The cabin representatives this year are: Andy Jacob, Detroit; John Danaher, Grosse Pointe; John Neiman, Detroit; Eddie Robertson, Addison; Mark Murfin, Decatur, Ill; Tommy Bothwell, Philadelphia, Pa.; C. J. Shelley, Flint; Dennis Heck, Grosse Pointe; Doug Laing, Kalamazoo; Tommy Rote, Muncie, Ind; Wayne Hause, Decatur, Ill; Sandy Coakley, Cleveland, Ohio; John Foley, Grand Rapids; Walt Silver, Akron, Ohio; Robbie Pliskin, Akron, Ohio; Bob Logan, Decatur, Ill; Jim Sweet, Grosse Pointe; Jim Imhoff, Detroit; David Parkhurst, Moline, Ill; Chuck Sullivan, Grand Rapids; Dick Flaningham, Marion, Ind.

Monday of the third week started off with Dean Herman taking the boys from cabin 10 on a canoe trip down the Jordan River. These boys were David Stout, John Stearns, Tom Rotz, Drew Parks, Chris Jones, John Kiefaber and Dick Mueller.

Cabin 14 and 15 took day trips. Bruce Baker and Montee the Counsellors in cabin 15 went to the Charlevoix Beach for the day, these boys being Robbie Pliskin, Peter Cowhey, Rusty Smith, Russell Washburn, Woody Kiefaber, Jeff Whitesell and Bob Hamburger.

John Stephensen took his boys down to Fisherman's Island for the day. They were Marc Witus, Walt Silver, Hunt Harris, Geoff Hockmeyer, Mike Kelly, Bob Bosse, and Joe Hutchinson.

Don Stephens took his cabin 7 boys on an overnight by horseback to Bayshore. His boys being Jim Kuehn, Jim Warner, George Turner, C. J. Shelley, Barney Kelly, Bob Foley, Rick Nichols and Peter Crew. An overnight trip to Fisherman's Island was taken by Roger Carothers and his boys. Danny Hall, Howey Davis, David Hoyt, Lee Gonsior, Denny Heck, Atwood McAndrew, Tom Harper, and Tommy Seidman.

In the evening we started our "MUGWUMP" Week. This is a piece of wood, painted and decorated with feathers and is hidden in the woods. The team that has it must run it through the camp at least once a day to get a point for their team.

The Junior Cabins, 1 and 2, with Kerm Krueger and Marv Crain in charge had a breakfast cook-out along the shore at the fireplaces. Our nurse, Pat Kuehn, was the hostess and taught the boys how to bake biscuits on a stick. Everyone had a great time, and the boys enjoyed breakfast in the open.

Jim Donnellan took his boys, Cabin 12, on a horseback overnight trip to Bay Shore. Cabin 11 and Cabin 13 took day trips, Fleming and Ross being the counsellors.

Wednesday morning found Paul Gach from Grosse Pointe, the camp photographer, here to take the camp pictures. Activity pictures, group pictures, cabin pictures, and random shots were taken, and as Mr. Gach was here from Wednesday to Saturday some very fine shots were taken for the catalogue which will come out this fall.

Roger Carothers, Cabin 8, took his boys on a horseback overnight trip.

In the evening the Capture the Camper was held, with the staff trying to find the campers who took off for the woods. The team having the least number of campers caught got the points. When the event was over, the Greens received two points and the Greys one point, making the totals at this point, Greens-8 and the Greys 7.

One again, we would like to remind parents not to send candy, gum, comic books, etc. It poses a great problem and we return to sender any such packages that arrive. And please do not send any money to your son. He just dosen't need it.

Thursday was another day of picture taking, with Mr. Gach getting some more fine ahots. Rebel Thompson, Kent Gibbs and Dick Kinder took their boya on a day trip to the Charlevoix Beach. The rains came in the afternoon and we had to send for this group of water-soaked boys. Cabins 1 and 2, took a wagon trip to Bay Shore. The counsellors were Marv Crain and Kerm Krueger. The same rain drenched this group, and after they had had their supper we sent cars after them and brought them home. The counsellers-in-training went into the movies in the evening.

On Friday, Cabin 4, with Terry Ward and Mike Million in charge took their boys on a horseback day trip. In the afternoon, we were hosts to Camp Sea Gull in a softball game which they won by the score of 19-2. Our tennis team went in to the Belvedere Club and met some of their tennis players. Our boys won 3 matches to 2. Our tennis players were Steve Steketee, Bill Orr, Mike Bouteil, Lee Beckman, and Gil Haynie.

Saturday was Carnival Day and the morning was spent in having the cabins put up their booths. The camp immediately took on a carnival aspect. It is always amazing at the ingenuity the boys show in arranging booths. At three o'clock the bell rang to start the carnival and it was nice to see so many parents here to enjoy the afternoon with us. Cars were parked at the stables and visitors were brought in to camp by our horse-drawn vehicles. Don Halbeisen, our head cow boy, did a great job supervising the transporation. Our nurse, Pat Kuehn, and our trips man, Bob Ogburn, judged the booths, the winner being Cabin 9, "Arkansas" Ellis' cabin. These boys had a "Spook House" that was really clever. The boys doing this job were Doug Laing, Bill Gross, David Ferntrum, Steve Steketee, Bill Orr and Lee Beckman. At five o'clock the bell rang ending the carnival.

In the evening one of our counsellors-in-training, "Ace" Hoyt, from Akron, Ohio, showed the camp the slides he took on his trip to Africa last summer. They were very beautiful, and his commentary was most educational. Everyone enjoyed these pictures very much, as they all had a professional touch, and our thanks go out to "Ace" for a worthwhile evening.

On Sunday morning, we had several parents at our chapel service in the woods, with Don Halbeisen, our head cowboy, giving the talk on "I Would Be True for There Are Those Who Trust Me". This is the camp motto and he spoke at length on the word "Trust". It was a very inspiring talk. Two of our C.I.T.'s read the scripture and lead the prayer, John Donaldson and Ron Kirk.

In the afternoon the annual Green-Grey riding competition was held, and as the events counted three points, the boys rode hard and well. At the end of the afternoon' events, the Greys had picked up all three points, bringing them into a tie at ten points with the Greens. In the evening, vesper services were held for all four sections.

Kroger Company Gives Property For New College

The Kroger Company has given its warehouse and office building at 1435 Buchanan ave. S. W. in Grand Rapids to the Grand Valley State College, Joseph R. Sherry, vice president of the Grand Rapids division has announced.

L. William Seidman of the new college, Edward J. Frey, chairman of its finance committee, and Philip W. Buchen, vice president of the college, accepted the deed in behalf of the new college which will serve eight counties in the Grand Rapids area. It is scheduled for completion in the fall of 1963.

The gift by the Kroger Company has been appraised at a value of about $300.000 and it represents a useful property to the college as a place for it own storage and as an investment capable of producing substantial income.

Venetian Festival Opens Friday Evening

Courier Photo

One of these lovelies will be named Charlevoix's 1961 Venetian Queen at the annual contest to be held at the Charlevoix Beach Hotel preceding the coronation ball Friday evening.

They are: (l to r) Karen Pierce, Lorraina Heise, Lia Drenth, Carol Smith, Martha Green, Jeanette Novak, Rose Anne Stewart, Lorian Sanford, Maureen Sanford, Sally Cross and Ann Phillips.

The identity of the 1961 queen will be made known during the coronation ball in the Marine Room of the hotel when she will receive her crown from Carla Riley, 1960 Venetian Queen.

Music for dancing at the ball will be by Wayne Belding's Quintette.

Sponsored by the Charlevoix JayCees, the cornation ball will officially open the 1961 Venetian Festival. Dancing will begin at 9 a.m. and continue until 1 a.m.

Judges at the contest to be held during a dessert coffee at the hotel at 7:30 p.m. Friday will be Mrs. Arne Shiald of Traverse City, a member of the National Cherry Queen's committee, Jack Behan, of Petoskey where he is a member of the staff at Station WMBN and Mrs. Ralph V. Hess Jr., a former Miss Grand Rapids.

The new queen will be given an Indian name during the appearance of the Manda-Bee-Kee Dancers at 7 p.m. Saturday and will receive a saluta from the Grosse Ile Naval Air Station Drill Team at 8 p.m. She will also be introduced during the stage show in East Park at 7:30 p.m. Sunday preceding the annual Venetian Boat Parade.

Boat Parade-Fireworks To Climax Three Day Program Sunday Eve

The annual Venetian Festival will open here Friday with several new attractions appearing on the Jam-packed program of fun and entertainment planned for the event which highlights the summer season in Charlevoix according to Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, sponsors of the festival.

Among the new attractions are appearances of Tars and Rifles, a precision drill team from the Grossee Ile Naval Air Station at 4:30 and 8 p.m. Saturday and at 2:45 p.m. Sunday; the Manda-Bee-Bee Indian Dancers who will conduct a Queen Naming ceremony at 7 p.m. Saturday; free fall parachute jumps by Clare Gibelyou and Company at 2:30 and 6:45 p.m. both Saturday and Sunday; gynastic exhibition by young athletes from the national summer Palaestrum under the diresation of Jeff Austin at 3:45 p.m. Sunday.

Also featured will be an appearance of Burt Reynolds, star of the television series, "Show Boat" who is in northern Michigan for an appearance in the stage play, "Picnic" at the Cherry County Playhouse at Traverse City. He will be introduced at 7 p.m. Sunday during a variety show by Rod Creede of Station WWTV Cadillac who will serve as master of ceremonies of the event.

An open house aboard the U.S. Coast Guard cutter Sundew, moored at the municipal dock Saturday afternoon; a soapbox derby at 1:30 p.m. Sunday under the direction of the 310th Ordnance Co. with $70 in cash prizes; a sunrise service in East Park at 6:30 a.m. Sunday under the sponsorship of the Charlevoix Ministerial Association; a water ball fight in East Park at 3:15 p.m. by the Charlevoix Volunteer fire department and a band concert by the Charlevoix City Band under the direction of C. A. Ormark will also be part of the program to be climaxed by the beautiful and colorful Venetian boat parade on Round Lake Sunday evening under the spectacular display of fireworks.

The festival will open with the coronation ball at the Beach Hotel at 9 p.m. Friday when the identity of the 1961 Venetian Queen will be made known. She will receive her crown from Carla Riley, 1960 Venetian Queen. Music for dancing will be by Wayne Belding's quintet. The Queen's contest and the ball are sponsored by the Charlevoix JayCees.

For the sports-mindeo public there will be two all-star softball games at the city diamond Friday night; the first, at 7 p.m., will feature two peanut League all-star teams with the Charlevoix all-stars meeting Bare Construction of Petoskey, 1960 district champions, in the nightcap at 6:30 p.m.

Charlevoix Hospital to Receive James J. Reis Pedriatics Fund

The Charlevoix Hospital has been named as the recipient of a newly established fund to be known as the James J. Reis Pediatrics Fund, Miss Anne Baumgartner, superintendent of the hospital, has announced.

The fund has been established in honor of the birthday anniversary August 5 of one of Charlevoix's oldest and best loved summer residents, "Uncle Jimmy" Reis of Cincinnati, Ohio., by his son-in-law and daughter, Dr. and Mrs. Eugene L. Saenger, also of Cincinnati.

Mr. Reis has always maintained a keen interest in Charlevoix and its hospital and played an active role in the fund campaign conducted during the early 1950's to raise funds for the Charlevoix hospital which was completed in 1954.

Because of his interest in the hospital and in children, the James J. Reis Pediatrics Fund has been established. It will be user to aid indigent children living in the area served by the Charlevoix hospit[illegible]

Mr. Reis, or as most residents of the community call him, "Uncle Jimmy" has been a summer resident of Charlevoix for more than 50 years and is widely known throughout the area.

To Stage Annual Firemen's Field Day at Eastport

Plans for the 14th annual firemen's field day sponsored by the Upper Torch Lake Association to be held at the Eastport Fire Hall and Community Center Aug. 11 have been announced.

The event which benefits the fire fighting program of the Upper Torch Lake Association, will begin at 11 a. m. and continue throughout the afternoon and evening with a variety of entertainment designed to please everyone.

A costume parade at noon will usher in the annual field day. Races, Contest and games for the children will follow under the chairmanship of George Coatta.

During the afternoon there will be rides on real live horses, rides of all kinds including a merry-go-round, contests and other entertainment, climaxed at 5 p. m. with a barbecue chicken dinner served by the Central Lake Congregational church.

Beginning at 8 p. m. there will be a full hour of entertainment including a variety program featuring a Boyne City barbershop quartet, a champion baton twirler and an accomplished accordionist.

Carroll Davis, presioent of the sponsoring organization has appointed the following chairmen to assist with the event: George T. Jeffers, general chairman; Mrs. Velma Gibb, mistress of ceremonies; Mrs. George Lucas, children's parade; Roy Boettcher, Lou Thierry and Paul Smith, publicity.

Funeral Rites Held Wednesday For William Heise

William Heise, 75, lifelong resident of this community, died late Monday at the Charlevoix hospital a short time after he had been admitted by ambulance. He had been in failing health for some time.

Funeral services were held Wednesday at the Winchester Funeral Home with the Rev. Raymond J, McBratnie officiating. Burial was in Brookside cemetery.

Born in Norwood township June 24, 1666, Mr. Heise had always resided in this area. For many years he was employed at the Charlevoix Hardwore and other retail stores. In recent years he had been employed as a gardener and grounds keeper. He was a member of the Knights of Phythias lodge and attended the First Methodist church.

On June 14, 1911, he was married to the former Caroline Bartlett. The couple celebrated their golden wedding anniversary last month.

Beside his wife, he is survived by a son, Glenn of Detroit; a daughter, Ruth, at home; two grandsons and a brother, Charles Heise of Charlevoix.

J. Clark Dolliver Former Courier Publisher Dies

News of the death of J. Clark Dolliver, 46, former editor and publisher of the Charlevoix Courier, in Battle Creek Saturday has been received here.

According to a news release he was found dead at his home in Battle Creek Sunday. It is believed he had died Saturday after going into a diabetic coma.

Funeral services and burial were held in Battle Creek.

A native of Battle Creek, Mr. Dolliver was a graduate of Oberlin College, Oberlin, Ohio. He had operated a daily newspaper in Morehead, Minn., and Fargo, S. D., prior to coming here in 1952 as editor-publisher of the Charlevoix Courier which he continued to operate until May 1, 1957. While here he was a member of the First Congregational church and the Kiwanis Club.

His wife, the former Frances Turner, talented artist and columnist, preceded him in death in January 1960. His father, George B. Dolliver, widely known newspaperman who was editor-publisher of the Moon Journal in Battle Creek from 1914 until 1940 when it was sold to the Battle Creek Enquirer and News, died early this year.

He is survived by his mother.

E. K. Shanahan Wins GOP Nomination as Con Con Delegate

Edward K. Shanahan won the Republican nomination as Constitutional Convention delegate from the Charlevoix Representative district in Tuesday's primary election by a wide margin while Robert J. Garthe of Traverse City won the Democratic nomination by a two-vote margin according to unofficial returns from the four-county district.

There was no contest for delegates from the 29th senatorial district.

In winning the nomination Cmdr. Shanahan, retired naval officer turned rancher, polled a total of 697 votes in the district and 530 in Charlevoix county.

Other candidates and the votes they polled in the county and in the district follow: Beryl H. Abbott, 26 and 611; Ronald J. Abfalter, 136 and 228; Ted McCutcheon, 116 and 321; Husted M. Meyer, 31 and 399; Fred W. Palling, 50 and 602.

Garthe polled 120 and his opponent, Allen Blacklock, 70 in Charlevoix county. Garthe was unofficial winner in the district with 464 votes to 482 for Blacklock.

Other counties in the district ore Antrim, Benzie and Leelanau.

The general election to name both senatorial and district delegates to the Constitutional Convention has been scheduled for Sept. 12.

School Board to Ask Reconsideration of 3 Mills for Operations

Forced with a choice of deficit spending or asking the voters to re-consider a three-mill tax levy for a period of one year to balance the budget for the 1961-62 school year, the Charlevoix Board of Education, at a special meeting Monday night, voted to return the issue to the residents of the school district in a special election scheduled for August 14.

The decision to bring the three-mill tax levy to another vote followed close scrutiny of the budget which revealed that there was no area where a substantial saving could be made in the budget without seriously disturbing the program.

The budget of $334,500 was adopted, out of necessity, in March, more than two months before the state equalized valuation was established and the Charlevoix county allocation board allocated only seven mills to the schools thus making it necessary to ask for one mill in order to receive full State Aid benefits.

Estimated revenue for the year will include $96,735 from local property taxes and $176,950 from other sources including State Aid for a total of $273,685, leaving a deficit of $60,615.

The three mills for which the schools will ask on August 14 will raise a total of $60,615, the amount needed to balance the budget. This figure includes the amount the district will receive in State Aid made possible by one of the three mills being requested.

It is again emphasized that the millage being requested in the special election is not over and above the 13½ mills requested last year but ½ mill more of a total of 14 mills for all school purposes.

In emphasizing the need for the millage, it was brought out that a study conducted in the schools recommendations to the program earlier resulted in the following which have been followed to a degree including elementary school membership per room to be less than 30, preferably 25; a guidance and testing program to meet recommendations of the North Central Association; English classes in the high school be reduced in number per class to 20 from 25; science in the elementary and high school receive more consideration; enrichment classes added for the stronger students; program changes made for those less qualified for the academic progrom and the addition of a modern foreign language.

A check of the school program reveals thot a start bas been made on all of the above named recommendations.

The school is now faced with an increased membership in the third through the sixth grades where the membership has already reached the 75 mark with the class divided into two classrooms per grade. These should require three rooms instead of two classrooms for each of these grades to four more elementary teachers. The board of education, however, planned in the budget for the coming year to increase the number of classrooms and teachers by two, one for the third and fourth grade combined room and the second for the fifth and sixth grade combined rooms. Indications are that there will be an increase in membership over thot planned when the budget was prepared in March.

Another increase in the teaching staff was made in the high school where a science teocher was added to the faculty so that all science would be taught by teachers with science majors thus allowing the shop program to be expsnded and the size of the classes in social studies and English to be reduced in size.

This total program, which approaches the programs of the averoge schools in the state, would require a tax levy of ½ mill more than last year's budget. Since the tax allocation to schools was reduced to seven mills by the county tax allocation board this would require a voted millage of three mills. This 10 mills operating millage would represent a little less than the average in the state.

By ELMER E. WHITE

HALF THE BATTLE to insure an open Constitutoinal Convention this fall is won.

Michigan's two major political parties have stated that the public's right to know should not be abused after the delegates meet in Lansing Oct. 3.

Their statement came in response to a resolution from the Michigan Press Association and a request that they take a stand on the open meeting issue. Newspapers of the state believe strongly that all sessions of the Constitutional Convention, as well as all meetings of committees concerned, should be open to the public and, of course, to representatives of news media.

• • •

They were gratified to learn of the official reaction of the political parties.

George M. Van Peursem, chairman of the Republican State Central Committee, wrote MPA:

"The interest of all citizens can best be served by making all deliberations open to the public. If the voters are to make an intelligent final judgment, they must be kept fully informed along the way. They must understand completely the thinking of the delegates in arriving at a final determination.

"The delegates are responsible to the people who elect them and the electorate must be given an unobstructed view of the manner in which the responsibility is being discharged."

Gov. Swainson and the Democratic party came out officially for an open Con-Con. Referring to "tyranny wrought by rules prohibiting full public consideration of all matters pertaining to all people, " the Governor added: "As the vehicle of the people, the Convention cannot deprive them of their right to consider any matter properly brought before the delegation."

• • •

....**Final phase of the open** meeting battle will take place after the Convention convenes. This important body has the power to establish its own rules and presumably the power to close meetings if its members choose to do so.

Individual contact with delegates before the recent election indicates that many of them favor open meetings, so perhaps a ruling to this effect will follow.

• • •

Mr. "Average Man" will be winner if the proceedings are as open as possible. Newspaper people feel that the question is not one of "freedom of the press," but of freedom of the people to know what is going on in government. The real value of newsmen in meetings is realized by people reading the news.

Staffing Con-Con, most people probably do not realize, imposes a new and sizable expense on news collecting offices. Newspaper members of Associated Press voted special assessments upon themselves to cover the important meeting which is expected to be in the news for six months to a year. Staffing costs will increase likewise for United Press International, Booth Newspapers, Inc., Federated Publications, Inc. and Detroit daily newspapers, all of which must expand their staffs.

This cost is not passed on to the public, but is assumed by news media as part of their responibility in informing the people of the state.

• • •

A newer concept than "the people's right to know" is "the individual's obligation to be informed." In a free society which is to remain that way, each person has a duty to inform himself about local and national government functions. In no other way can he react with intelligence at the voting polls.

• • •

Con-Con is the most important political question to face Michigan people in 50 years or more. Among delegates nominated are many outstanding Michigan citizens. Pressures, temptations, propaganda, appeals of all sorts will assail the delegates from all sides.

At such times of stress there is frequently a temptation to "get away from it all" by deciding in secret what course shall be followed. Such decision making away from public view is certainly simple for the lawmakers, and sometimes more efficient. It reduces pressures, reduces wasted time and eliminates embarrassment.

• • •

It also deprives the individual of his right to know what is going on in his government and makes it more difficult for him to fulfill his obligation as a citizen to be fully informed. This is the major difference between policy making for the public and for a private business.

As long as public business is really public business there is no short cut for letting the public in on deliberations. There can be no alternative.

• • •

A new and better Constitution for the fundamental law of the state can come neither from a circus nor series of secret sessions.

The public which approves or rejects the Constitution created by the coming Convention can concur with intelligence only if voters understand the reasons and the reasoning involved in every article submitted to them.

Grandchildren of Former Residents Drowning Victims

A Holland brother and sister, Randy Hettinga, 6, and his sister, Kathy, 8, were knocked down by waves and drowned in undertow-swept Lake Michigan Saturday at Macatawa Park but a third child was saved by a Lansing swimmer.

The victims were the only children of Mr. and Mrs. Lawrence Hettinga of Penison Park subdivison of Holland. Mrs. Hettinga is the former Patsy Brown, daughter of Mrs. Gerald Bowersox of Grand Rapids and Clayton Brown, former local residents.

The third child was Michael Avery, 10.

The children had gone to the beach with Michael's mother, Mrs. LaVerne Avery.

A tragic twist came when a group of area skin divers who assist police was called to the park to aid in the recovery of the victims. On his arrival, Lawrence Hettinga, head of the Ottawa county water posse, was told the victims were his children.

Novel Serving For Economicel Arm Steak

Beef arm steak can provide economical as well as epicurean meals. Deviled Steak is one such tempting dish you'll enjoy.

The braising liquid is flavored with mustard, vinegar, onion, paprika, salt and pepper, giving the beef a nippy accent. That's why it rates the name Deviled Steak.

Arm steak comes from the same section of beef as an arm pot-roast, the only difference being that the arm steak is a thinner cut. It is considered less-tender and, fortunately for budget watchers, falls on the list of economy meats. Remember that all meats may be made tender by proper cooking methods.

This arm steak, as well as many other less-tender cuts, is prepared by a moist heat method of cookery . . . braising. The steak is first cut into individual servings, floured and browned. Reba Staggs, meat expert, recommends cooking slowly in the liquid and seasonings in a tightly covered utensil .

Deviled Steak

1 beef arm steak, cut 1 inch thick
¼ cup flour
2 tablespoons lard or drippings
1 large onion, sliced
1 teaspoon dry mustard
⅛ teaspoon paprika
1 teaspoon salt
⅛ teaspoon pepper
3 tablespoons vinegar
1 cup hot water

Cut steak into individual servings. Dredge steak with flour and brown in lard or drippings. Pour off drippings. Arrange onion slices over meat. Combine mustard, paprika, salt, pepper, vinegar and water and pour over meat. Cover tightly and cook slowly on top of range or in slow oven (300° F.) 1½ to 2 hours or until meat is tender. Thicken the cooking liquid for gravy. 4 to 6 servings.

Flash Fire Calls Halt to Smoke Test At Big Rock Point

Smoke tests being conducted by University of Michigan meteorologists were brought to a halt Friday morning when a flash fire in the stack being used in the experiment was severely damaged, according to Jerome D. Lescoe, project superintendent for Consumers Power Co. at the Big Rock Point, Nuclear Power plant.

The fire is beleived to have been caused when mineral oil which had accumulated in lower part of the 250 foot stack dripped on the hot generator as the team prepared for a test. Damage was confined to the lower 20 feet of the stake and the blower located in the stack. The generator itself was not damaged.

The Charlevoix fire department was called at 6:30 a.m. Friday to extinguish the blaze.

On Wednesday Mr. Lescoe said the tests would be continued as soon as damaged parts in the equipment were replaced. This is expected to be some time next week.

By DEANO

The first round is almost history with all the league winners decided except the pesnut league wich ended up in a three way tie. At press time the winner was in the process of being decided with the Cubs, Sox, and Tigers meeting in a play off.

Peanut League All Stars Meet Friday.

To highlight the Venetain weekend the city softball league is staging two all star contests tomorrow (Friday) night. The city league all-stars will take on powerful Bare Construction of Petoskey at 8:30. In the preliminary game the annual peanut league game will be held at 7:00. This contest will put members of the three first place teams against players selected from the rest of the seven team league. Players making the all-star team are as follows: for the Champions-Del Kelly, George Marme, Bruce Livingston, and Deano Martin from the Sox; Larry Marme, Martin Elzinga, Neil Cross, and Ken Peters from the Tigers; Steve Ager, Mike Moore, Larry Hutchinson, Al Lusk, and Chris Wood from the Cubs.

For the Challengers-John Ferguson, Roger Selph, Joe Thorp, and Bob Coon from the Dodgers; Mike Crain and Stew Cunningham from the Braves; Roger Sharrow, Charles Masley, and Bob Foster from the Cardinals; John Withers, Larry Fiendt from the Pirates.

MOLD WINS FIRST ROUND

American Mold whipped through the first round, losing only one game while winning seven to become the first round champion.

Mold took up where they left off in the first round by whipping the Merchants 3-0 by scoring all their runs in the seventh inning with the aid of three Merchant errors. Both Nate Boss and Ed. Culbertson allowed only two hits in the hard fought contest which opened the second round.

SCOUTS UPSET LAKE CONSTRUCTION

The Scouts pulled the upset of the season in the junior league as they scored twice in the last inning for a 10-9 win that knocked Lake Construction out of first place and gave the first round title to Barnard. Lake Construction picked up eight third runs and appeared on its way to a play off game with Barnard. But the Scouts fought back with Topper Carey blasting a three run homer in the bottom of the sixth to set the stage for the dramatic seventh. Jerry Burke tripled home the tying run and came home with the winning run on Nick DeYoung's hot smash at the short stop.

V.F.W. got into the win column with their best effort of the year, an 11-1 win over the Scouts. Jim Ulrich and Pete Ance paced the attack with two hits each.

TIGERS FORCE PLAYOFF

The Tigers blasted the Sox in a surprisingly easy manner 21-5 and in doing so forced three teams into a tie for the first round title. The Tigers and Sox were scheduled to play Tuesday night with the winners meeting the Cubs last night (Wednesday).

.. PAUL-REED WINS BATTLE .. FOR SECOND

In the Battle for second place in the Women's league Paul-Reed upended the High School girls behind the tight pitching of Betty Bergman 5-0. Puff's had already won the title and the two teams were battling it out for second place.

CARSON SCORES UPSET

In the Girls league Carson pulled a mild upset whipping Edwards 19-8. Coleen Smith was the winning pitcher, posting the first win for Carsons.

August Draft May Call Eight for Pre-Induction

The Charlevoix county draft board has been instructed to classify all registrants born in the year 1939 and to be prepared to send eight registranta for pre-induction physical examinations next month as the result of the recent orders to Selective Service tees available to the armed ser- to increase the number of draf- vices.

The eight registrants to be called for physical examinations in August will be named at a meeting of the draft board scheduled for Aug. 7. They will be ordered to report for examination Aug. 21.

The local board had not received a draft call Monday but Mrs. Mary Bourgoin, draft board clerk, said it was anticipated in the near future.

Two Charlevoix county volunteers left for induction July 12. The pair was the first to leave from the county since February 7 when one registrant was called for induction. The last pre-induction physical call was in March when six men reported for examination.

The county draft board located in the city hall will be closed the week of July 31-Aug. 4 Mrs. Bourgoin has announced.

Shell experts test for knock by accelerating up steep grade. In another test, that "fifth wheel" in the back is lowered onto the road to measure mileage precisely.

TOP PERFORMANCE:

Shell test crew reveals five ways to test your car for top performance—and how the 9 ingredients in today's Super Shell can help you get it

To John Baker and John Watson (below) of Shell Research, *top performance* is a scientific standard. They measure it with precision instruments. But any good driver can run a version of their basic tests. Here are five they recommend.

Test #1. Quick starting

Count the seconds it takes to start your car. The engine should "snap to" in about two to three seconds. A slow start drains your battery. And it may flood your cylinders, causing performance troubles.

If your engine is balky, try Super Shell. It's blended with a frisky ingredient called *Butane*—to give you quick, easy starts.

Test #2. Smooth running

Pay close attention to your engine in traffic.

Does it vibrate roughly when you stop for a traffic light? Does it seem to "surge" as you pull away, then falter and fade?

The problem may be the wrong blend of gasoline:

In summer, for example, excessive heat can make winter grade gasoline bubble in the fuel line. Bubbles can interfere with the flow, causing rough running.

Shell scientists don't let that happen with Super Shell. When hot weather threatens, they adjust Super Shell's 9-ingredient formula to give it the correct volatility for smooth summer driving.

Test #3. Reserve power

On a turnpike, in light traffic, accelerate suddenly from about thirty miles an hour to the legal limit. Now ask yourself:

1. Did your car accelerate smoothly—with no faltering, no bogging down?

2. Do you have plenty of power to spare?

If you feel you've "run out of engine," it's time to do something about it.

Super Shell may be your answer. It contains TCP,* to help restore power lost to combustion chamber deposits.

And another Super Shell ingredient, called Platformate, contains components that release 11 per cent more energy than even the finest of 100-octane aviation gasolines.

Super Shell's 9 ingredients for top performance

Super Shell now contains 2 octane boosters, 1 mileage booster, 1 quick-start component, 1 fast warm-up ingredient, 1 anti-knock mix, 1 gum preventive, 1 anti-stall ingredient, and new, improved TCP. These nine ingredients all work together to give your car top performance.

Test #4. Knock

Accelerate up a long, steep hill and listen carefully. If you hear a sound like marbles falling into an empty oil drum, you've got *knock*. It could cause engine trouble.

Take no chances. Switch to Super Shell. Its formula includes no less than three ingredients to fight the various causes of knock.

Test #5. Miles per gallon

Don't trust your fuel gauge when you measure miles per gallon. Take these three simple steps and be sure.

1. Start your test by filling your tank. Make sure the gasoline comes up to the brim. Write down your mileage reading.

2. Drive in your normal manner for at least three tankfuls—keeping a record of the exact amount you buy.

3. Finally, fill your tank to the brim again. Add up all the gallons you've bought (*not counting the initial fill-up in step 1.*) Divide this amount into your total miles driven. This gives you your miles per gallon.

Try this test with three tankfuls of Super Shell. You'll see what *top performance* really is.

A Bulletin from Shell Research—where 1,997 scientists are working to make your car go better and better.

Mrs. Cliff Pageau entertained several guests at a luncheon. Monday.

Honored Guests

A family night supper was held Tuesday evening in the basement of the Atwood Christian Reformed church honoring Rev. and Mrs. Donald Van Gent who had returned recently from a vacation trip.

A program and social hour followed tha dinnar.

Rev. and Mrs. Van Gent were presented a gift from the group as a token of appreciation for their work in the church.

Bible Baptists to Hear Dr. John A. Ross

"The Doom of Communism" will be the topic of the sermon to be delivered by Dr. John A. Ross at the 10:45 a.m. services at the Bible Baptist church Sunday.

Dr. Ross, retired professor of Prophecy and Testament at the Baptist Bible College in Springfield, Mo., has been asked to return by popular request for a fourth lecture. He had been the guest speaker at the church, delivering his prophetic chart lectures over the past three weeks.

In his sermon Sunday, the last of the series, Dr. Ross will be speaking on the doom and end of Cimmunism and the doom of Russia as prophesied in the Bible, according to Dr. James Lugibihl, pastor of the church.

Attend Annual Homemakers Meet In Lansing

Six Charlevoix county Extension club members are in East Lansing this week to attend the thirty-fourth annual Homemakers Conference at Michigan State University, Mrs. Clare Brown, county extension agent in homemaking, has announced.

Mrs. Henry Erber of Boyne City, Gaylord district extension chairman, will represent the seven northern counties of the lower peninsula on the Michigan Extension Council during the conference.

Mrs. Ole Hegerberg of East Jordan, chairman of the Charlevoix county clubs, will attend special sessions for county chairmen.

Others attending the four-day conference are Mrs. Jesse Hill, Mrs. William Korthase Jr., Mrs. Robert Crisenberry and Mrs. Carl Jolly of Boyne City.

Remember when civilization used to stand at the crossroads and wonder which way to turn? These days it has to find the right cloverleaf at 60 miles an hour.

Mr. and Mrs. John Klomp of Zeeland and Mr. and Mrs. Louis Veenstra of Grand Rapids, former members of the church, were among those present for the occasion.

Farmers and the Eight Hour Day

Farmers hardly know what to think when they read of labor demands aiming at four-day weeks of 32 hours. Most farmers work an eight-hour day too,---eight hours in the forenoon and eight hours in the afternoon! Instead of playing around with daylight-saving time, or cutting back the number of days in a week, farmers consider petitioning Congress to allow ten-day weeks and 48-hour days!

Modern machinery and electric power, has truly lightened the farm work load. But according to Farm Bureau officials, no device ever invented by man will tell a herd of Holsteins on Thursday afternoon, . . . "We've had enough milk for this week, please turn it off until Monday." Cows don't operate that way. Neither do chickens, hogs or growing crops.

Most farmers observe the Lord's day as one of rest, but when the grain is ripe they obey another Biblical admonishment to waste not, and the grain comes in.

Time was, when every worker obeyed common-sense rules, with time-clocks, coffee breaks, time-and-a-half for overtime, etc.,---all undreamed of. For instance, an office manager in Boston found this 1872 list of employe rules in an old file.

1. Office employes each day will fill lamps, clean chimneys and trim wicks. Wash windows once a week.
2. Each clerk will bring in a bucket of water and a scuttle of coal for the day.
3. Make your pens carefully. You may whittle nibs to your individual taste.
4. Men employes will be given an evening off each week for courting purposes; or two evenings a week if they go regularly to church.
5. After 13 hours of labor in the office, the employe should spend the remaining time reading the Bible and other good books.
6. Every employe should lay aside from each pay day a goodly sum of his earnings for his benefit during his declining years so that he will not become a burden on society.
7. Any employe who smokes Spanish cigars, uses liquor in any form, or frequents pool and public halls or gets shaved in a barber shop, will give good reason to suspect his worth, intentions, integrity and honesty.
8. The employe who has preformed his labor faithfully and without fault for five years, will be given an increase of five cents per day in his pay providing profits from business permit it.

Modern farmers would join modern office workers in smiling at the 89 year-old rules. Still, these who work in agriculture will always come closest to following the most basic ones.

Community Chest To Discuss Budget Needs August 4

The annual Budget and Admissions meeting of the Charlevoix Community Chest has been scheduled for 8:30 p.m. Aug. 4 at the Community Room of the City Hall, Franklin Ochs, president of the board, has announced.

At that time, representatives of all agencies planning to participate in the 1961 fund drive will be present to discuss their budget needs with the board of directors.

Name Glen Williams President of Ironton Dist. School Board

Glenn Williams was elected to the office of president of the school board of the Eveline School District, more commonly known as the Ironton School district, at a meeting held Monday.

Monday's meeting was reportedly a resumption of the annual meeting held July 10 and adjourned following the election of William Dajnowicz as chairman. Forty-one persons present for Monday's meeting gave Mr. William's their unanimous support.

On the some night, July 10, another faction of the school district, claiming that the meeting was adjourned without requesting a negative vote to adjourn, elected Kenneth Tunison to the post of school board president and also voted to send the school age youngsters of the community to schools in either East Jordan or Charlevoix or both when the school year begins in September.

With both factions claiming that their man is the rightful president, it is evident that some compromise must be reached in order to continue the business of the district.

Entry Blanks Now Available For Doll - Pet Parade

Entry blanks for the annual Doll-Pet and Dress-up parade are now available at centrally located spots in the city according to Mrs. Byron Wright, chairman of the event which will be staged in East Park at 1:30 p. m. Saturday.

All children in the four through the 10 year age group are urged to enter this 'fun' event.

Judges will be Mrs. Arthur W. Skelton, Robert Foss and Bill Gravelin of Station WPBN-TV in Traverse City. Mrs. Jeannine Essenberg will be mistress of ceremonies of the show which will be presented from the Park Stage in East Park.

All entries are asked to be in place no later than 1:15 p.m.

Cash prizes of silver dollars will be offered in each of the three catagories. All youngsters will receive a prize for entering.

Venetian Program Features Parades

(Continued from page 1)

A grand street parade at 10 a. m. will officially launch the festival Saturday with prizes being offered for the best decorated bicycles in the park immediately following.

The annual doll, pet and dress-up parade at 1:30 p.m. Saturday will open the afternoon festivities. Contests for boys and girls in the park under the sponsorship of the Kiwanis club will follow.

An exhibition of round and square dancing by the Charlevoix Square Dance club will be followed by a gala street dance at 9:30 p.m. Saturday on State st.

All of these events will be presented in a setting that will take on a carnival atmosphere with rides for kiddies, booths of all descriptions in East Park and seads of fun games.

Round Lake, adjacent to East Park, will form the setting for the boat parade from which the event takes its name with the quite waters of the lake reflecting the colorful lights used to decorate the boats and the fireworks display.

Judges of the boat parade will be Rod Creede, Jack Behan of Petoskey's Station WMBN, Jerome D. Lescoe of Consumers Power Co. and the 1961 Venetian Queen.

Boat owners in the Charlevoix area are urged to enter their boats in the Venetian boat parade and compete for the cash prizes being offered for the best decorated boats.

Robert W. Winchester is general chairman of the Venetian Festival.

Memorial Gifts Total $33,000 for East Jordan Church

A total of $33,900 in memorial gifts subscriptions was reached last week in the new church building fund campaign at St. Joseph's parish in East Jordan.

The amount represents gifts from 41 parishioners.

The second phase of the fund to raise as much as possible of the necessary $100,000 was scheduled to begin Monday. Rev. E. Francis Denay pastor of St. Mary's church was in East Jordan to address the workers as they opened this phase of the fund drive.

Why is it that the fellow who has an hour to kill always spend it with someone who doesn't?

Success is relative—the more success the more relatives.

News Round-up at Camp Charlevoix

The fourth week of camp started off with the big news being the three day horse trip that was leaving. The boys were all packed at breakfast time so that they could get a good start. Don Halbeisen, head cowboy, and Johnny King, assistant cowboy from Oklahoma took 25 boys.

This was the day when the cabins which had won the cabin inspection for cleanliness were announced, and were taken into town to see the movie "Swiss Family Robinson". The winning cabin in the Junior Section was Cabin 1, our littlest boys with Marv Crain and George Smillie as counsellors. The winner in Prep Section was Cabin 8. Cabin 13 in the Intermediate Section was the winner. In the Senior Section, Cabin 20 was the winner.

Don Stephens took his cabin of boys, cabin 7, on a hike to Lake Michigan for lunch. The boys walked six miles each way, and though tired, they all reported that they enjoyed the experience and at supper they challenged any other cabin to try and beat their time. It was immediately accepted by several cabin groups.

Terry Ward and Bob Million took their Cabin 4 on an overnight to Young's State Park. Another hiking group was Bob Smith and Dick Stadler's cabin 5. They hiked over to Susan Lake for an overnight. This is about two miles away and the boys enjoyed this trip. After the activity period in the afternoon the Greys ran the Mugwamp successfully, which was the first successful run this year. They picked up a point, making the score at this time, Greys-11, Greens-10.

As this was the last week for many boys. these boys anxious to make more accomplishments in their chosen activities, really got down to hard work to add stars to their list of accomplishments. On Tuesday, the C.I.T.'s (Counsellors in Training) with their leader Cy Pick took a day canoe trip down the Jordan River. The entire fishing class went over to Susan Lake for an afternoon of fishing, and at supper on Tuesday night they told of catching a great number of fish, the story was exaggerated, I think.

On Wednesday, Cabin 6 with Gray Murfin and Bruse Nash took their boys on a day trip to the Charlevoix beach. Cabins 1 and 2, Marvin Crain and George Smillie, and Kern Krueger and Darden Pyron in charge took an overnight to Young's State Park. In spite of a small rain shower, the boys enjoyed sleeping out under the stars.

The horse trip returned and the boys reported it as a lot of fun. The cowboys said it was a great success. One of the highlights of the trip was a tour through the new Atomic Plant near Charlevoix. The boys greatly enjoyed this, were very well mannered and asked some thoughtful questions. Don Halbeisen said that he was very proud of the group. In the evening the Movie "Friendly Persuasion" with Gary Cooper and Tony Perkins was shown.

On Thursday, Bob Wyman and Bill Washburn took their Cabin 3 on a haywagon day trip. Cabin 5, with Bob Smith and Dick Stadler had a breakfast cook-out. In the afternoon, the Mile Swim was held. It was a hot, sunny day and the lake was calm, perfect for the swim. Cy Pick, head of Waterfront, reports that 94 boys started and 84 finished. This was a very high percentage of success. The first ten to finish were Tom Kennedy, C.I.T. Bill Kennedy his brother was second, and the others were: John Dean, Skip Kessler, Carl Baum, Keith Harrison, John Rotz, Doug Laing, Hunt Harris, Dave Roberts and John Foley.

On Friday, we were hosts to Camp Algonquin for a day of competitiion. We ended the day on a very happy note, as we had won eight of the twelve events. It was truly a great day for us here at Charlevoix. Algonquin won both sailing races, one tennis competition and one riflery match. Our boys were victorious in one riflery match, and tennis competition, both archery matches, both swimming meets and both ball games. Needless to say that the boys were very proud of their accomplishments.

The first part of the evening was spent packing trunks of the boys who were leaving on Saturday. Then we all gathered in the Bigwam and Barney, the camp manager, showed Ken's knife collection, which is a collection of Egyptian and Arabian knives some dating back 2000 years. The boys were most impressed. After this the cowboys took over with some songs by Johnny King and John Appel, and some fast draw gun exhibitions by Rick Hamilton, one of our Oklahoma cowboys. He sure is a man with a "fast draw". Don Halbeisen then showed a movie about Cherry County, Nebraske a state wich is a great cattle center. The boys enjoyed the way cattle were raised branded, and pastured. It was a most informative picture. O, yes, the three day canoe trip which left on Wednesday, arrived back in camp after paddling through the Intermediate Lake area. This is a really fine trip, as it is river, lake, river, lake paddling, and the boys enjoyed it very much. Bob Ogburn, our head trips-man and our canoeing instructor David Garland, led this trip.

Saturday was the half-way mark this season, and many of our boys left and many new boys arrived. It was a most enjoyable day, even through it did start out to be rainy, the rains ceased about ten in the morning, and by four in the afternoon the sun came out. It was very nice to hear all the compliments paid to the camp and from the number already enrolled for 1962, parents must be very pleased. There were many sad "good-bys" to both boys, staff, and horses, too as these boys hate to leave their favorite horses, too.

In the evening, we had a movie and at taps the counsellors had an opportunity to talk with their campers and to get acquainted with the new boys.

Sunday morning, Kern Krueger, head of the Junior Section, was the speaker and his topic was "Making Friends". The call to worship was given by Jon Steffensen, the scripture by "Ace" Hoyt, the prayer by Hank Holste, and the Benediction by Chris Nyland. There were serveral parents at the service which was held in oru "Chapel in the Woods".

In the afternoon, we had athletic games throughout the camp. After supper, the senior boys challenged the senior counsellors to a ball game and after many productive innings, the senior boys won 21-20. Needless to say that the campers were most happy. In the evening, the juniors heard Darden Pyron, from South Carolina, read "Paul Bunyon Stories" at Vespers. At senior Vespers, Kent Gibbs gave a talk on "Squeaky The Marine".

Once more we want to remind parents NOT to send money, candy, cookies or gum to the campers. It will be returned to you at once, as it does pose a problem.

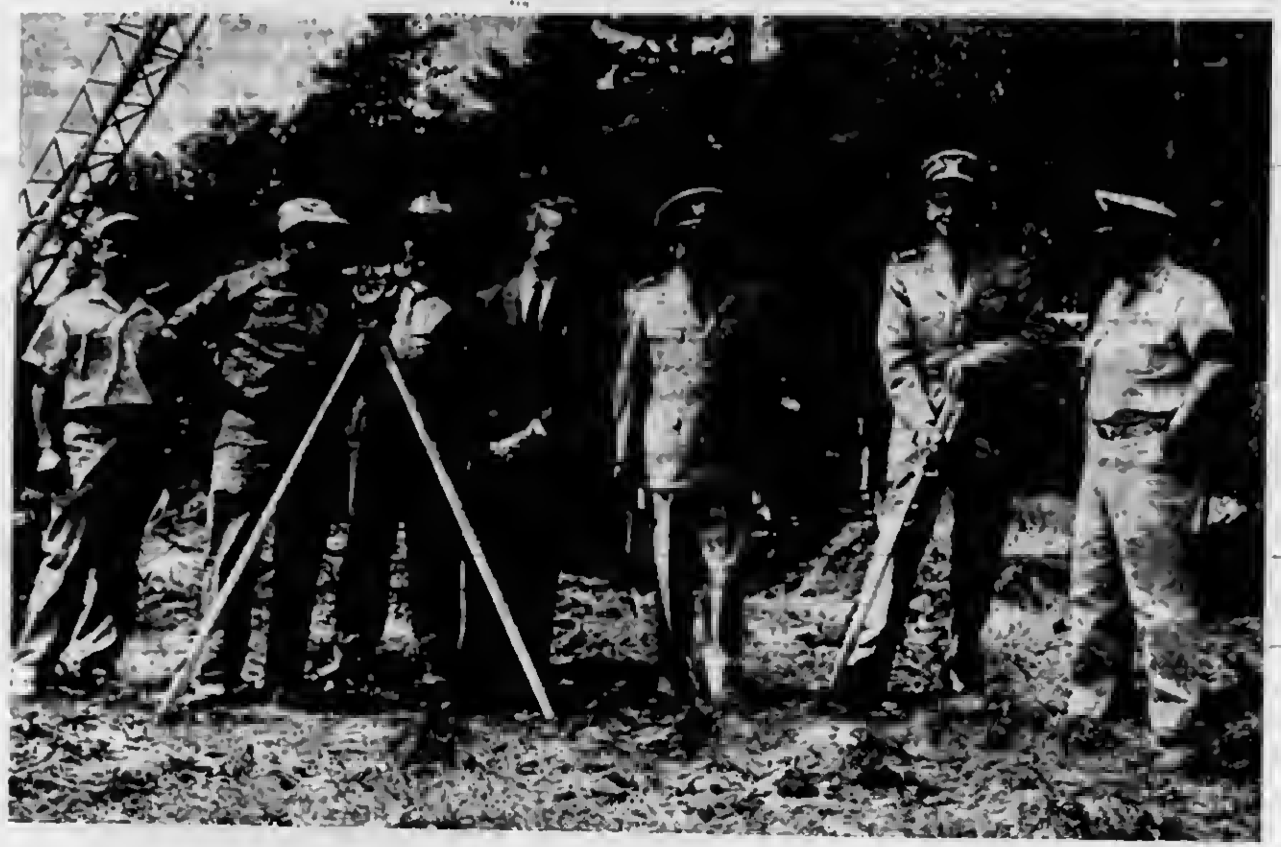
Break Ground For New Lifeboat Station



Courier Photo

Ground was broken Monday for the New Charlevoix Lifeboat station to be constructed on the upper channel between Round Lake and Lake Charlevoix.

Present to watch WO Albert J. Bates, commanding officer of U. S. Coast Guard Group Charlevoix, turn the first shovel of earth were Albert Bolek and Charles Carrol of the Koenig Construction Co., general contractor for the new structure, City Supt. James Taylor, Mayor E. D. Hawley, WO Louis DeBernardi, executive officer at the Group office, and Chief Leo Norton, officer in charge of the Charlevoix Lifeboat station.

The new life boat station is part of a $300,000 building program now underway at the site. The Koenig Construction Co. was awarded the contract for the work. The company's bid, one of five received, was for $132,000. The Northern Marina Construction Co. of Cheboygan was eariler awarded the contract for construction of a new bulkhead and boat basin. The company's bid for the work was for $84,571.

The new lifeboat station will replace the 70-year old structure located near the mouth of Pine River at Lake Michigan.

Annual Venetian Festival Attracts Near Record Crowd

One of the most successful Venetian Festivals, entertainment-wise, attracted many visitors to the community over the weekend.

The grand parade which opened the festival Saturday morning was one of the best staged here in recent years. It attracted a number of floats, youngsters on decorated bicycles, horsemen from Camp Charlevoix which added much to the event, and other special floats including several decorated and entered by youngsters.

Ralph V. Hess Jr. was general chairman of this event.

The doll, pet and dress-up parade featuring the youngsters of the community continued to be a major attraction with more than 40 children four through 10 years entered in the event.

Winners in the various catagories follow: Pets first place Patty Boss; second, Eddie Zeitler and third, Mary Whitley. Doll, first place, Penny Henley; second, Marilyn Cummings and third, Jackie Boss; Dress-up, first place, wedding party composed of Arlene Supernaw, Jimmy Keie, Julie Supernaw, Kathy Keie, and Sally Bland; second, John Curtis; third, Patti Elzinga and Larry Pop, Ray Whiley received honorable mention.

Judges were Mr. and Mrs. William Gravelin of Station WPBN-TV in Traverse City, Mrs. Arthur Skelton and Robert Foss.

Cash prizes were given the top winners and all entries received a treat for entering.

Mrs. Byron Wright was chairman and Mrs. Robt. Tollas, co-chairman, of the event. They were assisted by Mrs. Max Hosmer, Mrs. Rosemary Wallace, Mrs. Al Brede of Hastings, and Fran Martin. Mrs. Jeannine Essenberg was the commentator.

Peggy Rader won first place and David Hess third place for the best decorated bicycles in the grand parade. The names of the youngster who won second place was not obtained by the judges.

John Gibson won first place in the soap box derby held under the direction of the 310 Ordnance Co. headed by Capt. John Barkdoll. Jim Barnard of East Jordan placed second; Mike Barnard of East Jordan, third and Roger Grunch of Charlevoix fourth in the event.

Prizes were also awarded to all entries in the kids contests held in East Park Saturday afternoon under the direction of the Kiwanis club.

More than 800 people visited the U.S.C.G. Cutter Sundew between 3 and 5 p.m. Saturday. The ship left Saturday evening for Grand Haven to participate in the annual Coast Guard birthday celebration. This proved to be one of the biggest attractions of the festivel, especially to persons who live away from Charlevoix. Many visitors commended the officers and crew of the ship for their courtesies.

The Tars and Rifles, a precision drill team from the Grosse Ile Naval Air Station, was well received. This group, which appeared in uniform, presented its show several times during the festival and was well recelved **each time.**

Another event which attracted a great deal of comment and

Explorer IV Named Top Winner In Boat Parade

Top winner in the 1961 Venetian Boat parade Sunday night was a repeater from last season, Vern Ridout aboard Explorer IV using the theme of "Tropical Charlevoix".

Other top winners and the names of the boats and themes follow: second place, Lyle Ance aboard the Ali-Laur, "Man Into Space"; third, Dick Edwards, Leeny II, Animated Elephant and fourth, Don Meggison, Little Donk, Dinasaur.

The parade was in charge of the Charlevoix Marine Club.

Only nine decorated boats were entered in the parade which traditionlly climaxes the Venetian festival.

A shower of fireworks, however, added much to the colorful scene. E. Thomas, representing the Detroit Fireworks Display Co., was in charge of the fireworks for the twelfth consecutive year. He was assisted by his son, E. Thomas Jr., for the fourth year, making them the only two-generation team in the business.

Judges for the boat parade were Jerome D. Lescoe of Consumers Power Co., Mr. and Mrs. Rod Creede of Cadillac where Mr. Creede is a member of the staff of Station WW-TV and Queen Lorraine Heise.

To Hold Annual Waterfront Fair Saturday, Aug. 12

Charlevoix will be host Saturday, Aug. 12, to the third annual Waterfront Fair for artists and craftsmen according to Mrs. Jack Rader, general chairman of the event which will be held in East Park from 10 a.m. to 9 p.m.

Artists and craftsmen from throughout the state are expected to exhibit their works on the rolling terraces of the park overlooking Round Lake. On Wednesday 12 entries had been received by the Charlevoix Chamber of Commerce which sponsors the event and many others were expected during the week preceding the show.

Among the artists who will be exhibiting works which have brought them recognition will be Sarkis Sarkisian, director of the Society of Arts and Crafts in Detroit,. presently enjoying a sabbatical year in East Jordan, who will show some of his oil paintings; Walter Midener, assistant director of the Society, a noted sculptor whose work will be on display; his wife, Peggy Midener, an artist in her own right, who is an instructor in painting, water colors and childrens classes at the Society, who will exhibit some of her original paintings and Charles Culver, also of the Society, an outstanding Michigan artist specializing in wildlife and landscapes, whose work will be on exhibit.

Four former exhibitors in the Waterfront Fair who are expected to enter their works again this season are Marian Pawley of Charlevoix, whose speciality is water colors, Norman Brumm of Holland and Charlevoix, oils and water colors, Phoebe Stiekel of Grawn and Jorjan Strum of Conway, oils, who were invited to exhibit their works at the Regional Art Exhibition and Art Conference at the University of Michigan July 20 through Aug. 3.

Works entered in the Waterfront Fair will not be judged as in the past and prizes will not be offered.

Entry blanks may be obtained at the office of the Chamber of Commerce.

Mrs. Rader is being assisted by a committee composed of Mrs. Clark Coulter, Mrs. Julius Gilbert, Mrs. Max Hosmer, Mrs. Don Anders, Robert H. Sellers and Clark Nehls.

To Open Frank Poole Trophy Tournament This Weekend

Plans for several special events at the municipal golf course including the opening of the Frank Poole trophy tournament have been announced by Keith Carey, course manager.

The first special event will be a Henley's Hazards stag tournament scheduled for 6 p.m. tonight (Thursday). Another stag event will be held next Thursday but at this time is un-named, according to Mr. Carey. Players will gather at the clubhouse following play for refreshments.

The Frank Poole Trophy tournament will be a 38-hole handicapped medal play event to be played during a period of two weekends beginning Aug. 5 and continuing through Aug. 13. Participants will be playing for a trophy and prizes.

A mixed two-ball foursome tournament will be held at the course on Sunday. Everyone is invited to play in this special Sunday event. Drawings for partners will be held at the clubhouse. Refreshments will be served at the clubhouse following the event to which everyone is invited.

A Ladies Day 27-hole tournament was started yesterday (Wednesday) and will continue each Wednesday with trophies being offered for low gross and low net score.

Perry Smith with a score of 41 and Don Meggison with a 42 were the winners in the special two-club tourney held last Thursday at the course. Thirty-six golfers participated in the event.

Mr. and Mrs. Arlo Crites have returned to Detroit following a visit with relatives and friends.

Detroit Man Apprehended by Police Officials

Charles Wolf, 34, Detroit businessman charged by his former wife, Eleanora Wolf, also of Detroit, with kidnapping their 10 year old son, Jeffery, from Camp Sea-Gull Saturday, was released on $5,000 bond after appearing before Justice Loren Lynn in Boyne City Monday.

Wolf is charged with telling camp officials that he was to have custody of the boy. He then took him from the camp and started for Detroit with him. Police officials were notified and Wolf was apprehended near Gaylord only minutes after the boy's mother had signed the complaint.

Wolf demanded examination which was tentatively scheduled for Monday.

The child was returned to camp.

Wolf was held in the county jail until late Sunday when he was released on bond.

Call Community Chest Meeting to Review Requests

All agencies planning to participate in the 1961 Community Chest Red Feather drive tentatively scheuied for late September are reminded to send representatives to the annual Budget and Admissions meeting at the community room of the city hall at 8 p.m. Friday.

Budgets and requests for funds will be reviewed at the meeting called by Franklin Ochs, chairman of the Community Chest board of directors.

Rites Held Tuesday For Dan Boyle, 90, Of Beaver Island

St. James, B. I.—Dan P. Boyle, 90, oldest native born resident of Beaver Island, died late Saturday at Grandvue Medical Facility for the Aged near East Jordan where he had been a patient for the past 11 months.

Funeral services were held Tuesday at Holy Cross church with the Rev. Louis Wren O.F.M. officiating. Burial was in Holy Cross cemetery. Until the hour of the funeral the body was in state at the home of his daughter, Mrs. Bert McDonough, where the rosary was recited Monday night.

Born here June 3, 1871, Mr. Boyle was a lifelong resident of the island. He was a farmer until retiring. In 1900 he was married to the former Margaret Gallagher who preceded him in death in February 1957. He was a member of Holy Cross church.

Surviving are a son, Jack Boyle of Country Club Hills, Ill.; two daughters, Mrs. James W. Gallagher of Charlevoix and Mrs. Bert McDonough of St. James; 20 grandchildren and 14 great-grandchildren.

A. Blacklock Wins DEM Nomination as Con Con Delegate

Following the official canvass of votes cast in the recent primary election to nominate delegates to the Constitutional Convention, Allen Blacklock of Alberta was named the winner of the Democratic nomination by a one vote margin over Robert J. Garthe of Empire.

The final official tally in which Blacklock was given an additional 10 votes in Antrim county while losing three in Charlevoix county and Garthe picked up four in Charlevoix county, shows Blacklock now has 489 to 488 for Garthe.

Edward K. Shanaban won the Republican nomination over six other candidates by a decisive margin.

The names of the winners will appear on the ballots in the general election scheduled for Sept. 12.

Mr. and Mrs. Kenneth Gerritsen and children have returned to Grand Rapids following a week's visit with Mrs. Gerritsen's mother, Mrs. Albert Taylor.

New Electric Rates Go Into Effect Sept. 1

New electric rates scheduled to go into effect Sept. 1 will give residential utility users the relief they have been seeking for some time according to City Supt. James Taylor who added that the new rate schedule for residential users will be approximately 27 per cent less than the rates now being charged.

The decrease in rates follows a survey made earlier this year by Ann Arbor engineering firm, Cummings and Bernard, who recommended a cut in utility rates for all catagories of users.

Following the company's recommendations, industrial rates were slashed in June and plans made to decrease commerical and residential rates following a study by Mr. Taylor and the utility committee of the council.

Under the new monthly rate schedule for the city residential users there will be an initial charge of $1.40 per month for the first 24 Kilowatt hours or less. The other steps in the schedule are then as follows: .04c per kwh for the next 28 kwh; 2.5c for the next 50 kwh; 2.15c for the next 25 kwh and 2c per kwh for everything in excess of 325 kwh. These rates will be the same for rural residential users through the third step from where these users will pay 2.15c per kwh for everything in excess of 100 kwh.

City patrons will receive a five per cent discount from payment of the account within 15 days while rural users must pay a penalty if the account runs past a given date.

A special rate for water heating service will include a charge of 1.2c per kwh for the first 500 kwh used and 2c per kwh for everything in excess of 500 kwh.

The minimum charge for both city and rural residential users will be $1.40 per month except that the annual minimum charge shall be $18.00 for seasonal customers as provided in the city's rules and regulations. There will be a $1.00 minimum charge for the water heating service except for the annual minimum charge of $19.00 for seasonal customers.

Commerical users will receive some relief although these rates will show less of a decrease. The first 24 kwh will cost $1.40; the next 26, 5c; the next 950, 3.6c; the next 2,000, 2.15 cents and everything in excess of this 2.75c per kwh.

Mrs. E. A. Sheldon, Former Resident Dies in Virginia

Mrs. E. Arthur Sheldon, 77, former local resident who has resided in Detroit for many years, died unexpectedly Monday while visiting in Hampton, Va., with her daughter, Mrs. Thomas Vogleweed.

The body will be returned here for funeral services at St. Mary's church at 9 a.m. Friday with the Rev. E. Francis Denay officiating. Burial will be in St. Mary's cemetery. The body will arrive Thursday from Hampton, Va., and will be at the Winchester Funeral Home where the rosary will be recited at 8 p.m. Thursday.

Born at Ironton June 15, 1884, the former Margaret Coatta lived here as a young woman and following her marriage to Mr. Sheldon lived in Detroit where she was a sales woman for the Kerns Company and other Detroit department stores until going to Hampton, Va., June 1 to visit her daughter. Mr. Sheldon preceded her in death in 1928.

Besides her daughter, Mrs. Vogleweed, she is survived by a brother, Frank Coatta of Charlevoix, and several grandchildren.

Sister M. Damian and Sister M. Eustasia of Grand Rapids who have been summering on Beaver Island and Mr. and Mrs. George Donat visited several days recently at Ranger Lake with Sr. M. Eustasia's nephew, Harold Leonard. The former have returned to Bay City.

Mrs. Thomas Bland and two children visited recently with the former's mother, Mrs. J. W. Law. Sally remained for a longer visit and will return to Texas with her grandmother later this month.

City to Accept Bids for Workers Compensation

Bids for workmen's compensation insurance will be accepted by the city council until 8 p.m., Monday, Aug. 14, as the result of action taken at the regular meeting of the council Monday night.

Information regarding the bids for the insurance may be obtained at the office of the city superintendent.

There were no objections to the re-zoning of property on Sheridan st. from residential to an amusement park district at a hearing held Monday night. The property, owned by Allen Pease, was re-zoned to prepare the way for the opening of a small amusement park.

Burial plots in an area located between Brookside and St. Mary's cemeteries were set aside by the council for use as burial plots for veterans and their families. The action was taken at the request of the V.F.W. and the American Legions and their respective auxiliaries.

Plans were made to rebuild and resurface a section of State st. south from Hulburt ave. The work will begin later this summer.

Having satisfied certain conditions the option to purchase property located on US-31 North adjacent to property presently owned by Lake Construction Co., Hal Forbrig, representing the company, was presented with a deed to the property after having met the purchase price.

What Is Your Favorite Hymn

What is your favorite hymn? Most persons have one whether or not they are churchgoers. Hymn singing has a personal meaning for most Americans. To some it is a way of expressing their spirtual faith; some sing hymns for the warm feeling of love and brotherhood it gives them; others in their daily toil humm or sing a hymn because of the personal satisfaction they get from the lyric or the music.

Which hymns are the most popular may be of as much interest to our total population as the ratings of the so-them; others in their daily toil hum or sing a hymn called popular songs. With that in mind the Courier is cooperating with the National Newspaper Hymn and suggests that readers interested in the poll co-operate by filling out and mailing the ballot which appears on this page. Cast your vote by using a heavy black pencil or ball point pen.

Those wishing to cast a ballot must have the envelope or card in the mail by Aug. 25. The result, both local and national, will be available to the Courier for publication.

Voice of Our Readers . . .

There is no doubt that the July 26 Concert presented by the Charlevoix City Band was one of its finest. Altho the band is small, intonation, balance, and general musical effect were excellent.

One remark heard at the Concert was this: "Why doesn't the Chamber of Commerce make arrangements with one of the big universities and establish a summer music school in this area? Artist and student musicians planning a summer in Michigan would find that Charlevoix could offer much more than Interlochen."

We already have some connections with University Music Departments that might well lead to a permanent and growing summer music school.

Each weekly program should have a special and well advertised feature attraction. The economic and cultural effect of the recent Van Cliburn Concert on the Interlochen area has been well publicized.

The present Charlevoix City Band is a very solid foundation upon which something big can be built.

Miss Flint Becomes Bride In Rites at Cranbrook

Christ Church, Cranbrook, was the scene Saturday evening of the wedding of Ellen Virginia Flint and Harcus Eddy Cunningham Jr.

The bride is the daughter of Mr. and Mrs. Robert Howard Flint of Bloomfield Hills and the grand-daughter of Mrs. Charles Churchill Gilbert of the Belvedere Club. Mr. and Mrs. Marcus Eddy Cunningham are the parents of the bridegroom.

The Rev. Lester P. Dobyns performed the ceremony.

The bride, given in marriage by her father, wore a gown of light ivory peau de soie fashioned with a square scalloped nickline, cap sleeves and fitted bodice of Alecon lace with an apron effect overlap of lace on the bouffant skirt, the back fullness of which fell into a chapel sweep train. Her illusion veil was secured by a pill-box headpiece of Alencon lace. She carried a bouquet of Amazon lilies accented with lilies-of-the-valley and ivy.

Susan Elizabeth Flint as maid of honor and Mrs. G. Bretnell Williams as matron of honor wore gowns of silk organza over taffeta in waternile styled with acoop necklines, cap sleeves and fitted bodices with satin midriffs. The draped bell skirts had large satin bows at the back. Their hats were matching bows of waternile satin with circular veils and they carried white Marguerite daisies accented with golden garnet roses.

Bridesmaids were Virginia Hall of Santa Clara, Calif., Marilyn Olson of San Francisco, LuAnne Aulepp and Mrs. John Follansbee of New York City, Mrs. Robert Gillow and Mrs. Creighton W. Runnette. They wore gowns identical to the honor attendants' and carried white Marguerite daisies.

Charles Cunningham assisted his brother as best man and guests were seated by Mr. Williams, Daniel Beresford, Stephen Saunders, Henry Garrity of Waterburg, Conn., Martin Burke III of Chicago and John Neimeier of Minneapolis.

Mrs. Flint selected a Balmain yellow and green warped taffeta print and pail yellow silk accessories for her daughter's wedding. Her hat was a circlet of soft green feathers and green cymbidium orchids were pinned to her bag.

Mrs. Cunningham wore a gown of shell pink imported lace over a tunic of pink taffeta and matching accessories. A corsage of old-fashioned piink Bountiful roses were pinned on her matching pink satin purse.

A reception at Bloomfield Hills Country Club followed the ceremony. A massed arrangement of ferns flanked by white rose trees formed a setting for the receiving line. The bridal table, draped with smilax, held three silver epergnes of album lilies and greens. Guests were served supper at individual tables around the dance floor.

The couple left immediately after the reception for the Broadmoor Hotel in Colorado Springs. For traveling the bride wore a coral and beige silk print dress and beige woolen coat lined with the silk of her dress. Her hat was pecan velvet and her accessories beige.

Mr. and Mrs. Don Shumsky and grand-daughter, Susan Reavis, have returned to Detroit following a visit with Mrs. Shumsky's mother, Mrs. Marie McCall.

Venetian Festival Attracts Crowd

(Continued from page 1)

seemingly was enjoyed by all spectators were the free fall parachute jumps Saturday and Sunday. Clare Gibelyou, a former paratroaper, made faur jumps. He was joined on two occasions by Arthur Carroll of Mt. Pleasant. The men were flown by members of the Charlevoix Flying Club.

The square dance Saturday evening proved to be another majar attraction until rains halted the activites on State st.

The colorful show presented by the Manda-Bee-Kee Indian dancers appearing under the direction of Robert Dominic and the gymnasts from the National Gymnastics Summer Camp at Williamsburg also proved to be crowd pleasers as were the City Band appearing in concert under the direction of C. A. Odmark; the water fight presented by the volunteer fire department and the variety show Sunday evening with Rod Creede of WW-TV Cadillac as master of ceremonics.

Booths and Kiddie rides added much to the carnival atmosphere during the weekend.

Robert Winchester was chairman of the Venetian Festival. He was assisted by William Carey, president of the Chamber of Commerce which annually sponsors the event.

The Chamber of Commerce wishes to take this opportunity to express a hearty and sincere thank you to all those who contributed their time and service to make the 1981 Venetian Festival a success. Venetian Queen Lorraine Crowned at Coronation Ball

Courier Photo

Lovely Lorraine Heise, 17, a brown-eyed brunet, was named Venetian Queen to rule over the 1961 Venetian Festival at the coronation ball at the Beach Hotel Friday evening to officially launch the annual event.

Members of her court were Maureen Sanford, Jeanette Novak, Ann Phillips and Karen Pierce.

Other candidates for the title were Lorrian Sanford, Lia Drenth, Carol Smith, Martha Green, Rose Stewart and Sally Cross.

Queen Lorraine who received her crown from the retiring Venetian Queen, Carla Riley, was chosen by judges Jack Behan of Petoskey, Mrs. Arne Shield of Traverse City and Mrs. Ralph V. Hess Jr.

The ball was sponsored by the Charlevoix JayCees. Music for dancing was by Wayne Belding's quintet.

Queen Lorraine was given the Indian name of Che-Mong-Qua, meaning 'Boat Woman' during the Indian naming ceremony presented by the Mada-Kee-Bee Dancers Saturday evening.

CAPACITY CROWD VIEWS ALL STAR GAMES

Over 1500 people jammed every available space in the ball park to watch the all star game scheduled in conjunction with the Venetian weekend. In the Peanut league the Champions scored five times in the final two innings to break the game wide open against the Challengers. The Champs, made up of players from the three teams which finished in a tie for the first round title, took advantage of walks and timely hitting to post a 9-4 win. John Ferguson took hitting honors with three safeties in a losing cause. Larry Marme was the winning pitcher..

In the fastball league all-star contest the hug crowd watched a tense twelve inning struggle which saw Bare Construction of Petoskey scored in the twelfth frame for a 7-6 win. The local all stars seemed to have the game in the bag with a 6-3 lead going into the seventh inning. The six runs came in spurts with four in the second and two in the fifth. In the second John Swanson and Nate Boss chipped in with run-scoring singles and Bob Darbee blasted a two-run homer. In the fifth Ted Potter hit a solo circuit blow and Hank Klooster followed with another home run. Bare picked up single unearned runs in the third and fifth frames and an earned run in the fourth. Then in Bare's final frame three singles, two of them of the scratch variety coupled with an error produced three runs and forced the contest into extra innings. Charlevoix had several mild threats but couldn't dent hurler Dick Bare for a tally. Dick Young

C.H.S. Graduating Class of 1951 Holds Tenth Reunion Saturday

Membersof the class of 1951 of the Charlevoix high school gathered at the V.F.W. post home for a class reunion Saturday afternoon and evening.

Places were marked with miniature books bearing the names of class members and their present addresses. At the informal program which followed the dinner served at a table decorated in gold and white, the class colors, and summer flowers, Dale Suomela of Flint and George VerWys of Collingswood, N. J., served as masters of ceremonies as members related major milestones in their lives since graduation and introduced their respective mates. Thirty-four members of the class of 55 members were present.

Mr. and Mrs. D. R. Terrill, now living in Muskegon, were the only faculty members present.

Among those attending were Mr .and Mrs. Al (Shirely Clement) Brede of Hastings, Mr. and Mrs. Chester (Rita Boss) Ahola of Livonia, Mr. and Mrs. Edward (Donna Everts) Pusey of Alma, Mr. and Mrs. Vergil (Velma May) Larson of Denver, Colo., Mr. and Mrs. Walter (Betty Warner) Towns of Sparta, Mr. and Mrs. William Wallace of Lansing, Mr. VerWys and his fiance, Lois Schroeder of Royal Oak, Mrs. Suomela, Mr. and Mrs. James (Freda Taylor) Zuehlke of Grand Rapids, Mr. and Mrs. Jack (Virginia Taylor) Friedrick of Silver Springs, Md., Mr. and Mrs. Tracy (Rosanna Gillispie) Harvey of Forrestal Village, Great Lakes, Ill., Sgt. and Mrs. Sam Hamilton of Rantoul. Ill., Mr. and Mrs. Harold Hamlin of Walloon Lake, Mr. and Mrs. Russell (Joan Lewis) Lunn of Livonia, Dr. and Mrs. Gordon (Joan Hess) Finnie of Grand Rapids, Mr. and Mrs. Dwight Smith of East Jordan, Mr. and Mrs. Howard (Mona McFarland) Struthers of Petoskey, Mr. and Mrs. Robert (Joyce McGhan) Borchardt of Bay City, Mr. and Mrs. Bruce (Joyce Murray) Barber of Lompoc, Calif., Mr. and Mrs. Paul (Thelma Smith) Bennett of Lansing, and Mr. and Mrs. Gregory (Beverly Stroud) Bryan of Grand Rapids. The latter couple was the only one to marry within the class.

Others present were Mr. and Mrs. Howard Campbell, Mr. and Mrs. Fritz Allard, Mr. and Mrs. James (Viola Andersen) Pettis, Mr. and Mrs. Terry (Sara Coleman) Rice, Mr. and Mrs. John (Beverly Cunningham) Sladek Jr,. Mr. and Mrs. Charles (Bonnie Drost) Elzinga, Mr. and Mrs. Ronald Wojan, Mrs. James (Dona McFarland) Klooster, Mrs. Patrick (Sue LaBlance) Martin, Mr. and Mrs. Rex (Joan Mathews) Blanchard, Mr. and Mrs. Cass (Patricia Murray) Russell, and Mr. and Mrs. Byron (Colleen Reed) Wright, all of Charlevoix.

Following the dinner a basket of flowers were taken to Mr. and Mrs. Glenn Pemberton, parents of another member of the class, Gleneen Pemberton, who died shortly after graduation.

A local committee composed of Mrs. Rice, Mrs. Russell, Mrs. Blanchard, Mrs. Wright, Mrs. Klooster, Mrs. Struthers of Petoskey, Mrs. Pettis, Mr. Suomela of Flint, Mr. Wojan and Mr. Allard formulated and executed the plans for the reunion. Mrs. Russell, Mrs. Wright and Mrs. Barber decorated the post home for the event.

Oil Drilling Equipment Arrives At Beaver Island

PETERSON BUIL

Courier Photo

Interest is running high on Beaver Island these days with the arrival of oil drilling equipment which will be used by the MiClure Oil Co. with headquarters in Alma to determine if the northern Lake Michigan island, located 32 miles northwest of here is actually in an oil belt believed to be locted beneath this area.

The massive equipment was transported from Charlevoix to St. James harbor on the northeast side of the island via barges hauled by the Mackinac Islander. Two trips were made to hall equipment of every description from trucks to the specialized equipment necessary to drilling for the black gold.

Circling the Bases

(Continued from page five)

finally sent the large crowd home with a home run over the right field fence in the twelve inning.

FREEDMAN SECOND ROUND LEADERS

Freedman knocked off American Mold in easy fashion 6-0 behind the tight pitching to take the lead in the second round of the Fastball league. Klooster extended his scoreless innings to 45 as he allowed the opponents no runs for the sixth straight game. Dave VanDrummel paced the winners with two safeties while Nate Boss and Joe McDermott picked up the only American Mold safeties.

First round winner Barnard picked up where they left with an 11-10 squeaker over the upset minded Scouts. Three runs in the last of the seventh fell just short of an upset win. Spike Mort and Tom Maxwell lead the Scout attack while all the Barnard squad shared in the hitting honors.

The Cubs took the first round title with a narrow 5-4 win over the Tigers in the playoff game. Steve Ager singled home the winning run with two out in the final inning. The Cubs scored four late inning runs to tie the game and set the stage for Ager's winning blast.

C.H.S. Class of 1931 To Hold Thirtieth Reunion Saturday

The class of 1931 of the Charlevoix high school will hold its thirtieth reunion Saturday.

Plans call for an open house beginning at 3 p.m. followed by a dinner at the V.F.W. post home.

More than 40 members of the class have made reservations and more are expected before the deadline, according to Mrs. William Suppernaw, who is assisting with local arrangements.

H. A. Feiereisel left recently for St. Joseph to visit briefly with his grandson-in-law and grand-daughter, Mr. and Mrs. Bruce VanDerveer enroute to Chicago to visit his son and daughter-in-law, Mr. and Mrs. Elmer Feiereisel. He will return home about Sept. 1.

City Adopts New Electric Rates

(Continued from page 1)

In explaining the new rate acale, Mr. Taylor said that the scale now in use costs the average householder 7c for the first 10 kwh or a minimum charge of $1.00 if less than this amount is used; 6c for the next 25 kwh; 5c for the next 25 kwh; 4c for for the next 40 and 2.5c for all over 100 kwh.

Explaining further, he took an average billink for a city residential user who, this month, used 348 kwh which cost $11.70 and 354 kwh for hot water service at $5.52 Added to this a water charge of $1.28 and sewage 80c for a total of $19.30 under the present rate

Under the new rates the electricity will cost $9.25 and the hot water service $4.42 which added to the same water and sewage charges will total $15.95. If paid within 15 days the patron will receive a five per cent discount.

Using the same figures for ourrent used, residential rural patrons are paying $11.70 for electricity for household use plus $5.52 for hot water services under present rates. Under the new rates for this catagory, the costs would be $9.39 and $4.42 respectively for the service for a total of $13.80 compared to $17.22 under the present rate.

The short term residential user in both the city and the rural areas will receive the greatest relief, rate-wise. Still using the same figures of 348 kwh for household use and 354 for hot water service, the present bill would show $19.26 and $5.52, respectively. Water and sewage for users inside the city limits would bring the bill to $26.86. Under the proposed new rates the cost will be decreased to $9.35 and $4.42 which, plus the water and sewage chsrges, will add up to $15.85. If the bill is paid within 15 days the user will receive a 78c discount or $15.09. In other words, the bill will show a decrease of $10.77 less thsn it is now.

A complete rate schedule along with qualifications and typical bills will he printed in next week's Charlevoix Courier to further explain the rate charges for all catagories of users.

Visitor Tells of Health Problem in Iran

By Fran Martin

"A nation's health, especially the health of its mothers and babies, is a problem in any country but in Iran where the number of trained public health personnel is small, facilities are limited and illiteracy is high it is an even greater problem according to Saideh Neguini Zahedi, public health consultant from Tehran who visited here recently as the guest of Miss Mary Simmons prior to returning to Iran after 11 months in this country during which she studied at the University of Minnesota School of Public Health.

Miss Neguini, who uses her madien name professionally, went on to say that there are only 44 public health nurses and midwives on the staff to serve an Iranian population of 20 million and only five training schools in which to teach specialized personnel so badly needed in the program. "Actually, we need a minimum of 500", she added. "However, until such time when more nurses can be trained we must depend on specialized nursing assistants, girls who are more than practical nurses because they have two full years training in the special field of mother and child care. At the present time there are 120 of these whose services are utilized in an effort to cover the field" Miss Neguini continued.

In Iran matternal and child health is stressed as it universally in public health. An indication of the strides being made in improving the health of mothers and babies is revealed in an incident related by Miss Neguini. "One mother expressed great distress to me because we were saving all her babies "Now", said the mother, "I can't afford to feed them".

Large families are the rule rather than the exception in Iran where women take great pride in continuing to have children as late in life as posible. The Moslem religion prohibits abortion. Education for planned families is being introduced but without much success because of loss of stature if a woman fails to produce children.

Iran now has five schools of nursing along with five medical schools. Three years of nurses' training is required before specializing, in midwifery. In earlier years, Miss Neguini explained, there were separate schools for nurses' training and midwife training. The bettter educated class of women chose to train as midwives than as nurses and a midwife's certificate continues to carry more prestige than that of a nurse. Miss Neguini notes that many Iranian girls only study nursing in order to become a midwife. It is difficult to recruit them to nursing after graduation.

The health education program in Iran must be conducted largely by personal contact and the Ministry of Health maintains a staff of 40 health educators who are trained for six months before working in the field. Miss Neguini has served in the teacher training program and also as a lecturer for exttension programs. Some of her training has been done through tthe television medium in Tehran.

Photo by Fran Martin

Miss Neguini (left) with her hostess, Miss Mary Simmons.

Touching briefly in the field of education, Miss Neguini said that education in Iran is now compulsory and the youth are receiving at least a limited education under the government-sponsored program. However, teachers are a problem there for there is no prestige attached to the field of education. She added that tthe illiteracy rate is very high with only 25 per cent of the adult population being able to read and write.

Miss Neguini added that there are few fields which offer prestige to the people engaged in them. "One must be wealthy, come from a 'good' family or be high in the government in order to be looked up to. In other words, too much emphasis is placed on material things. it is not like it is in your country where people in all types of work are respected and where working class composed of people who are skilled in all types of work or who are in trade, transportation, manufacturing, farming and other fields. Whether you realize it or not, the so-called 'middle class' is the backbone of tthe country. In Iran we are attempting to develop this group of people."

Like so many foreign visitors of the country, Miss Neguini spoke of the many opportunities available to Americans in all fields of endeavor, the high standard of living here compared to that of the Iranian people, the many things Americans have, such as cars, household equipment and similar items that are considered necessary to everyday living here, the large choice of foods and clothing and just 'gadgets' to be found in shops and stores, the size of the country, its educational system—all things that Americans take for granted.

She spoke briefly on one thing that she felt was lacking here—the family unit. "Most families do not seem to be closely knit. Everyone has a different interest which he follows and families conduct many of their activities outside the home. In my country the family is looked upon as a unit and is maintained as such." she explained.

On her return tto Iran, Miss Neguini, a lovely, charming and vivacious young woman with dark hair, blue eyes and a flawless olive complexion will continue her work as consultant with the Public Health department, traveling via air to all sections of her country tto carry on the work to which she is truly dedicated.

A graduate of the American University in Beirut, Miss Neguini is a native of Caucasia, now a part of Soviet Russia. She is a talented linquist, speaking Persian, the language of her adopted country and several of its dialects as well as Caucasian, French, English, Turkish and some Arabic.

After 11 months at the University of Minnesota school of public health, Miss Neguini did her field work with the New Mexico Department of Health It was through mutual friends in this department that Miss Neguini and Miss Simmons, a former member of the department who now teaches nusing studies at the University of New Mexico, met.

Miss Neguini was scheduled to return to Tehran immediately after leaving here to join her husband, Abol Zahedo who is with the Ministry of Agriculture specializing in animal husbandry. They have a son who will be three years old in September. In her absence he remained with his father and relatives.

Experiences As Exchange Student Told By Sharon Abfalter

Sharon Abfalter, daughter of Mr. and Mrs. Frank Novotny, who is spending the summer in Europe under the sponsorship of the Youth for Understanding program of the Michigan Council of Churches has written the following letter to the local Youth for Understanding committee.

It is hoped that Courier readers will enjoy this story of her experiences to date.

"I trust that you will share this letter with the Charlevoix committee for exchange students.

"The plane ride was long on the way over. I believe it took 15 hours plus one stop in Reflavik, Iceland, for 30 minutes.

"Our group stayed in Amsterdam for only one night due to our late start from Detroit. Before returning to the U. S. we will stay in Amsterdam for three full days.

"My family, Mr. and Mrs. Alfons Bergenthal, is so nice and I'm very happy to be with them. Papa is head of the Chimney Sweepers Co. He does not sweep himself but has hired men. I have two sisters, Lenore who is 17 and Viktoria who is 12. We also have a bird and a dog in our family. Bird is named after our President's wife, Jackie.

"We live in an apartment house with three other families. Mengede is a suburb of Dortmund and is only 10 minutes from the city. Mengede is larger in population than Charlevoix but about the same size.

"The second day I was here I attended a wedding. My family is Catholic so I attend their church every Sunday with tthem.

"I have visited school with Lenore about six days. The schools are very different here. Lenore had 13 subjects. School starts at 8 a.m. and is over at 1:15 p.m. Every two hours they have a break during which the students eat.

"School will be out July 20 for six weeks. When school starts again the students will be in the same grade until Easter. At this time the students get a certificate and are promoted to the next grade. This school is a High Commmerical school. It is a two-year school and when they are done the students are ready for jobs. Both boys and girls attend this school but not in the same classrooms.

"There are no lakes near here so we go swimming in pools. This we do not do often due to the fact that polio is so bad in this area. Mama does not allow us to drink the water because of this. The girls and I drink tea or coffee at our meals and soft drinks at parties.

"On June 28 all the chimney sweepers in Germany and their families made a trip to Kologne. We took a ride on the Rhein. Although we did not visit the capital city I did take slides of the buildings. The boat let us off in Konigs Winter for several hours. We took a train ride to the top of a huge mountain so we could see the view of the Rhein.

"In the evening I went through the Catholic Catherdral in Kologne. Later we went to a big hall for dinner and entertainment. One entertainer sang "Summertime" in English.

"A few days ago Lenore and I went to a meeting of students who have been to America, are going this year and American students in Dortmund this summer. I met Carla Porter who is from Boyne City.

"I have been corresponding with Anne-Margaret (Von Ruessner of Munich who spent the 1959-60 school year here) for some time. She invited me to visit her for a week at the end of the month. My family has made other arrangements for me to travel throughout the summer but will try to let me go to Anne's.

"I am hoping to go to Berlin for a week this month with a group of Americans. It would cost only $10 and would be well worth it.

"My family has no car so the first few days I was here I had very sore feet. I am used to walking now.

"My sisters and I never wear shorts or Bobby sox! I am very sorry I brought them. If I were in the country I might have some use for them.

"If you have any questions please write. I would be very happy to hear from you.

"I'm having a wonderful time. We are so busy that is is hard to find time to write to everyone."

Sincerely,
Sharon Abfalter

News Round-up at Camp Charlevoix

The fifth week of camp started off with the new four week campers busy trying to decide what activity to take. Two days in camp already for these boys and already friendships are being formed and the camp once more becoming one big family. Immediately after breakfast, Ken Smith and Marvin Crain had tryouts for the best voices to sing in the Venetian Night Chorus that has sung in town each Venetian Night for the last twenty-eight years. Over sixty boys tried out for the chorus. Those being chosen were: Sandy Coakley, Rusty Smith, Robbie Pliskin, Paul Kirwin, Mike Pliskin, Paul Sherman, David Gilmore, Gary Van Grop, Billy Kuntz, Greg Nyland, Ricki Tomkinson, Mike Grass, Ralph Miesel, Geoff Smith, Hal Thurston, Dean Mac Vicar, Mike Hults, Peter Cowhey, Chuck Ruifrok, Eddie Robertson, Bruce Nyland, John Deane, Bill Gross, Arthur Fruechtnicht, Bob Hickam, Steve Wardrop, John Gillett, David Hoyt, Terry Hall, Greg Jewell, Mark Murfin, Hank Hoiste, Jon Steffensen, Ron Kirk, John Donaldson, Wes Murfin, Russell Washburn, Grant Washburn, Tom Kennedy, Chris Nyland, and Ace Hoyt.

Cabin 10, with Dean Herman as counsellor went on horseback overnight trip. The boys were David Stout, Tom Rotz, John Stearns, Steve Smith, Bob Swanson, Roger Smith, Harold Lutton and Chris Calvin. Cabin 7, Don Stephen's cabin took a kike over to Lake Michigan, the boys on this were Jim Kuehn, Jimmy Warner, George Turner. C. J. Shelley, Mike Requarth, Tom Lambert, Ernie Kelly, Mark Gillette, Cabin 8, Roger Carther's boys, went on a Day Trip to Fishermans' Island, the boys being Howey Davis, David Hoyt, John Thomas, Paul Sherman, Pat Smith, Bob Steketee, Fred Myers and John Hartz. Bob Lohman and Dave Ellis took their boys to the Charlevoix Beach on a day trip, the boys, Bill Gross, David Fernstrum, Bruce Chidester, Jeff Hayes, Ricky Wilson, Bill Baker and David Martiin.

On Tuesday, Ted Fleming and Bruce Baker took the nature class over to the Fish Hatchery for a visit and the boys really enjoyed seeing the many fish. The chorus for Venetian Night rehearsed and the boys are getting excited for this big event. "Rebel" Thompaon took his boys on a canoe trip down the Jordan River and from all descriptions, they had a very fine trip, most enjoyable, in spite of "Rebels" canoe tipping over. Kent Gibbs took his 8 boys on a horseback overnight to Bay Shore. The oldest boys in camp, Dick Kinder's group, went on an overnight to Young's State Park and came back raving about the place and the fun they had.

On Wednesday morning Cabin 2 with Kerm Krueger in charge, and Daren Pyron and C.I.T Tom Kennedy along for help, took his cabin of seven boys on a hike over to the Big Rock Atomic Plant. They had lunch enroute. Dave Garland, cabin 18, took a horseback overnight with his seven boys. They had a great time, and wonderful camping weather. Jim Adams, Cabin 17, went on a canoe trip to Young's State Park, and the boys reported that they sure had plenty of paddling. After supper, the Greens and Greys elected new leaders for this second four weeks period. The Greens chose the following boys: Paul Kirwin, Paul Rifenberg, Charles Dort, Bill Gross, Dave Hoyt, Freddy Myers, Sandy Coakley, George Steinhart, Mike Plisken, Bruce Nyland, Ford Wilson and Bill Kennedy. The Greys are looking up to Chris Searles, Chris Somers, Mark Murfin, Dave Stout, Paul Sherman, Tom Lambert, Robbie Plisken, Walt Silver, Tom Larkin, John Deane, Skip Kessler and John Rotz.

Thursday was another day of trips out of camp with a total of 80 boys being away for either the day or overnight. Doug Bottomley took cabin 16 group on a horseback overnight to Bay Shore. Monte MdFadden took his cabin 15 group and Bruce Baker took cabin 14 group on an overnight to Young's State Park. Cabin 13, with Dan Ross as counsellor, went on an overnight to Fisherman's Island. Cabin 4 took a haywagon ride for a day trip with lunch along the way. Cabins 3 and 5 took day trips to the Charlevoix Beach.

On Friday, the Junior Section hiked out to Greensky Hill to visit the Indian Church and the circle of trees, where the Indian chiefs used to meet in council. They had a "Weiner Roast" on the shore of Susan Lake before returning to camp. Ted Fleming took his boys of cabin 11 on a canoe trip down the Jordan River and was the first cabin this summer to paddle all the way back to camp. Jim Donnellan took his boys on an overnight, using sailboats as their means of transportation. The boys enjoyed this trip.

Saturday morning early, about 6:30, the boys who were riding in the parade in town were up for breakfast and getting ready for their ride into town for the parade. We took 28 horses in and the boys were all looking sharp in their cowboy outfits. The boys chosen to ride in the parade were Carl Baum, John Danaher, Ned Dean, Geoff Hockmeyer, Dave Hoyt, Andy Jacobs, Steve Johnson, and Mike and Robbie Pliskin, Mark Murfin, Tom Lambert, Brad Rea, C. J. Shelley, Paul Sherman, Roger Smith, "Tat" Smith, Don Strutz, Rich Tomkinson, Russell Washburn, andBill Zaring.

Russell Washburn drove our "Surrey with the Fringe on Top". C. J. Shelley drove our "Hinny" with the cart, and boys from cabin 1 and 2 rode in the big white wagon. Our boys looked very sharp and added much to the parade. On Saturday night, the Junior cabins put on skits in the "Bigwam", with the assistant counsellors bringing us once again their traditional take-off on "Gunsmoke". All of the skits were very clever and showed much thought and rehearsal.

On Sunday, Kent Giggs was the speaker at our chapel services. He spoke on "Evaluating Our Time here at Camp". It was a very good talk, and gave everyone something to think about. Ken had a rehearsal of the singers who went into town to sing at Venetian Night.

In the aftternoon, Cy Pick had a Waterfront Afternoon. After many events, the Greens and Greys each won two points, bringing the score at this time to Greys-18, with the Greens having 16. The race is close as we approach the final day's event, an Obstacle Relay taking in 120 boys. This is always the highlight of the competition and comes the last Sunday in camp. In the evening, the singers, 52 strong, sang at the Venetian Night Celebration in Charlevoix and did a very fine job, looking great all dressed in white.

We would like to once more remind parents and friends that our annual rodeo is held at three p.m. on Friday, August 18th. with the Final Indian Ceremony that same evening at 8:30 p.m.

Don Kennedy Visits Park Named in His Honor

Courier Photo

Probably none of the many picnickers enjoying The G. Donald Kennedy roadside park last Sunday were aware of the presence of the man for whom the park was named. Mr. Kennedy, however, was there, and with members of his family and friends was enjoying the outing as much as anyone.

Joining Mr. Kennedy in his first visit to the park named in recognition of his contribution to the state highway system, were Mrs. Kennedy, their daughter, Miss Ann, and young son, Michael James, Mr. and Mrs. James Piper and Mr. and Mrs. Larry Rubin and infant son.

Mr. Kennedy was state highway commissioner from 1940 to 1942. Prior to that time he was a deputy commissioner. When he resigned as commissioner he became vice president of the Automobile Safety Foundation. He is now president of the Portland Cement Association and lives in Illinois. Mr. Piper, a vice president of Portland Cement, and his wife accompanied the Kennedys on the outing to Charlevoix. They were met at the park for the picnic dinner by Mr. Rubin, secretary for the Mackinaw Bridge Authority, and his wife and son.

Pictured above Mr. Kennedy make sure that Mr. Rubin gets the fire underway while Mrs. Kennedy is preparing the table.

To Stage Annual Artists and Craftsmen Exhibit Saturday

The rolling terraces of Charlevoix East Park on the shore of Round Lake will be the scene Saturday of the third annual Waterfront Fair for artists and craftsmen.

The more than 50 exhibitors in the fair will display their works on the various levels of the park beginning at 10 a. m. and continuing until 9 p. m.

Highlight of this year's fair will be the showing of an original pastel by Degas, loaned from the collection of Mr. and Mrs. Nathan Cummings, summer residents here.

Another interesting feature of the event will be an exhibit depicting the development of a cartoon strip by Kreigh Collins of Grand Rapids, nationally syndicated cartoonist and creator of "Kevin the Bold". Mr. Collins is a regular summer resident here and is presently living aboard his schooner "Heather" in the local harbor.

Four Michigan artists serving on the faculty of the Society of Arts and Crafts of Detroit have accepted invitations to exhibit some of their works. They are Sarkis Sarkisian, head of the painting department, now on sabbatical leave, who is the recipient of various awards and is represented in the Detroit Institute of Arts and Butler Museum; Walter Midener of the sculpture department, who is represented in the Flint Institute of Arts, Detroit Institute of Arts and the Whitney Museum of American Art in New York; Peggy Midener, instructor of painting, water color and children's classes, who is represented in the Detroit Institute of Arts and Butler Museum and Charles Culver, chief of the water color department and recipient of more than 20 awards who will have special exhibits on display. He has exhibited in national and international exhibitions since 1937. He has presented many individual shows throughout the country and has more than 1,000 paintings and drawings in private collections.

Among other exhibitors will be John and Margaaret Wight, Jane L. Silberman, Arthur Hodkin, Marion Menard, Robert Sellers, and Don Campbell of Charlevoix, Walter VanDyck of Kalamazoo, Den VanRhee of Grand Rapids, Edue Donajkowski of Posen, Valeria Pell and Regina Nelson of Cadillac, Jorjan Sturm of Conway, Madlyn LeFluer of Traverse City, Burton Dickinson of Ellsworth and Sarah Boriach of Walloon Lake who will exhibit oil paintings.

Exhibiting in the oil and water color division are Irene E. Young, Norman Brumm and Sali Frantz of Charlevoix, Russell A. Runnells of Kalamazoo, J. Ann Hazel of Conway, Herb Ferris of Frankfort and Peggy Midener of Highland Park.

Mr. Midener will display an 18 inch high terra cotta sculpture, Virginia Sschneider of Indian River, two small original cley figures and two oil paintings, Julius Gilbert of Charlevoix will exhibit wood sculpture and Darcy Olsen of Charlevoix will exhibit wood sculpture in the junior division.

Exhibiting pottery and ceramics will be the Reids of Eastport and Phyllis Young of Elk Rapids.

Lapidarists exhibiting will be Mrs. Carl Edwards of Thompsonville, Rolland Grubaugh of Boyne City, Dorothy Staub of Bellaire, John Davies of Flint and Edward Heise of Charlevoix.

Mrs. Archie Madigan of Bay City will display shellcraft; James Brinkman, photograph

Ships Collide In Fog Near Gull Island

The 91-ft. freighter, Mackinac Islander, owned by the Manthei Brothers Veneer Co., was towed to Manistique late Wednesday afternoon after colliding with a larger ship of foreign registry during a heavy fog early Wednesday morning.

The accident occurred six miles west of Gull island at 6:30 a.m. Gull island is one of the smaller islands in the Beaver Group and is located 10 miles due west of Beaver Island.

The Mackinac Islander was believed enroute from Sault Ste. Marie to)scanaba with a load of maple and birch logs at the time of the accident. The freighter, which makes Charlevoix its home port, was badly damaged in the collision, suffering a crumpled bow, damaged plates and stern. She was withhout power though in no immediate danger of sinking.

The 40 ft. patrol boat from the Beaver Island Mooring Station arrived to the aid of the stricken vessel at approximately 10:15 a. m. and took the Mackinac Islander in tow until the U.S.C.G. Cutter Sundew, which was in northern Lake Huron at the time took over the tow early Wednesday afternoon. The scene of the accident was approximately 20 miles off Manistique in Michigan's Upper Peninsula.

The freighter was in command of Richard Lyons at the time of the accident. Willard Pischner, also of Charlevoix, was the engineering officer. Third member of the crew when the freighter left here was John Manthei of Petoskey, nephew of the owners.

The ocean-going ship proceded toward the Straits of Mackinac following the crash, having received little damage to its hull.

Funeral Services Held Monday For Myron Hilton

Myron L. Hilton, 57, lifelong resident of this community and an employee of the C & O railroad company for the past 18 years, died unexpectedly Thursday as the result of a self-inflicted gunshot wound. He had been despondent because of ill health.

Funeral services were held Monday at the Winchester Funeral home with the Rev. Raymond J. McBratnie officiating. Burial was in Brookside cemetery.

Born in Norwood township April 30, 1904, Mr. Hilton lived there until moving to the present family home at 311 E. Garfield ave. He had been employed by the railroad company since 1943. He was a member of the First Methodist church.

He is survived by his wife, the former Rose Saganek, whom he married in 1934; two sons, Bobby L. of Charlevoix and Staff Sgt. Charles L. of Cape Charles, Va.; four grandchildren; a brother, Orville Hilton and a sister, Mrs. Carrie Brown, both of Charlevoix.

Community Chest Board Approves Budget of $10,742

The Charlevoix Community Chest board of directors approved a budget of $10,742 following its annual budget and admissions meeting held Friday night at the city hall according to Franklin Ochs, board chairman.

The goal of this year's drive scheduled to get underway Oct. 2 is $1,207 over last's year's goal which was $9,535.06. Collections in 1960 totaled $9,634.11

One new agency, the Mt. McSauba Ski Area, which submitted a request for $500 is included among the agencies participating in the drive. The agency was not admitted to the drive in 1960.

Other agencies and the amounts of their request include Michigan United Fund, $1,642; Charlevoix hospital, $1,500; District Department of Health for Community Nurse, $1,550 and the Salvation Army, $375, which are all over last year's requests; American Red Cross, $1,000; Charlevoix Girl Scout Council, $750; Charlevoix City Recreation, $800; Charlevoix Association to aid Retarded Children, $950; Charlevoix Service Organization, $275; Scenic Trails Council Boy Scouts, $750; Emergency Fund, $300 and campaign expenses, $350. The request of $1,450 submitted by the Scenic Trails Council of the Boy Scouts was the only request not accepted as entered. It was slashed to $750.

To Present Music Festival At Local Church

A festival of sacred music will be a feature of the 11 a.m. worship service at the First Congregational church Sunday.

Mrs. Robert Tollas, well known soprano, will be the soloist at the service which will include special anthems by the Senior choir directed by C. A. Odmark. Among the selection they will sing will be "Break Forth in Joy", Barnby, "I Will Not Leave You Confortless" by Titcomb, "Almighty God of Our Fathers", James, "Love Faileth Never", Evans, and "Jesus, Our Lord, We Adore Thee", James.

The Women's Chorus will also present Schubert's anthem, "The Lord is My Shepherd".

Mrs. Charles Bellinger will be the accompanist.

The service of worship will be led by the Rev. Harold E. Kohn.

To Hold Hymn Sing In East Park Sunday Evening

Plans for a Hymn-Sing in East Park at 9 p.m. Sunday under the sponsorship of the Charlevoix Ministerial Association have been announced by the Rev. George L. Majors, president of the sponsoring organization.

The program will continue for one hour and will feature the singing of old familiar hymns by the congregation assembled on the rolling terraces of East Park and special numbers by musical groups from the various congregations. Mrs. John L. Boss will be the organist.

There will be brief opening and closing prayers in addition to the singing of hymns.

The Charlevoix Ministerial Association has extended an invitation to all visitors as well as local residents to enjoy the Hymn-Sing in East Park Sunday evening.

Maple Grove to Host Pomona Grange

The Charlevoix Pomona Grange will meet at the Maple Grove Grange hall in Hayes township at 6:30 p.m. Saturday.

The formation of the Boulder Park Association for the purpose of promoting good-will, fellowship and sociability and to improve, beautify and maintain the Boulder Park area located along Lake Michigan has been announced.

The organization meeting held at the home of Mr. and Mrs. David Moss Monday was attended by residents of the area.

All Boulder Park residents are invited to join the organization and to attend the next meeting to be held at the home of Mr. and Mrs. Monte Korn Aug. 20.

Voi-Shan Industries Acquires D-M-E Corp. Includes Am. Mold

Detroit, Aug. 4—Acquisition of Detroit Mold Engineering Corporation, Detroit, by Voi-Shan Industries, Inc., Los Angeles, has been announced here by I. T. Quarnstrom, D-M-E President.

In a joint statement with Mason Phelps, Voi-Shan President, Quarnstrom said the "D-M-E Corporation will continue to operate all of its facilities as a subsidiary of VSI, with no change in sales policy, management, or personnel."

Founded by Quarnstrom in 1942 as Detroit Mold Engineering Company, D-M-E is the originator and leading supplier of Standard Mold Bases and moldmakers' supplies for the plastic molding and die casting industries. The firm operates manufacturing plants in Detroit, Mt. Clemens, and American Mold Engineering Co., Charlevoix, Mich.; Youngwood, Penna.; and Hillside, N. J. Branch offices and warehouses are located in Chicago, Cleveland, Dayton, Los Angeles, and Taranto.

Voi-Shan Industries, through its present manufacting divisions, is the nation's leading supplier of Ultra-precision aircraft and missile fasteners, magnetic tape recorder heads, and one-piece seamless metal door knobs.

According to Quarnstrom, the acquisition "will immediately bring to D-M-E customers the benefits of Voi-Shan's research and development capabilities and facilities, including its metallurgical and quality control laboratories".

Quarnstrom will continue in his present capacity as President and General Manager of D-M-E Corporation with offices in Detroit.

Rev. Pfeiffer to Conduct Services at Episcopal Church

Services Sunday at Christ Episcopal church will be conducted by Rev. Robert Pfeiffer of Evanston, Ill.

The communion service will be held at 6 a.m. and the regular worship service at 11 a.m.

Rev. Pfeiffer will conduct the Sunday services for the following three weeks.

Don't drive yourself to ruin. There are easier ways to get rid of your automobile payments.

Special Election Monday to Vote On School Millage

Voters in the Charlevoix school district will go to the polls Monday to decide whether or not to give their approval to the board of education to levy three mills to be used for operational costs during the 1961-62 school year.

It is felt that a great deal of misunderstanding exists over the need for the additional millage and the purpose for which the monies are to be spent.

To correct further misunderstanding, voters are asked to keep in mind the following issues:

1. That the requested millage is not in addition to what was voted last year for operational costs. The two mills voted at that time was for a one year period which ended June 30 of this year.

2. Operational monies are not being used for any construction work on the new high school, for demolition of the old high school building or for modification of the grade school building.

Landscaping of the new high school is paid either by a charge against the original school contractor or by a charge against the Building and Site fund. . . not operotional money.

4. There are no areas in which any substantial saving may be made with respect to the operation of the school during the coming school year.

The total school budget of $334,500 was adopted in March of this year before the state equalized valuation was established and before the action of the Charlevoix county Allocation Board, which reduced the total millage allocated the schools of the county to seven mills. It should be borne in mind that at present there is no millage voted for operations purposes for the school. Any additional money that the school will have for operational purposes must be voted by the people of the school district in the near future.

The anticipated revenues for the year include $273,665 from property taxes ($96,735); revenues from grants including State Aid ($170,450); revenues from tuition and transportation ($5,500) and other sources ($1,000).

Expenditures will include: administrative expenses, $20,175; instructionaal expenses, $215,125; teaching supplies and expenses, $3,900; textbooks, $4,500; school library, $5,400; operation of school plants, $39,700; maintenance of school plants and equipment, $5,250; fixed charges, insurance and interest on loans, $2,500; auxiliary service, transportation, health., etc $22,300 and capital outlay, $15,650 for a total of $334,500, leaving a projected deficit of $60,815.

If the voters will allow the school to levy the three mills for operational purposes, this projected deficit will be met and the school will operate within its budget.

One of the three mills to be voted will allow the school to receive full State Aid and will provide approximately $31,505. The othehr two mills will not provide any additional state money but it will provide the remaining $29,310 needed to balance the budget.

The board of education recognizes that the people of Charlevoix have insisted that the program in the local schools be such that students be able to compete with others from the state in further education or in job choices. The budget that has been adopted will provide a program which will approach the average school in the state. It is a long way from being "frilly". The total operational millage of 10 mills, assuming the three mill tax levy is approved, will be a little less than the average in the state.

The polls at the high school gymnasium on Mason st. will be open from 10 a.m. until 6 p.m.

William F. Smith, Pioneer Resident Dies Monday

William F. Smith, 67, pioneer resident of this community, died Monday at Grandvue Medical Facility near East Jordan where He had been in failing health for He had been in faling health for several years.

Funeral services were held Wednesday at St. Mary's church with the Rev. E. Francis Denay officiating. Burial was in St. Mary's cemetery. The Winchester Funeral Home was in charge of arrangements.

Born in Two Rivers, Wis., April 1, 1674, Mr. Smith sailed the Great Lakes as a cabin boy and continued to sail for a short time after his marriage to the former Catherine Haggerty at St. Francis Xavier church in Petoskey Feb. 21, 1900. He later established a draying business which he operated until the early 1920's when he became manager of the Ayres Boat farm in Hayes township. He retired in 1930 and since then had lived at 106 Petoskey ave.

He wass a member of St. Mary's church.

Besides his wife, Catherine, he is survived by a son, John L. Smith of Petoskey; four daughters, Miss Mary Smith, Mrs. Harry E. (Monica) Bingham and Mrs. Hugh (Catherine) Mayne of Charlevoix and Mrs. Fitch (Morgaret) Tooley of Boyne City; nine grandchildren and five great-grandchildren.

To Stage Annual Homecoming On Beaver Island Sunday

It'll be a great day for the Irish, come Sunday, when former residents of America's Emerald Isle, Beaver Island, return for the annual homecoming.

There'll be open house at every island home, up and down the main street of the village of St. James friends will greet friends and each time the motorship "Emerald Isle" arrives from the mainland, the dock on St. James Bay will be crowded as the entire island population turns out to greet new arrivals.

As in the past, the annual August dinner will be a highlight of the event. This year a smorgasbord will be held. The serving of the dinner in this manner became necessary after the kitchen of the Holy Cross parish hall was severally damaged by fire last month. Only such an emergency would cause the daughters of the auld sod to adopt a 'foreign' custom such as a Swedish smorgasbord. However, island cooks, and there are many excellent ones, will prepare the food in their own kitchens and take it to the parish hall to be served.

Mrs. Bert McDonough is general chairman of the event. She will be assisted by the other officers of the Holy Cross Altar Society including Mrs. John A. Gallagher, Mrs. Roger Carlysle and Mrs. Charles Martin.

In addition to the dinner, there will be a grand parade Sunday afternoon staged under the direction of Richard Stromberg.

A homecoming ball at the parish hall Sunday evening with music by the Cold Front Four of Cheboygan will climax the event.

The Rev. Louis Wren O.F.M., pastor of Holy Cross church which benefits from the annual dinner, is general chairman of the homecoming event.

Coming Events

We'll Pay, Regardless

We vividly recall the demands placed upon the Charlevoix School Board when plans were formulated for a new high school. The public wanted this better and that larger, knowing full well that all would add to the cost, not only for construction but for operation as well.

Few of us would agree completely on the essentials and the non-essentials necessary for a good educational system. The voting majority however, indicated they wanted what we are getting—a high school to which we can point with pride. Now we must pay the piper.

Apparently some of us reneged at the last election to raise three mills for school operation expenses. We are getting a second chance at a special school election Aug. 14 to provide sufficient funds to operate the kind of school we first approved.

If the necessary money is not raised by a vote of the people, the school will undoubtedly have to opcraate by deficit spending. That still is our obligation and we'll have to pay the cost eventually. It seems more logical to face the issue squarely Aug. 14 and approve the millage requested to meet the school budget. Again we refer to that old adage, "those who dance must pay the fiddler".

Same Problem--New Age

If you're old enough you'll remember when those who drove a horse and carriage or a team of horses on a farm wagon were griping about the taxes they had to pay in order to make a few "improved" gravel roads for the benefit of a few persons who depended on the horseless carriage for transportation. The gasoline buggy scared the horses and the gravel roads were hard on the horses feet.

We're facing the same situation today with air travel. Those of us who are so old we like to keep our feet on the ground may be a little reluctant to see tax money spent to benefit the boys who find the speed of travel by air cuts down their travel expense for business and is equally important in enabling them to make speedy trips for a little recreatioon on the side.

Today Charlevoix is faced with a situation similar to that of the horse and buggy days. Some of us may not be too air minded but if we have vision we'll look to the future and we'll back the city administration in its program to provide an adequate airport to attract air traffic.

One of the big problems in air travel, as we see it, is an airport facility conveniently located in the vicinity of the place we want to go. We of Charlevoix should realize that we are in a position to provide that convenience. Few other cities can. Right now business people and vacationers alike are having to land the larger planes 20 to 40 miles distant and then be picked up for transportation to their destination.

The city administration apparently is aware of the local situation. It has a feasible program layed out which, when completed, should make Charlevoix one of the most accessible cities in the country.

Where else can a visitor land his plane within minutes of his destination—even within walking distance if he is in average physical condition? We urge Charlevoix to take advantage of a natural asset and we urge citizens to commend the council for its start in the right direction. Technical obstacles always slow a program of this kind. We can't recall who said, "Be their firstest with the mostest if you want to win'. That is our feeling about adequate airport facilities.

Charlevoix Area Kroger Stores Not Effected by Strike

Kroger stores in western Michigan including those in the Charlevoix and Lansing areas will not be effected by a possible strike in Kroger stores serviced by the Detroit division, it was announced this week. The Charlevoix area stores are serviced by the Grand Rapids division.

In the event of a strike in Detroit and the Eastern Michigan area, western Michigan stores will remain open.

Voice of Our Readers . . .

Dear Mr. Totten:

The coverage on the Venetian Festival appearing in last week's issue of The Courier was excellent. It was disappointing, however, that no mention was made of the beautiful Sunrise Service held in East Park on Sunday morning, July 30th. The Charlevoix Ministerial Association is to be congratulated for sponsoring this event and a special thank you should be extended to Mr. Robert Reed who spends his summers at Oyster Bay. It was Mr. Reed who stopped by at the Chamber of Commerce office last spring and suggested that a Sunrise Service be held at Venetian Festival time.

About 80 people gathered in East Park at 6:30 that Sunday morning. Thanks to the efficiency of our Park Department, the grounds had been restored to their usual tidiness even at that early hour, and those who attended were truly inspired. The simple service had appeal for all faiths, the music was beautiful, and we sincerely hope that this first service is the first of many for years to come.

Sincerely yours,
CHAMBER OF COMMERCE
Dorothy Kohler
(Mrs. Paul Kohler)

Editors Note: We regret this part of the Venetian Festival was ommited in the story of this event. Another regretful ommission was that of the Camp Charlevoix chorus which has been a traditionla and most enjoyable part of the Venetival Festival stage program. Apparently the scope of the program this year was so wide that we didn't give it just coverage.

The fair will open at 10 a.m. continue until 9 p.m. In the event of inclement weather, the event will b held in the city hall.

Michigan Mirror

By ELMER E. WHITE

THE CERTAINTY OF death and taxes is widely publicized in story and song, but the death of taxes, even though they be "temporary" in nature, is a rare thing indeed.

Michigan will witness the death of the so-called "nuisance" taxes which were passed to ease the Cash Crisis of 1959 this June 30.

Despite the promises of politicians from both parties that the taxes would expire, this is no small event. The roughly $50 million annually resulting from the taxes will be sorely missed by the state's still unhealthy treasury.

• • •

Efforts were made to extend the taxes, which carried the expiration date when they were passed.

The taxes were practically painless, as taxes go. They levied a penny a pack on cigarettes, 4 per cent on the use of telephones and telegraph services, a charge on tobacco products, and additional charges on liquor and beer purchases and the corporation franchise fee.

Some lawmakers had the idea that austerity budgets for some areas of state government, notably higher education and mental health, could be increased and perhaps some of the state's staggering $60 million debt retired if one or more of the taxes were extended.

• • •

But no agreement could be reached on the why and wherefore of continuing the taxes, so the Legislature kept hands off.

Now come the liquor interests, plus some lawmakers, with the proposal that a refund on certain of the taxes be made. The situation that causes the anguish is this: Liquor dealers were assessed the nuisance tax on their floor stocks when the tax went into effect.

It would be equitable, they say, to refund a similar amount on the floor stocks on hand when the taxes expire.

• • •

While the proposal may be a sound logical position, needless to say it was greeted with no show of enthusiam when mentioned on the floor by Sen Chas. S. Blondy, D-Detroit, during the last days of the regular session.

The tax on tobacco products was not assessed on floor inventories when passed, so these dealers do not have the problem.

The Liquor Control Commission says it is powerless to refund the tax without action by the Legislature. Lawmakers can't get to the problem until the 1962 session, and by that time, the whole thing may be forgotten and better left dead.

• • •

JUST FOR THE RECORD. labor unions weren't the only ones to applaud Gov. John B. Swainson's veto of the controversial Unemployment Compensation bill passed by the 1961 Legislature.

A recent issue of the Michigan Food News, a publication for retail grocers, in a column signed by editor Willis R. Keasey, also said the people were better off with the bill inoperative.

Said Keasey: "The bill is one of the biggest monstrosities ever passed by the Legislature. . ."

• • •

The strong voice which undoubtedly coused Swainson to veto the bill came from the unions. Equally vocal were the forces pleading with the Governor to sign the bill, or let it become law without a signature. These belonged to many big and small employers and those interested in the "economy climate of the state."

Keasey's point, on which he could find much agreement, was that a percentage of small businessmen would have to pay higher rates under the bill.

Merits of the bill, which had as its chief aim the beefing up of the Unemployment Compensation Fund, and its drawbacks were debated almost to the point of tedium before Swainson acted. While the labor unions opposed the bill on totally different grounds than did some small businessmen, this relatively quiet but tremendously important segment of the Michigan economy was glad that it did not have to face up to increased costs of any kind.

• • •

MR. AVERAGE CONSUMER in Michigan might feel a little sheepish if he contemplates a recent word from J. L. Littlefield, chief of the foods and standards division of the Department of Agriculture.

Littlefield and his boss, Agriculture Director George S. McIntyre, warned buyers to beware of advertising that ballyhoos a "king size quart," a full pound," a "giant gallon" and the like.

A pound is a pound, the officials said, and the same goes for any other unit of masure.

• • •

Law requires that anything sold as a pound really be a full pound. The size of a pint, quart, gallon or any other standard unit of measure is also spelled out in the statutes, so any billing that hints of a bonus is deceptive, the officials said.

While everybody seeks a bargain, common sense would dictate that advertising of the "full pound" type is really only a gimmick.

Like so many other things right under our noses, this obvious truism escapes us too easily, and it takes the prompting from an official qnarter to bring things into focua.

Plentiful Ripe Olives Sparkle Meat Dishes

Discovering a new flavor to add to meat dishes is always a delight, especially when you can use a food in plentiful supply.

Canned ripe olives will offer just such a taste treat. The quantity of ripe olives on the market right now is one of the largest on record. You're certain to find them offered as specials at many stores.

The mellow, nut-like flavor of ripe olives appeals to folks everywhere. If your youngsters haven't tried them, now is the time for an introduction.

Reba Staggs, home economist experienced in recipe development, offers a few suggestions for meat dishes with ripe olives.

Chop the olives to include with meats in a cream sauce . . . such as dried beef, cubed tongue, leftover and ready-to-serve meats. Serve on biscuits, rice, noodles or in a casserole.

Dark, rich olives will perk up a main-dish meat salad. Place a few whole ripe olives on top for an attractive appearance.

Chopped ripe olives will really star in a wide variety of sandwich fillings. Just a few possibilities include olives and mayonnaise with chopped corned beef, tongue, cooked pork, ham or lamb. Add a little curry powder or Worcestershire sauce if you wish.

Spread this olive-nut filling on slices or deady-to-serve meat for hearty sandwiches: combine ½ cup chopped ripe olives, ½ cup finely chopped nuts, ¼ cup mayonnaise, salt to taste, plus finely chopped celery if desired.

For the hors d'oeuvres tray, stuff pitted ripe olives with cream cheese, wrap each with a strip of bacon, fasten with a pick and broil.

This is only a beginning. You can surely think of many other meat dishes to highlight with this plentiful, nutritious fruit.

"I'll never be able to understand men. They order tickets in June for football games to be played in October and then rush out on December 24th to do their Christmas shopping."—R. M. Westerfield, Fayette County (Ia.) Union.

Agriculture . . . *in Action*

Old-time politicians used to promise a chicken in every pot but when is came to filling both the promise and the pot, the American farmer as usuai has the best record.

Last year poultrymen came up with 6,000 MILLION pounds of chicken for pubiic consumption, boiled down (in homemaker's kitchens) to one chicken dinner for each American family, every three days aii year. In 1961 the record wiil be even better, and both American diets and homeowner's budget will benefit.

In spite of an expanding demand for poultry meat and for eggs, Michigan fails miserably to even hold its own. A major portion of the poultry meat consumed in oour state aiong with the average egg is "imported" into Michigan from across state boundries!

"Michigan cannot afford to allow other geographic areas to take away this important market," says long-time egg expert, Peter Sikkema, head of the Egg Marketing Division of the Michigan Farm Bureau Services.

Sikkema points to recent developments in the industry which in his opinion, prove that Michigan now providest the economic climate for an expanding poultry iindustry. As exampies he cites the strong price situation within the state for quality eggs, annd the determined effort of leading farmers to take advantage of back-door markets in competition with producers who must ship eggs many miiea into the state.

One such farmer is Gerald Smith of near Hastings, Michigan. Gerald is a long-time dairy farmer who recently installed 5,500 birda in a new 36 by 192 poie-type poultry house. Smith plans to get record production with minimum labor outlay through automation. His feeders are compietely automatic as are the new "auto-nests" that not only come equipped with a moving egg-gathering belt, but hsve a "nest pusher" to dislodge broody, non-producer hens that want to lie instead of lay. "It evicts them with a slow, steady push," says Smith, who notes that no matter how they resist they still end up out on the floor.

Perhaps therein lies a moral. Unless Michigan farmers meet the challenge presented by such rising poultry states as Georgia, Arkansas, Alabama and North Carolina, the aouth will continue to expand into our markets, and Michigan farmers will end up out in the cold.

It takes both adventuresome risk and just plain hard work, but Michigan farmers have much to gain in vigorous pursuit of our own state-wide poultry market.

Explorers Enjoy Experiences at National Scout Camp Philmont

Seven local Boy Scouts, Explorer and Sea Scouts returned hoome recently from a 17-day trip to Philmont Scout Ranch near Cimarron, N. M.

Arriving in Charlefoix almost at the some time the travelers did was a letter written by Bob Odmark, giving an account of their trip. It follows:

As you know we left Charlevoix at 6:30 a.m.. July 6. By the time we arrived at Ludington we had a total of 42 Scouts from the Scenic Trails Council and three adult leaders, Among them was our old district executive, Harvey Griswold who is now in Lansing but who joined us for the trip. He thought you might like this account of our trip.

After crossing Lake Michigan on the ferry from Ludington, we arrived in Milwaukee at 6 p.m. and had supper at the Y.M.C.A.

At 6:30 we boarded the North Shore Line railway bound for Great Lakes, Ill., where we stayed at the Naval Training Center overnight. The following morning we boarded the same train for Chicago where we toured the city, visiting Lincoln Park Zoo and the Museum of Science and Industry.

At 5:30 p.m. Sunday, after our tour, we went to Union station and boarded the Burlington Denver Zephyr for Denver.

We arrived in Denver at 6:30 a.m. Monday for a half-day of sight-seeing including a visit to Lookout Mountain, Buffalo Bill's grave and Redrock theatre in the Rockies.

Then it was back to the station to catch the Texas Zephyr for Trinidad, Colo. Arriving at Trinidad, we got on school buses and headed for Philmont Scout Ranch.

At 9 p.m. we arrived at the ranch and stayed overnight at Tent City, a village of 250 tents.

In the morning we arose at 6:30 and had breakfast at 7 a.m. After breakfast we had our group picture taken and had our medical check-up. After we had our personal gear checked we at 2:45 p.m. Arriving there we set left for Cimarron City Base Camp up camp and started our work and fun.

On the next 12 days we were on the trail and stayed at such camps as Harlan, Dean Cow Camp, New Dean, Pueblano and Indian Writings.. On the night of July 20 we camped at Panll Base Camp and had our first taste of fresh food in 12 days.

On the morning of the 21st we caught a bus from Panil and rode some 20 miles back to headquarters. In the afternoon we hiked to the Tooth of Time, a mountain on the ranch with an altitude of 9003 ft. Having done this, we hiked back to Tent City, had dinner and stayed overnight.

Today we arose at 6:45 a.m. and had breakfast at 7 a.m. again. At 6:30 we will check in all our camp gear and sack our personal gear for the return trip. At 3 p.m. this afternoon we will tour the Big House, a mansion which Waite Phillips, the previous owner of Philmont ranch copied from a Spanish ranch.

We will stay overnight here again tonight and after church services in the morning will leave for Trinidad to catch the train for Colorado Springs. Here we are scheduled to stay overnight at Fort Carson.

The next day we will take a guided tour of Pike's Peak before catching the Burlington Denver Zephyr for Chicago. From there we will take the South Shore Line to Michigan City, Ind., where we will catch a bus for home to complete our memorable 17 days in the West.

Sincerly,
Bob Odmark

Making the trip from here were Tom Hawley, Larry Edwards, Melvin Holburn, Skip Young, Skip Duerr, Jose Olsen and Bob Odmark.

Circlin' The Bases

By DEANO

The second round leaders in all five leagues maintained their top spot. Freedmans racked up their third straight behind the no-hit pitching of Bob Klooster in the Fastball league. In the Junior circuit Lake Construction is breezing along with a perfect record behind the pitching of Ed Holm. In the Peanut league the Tigers have defeated two close foes and appear in good shape to cop the second round title should they beat the Sox. In the women's league Puff's has only the High School girls standing in their way of a perfect season and the city title. In the young girls's league it appears that the Dairy Queen have too much class for the rest of the league as they lead second place Edwards by two full games.

To Stage Special Stag Night at City Golf Course

A men's best ball tournament will be a feature of this week's special stag night at the municipal golf course at 5:30 p.m. tonight (Thursday) Keith Carey, course manager, has announced.

Golfers are to choose their own partners and will play with a handicap. Play will start one-half hour earlier because of the shorter days. Refreshments at the clubhouse will follow.

The women'a golf tourney now underway will be continued next week after two full weeks of play..

Winners during last week's ladies day event were Mrs. Lyle Miles, Mrs. Glenn Kenney, Mrs. John Swanson, Mrs. John Wyght, Mrs. Robert Goss, Mrs. Ray Whaley, Mrs. Strat Pohtos, Mrs. Stan Fiedorek and Mrs. Alvin Bennett Jr..

Alvin Bennett Jr. with a score of 39 was the winner of the Henley Hazard tournament played last Thursday.

Buffet dinner Methodist church Thursday, Aug. 10. Serving 5 to 7 p.m. Chicken, ham, meat balls, salads, vegetables, brown bread, rolls, coffee, milk, and home made pies.

Bob Wallace Wins City Golf Title

Bob Wallace defeated Bob Livingston 4-3 in the final round of the championship flight of the City Championship golf tournament to win the title for the second straight year, Keith Carey, manager of the municipal golf course, site of the tourney, has announced.

Del Terrill won over Bob Erickson 4-3 in the second flight and Pat Hawley defeated Pete Withers 3-1 in the senior flight to win their first golf trophies.

The finals in the first flight which will put Johnny deCicco against Don Meggison remains to be played.

More than 30 local golfers are entered in the Frank Poole trophy golf tournament now underway at the course.

Local Church To Sponsor Series of Revival Meetings

Dr. John E. Zoller of New Era, internationally known evengelist and Bible teacher, will conduct a series of the revival meetings at the Bible Baptist church for one week beginning Sunday the Rev. James Lugibihl, pastor of the church, has announced.

The meetings will be held at the church at 7:30 p.m. nightly Sunday through the following Sunday, Aug. 20.

In addition to the sermon by Dr. Zoller, former pastor at Zoller Tabernacle and radio pastor of the "Back to God" broadcast in Detroit, there will be congregational singing and special musical numbers.

During the first two months of this year, Dr. Zoller held a cursade inJamaica where more than 1,000 decisions for Christ were made.

Dr. Zoller is no newcomer to this community. According to Rev. Lugibihl, he conducted a city-wide revivsl meeting in the former Hooker's garage during Easter 1917.

The public is invited to hear Dr. Zoller.

Funeral Rites Held Saturday For Harold Taylor

Harold Taylor, 55, former local resident, died Thursday in Lansing where he had lived for the past three years.

News Round-up at
Camp Charlevoix

The sixth week of camp started out with more trips being taken. Boys do enjoy trips and they are very important in a camping program as they teach boys how to take care of themselves in the out-of-doors. Roger Carothers took his boys on a horse-back overnight trip. Cabin 9, with Dave Ellis in charge took a truck trip down to Whiting Park and the boys loved the sandy beach and it was a glorious night to be out.

The fishing trip took off on Tuesday morning for Lake 28 and three days of fishing. Jim Donnellan, our fishing instructor, was in charge. A canoe trip down the Jordan was taken by Cabin 10 with Dean Herman in charge. One of our Junior cabins, Cabin 5, Bob Smith's boys, took a horseback overnight to Bayshore.

On Wednesday, we were hosts to the Belvedere Boys in a game of softball. Our boys won 8-2, and they were very happy. The boys playing for camp Charlevoix were George Steinhardt, George Southwick, Doug Laing, John France, Roger Smith Lee Schaeffer, Marc Witus, Steve Smith, John Carkhuff, Peter Cowhey, Ralph Miesel, and Sandy Coakley. The big event of the day was the take-off of our Nature trip under the guidance of our two instructors, Ted Fleming and Bruce Baker. The boys went to Susan Lake and set up their base camp. They had a great time, and the camp nature collection was increased by several new snakes turtles, etc. Don Stephens took his cabin 7 on an overnight to Fisherman's Island. Cabin 19, with "Rebel" Thompson in charge took a horse-back overnight to Bay Shore. In the evening, the campers who were still in camp were shown the great movie "High Noon" starring Gary Cooper. The boys really enjoyed this one. Before the movie, the campers all hid in the woods, with the counsellors giving chase, the team having the least number found or caught received the points, and the Greys received all four points, bringing the total at this stage to Greys-20, Greens-18.

Thursday morning the C. I. T.'s had breakfast over on Lake Michigan, hiking both ways, and visiting the Big Rock Nuclear Plant enroute. They enjoyed this very much. And speaking of these counsellors-in-training who are under the supervision of Cy Pick, they are completing a rather huge project. They have built a Wishing Well in our park area which is really a thing of beauty. It is of stone and cement construction and will have a grass roof. The Weathervane Lodge gave us Onaway Stone to build the flower beds with. The C. I. T.'s have all worked very hard, spent long hours on this and it is really a project of which they can be very proud. This will be dedicated to Lewis C. Reimann, founder and owner of Camp Charlevoix from 1927-1948. Mr. Reimann lives in Ann Arbor, and as he is ill, we are having a colored picture of this beautiful Wishing Well to send to him.

Cabin number 3, with Bob Wymann and Glenn Stark went on an overnight to Whiting's Park.

Friday was another day of trips leaving camp, with Cabin 20 and Kent Gibbs taking a canoe trip down the Jordan River. One of our Junior Cabins, Terry Ward as counsellor, took his boys on a horseback overnight to Bay Shore. Cabin 8, with Gary Murfin at the helm, took a sailing trip. The nature trip returned to camp, and immediately after lunch took off for a game reserve down near Wolverine to see the animals. They enjoyed this very much. In the evening the intermediates had a commando soccer game with the Greys picking up another point, bringing the score at this time to Greys-28, Greens-19. The Senior Section, under the supervision of all the counsellors in that section went over to the Big Rock Nuclear plant for a guided tour and a movie. The boys did enjoy this, and as it is most educational, our budding scientists were most impressed.

On Saturday, the boys commenced talking about the dance that night and were nearly as bad as girls trying to decide what to wear. The shoe polish and the hair tonic sales were high, as each boy wanted to look his best for the girls from Camp Chippewa Trail. The counsellors-in-training had charge of the decorations and our club house (dining room) looked really great. The moose over the fireplace wore an Indian headdress and smoked a peace pipe. A beautiful white decorated tepee was put in the middle of the room with a white light in it. The other lights were covered with colored paper. A canoe was set up and the mantle had drums and Indian relics on it. The room looked beautiful. A tea table was set up with a centerpiece consisting of a large birch canoe filled with floowers, and ferns surrounded the punch bowl. Ruby Smith was assisted by Sally Pick, Pat Kuehn, and Ruth Townsend as bostesses at the punch bowl. The C. I. T.'s under Cy Pick, deserve a lot of credit for the great job they did. The room was beautiful.

Sunday morning dawned dark and cloudy, but by 10 o'clock the sun was out and it pointed up to another beautiful day. Don Halbeinsen and several of the boys plus all of our cowbows took off to a horse show at Petoskey. This day was designated as "God in Nature Day" and Bob Ogburn, our trip man used this theme for his sermon at chapel. In the afternoon, the mile swim was held again with 104 boys entering and 86 fniishing. It was Green-Grey competition and the score ended up at a tie with each team winning two sections. Gary Van Gorp was the first boy to finish the swim, with Bill Kennedy coming in second. In the evening, we had a rare treat. Dr. T. E. Musselman, noted naturalist from Quincy, Ill., was the speaker to the entire camp which met in the club-house. He told several most interesting stories and the boys and staff were absolutely spellbound. It was truly one of the finest evenings of the summer.

The riders returned from the horse show at Petoskey with 17 ribbons and a trophy. Don Strutz won two first places on his horse; John Appel won two firsts, a second and a third on his horse. Ricki Tomkinson, Akron, O., won two firsts and a second riding Rex; David Hoyt, Akron, won two firsts riding Champ; Robbie Pliskin, Akron, won one first riding Champ; the other ribbons were won by our cowboys. Rick Tomkinson won the trophy for the high point boy in the show, with David Hoyt a close second. It was a day of which Camp Charlevoix can be very proud.

The boya are all getting excited about the long trips this sseventh week of camp, especially the 240 mile canoe trip down the Au Sable river.

Once again we want to remind parents that the Rodeo is on Friday afternoon, Aug. 18 with the finsi Indian ceremony on Friday night, Aug. 18. Parent are not permitted in camp on Thursday or Friday of the final week, until Rodeo time, as there is so much preparation going on and everyone is very busy.

REGISTRATION NOTICE

State Election

to be held in the

City of Charlevoix

Charlevoix County, Michigan

on Monday, Sep. 12, 1961

To the Qualified Electors of the City of Charlevoix, County of Charlevoix, Michigan:

Notice is hereby given that in conformity with the Michigan Election Laws, I, the undersigned City Clerk, will upon any day except Sunday and a legal holiday, the day of any regular or special election or Primary election, receive for registration the name of any legal voter in said city not already registered who may apply to me personally for such registration. Provided, however, that I can receive no name for registration during the time intervening between Aug. 14, 1961 and Sept. 12, 1961.

Notice is hereby given that I will be at my office in the City Hall on

Monday, the 14th Day of August, 1961

the Monday following the thirtieth day preceding said election, last day for general registration by personal application of said election, from 8 o'clock a.m. until 2 o'clock p.m. on said day for the reviewing of the registration and registering such of the qualified electors in said city as shall properly apply thereof.

The name of no person but an actual resident of the precinct at the time of said registration and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

U.S. Coast Guard Station Here Protects Life and Property

The U. S. Coast Guard's Charlevoix Lifeboat Station, whose motto Semper Paratus—"Always Prepared"—is apropos of its small group of 'round-the-clock protectors of lives and property at sea, is about to move to bigger and better quarters.

Due to be replaced by a new $300,000 station constructed on the upper channel between Round Lake and Lake Charlevoix the present 70 year old structure located near the mouth of Pine River and Lake Michigan stands as a monument to the dedicated work typical of the U. S. Coast Guard.

With a small complement of men under the direction of Chief Leo Norton, the Charlevoix Lifeboat Station maintains a continuous radio and lookout watch, enforces navigation laws, assist in air-sea rescue operations with the U. S. C. G. Airbase at Traverse City, does boarding duty, maintains the lifeboat station and devotes one hour each day to special drills. The crew of the lifeboat station is subject to call at all times and frequently is called during an emergency.

The familiar landmark will be missed by the thousands of mariners who have passed through Pine River into Lake Michigan, for its very presence was a reassuring and conforting sight.

ORDER FOR PUBLICATION
STATE OF MICHIGAN

The Circurt Court for the County of Charlevoix.

In Chancery
Martina Lewis,
Plaintiff
vs.
Arthur Lewis, defendant

Suit pending in the Circuit Court for the County of Charlevoix, in Chancery, at the City of Charlevoix, in said County, on the 20th day of July ,1961.

In this cause it appearing from affidavit on file, that the Defendant, Arthur Lewis, is not a resident of this State, but resides in the State of Minnesota, his last known Post Office address being St. Paul, Minnesota.

On motion of Norman D. Ance, Plaintiff's Attorney it is ordered that the said Defendant, Arthur Lewis, cause his appearance to be entered herein within three (3) months from the date of this order and in case of his appearance that he cause his answer to the Plaintiff's Bill of Complaint to be filed, and a copy thereof to be served on said Plaintiff's Attorney within fifteen days after service on him of a copy of said bill and notice of this order; and that in default thereof, said bill will be taken as confessed by the said non-resident Defendant.

And it is Further Ordered, That within forty days the said Plaintiff cause a notice of this order to be published in the Charlevoix Courier a newspaper printed, published and circulating in said County, and such publication be continued therein at least once in each week for six weeks in succession, or that he cause a copy of this order to be personally served on said non-resident Defendant at least twenty days before the time above prescribed for his appearance.

SPACE HEATING SERVICE

1. Availability

Open to any customer desiring secondary voltage service where the connected load is 5 kw or more.

2. Nature of Service

Alternating current, 60 cycles, single phase, 120/240 nominal volts.

3. Monthly Rate

1.5c per kwh

4. Fuel Cost Adjustment

When the average cost of fuel for generating current or the cost of purchased current at the end of the 3 months immediately preceding the month covered by the customer's bill is more than 1 mill per kwh, there shall be a corresponding increase per kwh in the charge for all kwh in excess of 2000 kwh per month included in such bill.

5. Tax Adjustment

Bills shall be increased to offset any new or increased specific tax or excise imposed by any government authority upon the City's generation or sale of electricity.

6. Minimum Charge

$1.40 per month except that the annual minimum charge shall be $18.00 for seasonal customers as provided in the City's Rules and Regulations.

7. Delayed Payment Charge

A credit of 5% will be given to all customers within the City Limits on total net bill if paid within 15 days of the billing date.

A penalty of 5% will be added to all customers outside the City Limits on total net bill if not paid within 15 days of the billing date.

8. Rules and Regulations

This service must be separately metered and is not available for space heating purposes where the connected load is less than 5KW.

9. Terms and Forms of Contract

When the application for service is accepted by the City or services is supplied according to the provisions of the application, the application constitutes a service contract between the City and the customer for the supply of electric service subject to these rules and regulations.

COMMERICAL RATE — KWH

1. Availability

Open to any customer desiring secondary voltage service. This rate is not available for auxiliary or stand-by service.

2. Nature of Service

Alternating current, 60 cycles, single phase or three phase, the particular nature of the secondary distribution voltage in each case to be determined by the City.

3. Monthly Rate — Energy Charge

$1.40 per month which shall include 24 kwh or less
5.0c per kwh for the next 26 kwh
3.6c per kwh for the next 950 kwh
3.15c per kwh for the next 2000 kwh
2.75c per kwh for the excess

4. Fuel Cost Adjustment

When the average cost of fuel for generating current or the cost of purchased current at the end of the 3 months immediately preceding the month covered by the customer's bill is more than 1 mill per kwh, there shall be a corresponding increase per kwh in the charge for all kwh in excess of 2000 kwh per month included in such bill.

5. Tax Adjustment

Bills shall be increased to offset any new or increased specific tax or excise imposed by any governmental authority upon the City's generation or sale of electricty.

6. Minimum Charge

$1.40 per month except that the annual minimum charge shall be $18.00 for seasonal customers as provided in the City's Rules and Regulations.

7. Delayed Payment Charge

A credit of 5% will be given to all customers within the City Limits on total net bill if paid within 15 days of the billing date.

A penalty of 5% will be added to all customers outside the City Limits on total net bill if not paid within 15 days of the billing date.

8. Rules and Regulations

When the services is three phase 3 wire, lighting may be included provided the customer furnishes all transformation facilities required for such purpose, and so arranges the lighting circuits as to avoid excessive unbalance of the three phase load. When the service is single phase, or 4-wire, three phase, the single phase individual motor capacity shall not exceed 3 hp, nor the total single phase motor capacity 10 hp, without the secific consent of the City.

The City may elect to measure the supply on the primary side of the transformers in which case 3% shall be deducted from the energy measurements for the purpose of billing.

9. Terms and Form of Contracts

When the application for service is accepted by the City or service is supplied according to the provisions of the application, the application constitutes a service contract between the City and the customer for the supply of electric service subject to these rules and regulations.

COMMERCIAL (OPTIONAL) KW DEMAND

1. Availability of Service

Open to any customer desiring secondary voltage service where the billing demand is 1.5 kw or more.

2. Nature of Service

Alternating current, 60 cycles single phase or three phase, the particular nature of the secondary distribution voltage in each case to be determined by the City.

3. Monthly Rate

Capacity Charge:
$4.30 per kw for first 2 kw of billing demand
3.35 per kw for next 8 kw of billing demand
2.65 per kw for next 90 kw of billing demand
2.35 per kw for next 100 kw of billing demand
2.05 per kw for next 400 kw of billing demand
1.60 per kw for all over 600 kw of billing demand

Energy Charge:
1.3c per kwh for first 2000 kwh
1.25c per kwh for the next 200 kwh per kw of billing demand
1.0c per kwh for the next 50,000 kwh
.85c per kwh for the excess

4. Fuel Cost Adjustment

When the average cost of fuel for generating current or the cost of purchased current at the end of the 3 months immediately preceding the month covered by the customer's bill is more than 1 mill per kwh, there shall be a corresponding increase per kwh in the charge for all kwh in excess of 2000 kwh per month included in such bill.

5. Tax Adjustment

Bills shall be increased to offset any new or increased specific tax or excise imposed by any governmental authority upon the City's generation or sale of electricity.

6. Minimum Charge

The capacity charge included in the rate.

7. Delayed Payment Charge

A credit of 5% will be given to all customers within the City Limits on total net bill if paid within 15 days of the billing date.

A penalty of 5% will be added to all customers outside the City Limits on total net bill if not paid within 15 days of the billing date.

8. Billing Demand

The billing demand shall be the kilowatts (kw) supplied during the period of maximum use in the billing month adjusted as specified below but not less than 60% of the highest billing demand of the preceding 11 months, nor less than 1.5 kw.

The City reserves the right to make special determination of the billing demand and/or minimum charge should equipment which creates high demands of momentary durations be included in the customer's installation.

Demands of 10 kw and less will be determined to the nearest 0.1 kw, and demands over 10 kw to the nearest whole kw.

9. Adjustment for Power Factor

When the average power factor during the period of maximum use is less than 80% lagging, the City reserves the right to increase the maximum demand in the ratio that 80% bears to the actual power factor. The City may, at its option, determine the average power factor by test or by permanently installed measuring equipment.

10. Rules and Regulations

When the service is three phase, 3-wire, lighting may be included, provided the customer furnishes all transformation facilities required for such purpose, and so arranges the lighting circuits as to avoid excessive unbalance of the three phase load. When the service is single phase, or 4-wire, three phase, the single phase individual motor capacity shall not exceed 3 hp nor the total single phase motor capacity 10 hp, without the specific consent of the City.

Where the total billing demand is 25 kw or more lighting and power service may be combined without limit as to either class; provided, however, that the customer's wiring shall be so arranged that the service can be measured a single watt-hour meter, or adjacent watt-hour meters, and a single demand indicator.

The City may elect to measure the supply on the primary side of the transformers, in which case 3% shall be deducted from the demand and energy measurements for the purpose of billing.

11. Terms and Form of Contracts

When the application for service is accepted by the City or service is supplied according to the provisions of the application, the application constitutes a service contract between the City and the customer for the supply of electric service subject to these rules and regulations.

PRIMARY INDUSTRICAL RATE "D"

1. Availability of Service

This rate is offered to any customer desiring electric power service at primary voltage for industrial use where the billing demand is 50 KVA or more.

2. Type of Service

This service is unregulated 60 cycle alternating current at 4160 nominal volts or more, the particular voltage in each case being established by the City for the load involved.

3. Facilities for Service

Transformers, services and meters for the delivery of 3 phase industrial power at 240, 480, or 2400 nominal volts and for the delivery of single incidental lighting and small appliance service at 120/240 nominal volts will be provided by the City for delivery and metering at one point at a mutually agreeable location at the customers premises. Additional tranformers required for the customers' convenience shall be furnished and maintained by him.

4. Metering

This service shall be metered by one set of instruments at the primary supply voltage specifically installed to measure the kilovolt-ampere (KWA) demand and the Kilowatt hours (KWHRS) of energy used by the customer.

5. Billing Demand

The billing demand shall be determined by the Kilovolt amperes (KVA) supplied during the 15 minute period of maximum use during the monthly period for which the billing is rendered, but not less than 60% of the highest billing demand of the preceeding 11 months, nor less than 50 KVA; except for loads in excess of 100 KVA which may be subject to special consideration.

6. Monthly Rate

a. Capacity Charge:
$2.55 per KVA for the first 100 KVA of billing demand
1.75 per KVA for the next 300 KVA of billing demand
1.45 per KVA for the next 1600 KVA of billing demand
1.25 per KVA for all over 2000 KVA of billing demand

b. Energy Charge:
1.05c per KWHR for the first 50,000 KWHRS
.92c per KWHR for the next 180 KWHR per KVA of billing demand
.75c per KWHR for the 1,000,000 KWHRS
.68c per KWHR for the excess

c. Fuel Cost Adjustment:

The fuel cost adjustment charge per KWHR of energy used shall be the fuel adjustment charge per KWHR levied against the City by its supplier for the billing period immediately preceding the one for which the customer is being billed.

d. Tax Adjustment:

All billing will be rendered to include such taxes as may be imposed by governmental authority on the production or sale of electricity.

e Minimum Charge:

The monthly minimum charge shall be the capacity charge included in the rate, except for loads in excess of 100 KVA which may be subject to special considerations in accordance with the contract.

f. Delayed Payment Charge:

A delayed payment charge of 2% of the total net bill shall be added to any bill that is not paid on or before the due date shown thereon.

7. Term and Form of Contract:

The term shall be a minimum of one year on a written contract except for loads in excess of 100 KVA which may be subject to special consideration.

8. Rules and Regulations

The standard rules and regulations governing electric power service by the Charlevoix Municipal Utilities shall apply to this service.

Adopted by a unanimous vote of the Common Council of the City of Charlevoix at their regular meeting May 23, 1961, to go into effect June 1, 1961.

EXCEPTIONS:

These cars could deliver top performance with only 8 of Super Shell's 9 ingredients. But they'll soon need the ninth. Do you know why?

If car engines could stay clean as new, they'd get along fine without Shell's TCP additive. But harmful deposits start building up the moment your car leaves the showroom—and can soon cut power and mileage. TCP works to keep that from happening. Here's how.

THE ENGINE of every car on the road has combustion chamber deposits. Nothing can stop them from forming. They're the inevitable result of combustion.

If your car has only a couple of thousand miles on it you probably won't know the deposits are there. But once they've built up, they can be rough on performance. Fortunately, something *can* be done about that. Shell's TCP additive does it.

How deposits cause trouble

Here's what can happen inside your engine. When certain types of deposits get hot enough, they can beat spark plugs to the punch and ignite the fuel themselves.

These premature explosions are forms of *pre-ignition*. They give your pistons a terrific hammering. Your power falls off. And so does your mileage.

Instead of purring smoothly, your engine falters—and costs you money.

How TCP prevents trouble

New, improved TCP in today's Super Shell gasoline literally *alters* these combustion chamber deposits. It "fireproofs" them so they no longer glow red-hot.

Result: *top performance.*

And as a little extra, new improved TCP can help spark plugs last up to *twice as long.*

NOTE: TCP can improve the performance of many *older* cars. Tests have shown that it helps restore power lost to harmful combustion deposits—and can add up to 17 miles per tankful.

9-ingredient formula

TCP is just *one* of Super Shell's nine ingredients. To get an idea of how all nine contribute to top performance, run your eye over the list at the right.

And try a couple of tankfuls yourself. If you do it soon, you'll get Super Shell's *Hot Weather Blend.*

It's specially formulated to give your car top performance in summer. And that's a reassuring thing to know when you're out driving on a sizzling day.

Super Shell's 9 ingredients for top performance

#1 is TCP*—for power, mileage, and longer plug life.
#2 is Pentane mix—for fast warm-ups.
#3 is anti-knock mix—for knock resistance.
#4 is Alkylate to control "high-speed knock."
#5 is Butane—for quick starts.
#6 is "cat-cracked" gasoline—for power.
#7 is an "anti-icer." Added when cold weather sets in.
#8 is gum preventive—for clean carburetors.
#9 is Platformate for extra mileage.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Pictures indicate better than words the interest shown in the Annual Waterfront Fair Artists and Craftsman show. There was a steady stream of visitors as seen in the picture at top and the artist who was cutting silhouettes on the spot. Pictured directly above is Mrs. Jack Rader, chairman of the Waterfront this year, talking with the lady who has her hand on her forehead. Other members of the committee are in the bockground conversing with visitors.

Waterfront Fair Attracts Artists and Craftsmen

Sunny skies shone on Charlevoix Saturday for the third annual Waterfront Fair for artists and craftsmen.

Forty-eight exhibitors presented their works on the rolling terraces of East Park.

Visitors, numbering well into the thousands, walked liesurely through the park, enjoying the exhibits and visiting with the exhibitors who came from throughout the state.

Highlight of the Fair was the showing of the pastel original by the French impressionist, Degas, loaned from the collection of Mr. and Mrs. Nathan Cummings, summer residents here.

Works of Sarkis Sarkisian, Walter Midener, Peggy Midener and Charles Culver of the Society of Arts and Crafts in Detroit and an exhibit by Kreigh Collins of Grand Rapids, cartoonist and creater of "Kevin the Bold" depicting the development of a cartoon strip were also features of the Fair.

Donors for the drawing were the following exhibitors, The Reids, Phyllis Young, Herb Ferris, Edle Donajkowski, Valeria Pell, Regina Nelson, John Davies, Dorothy Staub, Rolland Grubaugh, Mrs. Carl Edwards, Mrs. Archie Madigan, Mrs. Teckla Erlandson and Harmon Hastings.

Mrs. Jack Rader was general chairman of the event which is sponsored by the Chamber of Commerce. Members of her committee were Mrs. Julius Gilbert, Mrs. Clark C. Coulter, Mrs. Max Hosmer, Mrs. Don Anders, Clark Nehls and Robert H. Sellers.

Others who assisted as hostesses were Mr. Bernard S. Reckseit, Mrs. Herbert Loeb, Mrs. R. G. Riemann, Mrs. Ralph Hamilton, Mrs. Edwin Eisendrath, Mrs. E. K. Shanahan, Mrs. G. B. Saltonstall, Miss Mary Latta, Mrs. Harold Miller, Mrs. Robert Anderson, Mrs. David Weil, Mrs. William Carey, Mrs. C. S. Webster, Mrs. Robert G. Shapton, 19, son of Mr. and Mrs. Ralph Shapton of Royal Oak and Charlevoix, who was drowned while fishing on Grand Traverse Bay May 3, will be held at St. Mary's church here at 9 a.m. Saturday with the Rev. E. Francis Denay officiating. Burial will be in St. Mary's cemetery.

The body is at the Winchester Funeral Home where the Rosary will be recited at 8 p.m. Friday.

The body of the youth was recovered in 125 ft. of water in East Bay early Tuesday evening as the result of a search conducted by a Fort Wayne, Ind., man in a midget submarine equipped with underwater searchlights and other equipment. The man, Woodrow Rigsby, was engaged by the youth's parents to search for the body after all other means had been exhausted.

The body of young Shapton's fishing companion, Richard Balesh, 19, of Cedar, was recovered early in June.

The pair, both students at Northwestern Michigan College in Traverse City, had gone fishing on the bay on May 3. Their overturned boat and fishing equipment was found floating on the bay after Shapton's grandparents, Mr. and Mrs. Louis Shapton, with whom he was staying while attending college, reported the youths missing.

Born in Highland Park Sept. 7, 1941, Thomas Ralph Shapton was a 1960 graduate of the Shrine of the Little Flower high school in Royal Oak. He was a freshman student at Northwestern Michigan College at the time of his death.

Besides his parents, he is survived by three brothers, James, Ronald and Donald, at home; his paternal grandparents, Mr. and Mrs. Shapton and his maternal grandparents, Mrs. Lillian Supernaw of Elk Rapids and Frank Supernaw of Charlevoix.

Frank Poole Trophy Tournament Won By Frank Wilson

Frank Wilson of Detroit, a summer employee at the Weathervane Inn, was the winner of the annual Frank Poole trophy tournament completed over the weekend at the municipal golf course, according to Keith Carey, course manager.

Placing second in the event was Don John followed by Del Terrill in third place; Bob Erickson, fourth; Bob Miller, fifth and Ken Cellner, sixth. Thirty-four golfers entered the meet.

Play in the special 'stag night' event at the caurse will begin at 5:30 p.m. tonight (Thursday) with special refreshments planned following play.

Winners in last week's men's best ball tourney were Bob Miller and Stan Fiedorek who tied with Lyle Ance and Grover Geneit for top honors.

Voters Turn Down School Request For More Millage

In order to obtain all available State Aid monies, the Charlevoix board of education will ask the voters of the Charlevoix school district to approve a one mill tax levy at a special election scheduled for Aug. 28.

The decision to ask for only one mill was made at a special meeting of the board of education held Tuesday following Monday's election when a propsal to levy three mills for a one-year period was defeated by 47 votes, 409 to 382. A total of 780 votes were cast in the election. This was the second time in two months the issue was defeated. Earlier it was vetoed by a vote of 429 to 296.

If the one-mill tax levy is approved it will permit the school district full participation in the State Aid program providing approximately $31,505 toward the budget of $334,500, leaving the budget approximately $ 9,310 in the red.

The 1961-62 budget was adopted before the state valuation was established and the Charlevoix county tax allocation board cut the anticipated millage to seven mills. In 1960 the schools received 7½ mills in tax monies and another two mills approved by the voters of the schhool district for a one-year period.

Mr. and Mrs. Robert Heise and family of Detroit have been spending two weeks here while visiting relatives and friends.

City Calls Hearing To Rezone Property For Industrial Use

A hearing on the re-zoning of two parcels of property located on State st. off US 31 South from Agricultural I to Industrial II will be held at the city hall at 8 p.m. Monday, Sept 11 following action taken at the regular meeting of the city council.

The two parcels of property were purchased from Willard Drost and Mrs. Bernie Schrader by the city for re-sale to the Charlevoix Industrial Corporation. The latter plans to re-sell the property to Freedman artcraft for expansion of existing physical facilities at the plant.

Contracts were drawn up Tuesday for the Charlevoix Development Corp. to sell to Freedman Artcraft Engineering Corp. all of the Drost property acquired from the city and a strip of land 50 feet wide on the south side of the Schrader property adjacent to the Freedman plant. The balance of the Schrader property will be offered for sale by the Development corporation. This will include a large modernized house on a lot approximately 200 feet deep and a vacant parcel of land approximately 197x680 feet adjacent to the airport.

Bids on the removal of the house on the Thorp property on the old Norwood road will be accepted until 8 p.m. Sept. 11. Further details may be obtained at the office of the city superintendent. The city acquired the property recently for use in the extension of the runway at the local airport.

Bids for Workmen's Compencation Insurance were turned over to the finance committee for study. Michigan Mutual Insurance Co. and Max Novak Insurance Agency submitted bids.

Approval was given a resolution giving Americaan Mold Engineering Co. a quick claim deed for the property on which the factory is built. The action was a follow through on the transfer of the property approved at the time the factory was built.

Election inspectors for the Sept. 12 election were named. They are: Edna Miller, Irene Seymour, Vivian Trimble, June Heise, Billie Smith, Henrietta Gill, Yvonne Wojan, Edna LaBlance and Luella Bartlett.

Bills totaling $53,035.13 were approved and ordered paid. The figures include a payroll of $7,803.61; $14,900 for purchase of Schrader property and $1,850 for the Drost property; $3,861 for fuel oil; $10,105.38, payment on clubhouse at municipal golf course; $6,974.10, transfer of accounts receivable; $1,113.02, city-used utilities.

To Hold Funeral Rites Thursday for Mrs. Mark B. Hooker

Mrs. Mark B. Hooker, 80, who for many years was associated with her late husband in the operation of Hooker's Garage, died Tuesday at Grandvue Medical Facility near East Jordan where she had been a patient for eight months.

Funeral services will be held at the Winchester Funeral Home at 9:30 a.m. Thursday with the Rev. Raymond J. McBratnie officiating. Burial will be in Forest Hill cemetery at Evart where graveside services will be held at 2:30 p.m. Thursday.

Born at Evart April 11, 1881, the former Lucy J. Elder came to Charlevoix in 1905. A year later she was married to Mr. Hooker who preceded her in death in 1938. For many years they operated Hooker's Garage at the corner of Antrim and State streets. She was a member of the First Methodist church, its Women's Society of Christian Service and Isabella Thoburn circle and the W.C.T.U .

She is survived by two daughters, Mrs. J. A. (Dorothea) Slavin of Berwyn, Ill., and Mrs. E. P. (Ruby) Ratz of Flint; a son, Harry F. Hooker of Charlevoix; seven grandchildren; eight great-grandchildren; two brothers, John and Will Elder of Evart and four sisters, Mrs. Dan McLachlan of Flint, Mrs. Howard A. Fish of Lapeer, Mrs. C. J. Cockerton of Caseville and, Mrs. Arno Cummins of Monpelier, Ohio.

Three Directors Are Elected to Hospital Board

Three directors were re-elected to the Charlevoix hospital board of directors at the annual meeting held Wednesday at the city hall.

They were Max Novak, Charles Bleha and Bruce Malpass of East Jordan who were re-elected for terms of three years each.

A report given by Miss Anne Baumgartner, superintendent of the hospital, showed that 1,189 patients were admitted during the fiscal year which ends June 30. Other figures given show that 1,721 outpatients were admitted; that there were 1,030 admitted for x-rays and 2,589 laboratory patients. During the year 583 operations were performed and the following number of patients admitted in the various departments: surgical, 508; obstetrical, 216; medical, 391; pediatrics, 193 with 212 births recorded.

The average number of employees was 82 and total annual payroll, $175,460.31.

In her report for the year, Mrs. E. K. Shanahan, secretary, reported that two applications for membership to the staff of the hospital had been approved. One was a courtesy membership to Dr. Nicholas J. Giannestras M. D. of Cincinnati, Ohio, and Torch Lake and the second to Dr. Robert Tollas D.D.S. of Charlevoix.

She also reported that the three summer groups had made their annual contributions totaling $2,000 for each group and that other contributions had been made to the hospital during the year.

She also reported that in order to keep abreast of developments in hospital services each year a comparison check is made with the annual survey of charges and wage rates of the North Central District Hospital Council of the Michigan Hospital Association.

Tribute was paid to two members of the Advisory board who had served many years on the board. They were the late Joseph H. King of the Chicago Club and Ernest Loeb of the Northside Association.

In conclusion, the board of trustees acknowledged with gratitude the help and cooperation of the hospital staff, the employees, the summer Advisory Board, the Women's Guild and friends who individually and cooperatively have given generously of their time and talents.

Conscription Might Bolster Defense

Are the officials elected by the people running our government or are they pawns in the hands of a few labor czars? That question is prompted by an article, "The Scandal of Our Missile Program" as presented in the August, 1961, issue of the Readers Digest.

"Wildcat strikes, work stoppages, slowdown, featherbedding and a deliberate policy of low productivity on the part of some unions and workers may well be responsible to a substantial degree for whatever lagging behind exists in our space and missile program. This concerns every man, woman and child in the country who loves freedom. If greed, graft and extortion are to dominate our way of life and our economy, especially in a program vital to our survival, it is time for Americans to wake up." That was the comment of Sen. John L. McClellan, chairman of the Permanent Investigations Subcommittee, after hearing testimony at recent hearings, reports the Digest.

The Readers Digest exposure cites instance after instance that can only lead one to the conclusion that the whole program has been hampered by nothing less than a system of gouging, blackmail and extortion.

Patroitic Americans who are paying the bill are literally being sold out to Russia by those whose paramount aim in life is greed for money and power. If our government, by the Constitution, has the power to draft and train youth for cannon fodder, it also has the power to conscript the manpower necessary to build and maintain our defenses.

It is time for government to call the play and stop its pussy-footing in order to curry favor with a few union dictators. We do not question the loyalty of the rank and file of union members and its a good bet that many of them would like the yoke of the union taken from their necks.

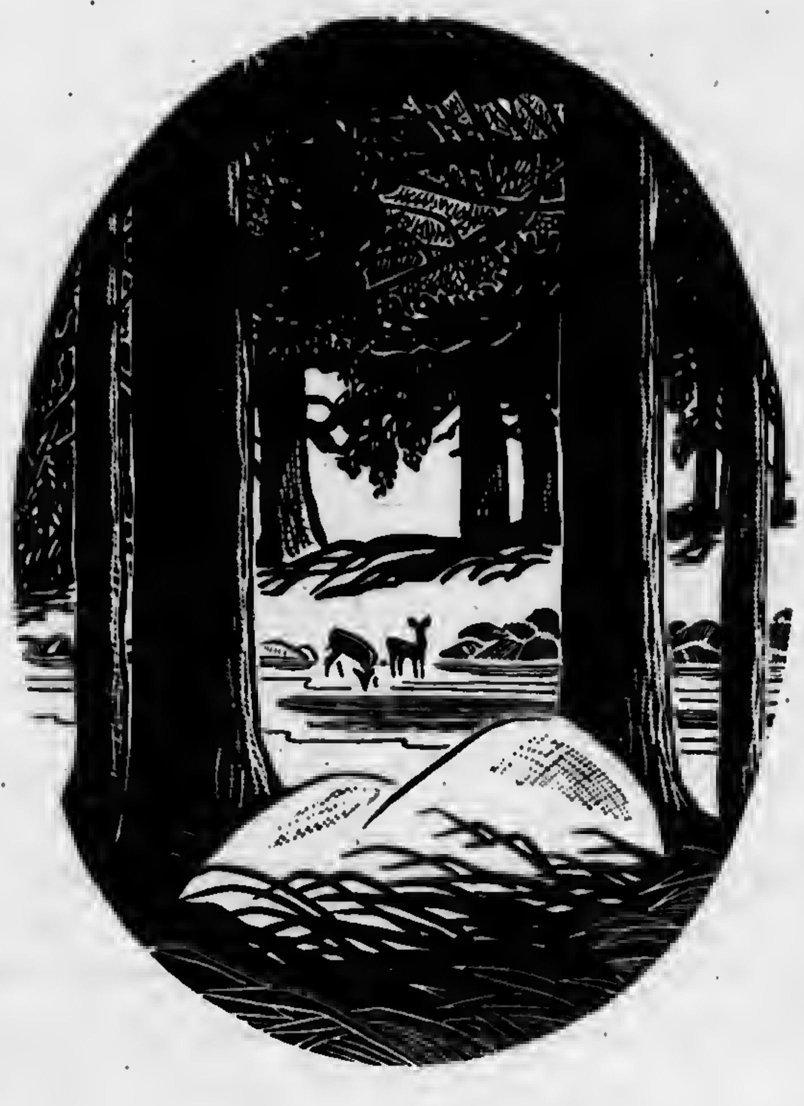
AUGUST
IN MICHIGAN
By Harold E. Kohn



Changing Clothes

Autumn never waits for the calendar to say, "Fall is here." The changes we associate with autumn begin prior to mid-September and are evident long before summer's heat abates. Leaves begin to lose their clean emerald polish and their full, lush succulence. There's a hint of yellowing here and there, and a faint, brooding weariness settles upon the green things of garden, meadow, and forest. The brighter colored birds are molting now, and seclusive. The wild-flung glory of May and June and the sun-struck glitter of July are past. August, bridging the gap between July and September, is neither summer nor fall, but a blending of the two. At least this is so in the North.

Now young deer emerge from infancy. In mid-August the May-born whitetailed fawns begin to lose their distinctive spots. Fawns that first opened their wondering eye a little later, in "the leafy month of June," will retain their dappled appearance for a few more weeks. Then their spots, too, will gradually fade away. Three months—rarely four—is about as long as a young deer will wear his baby clothes. They are shed, if the animal is in good health, before autumn brings its first biting cold, and in place of the spotted white and reddish-brown light jacket of summer the lithe young animal dons a heavy winter coat of brownish gray.

When a fawn changes clothes he may be hard to distinguish from his mother. In some areas of the North where foraging is good and fawns are in excellent health, a large male fawn may weigh as much as 110 pounds by fall, which is the approximate weight of a small doe.

But what about the occasional spotted fawn seen as late as mid-November or early December? How can one account for his tardiness in changing coats? Doubtlessly he was not late in changing clothes, but unpunctual in his arrival in the world. He was born in August or September—a rare occurrence but possible. Such an animal rarely survives the winter. The onset of cold weather finds him too small, too weak, and ill-dressed for freezing temperatures.

Whitetailed fawns, caught up in the near-autumn change transpiring all around them, now take on more of the body symmetry of their parents. Now a young deer's neck is much longer in proportion to its body than it was at birth, and by winter it will be longer still. Fawn ears are losing thheir pointedness and becoming rounded like an adult's. A certain infant chubbiness disappears with weaning, and the lean, muscular look of a buck or doe is assumed. With the ripening of pumpkin, squash and corn, young deer, too are seasoned and matured toward fulfillment of their creaturely destiny.

SOME THINGS TO NOTICE THIS WEEK IN AUGUST

- Look for a colony of ants and see if you can fin one ant carrying small seeds, Studies by the United States Fish and Wildlife Service show that an average colony of ants devours enough nutritional seeds daily to feed eight to ten quail.
- While you are watching ants at work, give some thought to their tremendous strength. Specialists in the study of ants say that this tiny creature travels daily in proportion to its size a distance equivalent to three thousand miles for any human being. Many ants regularly carry loads at least twice their weight. If you were to duplicate the ants' rate of travel and show of strength, and if you weigh one hundred and fifty pounds, you would need to carry three hundredpounds of burden from San Francisco to New York each day, How's that for strength and endurance?
- Possibly some time this summer you have picked up a live bird that has hit your picture-window. Although the bird seemed not to be seriously hurt by the accident, it died in your hand. Why? Likely from heart failure. The heart-beat of a bird when it is at rest is extremely high in is about 75 times per minute, proportion to that of human beings. (The average human heart-beat is about 75 times per minute, while that of a chicken is 399 times, that of a black-capped chickadee about 400 times when asleep and 800 times when active or excited, and a hummingbird'a heart normally beats about 615 times per minute.) when a bird is picked up and frightened by the unaccustomed sudden pressure of a hand, its heart is sometimes placed under too great a strain and ruptures.

These young "cowboys", along with many other skilled horsemen et Camp Charlevoix will be exhibiting their skills Friday afternoon at the annual rodeo. It's a free show to which the public is invited. The rodeo is always a feeture attraction for many residents and summer visitors as well as for the parents of the campers. Pictured (l to r) ere Devid Hoyt, of Akron, Ohio ,Jim Flaherty of Grosse Pointe, and David Janson of Homewood, Ill.

News Round-up at
Camp Charlevoix

The seventh week of camp is the week most of our long trips take to the roads and rivers and Monday morning was ne exception. Our ong canoe trip was ready right after breakfast for the 280 mile paddle diwn Michigan's famous Au Sable River. The boys and they got away right after breakfast. Bob Ogburn, our trips man, was in charge of this trip assisted by Dean Herman and Dick Stadler.. Cards were received from Bob Ogburn, one of which told us that they paddled 40 miles Monday, 60 miles on Tuesday, 74 on Wednesday, so they really travelled, as they did some fishing along the way.

Cabin 1, with Merv Crein took an overnight down to Easport.

It is interesting to note that this year the trips department set a record with over one hundred trips out of camp this summer. This beats by 44 our previous high, which is a high tribute to Bob Ogburn and Terry Ward our two trips men. They have worked very hard and have been two very busy young mem.

On Tuesday, the much coveted horse trip went out, with the full riding staff in charge. It was quite a sight to see 19 horses all lined up, with the boys in their cowboy shirts and cowboy hats and ready to take to the road. They were gone three days.

Wednesday morning saw the sailors taking to their boats and start out on their four day sailing trip. The weather was perfect and the boys were most anxious to get started. All the men in the sailing department were on this trip to supervise the boys.

In the evening, the annual capture the counsellor was held with the campers trying to find, then capture the men. Each man had a certain price on his head, anywhere from $5 up to $750 and the team getting the most dollar value was the winner. At the end of the hunt, the Greens had won all four points, making the standings at this day, Greys-32, Greens-29. It looks as if the obstacle relay on Sunday will decide the season's winner as that event takes in 150 boys and counts four points. We find this usually happens, that this annual relay is the deciding factor, in having a season's winner. It is a most exciting event, but more of the later.

On Friday morning, we were the guests of Camp Algonquin in another full day of competition. We took 57 boys over, and they reported a most enjoyeble day. It was especially enjoyable as Camp Charlevoix beat Camp Algonquin six events out of ten. We won junior rifle, junior softball, both archery matches and both swimming meets. The boys are busy making accomplishment in their chosen activities, as they are most anxious to have "stars" placed upon the diploma which is given each boy each year. Rodney Deyo, the man from Detroit who puts on our final Indian ceremony each year has been here all week getting the boys practiced in their Indian dances. It is thrilling to hear the tom-tom beating each morning and afternoon, and to see these boys perfecting the intricate steps that go into these dances. The big white tepee has been put up out on the shore and its white light shines all night long giving an eerie look to the shoreline. Last night cabin 5, with Bob Smith, as the counseller slept in the teepee and these juniors enjoy this so very much.

On Saturday, the sailors called up, and because of heavy winds had decided to beach the boats and return to camp by car. Outside of the heavy "seas" they hit in the morning, the boys reported a very fine trip. The long canoe trip returned end though very tired after the 280 mile paddle down the Au Sable, the boys were most anxious to tell everyone about their experiences. From their tales, it sounds like a mighty interesting trip.

In the afternoon, our softball teams played the Bay View association boys' teams, and we won one game and lost one geme. At the dinner hour, we had the annual birthday banquet. All the boys and staff who had birthdays during the camp season were seated at a long table infront of the dining room. The table was centered with a huge cedar burl filled with fruit, flanked by candles. Ie was very. pretty. Small canoes made out of birch bark were filled with candy at each place. Mrs. Smith (Ruby) and the other gals in camp, Ruth Townsend, Sally Pick, and Pat Kuehn (our nurse) really did a great job on this banquet. The entertainers were two artists from the Bay View Assembley muic dept. Rex Thuston, marlmbist, with Lois Chaig, accompanist, gave a most interesting program. The boys especially liked the drum demonstration Mr. Thuston gave. We have already invited them back for the 1962 birthday banquet.

This has been a wonderful camping season, with a group of great boys coming to us from all over the county. Our staff was truly a fine one, every man working for the interest of his boys, and trying his best to help that boy become a fine young man.

At the chapel this Sunday morning, our final service in the woods was held with Dick Stadler as the speaker. He gave one of the finest talks of the season, challenging the cempers to live the kind of lives we have tried to teach them to live here et Charlevoix.

O, yes, we nearly forgot. The cabin representatives met and brought back from their cabins the suggestions that we give our chapel funds to the following. These were voted on and this year, we are giving to the following from our chapel collections, carnival receipts, and rodeo refreshment stand: a lady in Cherlevoix, to help on the Wishing Well which the C.I.T.'s constructed, to send two boys to the Michigan Camp for Epileptic Children in 1962, enought to support one boy in Europe through the Foster Parent's Plan for one year, and the remainder to Care. We feel the boys did a really fine job in coming to these decisions and in chosing these recipients. The fund will total about $325, which is quite an amount for a camp to collect.

"The bathtub was invented in 1850, and the telephone in 1875. Had yau been living in 1850, you eould have sat in the bathtub for 25 years without the darn phone ringing once."—Ward Lowe, Lometa (Tex.) Reporter.

Mrs. Henry Burns

Miss Wanda Doctor returned to her home last week Tuesday after spending five weeks in Waterloo and Mason City, Iowa doing missionary work. On Sunday evening she gave an interesting talk about her work and the experiences. Rev. Jerry Patt also gave an interesting talk on his work with the migrant Spanish in Mexico and other places.

Mr. and Mrs. Eddie Sir and children and her mother, Mrs. Mary DeVries, were Sunday dinner guests at the home of their brother and son, Mr. and Mrs. Arthur DeVries and family.

Tentative plans were made for a twentieth reunion in 1966.

Circlin' The Bases

By DEANO

A real battle is going on for the second round title in both the Fastball and Junior leagues as the teams head down the home stretch. During the past week the Coast Guard and Junior league Barnard defeated their closest foe and thus moved into the top spot in their respectful leagues.

USCG MOVE INTO FIRST PLACE

Two first inning runs provided the Coast Guard with a 2-0 win over Freedman, and with the victory the service men move into first place. Both runs came as a result of an error. Ted Potter allowed Freedman but one hit, a lead off bunt single by Joe Armstrong.

Freedman bounced first round winner American Mold 9-3 in a loosely played contest. Norm Helms connected for two doubles and John Thompson homered for the winners. Scott Supernaw led the losers with two singles.

BARNARD MOVES INTO TIE

Barnard moved into a first place tie with a 6-1 win over league leading Lake Consturction. The winners collected all their runs in the second and third innings. Gary Stutzman paced winners with two hits. Meanwhile teammate Mike Crain threw a one-hitter to coost to the win.

The Scouts kept their title hopes alive with a 13-3 win over Browe Electric. The winners scored seven times in the fourth inning to put the game out of reach. Nick DeYoung's three-bagger was the big blow in the inning. Spike Mort, Tom Maxwell, and Rick Miller all contributed two hits to the winners' attack.

Barnard took the measure of V. F. W. 11-4 by scoring five times in the sixth inning. Twelve walks made it easy for Barnard. Rick Heeris, Skip Allison, and Pete Ance all banged out two hits in a losing cause.

Browes got back on the winning trail with a 12-2 win over V.F.W. Again the game was elose until the sixth when the winners acored seven times. Tom Browe collected two safeties in a winning cause while Andy Carey did the same for the losers.

TIGERS LEAD IN PEANUT LEAGUE

The Tigers took care of their nearest foe as they took a 4-0 win from the second place Sox. Dick Lewis singled in two runs in the fourth too break the scoreless tie, and then two more scored in the fifth on three Sox errors. Tiger pitcher Larry Marme allowed only one hit, a single to Ron McClanaghan.

The Pirates took an easy 16-7 game from the Dodgers. John Withers led the winners with two base hits.

Paddock Join Modern "Wagon Train" on Canadian Tour

Mr. and Mrs. Hubert E. Paddock, 308 Dixon Avenue, Charlevoix are nearing the completion of a seven week tour of Western Canada with the Avion Travelcade Club which is sponsored by Avion Coach Corporation of Benton Harbor, Michigan and led by Mabel and Gib Stadtler, also of Benton Harbor, who scouted the trip in April and made all arrangements in the many cities. The Travelcade has reprensentatives from Florida, Missouri, Kansas, Pennsylvania, New York, Ohio, Indiana, Illinois, NewJersey, Oregon and Michigan. The Avion trailers range in length from twenty to thirty feet. Dutlea such as parking, postman, sanitation, entertainment, group finances, and caboose are shared by the different members of the group. From a five day rendezvous of about one hundred trailerite families which began on June 23 at Crystal Falls, Michigan, this group of thirty-three families left to make the cross-Canada trek.

Stops were made at Superior, Wisconsin; International Falls, Minnesota where crossing was made into Canada; Fort Frances and Kenora, Ontorio; Brandon, Manitoba; Regina and Swift Current, Saskatchewan where the group was royally enterteined by the Jaycees; Calgary for five days of the Stampede and six days at Banff, Alberta with side trips to Columbia Ice Field, Lake Louise, Jasper and many other points of interest. At the stopovers the people unhooked their cars and traveled four to six persons to a car for the side trips. The foothills and towering Rockies were beautiful and then back each night to their little Avion homes. Further stops were made at Invermere Junction where the group dawdled for hours in the warm sulphur pools; Canbrook where the Jaycees served a wonderful pancake and sausage breakfast and one evening came back in full wetern regalia with their square dance caller and danced with the group in the light of a full moon until feet started aching; Nelson, British Columbia where a visit to the rebelious "Sons of Freedom" Doukhobor Settlement brought forth some startling pictures; Grand Forks, Penticton, then Vernon — Mostly two or three day stops. Never, as long as memory lasts, will the group forget the hospitality of Veron where the City Fathers met the group at Kalamalka Lake Lookout and escorted the Travelcade to Polson Park, a fairyland of flowers with a beautiful mountain stream cascading over rocks. This was the campsite for three wonderful days filled with tours, scenic drives, teas a concert for the group, dancing-on-the-green, a pancake breakfast with a hilarious contest won by the travelcade representative; a chuckwagon dinner at Kit Carson Guest Ranch, a kiddies' rodeo and, on the last night, colorful display of precision marching by the Army Cadet Drill Team and Band and performances by the prize-winning McIntosh Girls Pipe Band and Vernon Girls Trumpet Band.

The next stop was Kamloops where the Travelcade was met by the Jaycees with masked faces and drawn guns, who marched the visitors about a quarter of a mile with hands held high after demands were made for only $100 bills. after much laughter and handshaking, the group was escorted to lively Riverside Park to the campsite. The community presented square dancing for the entertainment that evening and the next day representatives returned to taka groups of the Travelcade in cars to see places of beauty and interest in the vicinity. One evening the Lions Club prepared a fine supper of fresshly caught Kamloop. trout.

This group of people who came from all walka of life have now becouse a family. They can scarcely believe they have only known each other about seven weeks. As mail comes in it is shared from trailer to trailer, joys and heartaches alike. There is only one more stop left- Vancouver, British Columbia and the group is already bemoaning the fact that they must disband on August 14. Many are planning to journey farther in small groups but they are agreed that Travelcadars see and do things which would never be possible for the lone travaler..

County FB Women Elect Officers

Mrs. William Parsons was elected chairman of the Charlevoix County Farm Bureau Women's organization at the annual meeting hosted recently by Miss Lula Mason at the home of Mr. and Mrs. Charles Mascho.

Mrs. Jasper Warner was named vice chairman; Mrs. Arnold Copeland, secretary and Mrs. Thomas Sheridan of East Jordan, treasurer. Mrs. Thomas Wieland is the retiring president.

Plans were made for the chairman and vice chairman to attend a special training meeting at Camp Kett at Center Lake near Cadillac early this week.

Eleven of the 13 groups in the county were represented at the meeting. Husbands of members attended as guests.

At the social hour which followed, slides of scenes in the county and of the Cherry Festivel were shown by Mr. and Mrs. Parsons. Refreshments were served by the hostess.

The next meeting will be held at the home of Mr. Franklin Cellner at 8 p.m. Sept. 1

Plan Elections To Name County ACP Committee

Farmers who are participating in one or more of the national farm programs administered locally by Agricultural Stabilization and Conservation farmer committeemen were reminded today that community elections will soon be taking place.

Throughout Charlevoix County, local elections will be held by mail. Ballots will be mailed to all known eligible voters on September 8, 1961. Ballots must be returned to the ASCS county office located at Boyne City, Room 204, Federal Bldg. by September 20.

The elections will choose three community committeemen and two alternates. The chairman and vice-chairman of the elected ASC committee will also serve as delegate and alternate delegate to the county convention to be held soon thereafter, where the ASC county committee will be chosen.

Programs administered by the ASC county and community committees include acreage allotments, marketing quotas, commodity loans, the feed grain program, the national wool program, the Agricultural Conservation program, the Conservation Reserve program, farm storage facility loans, and others as assigned by the Secretary of Agriculture.

NOTICE

NOTICE IS HEREBY GIVEN, that the Common Council of the City of Charlevoix, at a regular meeting to be held at 8:00 P.M. on Monday, August 28, 1961, in the Council Room in the City Hall in said City, will hold a public hearing upon and take under consideration a proposed amendment to Ordinance No. 203, entitled "The Zoning Ordinance", wherein it is proposed to amend Sections 2102, 2105, and 2107 of Article XXI by excluding from the Argicultural District, Residential District II and Commercial District II and including in Industrial District II, under said Ordinance, the following described land situate and being in the City of Charlevoix, County of Charlevoix, and State of Michigan, to-wit:

AND

"Commencing at a point 1485 feet South of the Northeast corner of the Northeast Quarter of Section 34, Town 34 North, Range 8 West; thence West 913 feet; thence North 50 feet; thence East 913 feet to the Section line of said Section 34; thence South along said section line 50 feet to the point of beginning."

Dated: August 15, 1961.

Hugh Mayne, Charlevoix City Clerk.

County ACP Program For 1962 Approved

Approval has been received at the Charlevoix County ASCS office to permit cost-sharing to farmers under the 1962 ACP program. 40% of the inital 1961 allocation may be used to approve cost-sharing for farmers under this plan of concurrent operations.

Specifications, practice requirements and rates of cost-sharing approved for counties under the 1961 program will apply for this period of concurrent operations. This applies to all practices fully or substantially carried out through December 31, 1961, regradless whether approval is against 1961 or 1962 funds.

This is another additional opportunity for farmers to participate in the program, by making available a part of the 1962 ACP allocation at this time. Farmers interested in applying conservation practices to their farms this fall should contract the county ASC office without delay.

Jail Breaker Captured Wed. Near Kalkaska

Francis J. Schocko, 26, of Suttons Bay and Lansing, was apprehended at 2:25 p.m. Wednesday near the intersection of M-72 and US 131 near Kalkaska by State Police from the Traverse City post, Sheriff Glenn E. Rose was notified at mid-afternoon Wednesday.

He was sighted by the State Police a short time before he was apprehended. Details of his capture were not immediately available.

Schocko escaped from the Charlevoix county jail at 10 p.m. Thursday after he had been jailed for a minor traffic violation.

After receiving a 10-day sentence for the traffic violation Schocko admitted to Chief of Police Joseph L. Smith that he of $650 in cash and checks on had robbed a Omena book shop July 30. He was being held for Leelanau conuty offoclals at the time of his escape as the night turnkey, Charles Hampton entered the jail proper to lock the cells for the night.

Schocko had a long record of crimes including several escapes from Ionia prison according to Sreriff Rose. At one time he admitted killing an Upper Peninsula woman and throwing her body over a cliff into Lake Huron. However, the body was never recovered and he was never prosecuted.

a snapped steering cable in the accident which occurred during a dense fog.

The vessel, however, was able to make her way to Manisique, a distance of approximately 0 miles, under her own power after emergency repairs to her steering cable. The 40 ft. Patrol boat from the Beavers Island Mooring Station took the vessel in two until repairs could be made The U. S. Coast Guard cutter Sundew which was dispatched too the assistance of the ship was not needed and returned to Charlevoix later in the day.

About This Question

"An independent local agent is just that — independent of any one insuring company. Unlike the captive agent, who is a paid employee of one firm, the independent agent has hundreds of policies to choose from in correctly insuring you. Is that why 2 out of 3 people buy insurance from an independent local agent?"

Telephone lines

By LES JOHNSON, *Manager*

A SIGNIFICANT MILESTONE IN FREE ENTERPRISE was reached recently when Mr. and Mrs. Hugh T. Polson of Wichita, Kan., together became the 2,000,000th AT&T share owner. Thus, the Bell System becomes the first privately owned business in history to be owned by so many people—people from all walks of life. This is a prime example of people's capitalism in action—a dramatic testimonial to the American economic system—democracy in action. Incidentally, just 10 years ago Mr. and Mrs. Brady Denton of Saginaw jointly became the 1,000,000th AT&T share owner.

* * *

WHEREVER YOU ARE this summer, chances are you'll be near a public telephone—whether it's an indoor booth or the familiar outdoor booth, or the handy new Walk-Up or Drive-Up variety. Any one of them—and there are more than 45,000 in Michigan—is your "phone away from home."

* * *

PRODUCING A RABBIT out of a hat is a startling feat of magic—much like the "magic" produced by Bell System scientists. A good example is a new way to increase the capacity of transatlantic cables. The equipment seeks out the pauses which are a part of every telephone conversation and uses them for extra calls. This remarkable achievement *doubles* the capacity of underseas cables. It's this kind of ingenuity that helps keep your phone costs low while providing you with ever-improving service.

Four Boys Named Babe Ruth All-Stars

Four members of the Charlevoix's Babe Ruth baseball team have been named to the All-Stor team which will take on the Gaylord Babe Ruth All-Stars at Lockwood field in Petoskey at 2 p.m. Sunday.

They are Jim Stewart, Rick Grunch, Jim Racignol and Bill Marme who will join with players from Babe Ruth teams in Petoskey and Harbor Springs to form the All-Star squad.

Charlevoix's Babe Ruth team recently won the play-offs in the Petoskey Babe Ruth league.

School District To Vote Monday On One Mill Levy

Voters in the Charlevoix school district will go to the polls Monday to vote on a one-mill tax levy for a one-year period in order to obtain all available State Aid monies for the Charlevoix public schols.

If the one mill tax levy is approved it will permit the school district full participation in the State Aid program providing approximately $31,505 toward the budget approximately $29,310 thebudget approximately $29,310 in the red and not $9,310 as was inadvertently reported in last week's issue.

In two previous elections, the voters vetoed a proposal to levy three mills for a period of one year for operational expenses.

As a result, it has become necessary to revise the budget and curtail certain programs in an effort to decrease the deficit that necessarily will follow the income resulting from the lack of three full mills that was needed to balance the budget.

At the regular meeting of the board of education Monday night, considerable time was spent discussing ways to revise the spending and cut certain programs, according to Robert G. Lieberman, president of the board of education.

The fields of discussion centered around the following possibilities: 1. Closing the public library and placing part of the books in the new high school library and part in a new room in the elementary school.

1. Limiting transportation for pupils within the city to those legally qualified by the State for State transportation costs. This applies to those who live 1½ or more miles from school.

3. Reducing the instructional materials to be used.

4. Authorizing no increase in salaries for all non-teaching employees. This would apply to 20 persons on the payroll.

Polls which will be in the Charlevoix Elementary gymnasium on Mason st., will be open from 10 a.m to 8 p.m. so voters may cast their ballots.

To Hold Final Stag Night at Municipal Golf Course

The last men's stag night at the municipal golf course will be held tonight (Thursday) and the last ladies' day event will be staged next Wednesday as the summer season drawa to a close according to Keith Carey, course manager.

Play in the stag night event tonight will begin at 5:30 p. m. Participants will return to the club house for refreshments.

During the week John DeCicco of Detroit and Don Meggison played off their match to conclude the city tournament. DeCicco defeated Meggison 4-3 to capture the flight championship.

In the ladies' day tournament Mrs. Robert Livingston posted a score of 158 for 27 holes to capture the title. Kitty Carey with 186 was second; Mrs. John Swanson third with 167 and Mrs. Grover Geneit fourth with 172. Mrs. Harold Withers was the low-net winner.

The season at the municipal golf course will officially end on Labor Day. Mr. Carey will return to Midland Sunday. Mrs. Carey and family will leave the day after Labor Day.

Ladd Commended for Weather Reports By U. S. Marina

Harry W. Ladd, cooperative weather observer for the United States Department of Commerce Weather Bureau, has been commended for 15 years of service as a volunteer weather observer and in recognition of this creditable record of public service has been presented with a 15-year button.

In a letter addressed to Mr. Ladd, Gilbert E. Stegall, supervising climatologist of the Weather Records Precessing Center at Kansaa City, Mo., commended him for his fine work as a cooperative weather observer and wrote: "We join with the Secretary of the Department of Commerce, the Chief of the Weather Bureau and many Weather Bureau employees in congratulating you.

"This is a creditable record of public service. The results of your efforts are used every day by many organizations and individuals in governmental activities as well an in private enterprise.

'Please accept the enclosed emblem as a token of the high esteem with which your work is held. We hope that you continue to find your weather work interesting and that you may add many more years to your worthwhile record of public service".

As a cooperative weather observer, Mr. Ladd tallies the total rain or snow fall and other pertinent information daily for the Weather Bureau. 'Various instrument used in the survey demand daily checks and compilation of information. The work is done without renumeration.

Lewis C. Reiman, Founder of Camp Charlevoix Dies

Lewis C. Reiman, founder and director of Camp Charlevoix from 1927 to 1948, died Sunday at his home in Ann Arbor following a long illness.

Mr. Reiman had devoted himself to writing and acting as a camp counsellor since his retirement. He was well known in American camp circles and was one of the pioneers in the field.

He is survived by his wife, Pearle, and a daughter Mrs. Morris (Jean) Smith ond three grandchildren.

Near Total Eclipse Of Moon Aug. 25

A near total eclipse of the moon will be seen Friday, Aug. 25, when the moon slips into the earth's shadow at 8:38 p.m. and gets completely out of it at 11:42 p. m. The lunar showing will be generally observable across most of North America, according to Associate Prof. Hazel M. Losb of the University of Michigan Astronomy Dept.

Soon after the eclipse begins, there will be noticeable dimming of the eastern edge of the disk. The darkened area will gradually increase until mid-eclipse at 10:09 p.m. when only less than one per cent of the moon's diameter will remain outside this dark inner shadow. A narrow sliver of the moon's surface will remain illuminated by the rays of the sun, Prof Losh pointed out.

The moon will be located a few degrees above the southeast horizon at the beginning of the eclipse. It will be plainly visible throughout the three-hour period, shining in a dull copper-red glow, for it will be illuminated by sun light which filters through the earth's atmosphere, being bent and refracted into the shadow and on the moon.

For such an eclipse to take place, the moon must be in full phase and in direct line with the earth and sun. The reason there is not an eclipse every month is because of the five-degree tilt of the moon's orbit to that of the earth. Consequently, the moon in its monthly path usually misses the earth's shadow, passing above or below it, the U-M astronomer explained.

Annual Hospital Golf Tourney Nets $1,000

The second annual Charlevoix Hospital golf tournament staged at the Belvedere golf course last Tuesday netted more than $1,000 for the hospital, it was announced this week.

Sponsored by the Northside Association, the Belvedere club and the Chicago club, the event benefits the local hospital.

Winners were Mary Cotter and Sol Hassenbusch who won the doubles and Mrs. Richard Lauer and Dr. Dennis Cash who won the singles. Prizes were $50 gift certificates.

Miss Anne Baumgartner, superintendent of the Charlevoix hospital, speaking in behalf of the board and staff, expressed their appreciation for the interest shown by summer friends which makes it possible to have such a well organized and equipped hospital.

Call Three County Men to Fill Quota

Three Charlevoix county draft registrants will be called for induction into the armed services to fill the county's September draft quota, Mrs. Mary Bourgoin, clerk of the board, has announced.

An additional five men will be called for pre-induction physical examinations next month, she added.

The names of the men to be called for induction Sept. 21 and for physical examinations Sept. 27 will be announced following a meeting of the draft board scheduled for Sept. 5.

Young men are informed that they are obliged to register with the draft board within five days after reaching their 18th birthday anniversary. This obligation applies to all young men including those who have had previous military training by the time they reach their 18th anniversary. In other words, Mrs. Bourgoin said, all young men must register with the draft board at the time they reach their 18th birthday.

Gov. John B. Swainson Visits Big Rock Point

Closed circuit television is a new feature of the public information center at Consumers Power Company's Big Rock Point Nuclear Plant northeast of here off U. S. 31.

Installation of the television cameras in the reactor sphere and the turbine generator hall wos completed Tuesday in time for the tour of Gov. John B. Swainson, his Atomic Energy Study Committee and several other state officiols as well as Consumers Power Co. representatives Wednesday afternoon.

The group arrived in Charlevoix by Air late Wednesday morning and after o luncheon at the Weathervane Inn made a tour of the plant ond its weather station. A discussion meeting in the public information center followed.

The two television cameras in the nuclear plant proper are connected with viewing sets in the information center, enabling visitors to see work in progress on interior construction and intallation of equipment.

Joining Gov. Swainson on the tour of the plant were members of his Atomic Energy Study Commission including Attorney General Paul L. Adams, chairman; James H. Inglis, chairman of the Michigan Public Service Commission; Joseph A. Chiles, State Police Commissioner; Frank Blackford, commissioner of insurance; James A. Towden, commissioner, Department of Labor and Milton P. Adams, executive secretary, Water Resources Commission.

Also in the party were Thomas Burns, commissioner, Michigan Public Service Commission; Jerome Maslowski, assistant attorney general; Ralph W. Purdy, Regional engineer, Pollution Abatement Divison, Water Resources Commission; Donald E. Van Farowe, chief, Standards and Analyses Section, Division of Occupational Health, Department of Health; Charles S. Simons, associate professor of radiation physics, University of Michigan; John Gafner, State Property manager; Lawrence L. Farrell, executive secretary, State Employees' Retirement Board and George Burke, business manager, Liquor Control Commission.

Consumers Power Co. was represented by A. H. Aymond, Jr., chairman of the board; James H. Campbell, president; Robert P. Briggs, executive vice president; Dan E. Karn, director and consultant; Walter C. Schmidt, vice president; Robert E. Kettner, director of nuclear activities; Donald J. McGowan, director of public relations; Bob D. Hilty, division manager, Northwest Division; Leon M. Day, Northern Region superintendent and J. D. Lescoe, field construction superintendent.

Among the other visual aids the visitors saw in the information center was a large cutaway model of the nuclear plant with major equipment identified by name or number. Telephone receivers on the model permit six visitors at a time to tune in on a brief recorded explanotion of how the plant will operate.

The building also includes a small theatre where a 22-minute motion picture, "Nuclear Progress for Michigan's Future" is shown at frequent intervals. Lecturers use a large cross-section diagram of the plant to show how heat from nuclear fission will generate steam to turn the turbine engines, producing electricity. Animated lighting traces the course to be followed by water, steam and electricity.

The lobby houses other exhibits which visitors operate by pushing buttons. There is an observation platform where visitors may not only watch construction work but also get a close-up view through a telescope of the huge rock for which Big Rock Point was named and watch marine activity offshore.

More than 30,000 people have visited the information center since it was opened two months ago.

Donna Berg was in charge of group singing.

Refreshments were served at a table centered with a cake baked in replica of the new Community Reformed church by Beth Ann Boss.

Charlevoix IN UNIFORM

Mrs. Bruce N. Zeitler whose husband, Chief Zeitler, is attached to the U. S. Atlantic Fleet, Air Antisubmarine Squadron 27, received this letter recently from Cmdr. M. C. Hartle, commanding officer:

"It is my pleasure to write periodically to the families of men in VS-27 who, in my opinion, contribute in an outstanding manner to the smooth functioning of our squadron.

"As you know, our assigned mission contributes significantly to the submarine defense of our country. Our job is not easy .... everyone must exert his best efforts if we are to maintain the readiness expected of us. It therefore requires considerable devotion to duty, technical talent and plain 'Old-fashioned' hard work. Your husband certainly qualifies!

"Chief Zeitler, as our Senior Maintenance Chief, shoulders important responsibilities in the exacting task of maintaining our aircrafe in a consant ready status. He accepts these responsibilities cheerfully and accomplishes all of his duties in a manner of which we can all be proud. The leadership qualities which he continually demonstrates are a very great asset to the squadron.

"Such men as your husband give the Navy its strength. I am proud to have him in my command."

Chief Zeitler, son of Mr. and Mrs. John Zeitler Sr., is a veteran of 18 years in the U. S. Navy and is presently stationed at Norfolk, Va.

Louis Drost, Pipe-fitter third class, is now undergoing precommissioning training at Norfolk, Va., in connection with the commissioniog of the USS Enterprise CVAN-65.

He is the son of Mr. and Mrs. Louis Drost Sr.

Voice of Our Readers . . .

The enclosed photostatic copy of a letter is self-explanatory and should be sufficient evidence that to build a new two-room school building, for some fifteen pupils' registration for the coming semester is a sin committed in the name of education.

Ironton is a small village located about five miles southeast of the city of Charlevoix, on Lake Charlevoix. It has no industry but is popular for recreational reasons; fishing, boating, swimming, etc. There are an increasing number of summer home-owners who are taxpayers but cannot vote.

Some voters of this community have contrived to obtain a voting majority for a new two-room school building. Some thirty-five disagree.

The State Legislature has indicated that such two-room schools are passe and in all probability will order consolidation with either the Charlevoix or the East Jordan school system. These two cities have modern elementary and high schools and offer many advantages not possible in two-room schoolhouses.

The pro-school group know that consolidation will take place within a very short time but say that the building will then be used as a community hall, and, the latest brainchild, a civil defense shelter.

Who is going to pay for this foolishness? The United States Government, the State of Michigan, and the people who own summer places, but cannot vote, of course. The U. S. Government, I am sure, will take a dim view of advancing funds for a school when the real object in pinochle playing, not education. It will most certainly investigate the need for a school, and the enclosed photostatic letter indicates what the results will be. The State of Michigan has by its agent, the Department of Public Instruction, already gone on record as to its findings. That leaves the taxpaying, but ineligible-to-vote, summer people. This group will take a lot, but there comes a time when American spirit rebels against the "Hook the Summer People Theory" and they will organize to fight. The coming Con-Con by writing a clause enabling taxpayers to vote on subjects affecting taxation may be the answer to protect ineligible-to-vote summer taxppayers against the machinations of the local connivers.

(Photostatic Letter)

Thank you very much for your letter concerning the Ironton school district.

As you perhaps know, we have granted approval for this district to vote on the question of annexing to Charlevoix. Since so much property has been transferred to East Jordan, it would appear that you do not have enough children or enough valuation to coninue the operation of your local school. It certainly does not make good sense to vote a bond issue for a new building in this area.

If you now regularly attend another church in our town, this notice is but a neighborly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

Duerr-Venema Vows Exchanged Saturday in Church Ceremony

The First Congregational church was the scene Saturday of the wedding of Carol Ann Duerr and William John Venema.

Parents of the couple are Mr. and Mrs. Charles Antbony Duerr of this city and Mr. and Mrs. Charles John Venema of Kalamazoo.

The Rev. Harold E. Kohn officiated at the double ring service in the presence of more than 200 guests. Altar candles and baskets of white gladioli decorated the chancel for the four o'clock service. White bows and greens marked the pews and single white candles and greens decorated the windows.

Mrs. Charles Bellinger, at the organ played the traditional wedding marches and accompanied the soloist, Mrs. Robert Tollas.

Given in marriage by her father, the bride choose a faille taffeta gown featuring the Japanese influence the kabuki sleeve and modified dom-shaped skirt, for her wedding. The bodice was enhanced with a rounded neckline with seedpearl and crystal decor. The skirt was fashioned with scissor pleats at the hipline and a flat bow in the back with streamers that fell to the brush train. Her elbow length veil of illusion was secured with a miniature Swedish crown touched with iridiscents and seedpearls. She carried a single white orchid surrounded by stephanotis and ivy.

Susan Gail Duerr, as her sister's maid of honor wore a gown of lavender organza over taffetta styled with a scoop neckline, elbow length sleeves and a bell skirt. Her headpiece was a small circlet of lavender taffeta with nylon net. Her bouquet was a single lavender orchid, stephanotis and ivy.

Mrs. James Howard Wells om Ann Arbor and Kaye Saxon Baker of Midland, as bridesmaids, wore gowns and headpieces identical to the honor attendant's and carried bouquets of lavender-blue delphinium florets with stephanotis and ivy.

Alfred J. Wise of Kalamazoo assisted the bridgroom as best man. Seating the guests were Clyde H. Beck of Royal Oak, David G. Hopkins of Grand Rapids, Robert N. Olson of Ontonagon and Mr. Wells of Ann Arbor. Mrs. Duerr chose an ivory damask sheath dress with portrait collared jacket, iris blue accessories and a single iris blossom corsage for her daughter's wedding. Mrs. Venema, mother of the bridegroom, wore a pastel satin brocade shath dress, peach pink accessories and a corsage of a single peach-colored gladiola blossom.

Immediately following the ceremony, the bride's parents hosted a reception at the Charlevoix Beach Hotel. Judy and Becky Wilton of Traverse City were in charge of the guest book.

After a short northern Michigan wedding trip, the couple will be at home at 702 Oakland st. Apt. 4, Ann Arbor after Sept. 1. For traveling the bride wore a grey sheer wool princess-style dress with black and white accessories.

The bride is a 1961 graduate of the University of Michigan School of Educaton where she was affiliated with Kappa Kappa Gamma, Beta Delta Chapter and president during her senior year, Phi Kappa Phi Honor Society and Scroll Women's Honor Society. She will teach kindergarten in the Ann Arbor public school system. Mr. Venema's a 1959 graduate of Kalamazoo College where he was a member of Century Forum. He is now a third year medical student at the University of Michigan Medical School where he is a member of Nu Sigma Nu medical faternity and the U. of M. Toastmasters Club.

Wedding guests were present from Kalamazoo, Ann Arbor, Birmingham Dearborn, Grosse Point and Traverse City.

NCMC Students to Continue Education

Former North Central Michigan College students who have completed their first two years of study at the Petoskey college have enrolled in nine different colleges and universities to continue their studies, according to Dean A. D. Shankland.

Schools they will be attending include Northern Michigan College, Arizona State of Tempe, Michigan State University, University of Michigan, University of Illinois, Central Michigan University, Michigan College of Mining and Technology, Aquinas College and Ferris Institute.

These students have completed their work at North Central and transferred their credits with full value and will graduate upon completion of two more years in these schools.

This is the first year that a large number of students have transferred from North Central.

Agriculture . . . *in Action*

"Why be upset?—Kids will be Kids." That was the opinion of some that heard about teen-age riots and street gang fights that raged among students in Miami and beatniks in Brooklyn.

"Kids will be kids?" ---left to themselves without guidance or discipline, and kids will be animals. They will kick and maim, tear and gouge, mug and murder.

"Just youthful exuberance," some said when they viewed films of the student-riots in San Francisco during the hearings by the House Un-American Activities committee. "Just healthy protest gatherins," some "educators" said.

Yes indeed, kids will be kids. What kind of "kids" is another matter.

One thing I know, ... that back of most teen-age shennanigans, be they mayhem or merely madcap, lie curious attidudes of parents.

I don't know about you, but had my late-teen daughter or son been cavorting with placard and Pinko companions in a riotous ring-around-the-rosy in front of that Federal Courthouse in San Francisco, he or she would have lost more civil liberties than they knew existed.

That such actions are condoned, or even applauded is downright deplorable — and that parents in America would actually uphold such actions, is beyound belief.

So what's the answer?

Let them dig ditches!

Most farmers wouldn't want them around it's true, but rural America is loaded with manure for them to pitch, hay to move from one place to another, potatoes to dig, and sacks to load.

Idle hands are the devils' workshop. Yet, the very people that publicly deplore the juvenile delinquency problem, propose and vote for further regulations to keep young people from being employed. Small wonder that Farm Bureau is loudly protesting the latest proposals to prohibit work of minors in the 14 to 15 age bracket.

14 to 15 years? Good heavens,...

If they haven't learned to work by then, --- they never will.

"We're strongly opposed to socialized medicine, except that we believe the government should supply aspirn free to taxpayers".—E. M. Rehsburg, Vista (Calif.) Press.

Courier Photo

Girls of CIT cabin, Camp Sea Gull wanted to know how we get out a weekly newspaper and they visited the Courier office. Unfortunely the paper was all printed and delivered when they arrived. They were shown all the operations and we trust some of the group may be fascinated enough to enter the field. How-even, Miss Ilene Aaron, supervisor, assured us the visit was both interesting and educational. Noticeably important to us was the fact that each girl in the group made it a point to individually thank us for the tour. Come again next year, we enjoyed you.

Winners of Babe Ruth Tourney

Charlevoix's Babe Ruth baseball team came through to win the 1961 tournament after a mediocre season which ended with a four win-eight loss record.

The inspired underdogs, the first team to ever win the tournament after finishing in last place, dumped Vaughan Floor Covering of Petoskey 6 to 2 and Harbor Springs, who finished the season in first place, by a score of 5-4 to take the tourney.

Pictured are front row (l to r) John Bleha, Howard Harriman, Bill Marme, Jim Racignol, Bob Bergmann, Charles Boss, Warren Belding.

Back row: Bill Marme Sr. manager, Chip Terrill, Doug Winnell, Jim Stewart, Rick Grunch, Bob Hedrick, Larry Burns, manager.

Not present when picture was taken were Don Solomon and Jim Curtis.

Mrs. C. E. Bennett Dies at Home In Central Lake

Funeral services for Mrs. Charles H. Bennett, 64, who died recently at her Central Lake home, were held Friday, Aug. 11, at the Easport Baptist church with the Rev. Paul F. Bone officiating. Burial was in an Eastport cemetry.

Born in Clear Lake, Iowa, Apr. 23, 1897, the former Burnise Evelyn Miller came to Central Lake with her parents at the age of 12 years. She was graduated from the Central Lake high school in 1915 and taught elementary school for four years prior to her marriage to Mr. Bennett on June 12, 1919.

Surviving are her husband; a son, Burton Bennett of Petoskey; three daughters, Arlie of Kalamazoo, Mrs. Charles (Nala) Dawson of Torch Lake and Mrs. William D. (Margie) Paterson of Southfield and eight grandchildren.

Exchange Student Returns to Holland

Lia Drenth, exchange student who spent the past 11 months with Dr. and Mrs. Robert G. Martin, has departed for her home in Sneek, Holland.

Mrs. Martin took her to Ann Arbor where she joined a group of students who had spent the school year here under the Youth for Understanding program sponsored by the Michigan Council of Churches for the return trip to Europe. The group traveled via bus to Montreal where they were to board a ship for the ocean trip home.

Fifth Birthday Celebrated

Debby Lynn Powell celebrated her fifth birthday anniversary at a party given Monday by her mother, Mrs. Joseph Powell.

Twenty-five little guests gathered for games and refreshments including a birthday cake served at a table decorated in the birthday motif. Each child found a basket of treats at his place. Debby was presented with many lovely gifts.

Guild Notes . . .

Patrons of the recent fashion show and luncheon sponsored by the Women's Guild of the Charlevoix Hospital to raise funds for a new overhead light in the emergency room at the hospital will be happy to know the event netted $566.81 toward the cost of the light which has been ordered.

Mrs. E. K. Shanahan would like to express her gratitude to all who supported the event and assisted in any way in making it a success.

Mrs. G. B. Saltonstall has issued a plea for usable clothing, household items or other re-salable articles for the Thrift Shop held each fall. Anyone preparing to leave for home after spending the summer here or persons packing away summer items are asked to remember the Guild Thrift Shop. Calls may be made to LI 7-2803 for pick-ups. Sales slips will be forwarded for tax purposes.

The nursing scholarship of $300 offered annually by the Guild is still available. Last year's recipients of the scholarship, Sandra Zipp and Nancy Klooster, have been presented with the second payment of their scholarships. The scholarship is given at the rate of $100 a year for a three year period.

The Guild will sponsor a sale of various household items given by residents for re-sale. The sale will be held at the Colonial Club property Friday, Aug. 25, from 9:30 a.m. to 4 p.m. (see display ad).

A big 'thank you' to St. Martha's Guild of Christ Episcopal church for the stuffed toys sent for the pediatrics department at the hospital.

Anyone interested in purchasing the delicious candy offered for sale by the Guild to support its nursing scholarship is asked to call Mrs. Alfred Browe, present candy chairman.

"The Department of Commerce estimates there will be over 114,000,000 motor vehicles in the U. S. by 1976. All you pedestrians who want to cross the street had better do it now."—Harold Rogers, Easly (S. C.) Progress.

Circlin' The Bases

By DEANO

With just a little more than a week left of the 1961 season there are still several torrid battles going on. This is showdown week for second round leader Coast Guard as they clash head on with second place Freedman tonight (Thursday) at 8:45. They also have an important game with American Mold and they must win both games to cop the second round title.

Barnard must post a win this week in order to cinch the junior league title outright.

The Tigers have only the Braves standing in their way of the second round title, and if they win, they will meet the Cubs next week for the Peanut League championship.

Ted Potter seems to have cinched the batting championship trophy. Only a complete collapse this week would prevent the slugger from the crown.

The junior league batting trophy is still very much undecided. Bruce Murray must maintain his lead over Pete Ance, but must come to bat 32 times to qualify for the championship.

LAST WEEK'S GAMES

Both first place Coast Guard and second place Freedman posted two wins during the week. The Coast Guard came from behind to post an 6-4 win over hard-luck Ironton. The winners scored all their runs in the final three innings after Ironton had built up an early 4-0 lead. In their hard fought 4-0 win over the Merchants, they scored twice in both the third and fourth innings and were aided by two Merchants errors.

Freedman kept pace by blasting the Merchants 15-3 behind a twelve hit attack led by Norm Helms's four for four, including a home run. They posted a 61 win over Ironton behind the two hit pitching of John Thompson. The Merchants handed first round winner American Mold a 5-2 loss behind the tight pitching of Ed Culbertson.

First place Barnard received unexpected help from both Browes and the Scouts as they each upset Lake Construction, who had been tied with Barnard for the league lead. Now Barnard has only to win one of their two remaining games to grab the second round championship. They also won the first round. Brows scored seven times in the first two innings to upset Lake Construction 10-7 Faculak and Jefferies led the winner's attack with three hits each. The Scouts repeated the trick, posting a 14-4 win over Lake Construction with Spike Mort pacing the winners with three singles. Tom Moore had three base hits to lead the losers. Barnard defeated both the Scouts and Browes during the week. They had to go into extra innings with the Scouts however before posting a 7-6 win. Herb Cummings scored the winning run with an eighth inning single. In their game with Browes it was far easier 15-1. VFW lost twice, once to Lake Construction 11-1 and to the Scouts 21-10 in a real slugfeast.

PUFF'S WINS TITLE IN WOMEN'S LEAGUE

In the womens' league first round winnera Puff's repested as second round winners, and in doing so, ended the season with a 6-0 record. They whipped the High School 18-6 in their final game to win the second round. Marla Moody was the hitting star collecting two singles and a home run.

MICHIGAN IS LIVABILITY

Yes, Michigan is good living, unexcelled—with its combination of year-around recreation of all kinds, fine educational institutions, many cultural advantages and excellent public services.

Within the state's 36,000,000 acres of water wonderland, one finds facilities for outdoor relaxation unmatched anywhere. Michigan's cultural advantages also add a rich measure to the abundant life found here.

Workers and executives who live well, will work and produce well—thus livability is a great asset for industry. In Michigan, no worker or executive is more than a few minutes from a favorite spot for recreation by way of the nation's best freeways.

Hunting, fishing, water and winter sports, great professional and amateur sporting events, and just plain loafing at a cottage or one of scores of state parks—all these are part of the good life people find in Michigan.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your comment. Let's talk up Michigan and its advantages for industry. Together we can assure a greater future for all of us.

Two Attend Annual AFTM Trade Show

Two local residents were in Chicago earlier this week to attend the Associated Fishing Tackle Manufacturers fourth annual trade show which opened Sunday for three days.

They were Mr. and Mrs. K. Byron Wright, representing Paul-Reed, Inc. exhibitors at the show.

The AFTM show is the largest in the world devoted to fishing tackle and closely allied products. More than 4,000 persons, about half of them exhibitors and their representatives and the other half buyers, saw nearly 150 displays of new products for 1962.

Exhibitors showed a continuing trend to equipment for women's and family fishing, including complete matching outfits for beginners, color matching rods and reels, spinning equipment that has made casting easier than before and to lightweight and "ultra light" equipment to put more excitement and sport into angeling. An estimated 25 per cent of the nation's 35 million anglers are women, a survey of the show revealed.

The Catch in Catching Up to Russia

"When will America catch up to Russia in the field of Public Power?", a member of Congress asked a wbile back. This Congressman has long aupported a strong , centralized form of government, aod "Public Power" to him strictly meant a federal or state-operated power enterprize.

It is hardly surprizing that Communist Russia is "ahead" of the U.S. in state-owned and operated "public" enterprizes. What is really disturbing is that confused American citizens would actually want to equal or "catch up" with Russia in any of its socialist schemes.

In 1960, there was a tractor in every 70 acres of privately-owned, sown cropland in the United States. This compares with one tractor for every 485 collective acres in the U.S.S.R. To be equal to Russia in this instance, American farmers would have to destroy five out of every six. tractors, and replace them by returning 60 million people to farms!

To "catch up to Russia" in agriculture, we would have to liquidate owners of 97 per cent of America's family owned and operated farms---people who according to Communist doctrine are "large Capitolest landowners" and therefore enemies of the state.

Russia's state farms have a total of 492 grain combines in operation. To be equal to Russia, American farmera would have to destroy a majority of all our privately owned combines and in many cases begin harvest with scythes and sickles, awung by hand. Much of this work would be done by forcing women to leave their homes or clerical jobs and do involved back-breaking hand labor instead.

To be "equal" to Russia, America would have to reduce its steel output by 60 per cent, cut electric motors back by 95 per cent, tear up fourteen out of every fifteen miles of our roads, sink 8 out of-ten of our ships, and dismantle 19 out of each 20 cars and trucks.

"It is the belief that 90 per cent of the people of the United States donot known, or do not understandthat as of now, the free surplus production ability, stands as our greatest defense against Communism," says M. P. Durkee, American farmer with all his cussion leader for the Kellyville Farm Bureau community group of Montmorency County.

"This surplus is not expensive when compared to Defense Department spending each year," Durkee adds. "Name one Communist country, long on 'Public Service' that is not also short of food, he wryly concludes.

"There never was a time in history than now when people had more dissatisfied."—George B. Bowra, Aztec (N. M.) Independent-Review.

The above picture is a bass fishermans dream. In fact the angler who caught these, Bud Inglehart, had a number of dreams like this materialize while he and his wife were visiting his parents, Mr. and Mrs. Barney Inglehart at Camp Charlevoix. Their catches were made in Lake Charlevoix and it is evident there are plenty of bass in the lake if one knows where to go and how to lure them.

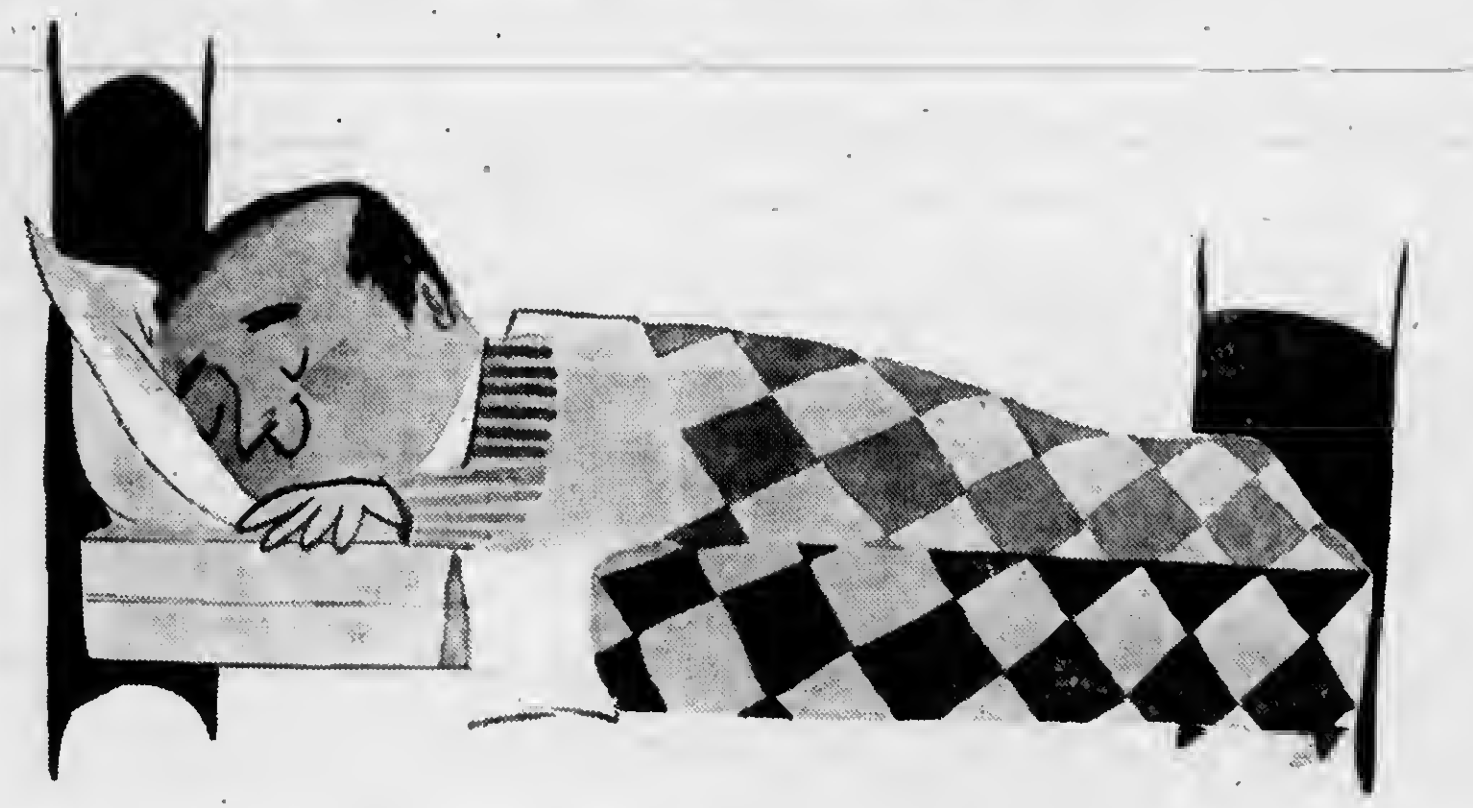
You can't get a first-class sleep on a second-class mattress!

When they are wakeful some people just toss, turn and stare into space. Some desperately gobble expensive sleeping pills and tranquilizers. And some, wisely, resolve to retire their sagging, worn-out, obsolete mattresses. They realize you simply can't get a first-class sleep on a second-class mattress!



SLEEP ON A *Simmons* WONDERFUL *Beautyrest*

Be comfortable and thrifty too. Each individually pocketed coil in Beautyrest pushes up separately to support each part of your body. And, at $79.50, Beautyrest is the least expensive mattress to own. In durability tests, competing against all leading mattresses, Beautyrest stood up 3 times longer than the next best. CHARLEVOIX PUBLIC SCHOOLS
MINUTES OF SCHOOL BOARD MEETING

July 17, 1961

Present: Martinchek, Dinwiddie, Lieberman, Blanchard, Martin, Al Smith, Bennett, Supt. Absent: C. Smith.

The meeting was called to order at 8:06 p.m.

Minutes of a regular meeting held July 3rd, those of the Annual Election meeting of July 10th, and those of a special meeting July 12th, were read and approved.

It was moved by Martin, and supported by Dinwiddie, that bills in the amount of $652.55, payable from General Fund, be approved and ordered paid. Motion carried: 6-0.

Moved by Al Smith, supported by Martin, that bills in the amount of $18,038.57, payable from Building & Site Fund, be approved and ordered paid. Carried: 6-0.

Mr. Cornwell and Mr. Greenless, architects, and Mr. Lindsay of the Koenig Construction Co. appeared and terms and conditions of a contract were discussed at length. This included bonding, completion date, and details of procedure. The following Resolution was offered by Dinwiddie, supported by Al Smith, and its adoption moved:

WHEREAS, Wallace N. Bjorklund, General Contractor for the new high school project, has defaulted on his contract, NOW THEREFORE BE IT

RESOLVED, That the President and Secretary of this Board be authorized and directed to execute a contract with the Koenig Construction Co. for the completion of the Bjorklund Contract, with a substantial completion date of September 1, 1961, of all parts except those affected by the demolition of the old high school, and;

BE IT FURTHER RESOLVED, That the cost included in the contract be as follows: $2,250.00 fixed fee, plus the demolition of the old high school, and;

BE IT FURTHER RESOLVED, That the material and labor Bond, which must be furnished, will not be included as a part of the cost.

Motion carried and Resolution adopted: 6-0.

Mr. Ance, attorney, reported that the Peerless Insurance Co. attorney had indicated to him that the school was proceeding as they approved.

It was moved by Martinchek, supported by Al Smith, that a proposal for raising 1 mill for operation for the year 1961-62 be submitted to the electors at a special election. Motion lost: 3-3.

It was thereupon moved by Martin, supported by Dinwiddie, that a proposal for raising 3 mills for operation for the coming school year 1961-62 be submitted to the electors at a special election. Motion lost: 3-3.

Motion was made by Martin, supported by Dinwiddie, that a teaching contract be offered Marle L. Amtsbuechler, to teach a combined 5-6 grade the coming school year 1961-62, with his salary at the 4th year level on the salary schedule. Motion carried: 6-0.

A report was made on the meeting of the East Jordan, Ironton, and Charlevoix boards at the Court House, to discuss the annexation of the Ironton District to Charlevoix.

Any action to become a Registration District was postponed until later in the current year.

It was moved by Martin, supported by Martinchek, that a Special Meeting be held Monday evening, July 24, at 8 p.m. Motion carried: 6-0. ....

The meeting adjourned at 11:45 p.m.

CHARLEVOIX PUBLIC SCHOOLS
SPECIAL MEETING OF SCHOOL BOARD

July 24, 1961

Present: Dinwiddie, Martinchek, Lieberman, Blanchard, C. Smith, Al Smith, Martin, Bennett, Supt. Absent: None.

The meeting was called to order at 8:28 p.m.

There was discussion at length of the question of a Special Election, of budget requirements and possible budget changes, and the opinion was that there are none itemized in which any substantial savings might be made with respect to the operation of the schools during the school year 1961-62. After much discussion, it was moved by Dinwiddie and supported by Martin that a Special Election be held on Monday August 14, 1961, for the purpose of presenting the proposal that 3 mills be raised on State equalized valuation for operation of the school for the year 1961-62. Motion carried: 4-3.

Mr. Dinwiddie was requested to prepare information which would explain to the members of the community the need for the 3 mills to be included in the question for a special election.

Mr. Bennett was requested to place on sale as much of the old furniture and equipment as could not be used in the new school. Mr. Bennett advised that it has been placed in the old gymnasium and that it will be available to anyone who is interested.

After discussion of teacher needs and the upcoming meeting of the Ellsworth, Central Lake, and Charlevoix consolidation committees, the meeting adjourned at 10:20 p.m.

SUNDEW REPORTS

The Sundew spent the first two weeks of last month in shipyard at Sturgeon Bay, Wis. On July 17th we returned to Charlevoix, working Boulder Reef bouy on the return trip.

The following day we were underway to Sault Ste. Marie stopping at Detour Reef light station enroute. We left the Soo Base on the 19th and the following day established two dredging bouys in Round Island Passage.

We spent the weekend in Charlevoix and left Monday morning, July 21 for Grand Traverse Bay to check bouys. The next day saw us underway for the Straits area to check bouys off Wiggins Point, Manitou Paymen Shoal and St. Helena Island. The following day was spent checking bouys from Adams Point to False Detour. We were underway Thursday for Charlevoix checking bouys enroute.

We spent July 28 and 29 in Charlevoix. The ship held open house on Saturday afternoon as part of the Venetian Festival program and approximately 900 visitors were escorted through the ship.

On Saturday evening we departed for Grand Haven to attend Small Arms Target Practice, arriving there Sunday afternoon. We remained there for one week. During our stay at Grand Haven we participated in the Coast Guard Festival given by the city every year to honor the Coast Guard. August 4th was Coast Guard Day, the 171st birthday anniversary of the country's oldest sea-going service.

On Sunday, Aug. 6, we left Grand Haven for Milwaukee, arriving there during the afternoon. Monday we had some repairs to our radio and picked up two generators for transportation to Charlevoix.

We left Milwaukee Monday afternoon to deliver a radio tower to Base Soo and re-locate the Round Island dredging bouys. Arriving in the Straits area Wednesday afternoon, the dredging bouys were relocated and we moored at Mackinaw City for the night.

After departing Mackinaw City Thursday morning enroute Base Soo, we were diverted to proceed and assist as required the freighter Mackinac Islander which had just been in a collision. Arriving on the scene, we found that the Mackinac Islander was in no danger of sinking and under her own power and control for Manistique where she docked later in the day.

We returned to Charlevoix Thursday afternoon. Friday and Saturday we were underway to work bouys in the South Fox area. Monday Aug. 14, we assumed 'Charlie' status.

SUNDEW SCUTTLEBUT

Congratulations and best wishes to Frank and Margaret Kasper who were married in June. Tony Kubetz, Commissaryman Second, was transferred to the Coast Guard Reserves this past month after completing four years of active duty . . . Congratulations to John Currier and Nancy McDermott who have announced their betrothal. An October wedding is planned . . . Candido "Andy" Chainus was transferred to the C. G. Training Station to undergo training in Commissary School. Andy was one of five men chosen in the entire Coast Guard for this training . . . Ensign Robert McFarland reported aboard the 10th of July as Lt. J. G. H. R. Little's relief. Mr. McFarland and his wife, Linda, are living at 119 Division st. Mr. Little will leave us Aug. 19 after 18 months duty aboard the ship . . . Lt. Roger Vance reported for two weeks active duty. He comes from Cedar, Michigan.

American CO-OP Inst. Selects H. DeYoung To Serve on Panel

Henry DeYoung of RR 1 was selected to take a prominent part in the unique 1961 youth program of the 33rd annual national farm business conference of the American Institute of Cooperation at the University of Minnesota Aug. 20-23 when he was scheduled to serve on a Panel in Section 25 discussing "The Future of Cooperatives in My Community".

Theme of the three-day meeting was "New Frontiers for Cooperatives", Secretary of Agriculture O. L. Freeman was the keynote speaker.

The conference is the largest annual gathering of farm business opportunities, techniques and problems, drawing some 3,000 leaders of farm business, cred, marketing agricultural extension and rural education includng 1,000 farm youths and young farmers who participated in their own discussion and tour programs.

The Institute is chartered as a "University" in Washington, D. C., and is the educational and research organization for farmer cooperatives. It meets each summer on the campus of a prominent land-grant college.

To Vaccinate for Brucellosis in County Program

Charlevoix county livestock producers are now preparing for the third round of county wide vaccinations for protection against Brucellosis, according to Ed Rebman, County Extension Director. Two other county wide vaccinations have been held—one in December of 1960 and the second in April of 1961.

Charlevoix county and the state of Michigan are both classified as "modified, certified Brucellosis area". This means that the infection rate does not exceed 5% of the herds or 1% of the cattle.

Heifer calves to be vaccinated must be at least four (4) months of age and not have reached their nine month birthday. With this age grouping vaccinations can be held every 4-5 months and all the Heifer calves will be vaccinated in a relatively short time. Then the herd owner will have a cow herd protected against Brucellosis.

If any livestock owner is interested in vaccinating heifers he should call the Extension Office in Boyne City right away. Arrangements with the local veterinarian will be made and the herd owner notified.

Allen Blacklock Gives His Views On Constitutional Convention Issues.

FINANCE AND TAXATION

The people of Michigan, by their amendments to the constitution, have demonstrated that when they authorize a tax for a specific purpose they do not want the money diverted to other uses.

It is being advocated that the constitutional restriction on the use of highway moneys, and the division of a portion of sales tax moneys be lifted and put at the disposal of the Legislature.

It has been demonstrated in the past several years that Lansing does not now possess any greater degree of financial responsiblity than it had when the people enacted these amendments.

These moneys are now distributed to state, county, village and city highway departments for highway purposes only. The sales tax to townships, villages and cities for operation purposes. These moneys comprise a substantial portion of their budgets.

To give up the constitutional guarantee of these moneys and depend upon the whims of a constantly changing Legislature for funds would take away the security these municipalities now have. This would make advance planning impossible.

I do not believe townships would ever again share in these state—raised locally—shared moneys in view of past criticisms. Any loss of these revenues would most certainly have to be made up by increasing property taxes.

Municipal officials should resist the removal of these restrictions on the use of these funds. As for me, I would resist this proposed raid on the financial security of these units involved with all my ability, and would agree only to changes clearly written into the new constitution.

Allen Blacklock, Democratic candidate for delegate to the Constitutional Convention, is now serving his 30th year as Elberta's Village President and his 23rd year as township supervisor in Benzie county.

A railroad conductor, Mr. Blacklock received the "RAILROAD MAN OF YEAR" award in 1959 for his outstanding record of community service. His work on the Benzie County Board of Supervisors is held in high regard.

Blacklock is 57 years of age, married, and has four adult children who are engaged in business, educational and professional pursuits. He is the owner of business interests in Elberta. His hobby is local history.

A vote for Blacklock at the September 12 election is a vote for a man who knows and will protect the interests of local government.

Experiences of An Exchange Student Told by Tony Duerr

Tony Duerr, who is spending the summer in northern Germany under the sponsorship of the Michigan Council of Churches Youth for Understanding Teen-Age Exchange Program, has written an account of his experiences since leaving here late in June. He is scheduled to return home this weekend and waited until after his trip to Berlin before writing, since this city is the focal point of the Cold War at the moment. Tony, the son of Mr. and Mrs. Charles A. Duerr, will be a senior in the Charlevoix high school next month.

Dear Courier Readers:

* * *

I have been in Germany nearly two months and have had many interesting experiences and seen many interesting things. I hope you will be interested in what I write.

After the long plain trip (Detroit to Amsterdam), I still had a long train ride ahead the next day. I boarded the train early in the morning and it was mid-afternoon before I met my new family in Elmshorn, located north of Hamburg, Germany, in the state of Schleswig-Holstein.

My new family has a farm in Moorhusen near Elmshorn. The farm is about 150 acres in size and has horses, cattle, hogs, chickens and innumerable cats and dogs. Mr. and Mrs. Thormahlen also raise grain, apples and four fine sons on the farm. The sons are Claus Hermann, 22, Volker, 20, Thies, 16 and Cord, 14.

Part of the house is over 100 years old and this part is thatched. All of the old farm buildings in this area are thatched The countryside looks much like the Netherlands as you can see old windmills and dykes for keeping the water of the River Elbe from flowing onto the farmlands during high tide.

The farm I live on is very beautiful with a well-kept lawn and beautiful flower gardens. The house and barn is one building and is made of brick. The rooms are quite large and well furnished. Mrs. Thormahlen always keeps many plants and flowers in the rooms.

The weather here is much cooler than in Charlevoix and July was the coldest July for this area in 100 years so I didn't swim much. I have been swimming twice in the Elb. The water seemed too dirty to swim in but the people took to it like ducks. I guess Charlevoix's lakes have spoiled me for swimming.

I can listen to all the latest hit records on Radio Luxemburg which plays American "Pops" every night. I can also follow the Detroit Tigers on the American Forces Network Europe. I wish they would broadcast the softball scores of Charlevoix but I think that's asking too much!

I have heard campaign speeches by Willie Brandt and Ludwig Erhart in Elmshorn. Although I couldn't understand them, it was quite interesting to see them, William Brandt, present mayor of Berlin, is in the Social Democratic Party (S.P.D.) and Erhart, present vice chancellor of West Germany, is in the Christian Democratic Union (C.D.U.) Brandt and Adenauer are running for Chancellor and Erhart for Vice Chancellor under Adenauer, present Chancellor, who is also in the C.D.U. Elections will be held in mid-September. Most people I have talked to think Adenauer will win the election.

I have been able to travel around this area of Germany quite a bit. I am able to go to Hamburg often as it is only 40 minutes by train from Elmshorn. Hamburg, which is on the Elbe, is one of the busiest ports in the world and has many tourists attractions.

On August third many of the American students in Schleswig-Holstein went to Lubeck as guests of the state. In the morning a speech was given which told of the Refugee problems of Schleswig-Holstein. One-fourth of the West German population is refugees who fled from the Russian Army in the East. Refugees in Schleswig-Holstein had an especially hard time because there was little industry to employ them as this is an agricultural area. Now, however, the unemployment is less than one per cent. I thing I understand the magnitude of the proble of a divided Germany much more clearly after this apeech.

On August 10 I flew to Berlin with Thies Thormahlen. We flew from Hamburg to Tempelhof Airport in Berlin at 8:05 a.m. The flight lasted about 55 minutes. We flew by Pan-American because the Germany Lufthansa can't fly over East Germany. In the afternoon we took a 3½ hour bus tour of the city and spent about 1½ houra in the East sector of Berlin.

The main difference I could see in the two Berlins was the fact that there was more rubble from World War II in East Berlin, much less traffic in East Berlin and a generally more drab appearance of the city in the Russian sector.

While in Berlin I saw the Brandenburg Gate, the Street of Hope (Street of the 17th of June) from East to West Berlin, the Olympia atadium of 1936, the Air-Lift Monument, the Russian cemetery in East Berlin, the Stalin Alle or Stalin Street which is the most modern of East Berlin, and much more.

I am truly glad I had the chance to see Berlin which is the focal point of the crises of a divided Germany and the power struggle of the free versus the Communist countries. Even as I write the radio reports that 2700 people fled from East to West through Berlin. This is the highest number since before the 17th of June revolt in 1953. Today, three days after I was there, the Communists have stopped travel from East to West without special permits.

I hope all of you have had as wonderful a time so far this aummer as I have had. I shall be back in Charlevoix August 25 or 26 so I shall see you all soon.

Sincerely,
Tony Duerr

Sheriff Asks for Toys to be Repaired

The Charlevoix county Sheriff's Department has issued a plea for toys of all kinds that can be repaired or repainted for use as Christmas gifts for needy children in the county.

Last Christmas more than 1,000 rebuilt toya varying in size from miniature cars to tricycles and bicycles were re-built and refinished for Christmas giving.

Sheriff Glenn E. Rose said that all toys were acceptable for they are dismantled and used as parts if they could not be re-built. Toys may be left at the Sheriff's office on Antrim st.

William McDonnell Wins Belvedere Championship

Courier Photo

The golf season for members of the Belvedere club reached a climax last week when finalists in the numerous tournaments were matched in the play-off rounds. William McDonnell, pictured above at right is being congratulated as the men's champion by his worthy opponent, Ben Tate. The two veterans were evenly matched and tied up the game on the 18th hole. An extra hole was played to break the tie and McDonnell came through to win.

Results of the other final matches in the tournaments were as follows:

Belvedere Flight, Dick Bender over Woodhury Ransom; Men's Champion Consolation, James P. Orr over Mike McDonnell: Men's Belvedere Consolation, Sam Pingree over Boh Rowe.

Mrs. Kate Orr copped the Women's Championship by winning over Mrs. Irene Leatherman. Mrs. Helen Fox took the Nine Hole Championship from Mrs. Ann Flanningan. In the Nine Hole First Flight Mrs. Robert Leatherman defeated Mrs. Elizabeth Morrow. Mrs. James McDonnell defeated Mrs. Joe Gardner for the Woman's Championship Consolation and Mrs. William Connett won the Woman's Nine Hole Consolation from Mrs. William Cotter.

Voters Approve One-Mill Tax Levy for Schools

Voters of the Charlevoix school district gave their approval to a one-mill tax levy for a period of one year by a vote of 309 to 103 in a special election held Monday. Four ballots were invalid.

Earlier voters had turned down two proposals for a three-mill tax levy for a one-year period.

The one-mill levy approved Monday will qualify the school district for full participation in the State Aid program. However, failure to approve the three-mill tax levy will require deficit spending in the amount of approximately $29,310.

North American to Visit Local Port

There'll be one more visit this year by the SS North American.

She is scheduled to visit Charlevoix from 10:30 a.m. to 12 noon, Sunday Sept. 3, according to Paul Kohler, secretary of the Charlevoix Chamber of Commerce. This will be the annual Labor Day weekend cruise from Chicago.

City Lets Workmen's Compensation Ins. To Novak Agency

A bid for Workmen's Compensation Insurance was accepted and bills and payroll approved in one of the briefest of City Council meetings held recently.

At the meeting held Monday night, the bid submitted by the Novak Insurance Agency for Workmen's Compensation Insurance for the period of Sept. 1, 1961 to Aug. 31, 1962, was accepted. Only other bid was submitted by the Michigan Mutual Insurance Co.

Bills and payroll totaling $24,444.39 were approved and ordered paid. The figure included a $4,190.49 payment on the new clubhouse at the municipal golf course; $4,826.25 for diesel fuel oil; $1,644 to Westinghouse Co. for new transformers; $1,173.25 for gravel for State st. rebuilding project and $7,977.25 payroll.

Plans for the installation of a three-phase service line to the new Hoskins Manfacturing Co. plant off M-66 southeast of the city were discussed. The Company has asked for temporary service by Sept. 10 and permanent service by Oct. 10 to the site where the new plant will be constructed by the Austin Construction Co. of Grand Rapids.

Highway Department Proposes Shoreline Scenic Highways

A study of 11 possible Great Lake shoreline scenic highways for Michigan has been proposed by the State Highway Department.

Included in the study which calls for "senious public discussion" on the establishment of 650 miles of scenic shoreline routes in northern Michigan and the Upper Peninsula is 16 miles along Lake Michigan from Charlevoix to Easport.

Total cost of the 11 scenic routes is estimated at $97.1 million. The proposed route between Charlevoix and Eastport would cost an estimated $1.9 million.

State Highway Commissioner John C. Mackie said that the Highway Department "has long expressed an interest in the development of shoreline scenic routes to make more available to the public the beauty and natural wonders which our state is so richly endowed".

Mackie added that the 11 possible routes would stimulate Michigan's tourist industry.

Only five of the proposed scenic highways are in the lower Peninsula. Only other one in the immediate area is 22 miles from M-131 at Cross Villege to Mackinaw City which would cost an estimated $2.7 million.

Others are five sections of M-22 along the shore of Lake Michigan from Manistee to Empire in Leelanau county totaling 30 miles; Ludington to Manistee on Lake Michigan, 22 miles; Alpena north along Lake Huron to a point near Thompson's Harbor in Presque Isle county, 40 miles.

All others are located in the Upper Peninsula.

To Hold Hearing On Closing of Norwood Road

A hearing on the closing of a section of the road familiarly known as the Norwood road will be held at the main office of the Charlevox county road commission on M-75 in Boyne City at 10 a.m. Monday.

The city of Charlevoix and 'other freeholders of Charlevoix township' are petitioning the county road commission to discontinue and abandon a part of the road bordering on the west side of the present city airport for the purpose of allowing the expansion of the airport.

The section to be abandoned lies 843.3 ft. off US 31 S. at the north boundary of the William H. Lunney and the Coeling properties north to the Charlevoix township hall and the Louisa Hansen property on the south side of Carpenter ave.

Achievement Day Exhibits to Be At Whiting Park

Whiting Park will again be the site of the Fall 4-H Achievement Day, according to Ed. Rebman, County Extension Director. This years event will be repeated on Labor Day, Monday, September 4. Exhibits will be in place by 10:30 a.m. and will be released the middle of the afternoon.

There will be approximately two-hundred (200) exhibits of different projects on display. These will be displays of Charlevoix county boys and girls who have been working on their projects this past summer.

Judging will start promptly at 10:30 a.m. The judging, again this year, will be the same as last—that is, the local extension agents, Clare Brown and Ed Rebman will do the judging. 4-H members, parents, and friends are invited to watch the judging and ask any questions about the placings.

The American Legion of Boyne City with the assistance of the merchants of Boyne City will again sponsor the entertainment during the day there will be games and contests for everyone. There will be plenty of picnic tables for group picnic lunches.

People are reminded by Rebman to come during the day to view the exhibits. They will not be on display in the evening.

John G. Wege to Be Transferred to Upper Peninsula

John G. Wege, a veteran of 17 years with the Bureau of Sports fisheries and Wildlife Division of the U. S. Department of the Interior, has been transferred to the Pendill Creek hatchery near Brimley in the Upper Peninsula after 2½ years at the local federal hatcery.

The promotion and transfer were effective Wednesday.

His successor will be Edward Peterson, a hatchery biologist from Spear Fish, S. D. who is scheduled to assume his new duties Sept. 5. He will be accompanied here by his wife and two children.

Colonial Club Furnishings to Be Offered for Sale

Most of the furnishings of the former Colonial club located on Mecch St. will go on sale Friday and Saturday, beginning at 9 a. m. each day. The sale is sponsored by the Kiwanis Club of Charlevoix which recently acquired this vast array of equipment which once furnished one of the most extravagant gambling establishments in Northern Michigan.

Offered for sale will be the carpeting on the floors, game tables and the chairs used at these tables (particularly adapted for kitchen chairs), golden chair, various items that are now in the class of antiques, a large selection of disbes and glassware.

This sale is being held in advance of the annual White Elephant sale sponsored by Kiwanis, in order to make room for the quanity of merchandise already on hand for the second sale to be held this fall.

Many persons will likely find ni some of these relics of the colonial club's heyday a souvenir they will want to have for memories sake. From a practicable standpoint they are as valuable today as they were then--but for a different use.

The building will be open to the public during the two days of the sale. All furnishings will be priced-tagged and must be sold.

If you have any news for next week's issue of the Charlevoix Courier, won't you call early with it?

Because of the Labor Day holiday most places of business will be closed. However, the Courier will accept news items at LI 7-6633 on Monday as usual.

80 Candidates Report For C. H. S. Football

Approximately eighty candidates for the Charlevoix Rayder and the J. V. football squads are reporting for two practice sessions daily as the prospective players prepare for the opening of the 1961 season, according to Coach Don Carey.

Conditioning, the learning of plays and drills of various kind make up the practice sessions at 7 a.m. and again at 5 p.m.

This schedule will continue until the opening of school term on Sept. 11.

The Charlevoix Rayders will open their season with a non-conference game at Rogers City Sept. 15 before launching into the conference schedule at Pellston Sept. 22.

Coach Carey is counting among his returnees the following lettermen: Gary Spencer, Denny Wojan, Stan Martin and Henry Wagner, all backs and Darrell Somerville, Dale Burke, Ted Tunison, Bruce Bartlett, Don Berg and Dave Rader, the only junior among the returning lettermen.

Among the other candidates for starting positions are Gary Baleh, Mike Bost, John Pearl, Herb Cummings, Tom Brow, Dan Pearl, Joe Smith, Charles Mitchell, Howard Majors, Mel Holborn, Ron Hedrick, Terry Geer, Bill Dohm, Frank Curtis, Al Wojan, Dick Odmark, Allan Bolhuls, Jim Zeitler, Rick Kallmeyer, German Exchange student, Rick Miller and Steve LaBlanee. The latter two are sophomores. All others are juniors.

Charlevoix Hires Three New Teachers

Three new teachers have been added to the faculty. They are Henry Lentz, a Central Michigan graduate who comes here from Boyne City to head the high school science department; Miss Beth Richards, a northern Michigan College graduate who taught at Green Bay, Wis., for two years before coming here to teach second grade and Mrs. Charles (Jean) Herron who will have the new third-fourth grade room. Mrs. Herron, whose husband is here with the Consumers Power Co. Information Center, is a native of New Palestine, Ind., and a graduate of Ball State Teachers College. She taught at Angola, Ind., and Manistee before joining the faculty of the local school.

St. Mary's school, taught by the Dominican Sisters and one lay teacher, Mrs. Irene Melville, will follow the same schedule for the school opening as the public schools.

The Argalis are the world's largest sheep, standing about four feet high and weighing nearly 350 pounds.

ConCon Delegate Election To Be Held Sept. 12

Delegates to the Constitutional Convention to be held in Lansing later this fall will be elected at a special general election scheduled for Tuesday, Sept. 12.

On the ballot at that time will be the names of Republican Donald M. Habermehl of Alpena who will be opposed by Democrat A. M. 'Tony' Schneider of Indian River for delegate from the 29th senatorial district and Republican Edward K. Shanahan of Charlevoix and Democrat Allan Blacklock of Alberta, candidates for election as the delegate from the Charlevoix Representative district which takes in four counties, Antrim, Benzie, Charlevoix and Leelanau. The 29th district includes seven northern Michigan counties, Emmet Cheboygan, Presque Ile, Alpena Otsego, Montmorency, and Charlevoix.

Qualified electors planning to vote by absent voter's ballot are reminded that they must obtain an application for an absent voter's ballot from the clerk of their voting precinct and return it before receiving the official ballot. Deadline for obtaining an absent voter's ballot is 2 p.m. Saturday, Sept. 9.

Voters in Charlevoix township will also cast their ballot on a proposal to renew the special assessment district for fire protection for the residents of the township. The proposal asks the approval of the voters to raise the 15 mill tax limitation by one mill for a period not to exceed five years to raise funds to underwrite the cost of the fire protection. The one mill tax would be levied on the county equalized valuation. The present millage for fire protection expires in April.

Joann Swaboda Awarded Nursing Scholarship

Joann Swaboda of RR 1, East Jordan, a 1961 graduate of the Boyne City high school, has been awarded the sixth annual nursing scholarship offered by the Women's Guild of the Charlevoix Hospital, Mrs. E. K. Shanahan, president of the sponsoring organization, has announced.

Miss Swaboda, daughter of Mr. and Mrs. Edward Swaboda, has been accepted at Borgess Hospital School of Nursing in Kalamazoo and will leave Sept. 13 to enter training.

The scholarship offers $300 given at the rate of $100 annually for a three year period. The recipient receives her first check on entering training and the remaining checks on the next two anniversaries of this milestone.

Former World All-Events Champion To Appear at Paul Bunyan Lanes

The Paul Bunyan Lanes will launch the 1961-62 bowling season with the appearance of Mr. and Mrs. Tod Moskal, outstanding bowlers of Saginaw, at the local lanes Saturday night, Stan Fiedorek, manager of the popular recreation spot located on US 31 South, has announced.

Mr. Moskal, former World All-Events champion in A.B.C. competition and among the top 10 bowlers in Saginaw for 27 of the past 30 years, and his wife, Lee, the outstanding woman bowler in Saginaw with an overall average of 180 in 20 years of play, will bowl an exhibition game with Mr. and Mrs. John Swanson at the lanes at 7 p.m. Saturday.

Following the exhibition Mr. Moskal will measure local bowlers for balls and advise them in the purchase of equipment. Mrs. Moskal will offer instructions to anyone interested in bettering their game.

In announcing the appearance of Mr. and Mrs. Moskal, Mr. Fiedorek said that Charlevoix was indeed fortunate in having such outstanding bowlers visit the community and asked that all patrons of the lanes avail themselves of the services offered by the couple.

The Moskals are a bowling family according to Mr. Fiedorek. Mrs. Moskal has been the All-Events champion in Saginaw for five different years and the one year she did not win the title her daughter, Carol, 20 who has an average of 176, came through to defend the family name. The mother and daughter combination rates one-two among the women' bowlers in Saginaw. Son, Charles, 24, averages 193 per game and is considered the fourth best bowler in Saginaw.

To Accept Bids For Roadway to Fish Hatchery Site

Bids for the construction of a 4,000 ft. entrance road at the site of the proposed new Jordan River federal fish hatchery will be accepted at the Minneapolis, Minn., office of the Bureau of Sport Fisheries and Wildlife Sept. 8.

An additional 2,000 ft of roadway will be built at a later date. The entrance road will be located four miles north of Alba on US 131, will eventually be 6,400 ft. in length and will lead to the hatchery proper.

Bids for the hatchery building, a total of 60 raceways including 20 that are five feet wide and 40 which are eight feet in width and five dwellings for employees will be let in the spring. Other bids for the project which will cost an estimated $100,000 to $1 million will be let after July 1 of next year.

At 10 a.m. the entire faculty will gather in the high school cafeteria for a coffee hour and general meeting which will last until noon.

At 1:30 p.m. the elementary teachers will meet with Principal Glenn B. Snider and the high school teachers will meet with Principal H. E. Bingham in their respective schools. Following this books and supplies will be distributed.

High school students will report at 8:45 a.m. Tuesday for assigment to rooms for enrollment. Elementary students will enroll at 9 a.m. and receive assignments.

Classes will be dismissed at 2:30 p.m. on opening day.

School buses will pick up students at regular appointed times and return them to their homes beginning at 2:30 p.m, There will be no hot lunch program on opening day.

County Schools To Open Tuesday September 5

All Charlevoix county schools with the exception of those in Charlevoix will open Tuesday, Sept. 5, Charles A. Robinson, conuty superintendent of schools, has announced

Two of the rural schools in the county, North Bay and Horton Bay, have been annexed to the Boyne City school district with all students being transported for the first time. A third school district in the county, Ironton, is expected to transport its students to either East Jordan or Charlevoiv though formal announcement regarding this had not been made earlier this week. The school itself has been closed since mid-April after it was condemned by the State Fire Marshall. Students finished out the school year in a room made available by the East Jordan school system.

At this time the Chandler school in the east section of the county does not have a teacher. However, one is expected to be signed by the beginning of the school year.

Other schools opening Tuesday will be Hayes No. 1 (Murray) with Mrs. Bernice Howard returning as the teacher; Melrose at Walloon Lake with six elementary teachers; Beaver Island community school, a Kindergarten through the 12th grade school, taught by the Dominican Sisters; Boyne Falls; East Jordan which is cutting six teachers from its faculty and Boyne City which had vacancies on its faculty yet to be filled earlier this week.

The Charlevoix public school and St. Mary's parochial school will officially open Monday, Sept. 11., with a teachers' conference with classes scheduled to begin Tuesday, Sept. 12.

Daniel Gillispie, Great Lakes Sailor Drowns in Ohio

Daniel E. "Eddie" Gillispie, 38, watchman aboard a ship of the Pittsburgh Steamship Co., was drowned Friday at Lorain, Ohio, as he fell from a dock while attempting to board his boat.

Officers said he apparently lost his footing on a gangplank and plunged into the Black River.

Funeral services were held at St. Mary's church here Tuesday with the Rev. E. Francis Denay officiating. Burial was in St. Mary's cemetery. The Winchester funeral home was in charge of arrangements.

Born in Chicago, Sept 20, 1922, Mr. Gillispie was reared on Beaver Island and in 1938 started sailing the Great Lakes. In 1941 he came to Charlevoix to live. During World War II he served 2½ years in the U. S. Marine Corps. Following his discharge from service he returned to sailing. He was a member of St. Mary's church.

Surviving are his mother, Mrs. Mable Gillispie, with whom he lived; a brother, Louis, of Charlevoix and three sisters, Mrs. Tracey Harvey of Waukegan, Ill., Mrs. Bernard Keiser of Charlotte and Mary Jean, at home.

Who Gets the Profit?

Does your organization want to make $100 or $1,000 Its so easy, according to the flood of literature mailed weekly to presidents, secretaries, and other officers of the various associations and clubs.

Invariably such promotions mean that the promotor sells a quantity of merchandise. The organization sells a little of the merchandise; makes a little money; disposes of the balance of the merchandise and thinks it has done a wonderful stroke of business.

There is one hitch to the procedure. The promotor gets his money. He pays no local taxes. He contributes nothing for the betterment of the community. But the whole community is the loser.

Local merchants take the brunt of the loss. All the leosmeties, wearing apparel, candy, patent medicines, extracts, etc, sold cut into the sales of local merchants. It might be well to remember that in the past local merchants have been more than generous in coming to the support of locally sponsored projects.

The Road to Dictatorship

It is trite to say that it is easier to pass a tax law than to repeal one. That is praticularly true when such a tax is established above the immediate local tax level.

A case in point is the federal excise tax of 10 per cent on communication services (telephone and telegraph) created as a war-time measure during World War II. For taxing purposes these services have been placed in a category with tobacco, liquor, nightclubs and amusements. Yet these services, if completely cut off would paralyze our entire economy in a matter of a few days. Other essential services are not so classified and tax which can only mean this is a discriminatory tax.

This tax now has been in effect for nearly 20 years and the last congress has extended it for another year.

Why? Apparently government finds it easier to continue the tax than to eliminate some of the wasteful operations that were started as a war-time emergency. Bureaus and departments find it is unpopular to cut employees from the public payroll. When all of us get our support from the government it won't matter. We'll have lost our freedom and be slaves to a dictatorship.

Cost of Britain's National Health Service—a system of socialized medicine—climbed to more than two billion in 1959-60, according to Reuters, the British press service. The Ministry of Health has expressed official concern over the continuously rising costs.

Voice of Our Readers . . .

Dear Sir:

This letter is written in reply to an unsigned letter appearing in the Charlevoix Courier on Thursday, August 24, 1961, in reference to the plan of Eveline School District No. 4 to build a school in Ironton. Your readers should have correct information as to the plans of the School District.

On August 8, 1961, the electors of the School District voted 53 to 17 against annexation to Charlevoix. At the same time the school electors voted 48 to 9 against the acceptance of the Charlevoix Bond issue. This election proves without the slightest doubt that the citizens of Ironton desire to build their own school and the School Board is presently taking steps to submit a bond issue to the electors for their approval. At this time, the electors will again have the opportunity to direct the School Board as to the question of building a new school in Ironton.

Eveline School District No. 4 has the ninth highest valuation in Charlevoix County. There are 38 school districts in the County and these include Cities such as Charlevoix, Boyne City and East Jordan. The present State equalized valuation of the School District is One Million Sixty-two Thousand Seven Hundrend and Forty-nine Dollars. Tentatively, a bonding issue would require a millage increase of about 5½ mills which would result in a total annual increased cost to tax payers of $5,500.00 Bonding experts have advised that the Eveline School District No. 4 has ample valuation for the purpose of building its own school and for the purpose of funding this bond issue.

If the Eveline School District No. 4 were annexed either to Charlevoix or East Jordan, the total cost to tax payers in the district would be greater than if the School District builds its own school. This is because a proportionate part of existing bond issues in these places would have to be assumed by the School District. From these figures it must certainly be clear that the purpose of the plan to build a new school in Ironton is not to saddle Summer residents with an unreasonable increase in their taxes. Actually, the School Board is conscious that there are some taxpayers in the district who are ineligible to vote because of Summer residency. The School Board believes that the new school in Ironton is the most economical way to provide educational needs for children in the School District.

Cost alone, however, should not be the only criterion by which to judge the plan of building a new school in Ironton. Ironton is a progressive, thriving community made up of sensible and intelligent people who have determined that they desire to provide their own eductional facilities. These people feel that a new school in Ironton would be an asset to the community and would be in the best interests of the citizens of the community as well as the children who will use the new school.

Present State laws alow the Eveline School District No. 4 to establish its own school if the majority of electors desire that program.

Glen Williams
President
Eveline School District

LETTER TO THE EDITOR ....

The people in Ironton who are fighting for a school would like to be heard.

To begin with there were three elections held:

(1) The first was called a concensus of opinion—not legally, but we felt, morally binding. The majority (59 to 34) decided to go on with a building program rather than annex to a K-12 school district.

(2) The second, an annexation vote to East Jordan was defeated 66 to 24.

(3) The third, an annexation vote to Charlevoix was defeated 53 to 17.

These figures, in themselves, should prove WITHOUT A DOUBT what the majority want.

Then there is the question, can the district afford to support a school after the transfer of 10% of our district to East Jordan? We have a State equalized valuation of $1,062,749 and that speaks for itself.

There was something said about 'hooking the summer people' and 'conniving'. Well it was the group opposed to the school—a part of which transferred to East Jordan and took along with them a summer resident's land without asking his permission and he couldn't contest it because he was a non-eligible tax-payer—all very legal but how morally right were they?

This same group elected a member to the school board a year ago, who, in his own words, "his job was to keep the district from building a school." And we who want a school are called CONNIVERS!

Why should our little children ride an already over-crowded school bus an hour and a half each day if we can have our own school?

Why give up our district? There is every indication that we are growing and will continue to do so. A school is certainly an asset, not a detriment to a community—and we are a community. We have our own Church, stores, garages and Post Office—we are not just a rural farming area.

As to our taxes, should we build. They will be close to the same as Charlevoix's but for a six to eight year period, and whether we build or annex the taxes will rise—the only difference will be how much and for how long .

The advantages in the city school spoken of are negllbile. The main thing for grades (Kindergarten through the Sixth) is that the children get the best basic training possible in the 3-R's. The rest, such as the fine arts, are subjects for the upper grades.

Signed by Voters and Taxpeyers

Miss Jean Feltkamp Marries Phillip W. Timmer Friday

Arrangements of white mums and gladioli and greens decorated the Central Ave. Christian Refromed church in Holland for the wedding of Jean Veltkamp and Phillip W. Timmer Friday evening.

Parents of the couple are Mr. and Mrs. John Veitkamp of Holland and Mr. and Mrs. Peter H. Timmer of this city.

The Rev. Lawrence Veitkamp of Muskegon, uncle of the bride, officiated at the double ring service. Miss Hazel Oelen was the organist and Edward Diepenhorst the soloist.

Given tn marriage by her father, the bride chose an Empire gown of bouquet taffeta for her wedding. Fashioned with a fitted bodice, oval neckline and bracelet length sleeves, the gown had a full skirt which ended in a chapel length train. A pillbox of pleated chiffon secured her bouffant fingertip veil of bridal illusion. She carried a cascade bouquet of white roses with ivy streamers.

Mrs. Henry Holstege of Grand Rapids, sister of the bride, as matron of honor wore a gown of regal blue crystal charm made with a fitted bodice and pleated skirt. Her headband was of matching blue mums and white roses and she carried a cascade bouquet of white carnations and pink roses.

Mrs. David Bos and Donna VandeKamp, both of Grand Rapids, as bridesmaids wore gowns and headbands identical to the honor attendant's and carried bouquets of the same flowers.

Howard Timmer of Grand Rapids assisted his brother as best man. William Postmus of Kalamazoo and Donald Drenth of Ellsworth seated the guests.

Mrs. Veltkamp chose a gown of light blue lace with a matching blue hat and white accessories for her daughter's wedding. Mrs. Timmer, mother of the bridegroom, wore a light blue two-piece dress and beige accessories. Their corsages were of Philionopsis orchids and sweetheart roses.

A reception followed in the church parlors.

After a wedding trip through the Smoky Mountains the couple will reside at 5000 Eastern ave. SE, Grand Rspids.

The bride is a graduate of Holland Christian high school and attended Calvin College in Grand Rapids. She will teach at the Kellogsville Christian School. Mr. Timmer, a graduate of the Charlevoix high school and Calvin College, will teach at the Kellogsville Christian Junior high school.

Mary Schuchard Feted at Shower

Mary Schuchard, whose marriage to Robert Mol will be an event of Sept. 16, was honored at a bridal shower given Tuesday evening by Mrs. Leonard Burns, Mrs. Harry Stewart and Mrs. Arnold Wadas at the latter's home.

White daisies spilling out of an inverted umbrella was used as a theme for the party which was attended by 31 guests. Lighted tapers and pink cornflowers centered the refreshment table.

The bride-elect was presented with many lovely gifts.

Rosalie Weisler Guest of Honor At Bridal Shower

Rosalie Weisler whose marriage to Otis Elliot will be an event of Saturday was honored at a bridal shower by Mrs. Stanley Lord, Mrs. Milton Richardson, Mrs Martin Weisler and Mrs. Raymond Weisler at Friendship Hall in Norwood recently.

Arrangements of summer flowers decorated the hall for the occasion.

The bride elect was presented with many useful items for her pantry.

There is no C in the Greenland alphabet.

Mr. and Mrs. Paul E. Louiselle To Live in Harbor Springs

The First Methodist church in Harbor Springs was the scene recently of the wedding of Mary Izetta Hahn and Paul Edwin Louiselle.

Parents of the couple are Mr. and Mrs. Wilbur Hahn of Harbor Springs and Mr. and Mrs. Paul Louiselle of this city.

An arch of evergreen and gladioli flanked by baskets of pink gladioli and candelabra formed a setting for the double ring service at which the Rev. A. H. Keesler officiated. White satin bows marked the pews where the 250 guests were seated for the August 19 ceremony. Mrs. Inez Stanley was the organist and Richard Rosemier the soloist.

Escorted to the altar by her father, the bride chose a floor length gown of white lace for her wedding. Fashioned along princess line, the gown had a fitted bodice, scalloped neckline with irridescent sequins, long tapered sleeves and full skirt. Her fingertip veil fell from a matching lace headdress and she carried a white Bible topped with an arrangement of white Amazon lilies, stephanotis and pink rosebuds.

Nancie Bliss of Harbor Springs as bridesmaid wore a gown of Nile green organdy styled with puffed sleeves, scoop neckline and full, street length skirt. She carried a crescent bouquet of varigated pink carnations.

Linda Burrows of Harbor Springs and Sharon Louiselle of Charlevoix, sister of the bridegroom, as bridesmaids, wore gowns identical to the honor attendant's in pink organdy and carried crescent bouquets of pink and white carnations.

Connie Louiselle of Charlevoix, as flower girl, wore a Nile green organdy dress and carried a basket of rose petals.

Thomas Louiselle of Charlevoix assisted his brother as best man. Groomsmen were Carl Sneathen and DeMar Bodley. Ronald VanCamp, Robert Geer, Jerry Stebe and Michael Herington seated the guests.

Mrs. Hahn selected a light blue sheath dress and white accessories for her daughter's wedding. Mrs. Louiselle, mother of the bridegroom, wore a medium blue print sheath and white accessories. Their corsages were of pink rosebuds.

A reception at the church parlors was followed by an informal reception at the Emmet County Sportsmen's Club where the Novotny Trio played for dancing.

For traveling on a brief northern Michigan wedding trip the bride wore a beige plaid suit and matching accessories.

The couple will be at home at a State street address in Harbor Springs.

The bride, a graduate of Harbor Springs high school, is employed by the Michigan Telephone Co. in Harbor Springs. Mr. Louiselle, a graduate of the Charlevoix high school, is employed at the American Mold Engineering Corp. here.

Wedding guests were present from Grand Rapids, Charlevoix, Petoskey, Central Lake, Kewadin, East Jordan, Toledo and Continental, Ohio, and Mississippi.

Betrothed

The Rev. and Mrs. Carl M. Gunn have announced the engagement of their daughter, Carol Margaret of Wheaton, Ill., to Edwin W. Rowlette also if Wheaton, Ill.

The prospective bridegroom is the son of Mr. and Mrs. Edwin H. Rowlette of Omaha, Neb.

No date has been set for the wedding.

The bride-elect is a graduate of Allegan, Michigan, high school and Wheaton College. Mr. Rowlette also attended Wheaton College.

N.C.M.C. Announces Opening Schedule

The schedule for the opening of the fall term at North Central Michigan College in Petoskey has been announced by A. D. Shankland, dean of the college.

Tuesday and Wednesday, Sept. 5 and 6, have ben set aside as the days for testing program for all new freshmen students who will be notified regarding the hours for the tests.

All students enrolling in the college for the first time will be asked to report at 10 a.m. Sept. 11 at the Petoskey high school auditorium for an orientation program

Tuesday and Wednesday afternoons, Sept. 12 and 13, have been set aside for counselling and enrollment of all students and the next two days, Sept. 14 and 15, for registration. Students planning to take evening classes will register at 7 p. m. Sept. 12 at the college.

Classes will start on a full schedule Monday Sept 18. All students should be registered by this date.

Students are welcome to take part-time work at the college if they wish, Dean Shankland said.

Enrollment for the fall semester is expected to be up at least 10 per cent over last year and more than 200 students are expected to register for the term, Dean Shankland added. This is the third year of operation for North Central Michigan College which graduated 26 students last June in its first graduating class.

By ELMER E. WHITE

"EQUAL TIME" for political candidates on radio and television is a deceptively simple and dangerous concept.

In the fall campaign of 1960, the retirement that broadcast media give "equal time" to all candidates for a given office wes suspended for the presidential and Vice-Presidential candidates only.

Specifically, the "equal time" provision is in section 315 of the Communications Act, and was suspended last year by Congress, which passed the act in the first place.

The danger in this whole situation is this:

As indicated in the campaign last year, the wording of section 315 is somewhat vage and this leads to problems over just where it applies. Because minor party candidates could have epual time with Republicans and Democrats under an interpretation of 315 by the Federal Communications Commision (FCC), a tremendous hardship threatened the broadcast industry in the 1980 election.

That's why Congress suspended the operation of 315 for the top two races.

Frank Stanton, president of the Columbia Broadcasting System, in a speech to members of the professional journalism society, Sigma Delta Chi, advocated permanent repeal of the "equal time" law.

His point, one well worthy of consideration, was that rule 315 cannot be construed as anything but a limitation on the free flow of information, and as such only is an infringement on the rights of broadcasters, but constitutes a threat to freedom of the press.

Indirectly, restrictions of this sort reach to the basic freedoms guaranteed in the constitution to all United States citizens.

Perhaps the original intent of section 315 was good, or at least not bad. It was probably designed to prevent anyone from using the airwaves, apparently well established as public property, to overexpose one candidate in a political campaign and thereby practically guarantee his election.

The consequences of requiring equal time, for example, for a score of candidates for a locol office aparently was not foreseen.

Also missed in the zeal for regulation was the necessity for a better definition of how "equal time" should work. The FCC later said section 315 applied to newscasts, interview programs or anything else that constituted an apearance. This is really where the trouble lies.

Obviously, few broadcasters would object to making "equal time" available to those who would pay for it.

But the necessity to time each appearance of each candidate on news programs and other shows so all other candidates could be given equal treatment is an intolerable burden.

Even if radio and television stations would put up with the restrictions of section 315, however, the threat of expanding the "equal time" concept should frighten all citizens.

As Stanton eloquently put it in his speech to Sigma Delta Chi:

"A free society cannot say of medium that it shall have less freedom than another, because it has more impact or more immediacy or a greater audience.

"If the freedom of any medium is restricted, the foundation for the freedom of all media is gone, and freedom eventually becomes a government handout.

"Nor can a free society give governmental agencies the power to roam around the substance of publications or of broadcasts, choosing what matter shall be free and what subject to government restraints or reprisals, except in the case of clearly and publicly defined security matters."

Stanton went on to say:

"It is in the nature of a free society that only the people make choices about what they shall read or see or hear, and not their government, whether its motive be protective or self-seeking, benevolent or invidious.

"And a free society rejects also the notion that any freedom is occasional, and particularly that suitable occasions for limiting the freedom of the press in any of its forms are election issues."

"Money may be the root of all evil but it certainly grows into nice looking shrubbery."—Fred W. Grown, Bergen Citizen.

Governor Inspects Big Rock Nuclear Plant

President James H. Campbell of Consumers Power Company (at right) makes a point during a visit by Governor Swainson, and other state officials, to the Big Rock Point Nuclear Plant near Charlevoix, August 23rd. Left to right are—the Governor, Attorney General Paul Adams, and James H. Inglis, Chairman of the Michigan Public Service Commission and newly appointed Chairman of the Governors Atomic Energy Study Committee.

Justice Court News

Justice John Connolly reported the following cases which appeared in his court recently:

William C. Derenzy, 34, of East Jordan, charged with driving while under the influence of intoxicating liquor, was ordered to pay $50 fine and $5.00 costs or serve 30 days in jail. He was committed and his driver's license suspended. Summons issued by the State Pilice.

Thomas E. James, 30, charged with being drunk and disorderly, was ordered to pay $20 fine and $10 costs and sentenced to 15 days in jail. If fine and costs are not paid he must serve an additional 30 days. Summons was issued by the Sheriff's Department.

Richard Napont, 19, of St. James, charged with petty larceny, was ordered to pay $10 costs and sentenced to 10 days in the county jail. He must serve an aditional 10 days if fine and costs are not paid. Summons was issued by the Sheriff's Department.

Mat Melville of St. James, charged with unlawfully setting a fire without first obtaining a permit, was ordered to pay $5.00 fine, $7.50 costs and restitution for labor in the amount of $16. Summons was issued by the Conservation Department.

Other cases including the following traffic violations: speeding: Whitney W. Ballentine, 17, of Wayne, $5.00 fine and $4.30 costs, State Police; Orvile H. Davis, 47, Muskegon, $15.00 fine and $4.30 costs, State Police; Paul G. Vaughn, 49, of Detroit, $5.00 fine and $4.30 costs, State Police; Edward J. Barry, 27, $5.00 fine and $5.00 costs, City Police; Driving too fast for road conditions; J. F. Hickey, 19 of the Belvedere Club, $5.00 fine and $5.00 costs, Sheriff's Department; No turn signals on truck; Clarence W. Falas, of Ellsworth, $5.00 fine and $5.00 costs, Sheriff's Department; Insecure load on truck; Richard L. Hardy, 31, of Traverse City, $5.00 fine and $4.30 costs, State Police; Failure to yield to right-of-way: $5.00 fine and $4:30 costs, State Police; No operator's license: George Gardner, 20, of Boyne City, $5.00 fine and $5.00 costs, City Police; Stop sign violation: Platt Purvis, 21, of Ontario, Paul Daniels, 50, of Petoskey and Jack C. Russell, 29, $5.00, each, State Police.

Hazel M. Boyer, 17, of East Jordan, her cousin, Donald Craig, 18, of Saginaw and Gerald H. Hanson, 20, of Detroit, charged with receiving stolen property valued in excess of $100, waived examination before Justice John Connolly and were bound over to the August term of Circuit Court. Bonds of $1,000 each were not furnished and they returned to the county jail.

Two minors from Detroit allegedly broke into the Dilworth Agency and the Boyne City Hardware the night of August 20 and took guns, ammunition, tools and currency totaling approximately $60, which they then turned over to the above trio. The minors have been turned over to probate court.

Pot Roasts Offer Wide Choice of Variation

Pot-roasts are famous for hearty family dinners. Part of their popularity is certainly due to the many possible variations in preparation. Since they are slowly braised with moist heat, this gives you a good change to introduce a number of different flavors, states meat cookery expert Reba Staggs.

Here's a new pot-roast recipe that' a fresh treat on a balmy spring day . . . Hawaiian Pot-Roast.

The beef is teamed with some of Hawaii's favorite foods . . . pineapple, soy sauce and ginger.

Hawaiian Pot-Roast

3 to 4-pound beef arm or blade pot-roast
3 tablespoons lard or drippings
½ cup water
¼ cup soy sauce
¼ teaspoon pepper
¼ teaspoon ground ginger
1 medium onion, sliced
1 can (4 ounces) mushroom stems and pieces
⅓ cup sliced celery
1 can (8½ ounces) pineapple chunks, drained
¼ cup water
2 tablespoons flour

Brown pot-roast in lard or drippings. Pour off drippings. Add ½ cup water, soy sauce, pepper, ginger and onion. Cover tightly and simmer for 2½ to 3 hours or until meat is tender. Combine mushrooms, celery, and pineapple. Add to meat and continue cooking for 20 to 30 minutes, or until celery is tender. Remove meat to warm platter. Mix together ¼ cup water and flour. Add to cooking liquid and cook until thickened. Serve gravy with pot-roast. 8 to 10 servings.

"All Political Power

is inherent in the people. Government is instituted for their equal benefit, security, and protection" so says the Constitution of the State of Michigan.

These two simple sentences, taken together, and in their entirety, are as clear a statement of the fundamental basis for self government as I have ever seen.

As a delegate to the Constitutional Convention I will do everything within my power and ability to maintain, preserve, and further the application of this basic concept.

This means, in part, that I believe in the election of our executive legislative, and judicial officials, at all levels, for definite limited terms of office, for how else can such persons be held directly accountable to the people.

This means further, in part, that the powers of government must be circumscribed and limited by a constitution: that the electorate must possess a dedication to the principles of limited Constitutional government: — otherwise dictatorship, absolute and complete, becomes inevitable.

Above all it is the vote that is important. Your VOTE!

From where I sit ... *by* Joe Marsh

Shorty Made No "Bones" About It

Folks thought it was a big joke when Shorty Johnson came back from Center City with a new St. Bernard for his kids.

And the truth was, Shorty did look kind of funny. The pooch practically filled the whole back seat of Shorty's car, and, when he let it out, it stood darn near as high as Shorty did!

But Shorty didn't mind the ribbing. As he explained, "I know I look pretty silly with a dog like this. But when you've got eight kids like I do, and you get 'em a dog, you get one big enough so they can all play with it at once!"

From where I sit, folks should "size up" a situation before jumping to conclusions. For example, because Shorty likes coffee, I used to feel he'd disapproved when I'd have a glass of beer. But after I got to know him, I realized he was a *tolerant* man—one who'd never think of challenging his neighbor's right to his own opinions. This attitude is typical of most of the folks in our town—one of the things that makes them so "dog-gone" wonderful!

Bertrand J. McDonough Retires From U. S. Lighthouse Service

★ ★ ★

After 33½ years in the lighthouse service, Bertrand J. McDonough, one of the few remaining civilians in the service that has been a part of the U. S. Coast Guard since 1939, has retired.

A native of Beaver Island, Mr. McDoonough also was presented with Albert Gallatin award in recognition of his many years of service.

The award was presented Thursday by WO Louis DeBernardi, executive officer of U. S. Coast Guard Group Charlevoix, at an informal ceremony held at the Group Office. In making the presentation, Mr. DeBernardl commended Mr. McDonough on his fine service record and read letters of commendation from Rear Adm. G. H. Miller, Commander of the Ninth Coast Guard District, and Cmdr. B. N. Chiswell, Personnel Officer of the District before presenting him with the Gallatin Award given to U. S. Treasury Department personnel upon retirement after long service to the department.

The award, signed by Douglas Dillon, U. S. Secretary of the Treasury, resds as follows:

"Upon your retirement from Federal Service this award is presented as evidence of the esteem in which you have been held by the Treasury Department which has been the principal beneficiary of your labors for so many years.

"The fine contribution you have made to public service well merits this commendation of your government".

Mr. McDonough joined the lighthouse service in 1936 after having worked part time on construction projects since 1919. His first assignment was at South Chicago where he served two years before being assigned to the crew of the Beaver Head light station on his native Beaver Island.

When the U. S. Lighthouse service was absorbed by the U. S. Coast Guard on July 1, 1939, Mr. McDonough continued as a civilian employee within the Coast Guard and when the Beaver Head light station, locate on the south end of Beaver Island, became an unmanned station in 1956 he was retained on a caretaker status until his retirement at this time.

The Gallatin Award with which he was presented was named for Albert Gallatin, a native of Switzerland who won enduring fame as a financier during his three terms as U. S. Secretary of the Treasury from 1801 to 1613 It is given to veteran personnel upon retirement from the Treasury Department of which the U. S. Coast Guard is a part.

Mr. McDonough will continue to live on Beaver Island and plans to keep himself busy doing painting, carpenter work and similar employment.

He is married to the former Mary Boyle. They have four children, three daughters and a son, and seven grandchildren.

USCG WINS SECOND ROUND BUT TRAILS IN PLAYOFFS

The Coast Guard came through the final week in good shape and copped the second round title. The defeat pinned on second place Freedman by the champs enabled them to cinch the title. They picked up only two hits but aided by Freedman errors scored six runs for a 8-2 win. Earlier in the week they whipped Mold 4-1.

In the first playoff game between first round winner Mold and the Coast Guard, Mold played heads up ball and took advantage of errors to score a 4-1 victory. Mold scored once in the second on Ken Wojan's single and an error and then twice more in the third on another error, Ken Boss's single and another misque. They scored an insurance run in the fourth on a walk, sacrifice, and a passed ball. The second game was to be played Tuesday with the third, if necessary slated for tonight at 8:45.

★

BARNARD WINS TITLE BUT LOSES FINAL GAME

Lake Construction salvaged some glory in their final game of the season when they upset Junior League Champ Barnard 2-1 in a well-played contest. Gary Crain scored the winning run in the seventh after leading off with a base hit.

★

PUFF'S PLAYS STRONG BOYNE TONIGHT

Women's league champion Puff's end their successful season tonight (Thursday) by playing district champion Boyne City at 7:15.

PEANUT LEAGUE ENDS IN TIE

The Tigers and Sox ended in a tie with both teams posting 5-1 records in the second round. The two were to play Tuesday night with the winner meeting first round winner, Cubs last night for the championship. The tie developed as the Tigers were upset in their final game by the Braves 5-4. Stew Cunningham was the winning pitcher, allowing only four Tiger hits.

★

DAIRY QUEENS WIN GIRL'S CROWN

The Dairy Queens beat Carsons in their final game 10-3 and in doing so took the girls' championship. Sharon Pearsall was the winning pitcher.

TED POTTER WINS MEN'S BATTING CROWN

Ted Potter fought off a late rally by Freedman's Norm Helms to win the batting trophy. Potter ended up hitting at a .387 clip while Helms had a .319.

★

PETER ANCE TOPS JUNIOR LEAGUE HITTERS

In a race that went right down to the final game, Pete Ance of VFW edged Bruce Murray of Barnard in the race for the junior league hitting crown. Ance ended with a .500 average with Murray right behind at .455.

Blacklock's Views on Re-Apportionment of the State LEGISLATURE

The heavily populated areas of Michigan ignore the basic democratic prinicipals of representation when they seek advantage by their demands that both Houses of the Michigan Legislature be chosen on a population basis.

These principals are most nobly carried out in the selection of the members of the United States Congress. The Senate guarantees protection for the voice of the minority by the election of 2 Senators from each State regardless of size or population. The majority is covered in the House of Representatives chosen on a population basis.

Michigan could elect a Senator from each County for minority protection. The House of Representatives on a population basis for the majority.

The low population areas must offer this or some other counter plan to offset the drive for representation on a population basis. The best we can hope for is retention of the method now provided for in the present constitution. To do this we should make a determined effort for an improved position with nothing less than the present method as a compromise.

To this end I will devote my best efforts if elected Delegate to the Constitutional Convention on September 12.

NOTE:

> No political party, special interest group or individual has influenced, or attempted to influence my views. I am obligated to no one but the people of this district. My views are arrived at through my personal knowledge, experience and study.

Allen Blacklock, Candidate

Allen Blacklock, Democratic candidate for delegate to the Constitutional Convention, is now serving his 30th year as Elberta's Village President and his 23rd year as township supervisor in Benzie county.

A railroad conductor, Mr. Blacklock received the "RAILROAD MAN OF YEAR" award in 1959 for his outstanding record of community service. His work on the Benzie County Board of Supervisors is held in high regard.

Blacklock is 57 years of age, married, and has four adult children who are engaged in business, educational and professional pursuits. He is the owner of business interests in Elberta. His hobby is local history.

A vote for Blacklock at the September 12 election is a vote for a man who knows and will protect the interests of local government.

Wanda Doctor Becomes Bride Of Edwin Drenth

Atwood—Miss Wanda Doctor and Edwin Jay Drenth of Ellsworth were united in marriage on Thursday evening August 17 at the Atwood parsonage. Rev. Van Gent pastor of the Atwood Christian Reformed church performed the double ring ceremony in the presence of the immediate families

The bride was attended by Joan Drenth sister of the groom. Kenneth Doctor cousin of the bride attended the groom. Wanda who is the daughter of Mr. and Mrs. Paul Doctor of Atwood was attired in a blue ballerina length formal dress and wore a corsage of carnations and three red roses. Her attendant Joan Drenth wore a yellow and white sheath street length dress and wore a corsage of two carnations centered with a rose

Edwin is the son of Mr. and Mrs. Peter John Drenth of Ellsworth.

Refreshments were served to the family at the parsonage. The newly weds left on a brief weding trip to the Soo and Canada.

There are five million tractors on American farms today.

Labor Day Marks Last Day of City Golf And Lifeguards

Monday will mark the close of the Charlevoix golf course for the 1981 summer season.

It will also be the last day lifeguards will be at Charlevoix's three major beaches, City. Supt. James Taylor has announced.

The golf course will be open for use during the fall months but services offered at the clubhouse will not be available after 8 p.m. Monday.

Lifeguards who have been on the beaches since late June will wind up their duties Monday afternoon. However, the rafts will be left out and visitors may visit the beaches and enjoy the last sunny days of the summer season during early September.

Work Progresses On Re-Built Streets

Work is progressing satisfactorily on the re-surfacing of three blocks of State st. between Hurlbut ave. and Garfield ave. and Hurlbut ave., between Bridge and State Streets, according to City Supt. James Taylor.

The Hicks Construction Co. of Alma was scheduled to begin pouring the new asphalt covering on the re-built streets Tuesday Mr. Taylor said.

The crown on the roadways has been cut from two feet to four inches, Mr. Taylor said, making the street less hazardous for driving, especially on ice and snow.

Announce Masses At Catholic Church

Masses at St. Mary's church on Sunday Sept. 3 and 10, will be at 7, 8:30 and 10:30 a.m. according to the pastor, the Rev. E. Francis Denay.

Effective Sept. 17, there will be only two Masses on Sunday, at 8:30 and 10:30 a.m.

Weekday Masses will continue to be at 8 a.m.

On first Friday, Sept. 1 Masses will be at 8 a.m. and 6:30 p.m.

Honored at Pink And Blue Shower

Atwood—Mrs. Max Bolser and twin daughters Janet Rea and Julie Mae were honored at a pink and blue shower given Wednesday at the Atwood Christian Reformed church basement by Mrs. Henry Elzinga, Mrs. John Elzinga, Mrs. Martin Elzinga, Mrs. Sam Kelly, Mrs. Don Bennett and Mrs. Joe Williams.

Pink and white decorations were used for the party which was attended by 36 guests.

Mrs. Bolser received many ueful and lovely gifts for the twins.

C. E. Riley's Honored At Housewarming

The Young Adult Club of the First Baptist church gave a surprise housewarming honoring Mr. and Mrs. Clifford G. Riley who recently moved to their new home at 218 Mason st.

The group presented the Rileys with a welcome mat for their new home.

The five couples then enjoyed a social hour and refreshments.

The Statue of Liberty—75 years old in October—has had only one bath in her life: a steam job in 1932.

Ralph Kloosters to Observe Wedding Anniversary Sun.

Mr. and Mrs. Ralph Klooster, longtime residents of this community, will celebrate their forty-fifth wedding anniversary Sunday.

An open house to which relatives and friends are invited will be held at the couple's Hayes township home from 2 to 5 p.m. Sunday to mark the occasion.

Mr. and Mrs. Klooster were married at the parsonage of the First Methodist church here Sept. 2, 1916, and lived at Barnard and Ellsworth before moving to Hayes township where Mr. Klooster has served as manager of Margate Farm owned by Stewart Boal of Chicago since 1930.

They are members of the Charlevoix Community Reformed church.

Mr. Klooster was born in the Netherlands Dec. 12, 1890, and came to the Barnard area with his parents at the age of six years. Mrs. Klooster, the former Frankie Jackson, wos born in Indiana Dec. 4, 1898, and came to East Jordan at the age of three years.

The couple has two daughters, Mrs. Harold DeYoung of Atwood and Mrs. James Willis of Charlevoix. They also have five grandchildren and one great-grandchild. Another daughter, Mrs. Edward (Marie) Heise died in 1948.

Cast Your Most Important Vote for Con Con Delegates

What kind of a constitution will the state of Michigan have? That will depend on the thinking and political philosophy of the delegates we elect next Tuesday to represent us at the Constitutional Convention.

We will likely have to live a long time with the Constitution drafted at this convention if later adopted by popular vote. That means every elector's vute next Tuesday may be the most important vote he ever has, or will, cast.

It should be realized that if sufficient outstate votes are cast to elect the Democratic candidates, the control uf the convention may very well end up in the hands of the delegates from a few industrial counties in southeastern Michigan. In that case we may expect the new constitutiun to provide for a legislature elected strictly on a population basis. Even more tragic for the outstate areas would be an unicameral legislature with only one legislative body elected on a population basis. There have been plenty of rumblings about such a proposal.

Our voice in state government would be nill in either situation. The densely populated industrial areas would make us dance to their tune.

There are many problems common to the state as a whole. But in a state with an economy as diversified as Michigan, there are equally as many problems that apply only to specific areas. To deprive these specific areas of adequate representation in Lansing con only mean another step toward the complete socialistic state.

There are two candidites on the ballot at next Tuesday's election who, we are convinced, will stand firm in protecting our rights in any constitution that is drafted at the convention. They are Donald M. Habermehl, Alpena attorney and candidate in the 29th Senatorial District and Edward K. Shanahan, retired naval commander, Graduate of Annapolis, now a beef cattle farmer in Charlevoix county. He is a candidate in the Charlevoix Representative District.

We urge you to vote Tuesday. We further urge all voters to choose carefully the delegates who will represent them at the Constitutional Convention.

Kiwanians Hear Mrs. Seldon Barris Speak on Mental Retardation

Three per cent of all children born are mentally retarded Mrs. Seldon Barris of Oak Park, a member of the board of the Michigan Retarded Children's Association told the members of the Charlevoix Kiwanis club at its regular meeting Monday evening.

She went on to say that there were 70 known causes for retardation all of which being about damage to the brain tissue in some way.

People must remember that a retarded person is first a human being and a child and must be treated as any other human being.

She said many people confuse mental illness with retardation but added that there was a great deal of difference for there is hope for the mentally ill but there is nothing that can cure retardation.

The problem of retardation should not be the problem of parents alone for it is too great for them to bear. Once the community shares the responsibilty by helping in any way possible then the great load is relieved to a degree, she continued.

Charlevoix has done a great deal toward its problem but there is need for continued assistance, she said. The Retarded Children's Center had six children lat year and eight are expected to attend this fall. But the big problem is finances, a problem that the community can help with. If you could see how these children have been helped by the school you would not doubt that it is worth while. It has also done a great deal for the parents of these children and makes them know that their problem is being shared by the community, she concluded.

In response to Mrs. Barris's plea for assistance, the Kiwanis board of directors earmarked $120 for rent for a center for the time being, Curtis Burlin, secretary-treasurer of the club said Wednesday.

Wife of Former Beaver Island Doctor Succumbs

Mrs. Russell E. Palmer of Charlevoix and Lansing died Wednesday at her home in Lansing following a brief illness. She had been in failing health fro several years.

Funeral services were held at the Palmer-Bush funeral home in Lansing with the Rev. Fr. Murray officiating. Burial was in a Lansing cemetery.

A native of Canada, the former Suzanne Brisbois was graduated from St. Michael's Hospital School of Nursing in Toronto, Ont., prior to her marriage to Dr. Palmer. For 30 years she lived on Beaver Island while Dr. Palmer served the residents as island physician. A talented musician and artist, Mrs. Palmer taught music to the island children for many years. Later they came here to make their home at 201 Petoskey ave. For the past eight years they had divided their time between Charlevoix and Lansing.

In Lansing she was a member of St. Mary's Cathedral and the Auxiliary of the Ingham county Medical Society.

Besides her husband she is survived by a sister, Mrs. Gertrude Smith of Whitby, Ont. and three brothers, Ferman and Moss Brisbois of British Columbia and George Brisbois of Toronto.

In Lansing for services were Mrs. L. N. Ditlefsen and Mrs. James Gallagher of this city and Mr. and Mrs. Richard O'Donnell and Mr. and Mrs. Glenn McDonough of Grand Rapids.

Brush Fire Runs Out of Control at Norwood Orchards

A brush fire set recently by Leonard Strange soon ran out of control but quick action on his part prevented the fire from spreading to a nearby swamp.

After calling the Ellsworth fire department, Mr. Strange hitched the disk to his tractor and quickly disked around the field where the fire was raging, thus keeping it from spreading through the swamp and doing more extensive damage.

Dr. S. S. Schochet Assumes Duties As B. I. Physician

Dr. Sydney S. Schochet has arrived on Beaver Island to take over the duties of island physician from Dr. Frank Luton who is retiring at the age of 82 years. He has served as island physician since 1958.

Dr. Schochet came to the island from Sault Ste. Marie where he had been a pathologist at the Chippewa County War Memorial Hospital for a number of years.

Dr. Schochet attended Tulane University School of Medicine and studied at the University of Pennsylvania and the University of Chicago Schools of Medicine. He also taught at the University of Mississippi. He has practiced in Two Rivers, Manitowoc and Chilton, Wis., Hancock and Port Huron in Michigan and in Chicago.

Daniel Cannon, 72 Former Resident Dies in Grand Rapids

Daniel Cannon, 72, veteran of World I and a native of this community, died Monday at the Veterans' Facility in Grand Rapids where he had been a patient for several years.

The body is at the Winchester Funeral Home awaiting arrangements.

Born in Charlevoix, Mr. Cannon always made his home here except for time spent in the U.S. Army during World War I. He was a painter by trade.

He is survived by his wife, the former Elizabeth Cromp who has been living in Detroit and three sisters, Mrs. Sue Muntinga of Racine, Wis., Mrs. Eva McDonald and Mrs. Francis Gallagher of Charlevoix.

To Open School for Retarded Children Monday, Sept. 19

The Retarded Children's Center is scheduled to open Monday, Sept. 19, according to the teacher, Mrs. Robert Bergmann, who added that further details regarding the location of the center this year would be announced later.

The Center will maintain a three-day program the same as in the past, Mrs. Bergmann said.

It is expected that eight children will be enrolled in the Center this year. This is an increase of two over last year.

Beach Hotel to Remain Open for Winter Season

For the first time in its long and colorful history, the Charlevoix Beach Hotel will be open during the winter months this year according to the owner-managers, Mr. and Mrs. Scott Wilson.

The popular summer resort hotel closed Tuesday after its first season under the management of the Wilsons. However, it will be re-opened in Mid-November for the ski season, Mr. Wilson said.

Plans now call for the dining room, the bar and from 25 to 30 rooms to remain open throughout the ski season.

The move to keep the botel open will do much to make Charlevoix a year-round resort instead of just a summer resort.

Rites Tuesday for Rollo Baumback, Ellsworth Resident

Ellsworth- Rollo Baumback, longtime resident of this community died Saturday at the Charlevoix hospital where he had been a patient for three weeks.

Born December 9, 1877, Mr. Baumback had always lived in this community. He was married to Mary Woldruff of Atwood in 1901.

Funeral services were held at the Pilgrim Holiness church with Rev. W. L. Silvers officiating. Burial was in the Elsworth cemetery. The Hastings Funeral Home was in charge of arrangements.

Surviving are his wife; a son, Vern, of Grand Rapids; five daughters, Mrs. Mary Smith of Charlevoix, Mrs. Charles Coleman (Bessie) of Kewadin, Mrs. Harrison Warner (Grace) of Charlevoix, Mrs. Kenneth Bradley (Ruth) of Midland and Mrs. Herbert Peeble (Beatrice) with whom he had made his home since coming to Ellsworth; 12 grandchildren and three sisters.

To Conduct Series of Classes On Nuclear War

A special series of classes designed to train any adult to protect himself and his family against the horrors of a nuclear war will be offered shortly by the Charlevoix county Office of Civil Defense, Major Joseph Seidel, who will serve as instructor, has announced.

Details of the classes, the itme and location will be announced next week.

Meanwhile residents of the area are advised to build fall-out shelters in their homes or at their farms. Plans for such a shelter are available at the Charlevoix county office of Civil Defense in the county building. Farmers interested in protecting their livestock may also obtain a special information booklet on the subject at the local office.

Rites Held Monday For Perry Smith, Sr., Retired Sailor

Perry Smith, 78, retired Great Lakes sailor and native of this community, died Saturday at the Charlevoix Hospital where he had been a patient for one day. He had been in ill health for some time.

Masonic funeral rites were held at the Winchester Funeral Home Monday under the auspices of Charlevoix lodge No. 282 F & A. M. Burial was in Brookside cemetery.

Born here Oct. 17, 1882, Mr. Smith had always resided here and for many years sailed the Great Lakes aboard various vessels. In 1917 he was married to the former Ruth Gatliff at Grand Rapids. He was a life member of the Charlevoix Masonic lodge.

Surviving are his wife; a son, Perry Jr. of Charlevoix; one daughter, Mrs. Ralph (Mary) Ryan of San Diego, Calif.; seven grandchildren and a sister, Mrs. Sadie Gaylord of California.

PTA to Sponsor Workshop for Parents

A workshop on the subject of "Normal Parents Living with Normal Children" will be conducted here this fall by Mrs. Belle Farley Murray, consultant in Parent and Family Living, the University of Michigan Extension Service, Mrs. J. L. Feindt, president of the Charlevoix P.T.A. which will sponsor the workshop.

Two sessions of the workshop will be hel from 9 to 11 a.m. and from 1 to 3p.m . on Sept. 19 and Oct. 10, 17 and 24 at the Charlevix Elementary building. Interested persons may enroll in either the morning or afternoon sessions.

Students Will Return To Classes Tuesday

After a three months vacation which started June 9, school students of the Charlevoix school district will return to the classrooms Tuesday.

Munday will be devoted to teachers' conferences with students enrolling Tuesday.

For the first time in 61 years students in the seventh through the twelfth grades will attend classes in a new high school which will officially open Monday. Located at Garfield ave. and May st. the school will be completed in time for the opening Tuesday.

All students are asked to report at the main entrances on Garfield ave. at 8:45 a.m. where they will be met by faculty members and assigned to rooms, Supt. R. G. Bennett said. There may be some changes later on but students will be assigned temporary quarters at that time.

Elementary students will report at downtown school at 9 a.m. All will enroll and receive assignments on opening day.

Students who are entering the school for the first time and have not registered at this time are asked to do so by calling the school office, LI 7-6583.

Kindergarten students who were enrolled last spring or during the summer months will not report for school until Wednesday morning.

There will be no hot lunch program at either school on opening day. Classes will be dismissed at 2:30 p.m.

Students at St. Mary's school will follow much the same program with classes beginning at 8 a.m. School will be dismissed at 2:30 p.m.

The faculty and the subjects each will teach and school personnel for the 1961-62 school year follows:

Lake City Hosts Dist. Garden Club

The Lake City Garden Club will be host today (Thursday) to the clubs of District 5 of the Federated Garden Clubs of Michigan.

Among those appearing on the all-day program scheduled to open with registration at 9 a.m. will be Mrs. Clair Reynolds, president of the host club; Mrs. John R. Hoinville of Cassopolis, state president and Mrs. Ward Gilliland who will present a program entitled "Michigan, Water Wonderlaand".

Rayders to Play Football Opener At Rogers City

Charlevoix Rayders football candidates are undergoing two pratice sessions daily in preparation for the opening game with Rogers City Friday, Sept. 15.

Coach Don Carey has been putting the aspirants through their paces despite record high temperatures in order to get them in condition for the season's opener at Rodgers City.

Beginning Monday, the squad will practice only after school hours, Coach Carey said.

Meanwhile, Coach Terry Rice and Pete Burns are concentrating on the candidates for the J.V squad. Conditioning is a major problem with the squad, many of whom are out for the sport for the first time.

On Wednesday Coach Carey said that few players had been assured berths on the starting eleven. He said that he probably would not decide on a starting eleven until late next week. Meanwhile, the entire squad is working hard in the hopes of getting the nod for a spot in the line-up during the opening game.

Seven of the Northern Michigan Class C squads will open their season with non-conference games on Sept. 15.

Boyne City will host Petoskey, East Jordan will play at Kalkaska, Gaylord will entertain Cheboygan, Harbor Springs will take on Petoskey St. Francis on the Rams' gridiron, Grayling will host Harrison and Mancelona will travel to Oscoda in games scheduled for 8 p.m. Friday. Pellston will open its season a week later when they host the Rayders in an afternoon game.

Members of I.W.A. Spend Night Here

Members of the International Walkers Association spent a night in Charlevoix recently during the 'warm-up' prior to the crossing of the Mackinac Bridge on Labor Day.

The group started from Boyne City, spent the first night at Miller's Northern Guest House before continuing to Petoskey, Harbor Springs, Cross Village and Mackinaw City.

ROOM 19

By Ann Ess Morrow

I teach now, but I remember how I felt the day I took our little boy to school and left him there. I was wistful at the thought that someone else would be his daytime mother now, and oh, I hoped so many things that mothers always do. Right today, with bigger sizes on him, I find I feel the same.

I hope, first of all, the teacher that he has is academically sound, a reservoir of knowledge for an eager little boy to tap and wonder at. Yet he must see her as a learner, too, for if he thinks that she knows everything, he'll be so awed that he will hesitate to venture questions.

I hope she is inspired to train him well in skills and attitudes that he will need in life.

I hope she will be pleasant, that she will make herself attractive and her room inviting so that he will feel an eagerness to go to school each day.

I hope that George will come to know her as a person, as well as an authority. If perhaps he sees her push a supermarket buggy down a thoroughfare of tile enclosed by food in tin or glass or cellophane, he'll view her in a different light, for she will be away from walls of which he dares to write with chalk.

I hope that she will guide, instead of drive—that she will discipline with wisdon and teach our son control of self and thoughtful ways toward others—that when she punishes, she does not bruise his mind or body, but that she somehow makes him see he' not the object of dislike—it is the deed that he has done.

I hope when he comes rushing up, enthusiastic at discovering a fact of which he'd never dreamed, that she will take the necessary minute or two to share with him, and thus increase, his overflowing wonder.

I hope she won't confine her lessons to a stated page when eager trails of learning lead beyond.

I hope, too, he will have him feel the satisfaction coming from achievement at his level, whatever it is—that she will have respect for individual differences.

I hope so much she gives him consciousness of beauty, that she awakens him to those details which he might otherwise not notice. Like walking by a tree each day and seeing it as merely that—a tree and not a house or car, Instead, that he will come to see the beauty of its sweeping branches, the ruggedness of bark and gnarl, its majesty and blending of the fall time leaves with sunset colors.

And finally, I hope that she'll take time, in spite of all her many chores, to know us, too, for wer're the parents of this child, and all of us play major parts in shaping him.

Consult Bill Carey About This Question

Those wonderful, unpredictabe children who crowd the county roads and city streets traveling to and from school won't be reading this. It's up to you, the drivers, to be considerate. It's up to you, the parents, to warn children to look both ways at crossings, and to walk on the left side of tha road. Every precaution is worth the trouble.

Weisler - Elliott Vows Spoken In Norwood Methodist Church

The Norwood Methodist church was the scene Saturday evening of the wedding of Rosalie Jeanette Weisler and Otis Leland Elliott.

Parents of the couple are Mr. and Mrs. Charles M. Weisler of Norwood and Mrs. Stanley Adams of Pontiac.

The Rev. Harold Cox of East Jordan Methodist church officiated at the double ring service in the presence of more than 100 guests. White roses decorated the altar which was flanked by baskets of delphinium in pastel shades and pink gladioli. Mrs. William Kerr, at the organ,played a program of traditional music and the weding marches and accompanied Mrs. Glenn Bearss who song "I Love You Truly" and Mr. and Mrs. Bearss who sang "O Perfect Love".

Given in marriage by her father, the bride chose a gown of white lace over taffeta for her wedding. Fashioned with a fitted bodice which extended to a point at the front, long tapered sleeves and a round neckline, the gown featured a bouffant ankle length skirt. Her fingertip veil of bridal illusion was secured with a seed-pearl tiara. She carried a cascade arrangement of red and white roses on a white Bible.

Shirley Weisler as ner sister's maid of honor wore a ballerina length gown of pale blue brocaded taffeta styled with a scoop neckline, puffed sleeves and a bouffant skirt. Her short veil fell from a clip of flowers and she carried a cascade arrangement of pink and white carnations.

Harold Elliott of Pontiac assisted his brother as best man. Martin Weisler and Raymond Weisler, both of East Jordan, brothers of the bride, seated the guests.

Mrs. Weisler wore a gown of mint green lace over taffeta and clover green accessories for her daughter's wedding. Her corsage was of pink and white carnations.

A reception followed in the Friendship hall of the church. The bride's table was decorated with tapers and arrangements of white roses and centered with a tiered wedding cake topped with a miniature bridal couple under the traditional wedding bell. Assisting were Betty Kerr who cut the cake and Mrs. Martin Weisler and Mrs. Raymond Weisler, both of East Jordan, who served the punch and coffee.

After Sept. 5, the couple will be at home at 2134 Main st. in Central Lake. For traveling on their brief wedding trip to an unannounced destination the bride changed to a Chanel-styled suit of red cord and black accessories complimented with a corsage of red and white carnations.

The bride is a graduate of the Charlevoix high school and Humboldt Institute of Minneapolis, Minn. The bridegroom is a veteran of four years in the U. S. Army and is presently employed at American Mold Engineering Corp.

Bruce Sanderson Joins Staff at Wayne University

Bruce M. Sanderson, a graduate of the University of Michigan School of Journalism, will teach "Technical Writing" at Wayne State University in Detroit beginning Sept. 18.

He is the son of William M. Sanderson, veteran Eveline township supervisor.

Connie Oleksy Is Honored at Shower

Connie Oleksy whose marriage to Roger Pischner will be an event of Sept. 30 was honored at a bridal shower given Thursday evening by Mrs. Ralph S. Hamilton.

Thirty-two guests gathered for a social hour followed by refreshments.

The bride-elect was presented with many lovely gifts.

Mr. and Mrs. Gordon R. Mummert Make Their Home in Kalamazoo

Mr. and Mrs. Gordon R. Mummert are now at home at 1009 Main st. in Kalamazoo following a 10-day wedding trip through northern Wisconsin and Michigan.

The couple was married at the Church of the Brethern in Elgin, Ill., Aug. 26.

The bride is the former Barbara Joanne Zickuhr, daughter of Mrs. Marvin Zickuhr of Elgin, Ill., and the late Mr. Zickuhr. Mr. Mummert is the son of Mrs. Raymond Shearer of this city.

The Rev. Harold W. Row officated at the double ring service in the presence of more than 50 guests. Arrangements of white snowball mums accented with pink rosebuds formed a setting for the service. Mrs. Richard Meyers was the organist and Fred Rice the soloist.

Given in marriage by her cousin, Leon Miller of Dundee, Ill., the bride chose a gown of white nylon organdy for her wedding. Fashioned with a basque bodice, brief sleeves and a scoop neckline detailed with hand-clipped Venice lace, the gown ended in a full chapel length train and featured floating panels with lace detail. Her elbow length veil fell from a rhinestone studded crown. She carried a white prayer book topped with an arrangement of white orchids, stephanotis and ivy.

Artis Woolcott ofEvanston ,Ill., as maid of honor and Geraldine Zaleski, also of Evanston, as bridesmaind wore identical sheaths of Dior blue silk organza and matching accessories and carried cascade bouquets of yellow Fuji mums.

Tammy Wolfe of Zelienople, Pa., niece of the bridegroom, and Julie Miller of Dundee, cousin of the bride, as flower girls wore white organdy dresses sashed in blue and white bonnets edged in blue and carried baskets of yellow and white mums.

Ronald Gibbs of Muskegon assisted the bridegroom as best man. Leon Pearson of Muskegon and Frederick Born of Petoskey seated the guests.

Mrs. Zickuhr selected a caramel peau de soie sheath and matching redingote and accessories and a corsage of yellow orchids for her daughter's wedding. Mrs. Shearer, mother of the bridegroom, wore a gown of powder blue and lace over taffeta, white accessories and a pink orchid corsage.

A reception in the church Fellowship hall followed.

For traveling the bride selected a navy cotton sheath, white accessories and white orchid corsage.

The bride is a graduate of Elgin high school and the Evanston Hospital School of Nursing. Mr. Mummert, a graduate of the Petoskey high sohool, will return to his studies at Western Michigan University later this month.

Circlin' The Bases

By DEANO

The fans who watched the final games of the 1961 season saw plenty of action as both the peanut league and fastball league champions were decided.

The Sox won two unbelievable games to win the peanut league crown. In their final game of the second round they trailed 2-0 in the seventh and came up with four runs to nip the Tigers 4-2 for the second round title. Then in their play off game with first round winner Cubs, they duplicated the feat with three runs in the bottom of the seventh for a 4-3 win and the city championship. Dave McDougal and Del Kelly put together the key hits for the win.

The fastball series was the best softball of the season. The first game was won by Mold 4-I as the winners took advantage of timely hitting and the Coast Guard errors.

In the second game the service men came back to post a narrow 1-0 win. Pitcher Ted Potter raced all the way to third on a Mold error on his sharply hit ball and then scored on a fly ball. That was the only run of the game as both teams played great defensive ball.

In the final game the Mold came back to gain a narrow 2-0 win and their first city championship. Mold scored the winning run in the first inning when Ken Boss singled, stole second and came home on Ken Wojan's one bagger. Mold scored once more but didn't need it as pitcher Nate Boss pitched shut out ball to preserve the win.

Blacklock for Con-Con
Delegate

BLACKLOCK

BENZIE COUNTY, home of the Blacklocks since 1868 has known them in Industriel, Business, Government, and Civic Betterment ectivity.

LEELANAU COUNTY knows Blecklock best for the Highway M-22 Association which he originally sponsored.

ANTRIM COUNTY will benefit from his long experience in Villege, Township and County Government.

CHARLEVOIX COUNTY, which has represented the District for the past 8 years in Lansing, should in a spirit of fair pley, consider that the south half of the District would also like to send a representative to Lansing.

KEEP in mind that Blacklock has freely and openly expressed his views on the important issues that you might accuretely judge his position on these matters.

LEADERSHIP in local government, civic and business affairs hes provided Blacklock the background necessary to understand the problems of these people.

OWNERSHIP of Business, Resort and Residential Property provides e background of knowledge in the interest of property owners.

CHAIRMAN of the EOUALIZATION and APPORTIONMENT Committee of the Benzie County Board of Supervisors for 12 years geve Blacklock considerable experience in matters of Finance and Taxation.

KNOW with confidence that Blacklock does not represent, and is not influenced by any political party, special interest group or individual but only to the people of the Charlevoix District.

BLACKLOCK is a conscientious, capable, hard working public servant. He will make a good Delegate to the CONSTITUTIONAL CONVENTION.

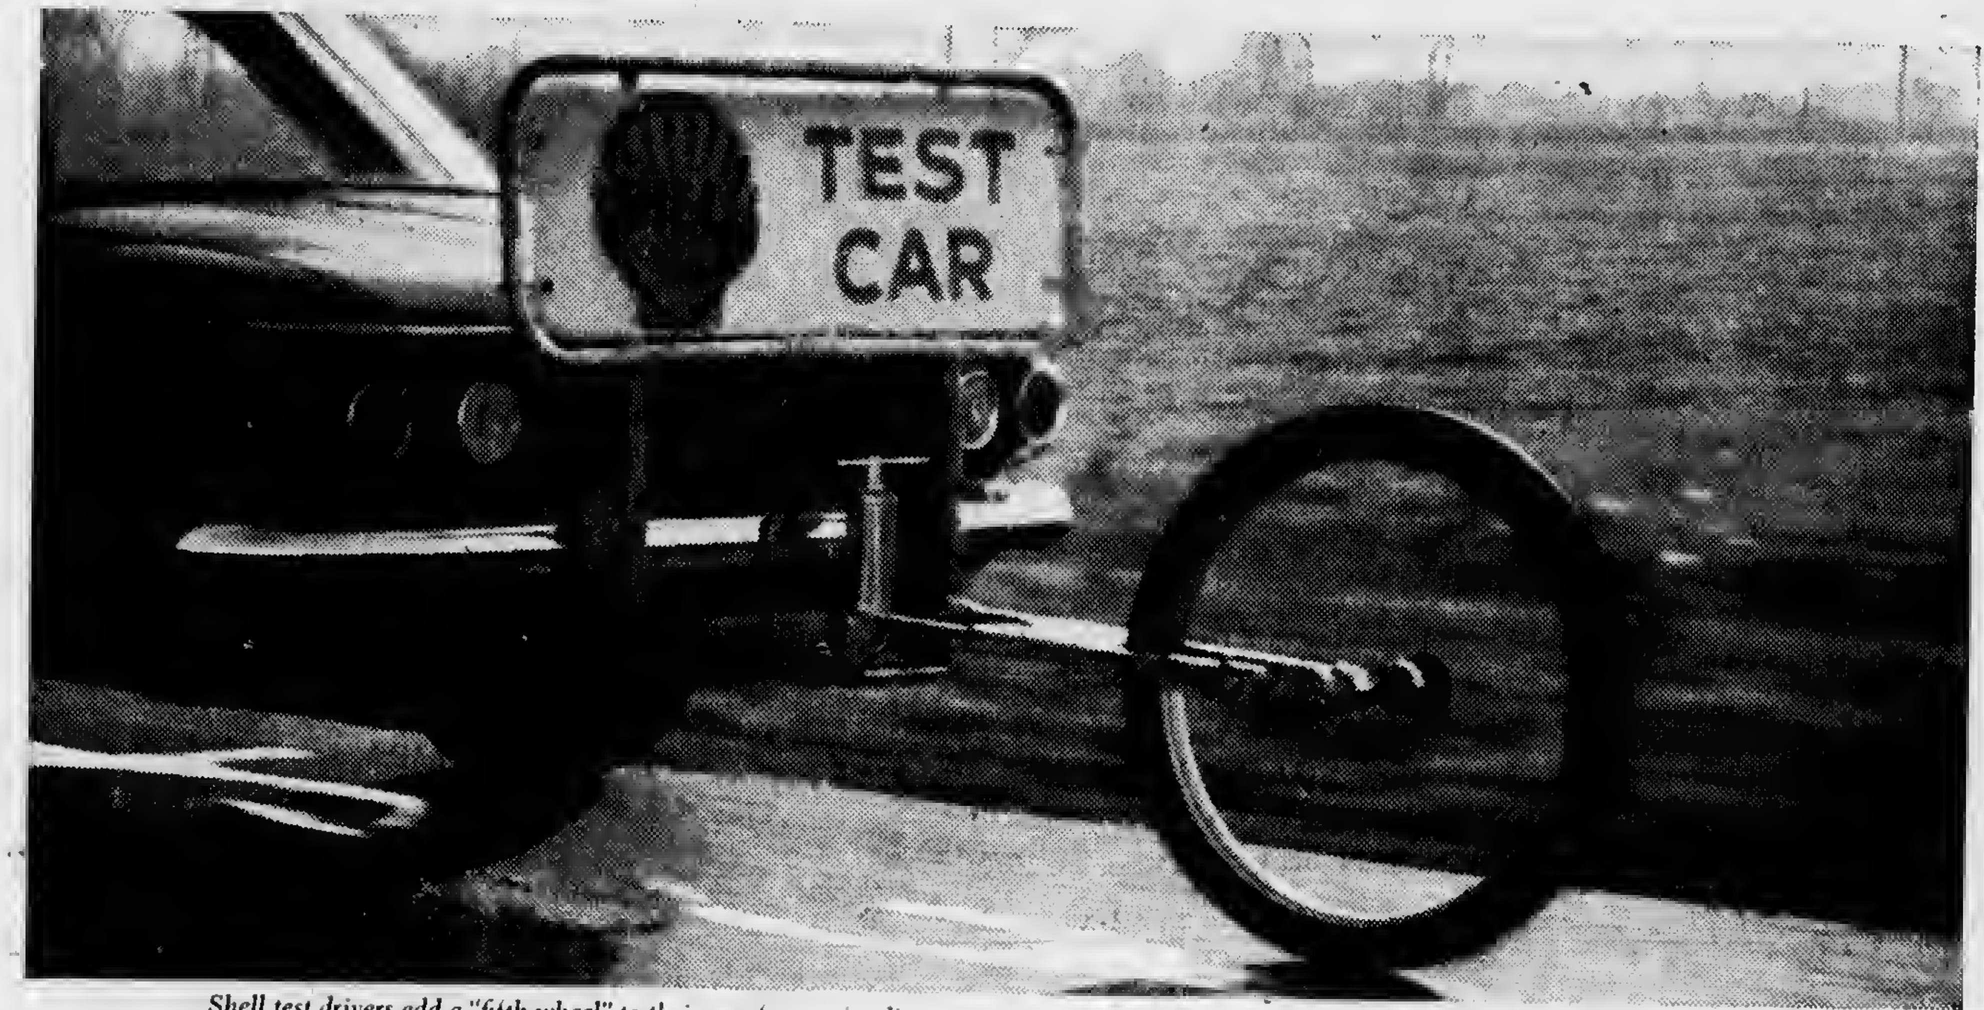
How to get up to
30 extra miles per tankful



Shell test drivers add a "fifth wheel" to their cars for precise distance measurement during mileage tests. It helps them record performance to a decimal point.

Here are some tips from Shell's experts on how to get maximum mileage from your car. If you practice these good driving habits—and if you use today's Super Shell, with 9 ingredients for top performance—you may well save a pretty penny on gasoline bills.

Shell scientists spend much of their working lives figuring out how to get the most mileage out of a gallon of gasoline. Here are some of the things they've learned.

1. Don't race a cold engine. When your engine is cold, it uses up more fuel. You're also in danger of underlubrication. You pay in greater engine wear.

NOTE: *Today's Super Shell has fast warm-up ingredients to save gasoline. And Shell X-100® Premium Motor Oil moves freely even when cold—saves fuel and reduces engine wear.*

2. Use a light touch on the accelerator. Tromping down on the pedal is an expensive habit. Starting up, it holds your automatic transmission in a lower "gear" longer—makes the engine turn faster, wasting fuel. Under way, uneven pedal pressure is costly, too. Feed just enough fuel to maintain even speed.

3. Drive "ahead of your car." Watch for slowing traffic and red lights as far ahead as you can see. Then coast up to the stopping cars, instead of braking heavily when you get there.

4. Don't let fuel costs creep up at the stop light. If your car "creeps" when idling with the automatic transmission engaged, have your idle speed adjusted. If you drive a stick shift, remember that pumping the accelerator won't change the light. It only uses up gasoline.

5. Don't indulge in jack rabbit starts. Racing starts are fine on race tracks—but the drivers of those cars are lucky to get 6 miles per gallon.

NOTE: *Air resistance at high car speed is the biggest single drain on power. It increases approximately as the cube of the vehicle speed. Even fox tails on aerials may cost you gasoline.*

6. Check your tire pressure regularly. Under-inflated tires increase friction and cut mileage.

NOTE: *Tire pressures build up during a long run. Don't let air out to bring the pressure down—it makes the tires run even hotter. Check cool tires only.*

7. Check for dragging brakes. Have your Shell dealer check for wheel drag next time you're in for a lubrication. If brakes drag, you pay for it every mile.

8. Get these fuel-saving adjustments. If spark timing is off, for example, you pay in wasted gasoline—and possibly in engine damage. A compression check can reveal power-wasting valve and ring conditions. Other essentials:

A. Keep your spark plugs at peak efficiency. Use Super Shell gasoline with unique TCP* additive to give them extra life.
B. Adjust carburetor.
C. Have automatic choke checked.
D. Clean or replace filters for air, fuel, oil as manufacturer recommends.
E. Tighten fuel line connections.
F. Have automatic transmission or clutch checked regularly.

9. Get regular oil changes and lubrication—including transmission and differential. Your Shell dealer knows what to do. And he has the finest equipment and lubricants. Your car will last longer. Your gasoline will go farther.

10. Show this advertisement to everyone who drives your car—especially if you pay their gasoline bills. We can't *guarantee* 30 extra miles per tankful—but the closer these suggestions are followed the better your mileage will be. Tu start off right, fill up with today's Super Shell. Its nine ingredients mean *top performance.*

Super Shell's 9 ingredients for top performance

#1 is TCP for power and longer plug life.
#2 is Pentane mix for fast warm-ups.
#3 is anti-knock mix to resist all knocks.
#4 is Alkylate to control "high-speed knock."
#5 is Butane for quick starts.
#6 is "cat-cracked" gasoline—for power.
#7 is "anti-icer"—added in cold weather.
#8 is gum preventive for clean carburetors.
#9 is Platformate for extra mileage.

SHELL®

At Shell, 1997 scientists are working to make your car go better and better.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

ZONING ORDINANCE

Marion Township, Charlevoix County, Michigan

An Ordinance to establish zoning districts and regulations governing the unincorporated portions of Marion Township, Charlevoix County, Michigan, including the administration thereof, in accordance with the provisions of Act 184 of the Public Acts of 1943, as amended.

TOWNSHIP BOARD OF MARION TOWNSHIP, MICHIGAN, ORDAINS:

ARTICLE 1 PREAMBLE

Section 1.01 TITLE

This ordinance shall be known as the "Marion Township Zoning Ordinance".

Section 1.02 PURPOSE

The purpose of the Ordinance is To:

Improve the public health, safety, morals and general welfare;

Promote the use of lands and natural resources of the township in accordance with their character and adaptability and in turn, limit their improper use;

Provide for the orderly development of the township;

Reduce hazards to life and property;

Lessen congestion on the public roads and streets;

Provide, in the interests of health and safety, the minimum standards under which certain buildings and structures may hereafter be erected and used;

Facilitate the development of an adequate system of transportation, education, recreation, sewage disposal, safe and adequate water supply and other public requirements.

Conserve life, property and natural resources and the expenditure of funds for public improvements and services to conform with the most advantageous uses of land, resources and properties.

Section 1.03 CONTINUED USE OF NONCONFORMING USES AND BUILDINGS

The lawful use of any land, building or structure existing on the date of enactment of this ordinance, although such use does not conform with the provisions of this Ordinance, may be continued at the discretion of the owner.

ARTICLE II DISTRICTS

Section 2.01 KINDS OF DISTRICTS

For the purpose of this Ordinance, all of the unincorporated area of Marion Township is hereby divided into the following Zoning Districts, the location of which Districts is shown on the accompanying ZONING MAP OF MARION TOWNSHIP.

(a) Residential Districts, R-1
(b) Residential Districts, R-2
(c) Commercial Districts, C-1
(d) Industrial Districts, I-1
(e) Agricultural Districts, A-1

Section 2.02 ZONING MAP OF MARION TOWNSHIP

The ZONING MAP OF MARION TOWNSHIP and all information and proper notations shown thereon are hereby made a part of this Ordinance. Unless otherwise provided, the boundary lines of all zoning districts shall be interpreted as following along section lines or the division of sections such as quarter and eighth lines; or the centerline of highways, streets and waterways; or the shore line of water bodies; or the boundaries of incorporated areas, recorded plats or subdivisions; or property lines of legal record on the date of enactment of this ordinance, or any extension of said. lines.

ARTICLE III RESIDENTIAL DISTRICTS, R-1

The following provisions shall apply to all Residential Districts, R-1;

Section 3.01 USES

No land shall hereafter be used, and no building or structure erected, altered or used for other than one or more of the following uses provided in this Ordinance:

1. Detached one-family or two-family dwellings.

2. Home occupations, including handicrafts such as dressmaking and millinery, and the sale of products produced on the premises by such handicrafts; and the office of a physician, surgeon, chiropractor, osteopath, dentist, teacher, architect, engineer, lawyer, magistrate, artist and other professional occupations, PROVIDED, however, that such occupations shall be situated entirely within the dwelling, and that there be no externally visible display of stock, goods, or facilities relating to the occupation on the premises, and that no more than one non-illuminated name-plate not exceeding one (1) square foot in area containing the name of the person and occupation is displayed. Barber shops, beauty parlors, tea rooms, tourist homes, animal shelters and hospitals, boarding houses and similar enterprises shall not be deemed a home occupation.

3. Farms on land areas of ten (10) acres or more.

4. Churches; schools; libraries; parks; playgrounds; clinics; sanitariums; convalescent homes; community-center buildings; publicly-owned buildings; public utility buildings; truck gardens; nurseries; land areas of two (2) or more acres for raising and housing a limited number of livestock, but not including hogs, dog kennels, horses and similar animals PROVIDED, however, that approval for the location and such use of any premises shall first be obtained from the Board of Appeals following a public hearing thereon. Application for such approval shall be filed in writing by the owner of the property with the Township Clerk, who shall give notice of a public hearing on the application in a newspaper of general circulation in the township, and cost of which shall be borne by the applicant. Following such hearing, if it shall appear, all conditions considered, that the proposed location or use shall be contrary to Section 1.02, then the Board of Appeals shall deny the application.

5. Accessory buildings, structures and uses customarily incidental to any of the above uses when not constituting a nuisance.

Garages or buildings shall be for use of the occupant only. Attached garages shall be deemed a part of the dwelling or other main building and as such shall conform to all setback and yard requirements governing such buildings.

Section 3.02 SIZE OF PREMISES

1. Every parcel of land upon which a one-family dwelling is hereafter erected, shall contain not less than ten thousand (10,000) square feet, and not less than twenty thousand (20,000) square feet for a two-family dwelling. Such parcel shall be not less than one hundred feet in width throughout its depth when only a one-family dwelling is erected, and not less than two hundred (200) feet for a two-family dwelling.

2. The minimum size of parcel required for other permitted or approved uses, including accessory uses thereto, shall be determined by the Board of Appeals as may be reasonable for such use and be in conformity with Section 1.02, upon written application to the Board. The Board may hold a public hearing upon the application before acting thereon.

ARTICLE VII GENERAL PROVISIONS

Section 7.01 SCOPE OF ORDINANCE

Except as otherwise provided, no land, or existing buildings, and no new buildings or structure, or part thereof, shall hereafter be located, erected, used or altered other than in conformity with the provisions of the Ordinance.

Section 7.02 NONCONFORMING USES AND BUILDINGS

(a) Extension of Uses. Extension of any nonconforming use throughout a building, or additions to any aforesaid building for the purpose of extending a nonconforming use or, the extension of any nonconforming use into or throughout a parcel of land not fully occupied by such nonconforming use may be granted by the Board or Appeals on written application filed with the Township Clerk. Said Board may hold a public hearing upon such application. If it shall appear that the proposed extension will not be in accord with any provision of Section 1.02, then such application shall be denied.

(b) Discontinuance of Nonconforming Use. If the nonconforming use of any parcel of land, building or structure is discontinued or abandoned through vacancy, lack of operation or otherwise for a continuous period of twelve (12) months, then any further use thereof shall conform to the provision of this Ordinance.

(c) Changes of Nonconforming Uses. The nonconforming use of any parcel of land, building or structure shall not be changed to any other nonconforming use, nor shall any use be reverted to the former nonconforming use after such use has been changed to a conforming use.

(d) Repair and Improvement of Nonconforming Building and Structures.

Nothing in this Ordinance shall prevent such repairs or improvements of a nonconforming building or structure existing on the date of enactment of this Ordinance as may be necessary to secure continued advantageous use thereof during its natural life, PROVIDED, such repair or improvement includes no enlargement or change of use thereof, and PROVIDED, further, that the owner first obtain a Certificate of Approval as hereinafter provided.

(e) Restoration and Use of Damaged Nonconforming Buildings and Structures:

Nothing in this Ordinance shall prevent the reconstruction, repair or restoration and resumption of use of any nonconforming building or structure damaged by fire, collapse, explosion, act of God, or acts of the public enemy following the effective date of this Ordinance, PROVIDED, that such reconstruction, repair or restoration is completed within twelve (12) months following the damage.

(f) Completion of Nonconforming Buildings and Structures.

Nothing in this Ordinance shall require any change in the construction or intended use of a building or structure the construction of which shall have been diligently prosecuted within thirty (30) days after the passage of this Ordinance, and the construction of which shall have been completed within twelve (12) months after said date.

Section 7.03 GENERAL LOT AND YARD LIMITATIONS

(a) Non-duplication. In determining lot and yard requirements, no area shall be counted as accessory to more than one dwelling or main building in use, and no area necessary for compliance with the open-space requirements for one building or use shall be counted in the calculation or requirements for any other building or use.

(b) Front and Side Yard Uses. Every part of front and side yard shall be open and unobstructed from the ground up to the sky, except for unenclosed porches, chimneys, pilasters, sills, belt courses, cornices, eaves and gutters, PROVIDED, That no such structure shall project more than twenty-four (24) inches into any yard.

(c) Dwellings Per Lot. No more than one (1) dwelling shall be erected on any lot or parcel of land, PROVIDED, That where the principal use of the land is for the general agriculture purposes, one (1) additional dwelling may be erected for hired persons employed on the farm or for the use of persons directly related to the owner of the farm.

(d) Accessory Buildings. All accessory buildings not attached to the main building shall not be less than ten (10) feet from the principal building and not less than ten (10) feet from any side lot line.

Section 7.04 HOUSE TRAILERS

1. No person shall use or permit the use of any trailer coach as a residence on any site, lot, field or tract of land not specifically licensed as a trailer coach park for more than fifteen (15) days, unless all the provisions of the Michigan Laws, Act 172, P. A. 1958, regulating house trailers, have been met.

2. Setback and Yards. The setback and yards for trailer coaches will be considered the same as for a building of the same zone.

Section 7.05 MOTELS AND OVERNIGHT CABINS

Health, Fire and Traffic Protective Measures.

(a) Every motel and overnight cabin hereafter erected (or altered) shall be provided with an adequate supply of safe and sanitary water, with adequate and safe sewage, garbage and rubbish disposal facilities, approved by the District Department of Health, No. 3. Every motel and cabin shall be provided with adequate and safe lighting facilities, and if cooking or space-heating facilities are provided, the same shall conform to standards of materials, construction and installation generally recognized as safe. Such facilities may be provided separately with each cabin or motel unit or in common with two (2) or more cabins or units.

(b) Every cabin shall be separated from every other cabin by not less than eight (8) feet, and all walls common to and separating motel units from each other or adjacent rooms shall be fire-resistant. No cabin, motel or other building shall be located less than ten (10) feet from the rear or side lines of the premises, and no less than twenty-five (25) feet from any abutting highway.

(c) Every overnight cabin and sleeping room of motels shall provide no less than two hundred (200) square feet of floor area exclusive of that used for space-heating, cooking, or sanitary facilities.

Section 7.06 WATER SUPPLY AND SEWAGE DISPOSAL FACILITIES

Every building hereafter erected, altered or moved upon any premises and used in whole or in part for dwelling, recreational, business, commercial or industrial purposes, including churches, schools and other buildings in which persons customarily congregate, shall be provided with a safe and sanitary water supply system, and with means for collecting and disposal of all human excreta and of all water-carried domestic, commercial, industrial, and other wastes that may adversely affect health conditions. The written approval of such facilities by the District Department of Health, No. 3, Charlevoix, shall be filed with the application for a Certificate of Approval as hereinafter provided. All plumbing work shall conform to the standards of material and installation of the Michigan State Plumbing Code.

Section 7.07 VEHICULAR PARKING SPACE AND ACCESS THERETO

(a) For each dwelling, business, commercial, industrial or similar building hereafter erected or altered, and located on a public highway in the township, and including buildings or structures used principally as a place of public assembly, there shall be provided and maintained suitable space off the public right-of-way that is in general adequate for the parking or loading and unloading of vehicles, and such space be provided with safe exit to and safe entrance from the public thoroughfare. Such exits and entrances may be combined or provided separately. Approval of the location of such exit and entrance shall be obtained in writing from the County Road Commission which approval shall include the design and construction thereof in the interest of safety, adequate drainage and other public requirements.

Section 7:08 GRADING

No premises shall be filled or graded so as to discharge surface runoff on abutting premises in such a manner as to cause ponding or surface accumulation of such runoff thereon.

Section 7.09 PUBLIC UTILITY BUILDING AND STRUCTURES

The erection, alteration, maintenance and operation of public utility buildings and structures, and of power, communication, supply, disposal, distribution and similar public utility facilities, including accesories essential therewith as authorized and regulated by law shall be permitted in every zoning district, it being the intent thereof to exempt such buildings, structures and systems from the application of this Ordinance when not in conflict with the provisions of Section 1.02. When in conflict the Board of Appeals shall have the power to determine reasonable conditions under which such facilities shall be erected.

Section 7.10 FARM BUILDINGS AND STRUCTURES

All buildings and structures customarily erected and used on farms in the township, except dwellings, shall be exempt from the provisions of this Ordinance, PROVIDED, however, that no such buildings or structures shall hereafter be erected less than twenty-five (25) feet from the highway right-of-way line, or less than ten (10) feet from any side line of the premises.

ARTICLE VIII ADMINISTRATION & ENFORCEMENT

Section 8.01 ZONING ADMINISTRATION

The provisions of this Ordinance shall be administered and enforced by a Township Zoning Administrator, appointed by the Township Board for such term and subject to such conditions and at such rate of compensation as said Board shall determine as reasonable. For the purpose of this Ordinance, he shall have the power of a police officer.

Section 8.02 CERTIFICATION AND APPROVAL AND COMPLIANCE

1. No building or structure subject to the provisions of this Ordinance shall hereafter be erected, altered, reconstrueted, used or moved on any premises until application for a Certificate of Approval has been filed with the Township Zoning Administrator on duplicate forms provided by the Township and Zoning Administrator has issued such a certificate. No such Certificate shall be required for any lawful use of any building or structure in effect at the time of passage of this Ordinance. This Certificate of Approval will be displayed by the owner or his agent in a prominent position on the location of said construction, remodeling, alteration, moving, etc.

2. The application shall be signed by the owner of the premises or his agent and shall certify that all provisions of this Ordinance and other applicable laws and requirements are to be complied with. The application shall be filed not less than ten (10) days prior to the intended initiation of any work on the premises, and shall be accompanied by:

(a) A blueprint or pen and ink sketch to scale in duplicate showing the location and dimensions of the premises including the boundary lines of all parcels of land under separate ownership contained therein; the size, dimensions, location on the premises, and height of all buildings or structures to be erected or altered; the width and alignment of all abutting streets, highways, alleys, easements and public open spaces; the front yard dimensions of the nearest buildings on both sides of the proposed building or structure; the location and dimensions of sewage disposal facilities both on the adjoining lands or lots and to be erected on th epremises under consideration; and the location of all wells on adjoining lands or lots and to be erected on the premises;

(b) Such approvals of other agencies as may be required by this Ordinnnce.

(c) Such plans and specifications as may be required by the Township Building Code; and

(d) Such other information as may be required to determine compliance with the Ordinance.

2. Whenever the buildings, structure or uses as set forth in the application are in conformity with the provisions of this Ordinance, and the Township Building Code, the Zoning Administrator shall issue the owner a Certificate of Approval within ten (10) days of the filing thereof. When action of the Board of Appeals is required in any case, the Zoning Administrator shall issue such Certificate within ten (10) days of such action. In any case where a Certificate is refused, the cause shall be stated in writing to the applicant. No permit shall be transferable.

4. Any Certificate of Approval under which no work is done within twelve (12) months from date of issuance shall expire by Limitation; but shall be renewable upon re-application and on payment of one-half (½) of the original fee, subject, however, to the provisions of all Ordinances in effect at the time of renewal.

5. The Zoning Administrator shall have the power to revoke or cancel any Certificate of Approval in case of failure or neglect to comply with the provisions of this Ordinance, or in the case of false statement or misrepresentation made in the application. The owner shall be notified of such revocation in writing.

6. Within ten (10) days after receiving written notification of compliance with the provisions of this Ordinance, the Zoning Administrator shall inspect the premises and issue the owner a Certificate of Compliance if the building, structure and use are in conformity with the Ordinance.

7. For each Certificate of Approval, a fee shall be paid to the Township Treasurer who shall place the same in a separate fund to be known as the Marion Township Zoning Ordinance Fund, which Fund shall be used solely for the administration of the Ordinance as directed by the Township Board. No Certificate shall be valid until the required fees have been paid. No separate fee shall be required for accessory building or structudes when application therefor is made at the same time as for the principal building or structure. No fee shall be required for a Certificate of Compliance. The Township Board shall annually set the amount of the building permit fees.

For all exterior remodeling, alterations, etc., costing less than five hundred dollars ($500.00), no fee will be required, but a building permit shall be obtained for inspection purposes.

8. It shall be the duty of all architects, contractors and other persons having charge of erection, reconstruc-

tion or movement of a building or structure, subject to the provisions of this Ordinance, before undertaking any such work to determine that proper certificate has been granted therefore; and all such persons performing any work in violation of the provisions of this Ordinance shall be deemed guilty of violation in the same manner and to the same extent as the owner of the premises.

ARTICLE IX BOARD OF APPEALS

Section 9.01 CREATION

There is hereby created a Zoning Board of Appeals which shall perform its duties and exercise its power as provided by Act 184 of the Public Acts of 1943, as amended, and by the provisions of this Ordinance, and in such a way that the objectives of this Ordinance are observed, public safety, morals and general welfare secured, and substantial justice done.

Section 9.02 MEMBERSHIP

The Board of Appeals shall consist of three (3) members as provided by Section 18 of said Act. Members of said Board be removable by the Township Board for non-performance of duty, or misconduct in office, upon written charges filed with the Township Clerk and following a public hearing by said Board upon such charges.

ARTICLE X PENALTIES

(a) Any building or structure which is erected, altered, maintained or used and by use of land which is begun, maintained or changed in violation of any provision of this Ordinance is hereby, declared to be a nuisance per se. Any person, firm, corporation or other organization which violates, disobeys, omits, neglects or refuses to comply with, or resists the enforcement of any provision,, shall be fined upon conviction not less than twenty-five ($25.00) dollars nor more than one hundred ($100.00) dollars together with the cost of prosecution, or shall be punished by imprisonment in the county jail for not less than five (5) days nor more than ninety (90) days for each offense, or may be both fined and imprisoned as provided herein at the discretion of the Court. Each and every day during which an illegal erection, alteration, maintenance or use continues shall be deemed a separate offense. The imposition of any sentence shall not exempt the offender from compliance with the provisions of this Ordinance.

(b) The Township Board, The Board of Appeals, the Prosecuting Attorney of the County, or any owner or owners of real estate within the Zoning District in which such building, structure or premises is situated may institute injunction, mandamus, abatement or any other appropriate action, or proceedings to prevent, enjoin, abate, or remove any said unlawful erection, alteration, maintenance or use. The rights and remedies provided herein are cumulative and in addition to all other remedies provided by law.

ARTICLE XI VALIDITY

This Ordinance and the various parts, sections, subsections, sentences, phrase and clauses thereof are hereby declared to be severable. If any part, sentence, paragraph, section, subsection, phrase or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of this Ordinance shall not be affected thereby. The Township Board hereby declares that it would have passed this Ordinance and each part, section, subsection, phrase, sentence and clause thereof irrespective of the fact that any one or more parts, sections, subsections, phrases, sentences or clauses be declared invalid.

6 ARTICLE XII DEFINITIONS

For the purpose of this Ordinance, certain terms are herein defined. When not inconsistent with the context, words used in the present tense include the future, words in the singular include the plural number, and conversely. The word, "shall", is always mandatory and not merely directory. Wherever the word "owner" appears it is to be interpreted as including: the owner, his agent, or the leasee, as the case may be.

Section 12.01 ACCESSORY BUILDING OR STRUCTURE

A supplementary building or structure on the same premises as the main building or structure occupied by or devoted exclusively to an accessory use, but such use shall not include for dwelling or lodging purposes, or sleeping quarters for human beings.

Section 12.02 BUILDING

Any structure either temporary or permanent, having a roof and used or built for the shelter or inclosure of persons, animals, chattels, or property of any kind. This shall include tents, awnings, vehicles, whether mounted or not on wheels and situated on private property and used for purpose of a building.

Section 12.03 CABINS

Any building, tent or similar structure which is maintained, offered or used for a dwelling or sleeping quarters for transients, or for temporary residence, but shall not include what are commonly designated as hotels, lodging houses or tourist homes.

Section 12.04 CABIN PARKS

Any tract or parcel of land on which two or more cabins as herein defined, are maintained, offered or used for dwellings or sleeping quarters for transients.

Section 12.05 DWELLINGS

Any building or part thereof, occupied as the home, residence and sleeping place of one or more persons, except house trailers, motels, and similar facilities offered to transients.

A. **One-family dwelling** — a dwelling occupied by but one (1) family and so designed and arranged as to provide living, cooking and kitchen accomodations for one (1) family.

B. **Two-family dwelling** — a dwelling occupied by two (2) families and so designed and arranged as to provide living, cooking and kitchen accommodations for two (2) families.

Section 12.06 ERECTED

Includes built, constructed, reconstructed, moved upon, or any physical operation on the land required for the building. Excavation, fill, drainage and the like shall be considered a part of erection.

Section 12.07 FARM

All of the unplatted, contiguous, neighboring or associated land operated as a single unit on which bona fide farming is carried on directly by the owner-operator, manager, or tenant farmer by his own labor or with the assistance of members of his household or hired employees, PROVIDED, however, That land be considered a farm here-under, shall include a contiguous, unplatted parcel of not less than ten (10) acres, PROVIDED, further, That orchards, hatcheries and similar specialized agricultural enterprises may be considered as farms; but establishments keeping fur-bearing animals, game or operated as fish hatcheries, dog kennels, stock yards, slaughter houses, stone quarries, gravel or sand pits or the removal and sale of top soil, fertilizer works, bone yards, piggeries, or for the disposal of garbage, sewage, rubbish, junk, or offal, shall not constitute a farm hereunder.

Section 12.08 FARM BUILDINGS

Any building or structure other than a dwelling, moved on, maintained, used or built on a farm which is essential and customarily used on farms of that type for the pursuit of their agricultural activities.

Section 1209 HIGHWAY

Any public throughfare, road or street, except alleys, including Charlevoix County, Federal and State roads and highways.

Section 12.10 HOME OCCUPATION

A gainful occupation by members of a family only, within its place of residence, provided that the space used is incidental to residential use and that no article is sold or offered for sale except such as is produced by such home occupation.

Section 12.11 HOUSE TRAILER

Any house car, mobile home, trailer home, trailer coach or similar vehicle used or so constructed as to permit its being used as a conveyance upon the public streets or highway and duly licensable as such, and shall include self-propelled vehicles so designed, constructed, or added to by means of accessories in such manner as will permit the occupancy thereof as a dwelling or sleeping place of one (1) or more persons, and having no foundation other than wheels, jacks, or skirtings.

Section 12.12 LOT

The parcel of land on which one (1) principle building and its accessories are placed, together with the open spaces required by this Ordinance.

Section 12.13 ROADSIDE STAND

A frame structure used or intended to be used solely by the owner or tenant of the farm on which it is located for the sale of only seasonable farm products of the immediate locality on which such roadside stand is located.

Section 12.14 STRUCTURE

A structure is any production of pieces of work artificially built up or composed of parts joined together in some definite manner; any construction, including dwellings, garages, buildings, signs and signboards.

Section 12.15 TRAILER PARK

Any site, lot, field, tract, or parcel of land upon which two (2) or more occupied house trailers are harbored either free of charge or for revenue purposes and shall include any building, structure, tent, vehicle, or enclosure used or intended for use as a part of the equipment of such trailer park.

Section 12.16 YARD

A space open to the sky and unoccupied or unobstructed on the same lot with building or structure. Yard measurements shall be the minimum horizontal distances.

A. Yard, front

A yard extending the full width of the lot between the front lot line and the nearest line of the main building.

B. Yard, Rear

A yard extending across the full width of the lot between the rear lot line and the nearest line of the main building.

C. Yard, Side

A yard extending from the front yard to the rear yard between the side lot line and the nearest line of the main building or of accessory building attached thereto.

Section 12.17 WORDS REQUIRING SPECIAL INTERPERTATION

Any words requiring special interpretation and not listed above shall be used as defined in the Housing Law of Michigan, Act 167 of the Public Acts of 1917, as amended.

ARTICLE XIII EFFECTIVE DATE

The provisions of this Ordinance are hereby declared to be necessary for the public welfare, health, peace, safety, and morals, and shall be in effect on and after thirty (30) days following publication.

Enacted by the Township Board, Marion Township, Charlevoix County on August 29, 1961.

Rogers City to Host Charlevoix For Opening Game

The Charlevoix Rayders will officially open their 1961 football schedule Friday when they travel to Rogers City to take on the Hurons.

The game will be one of seven non-conference games played by teams of the Northern Michigan Class C league prior to the opening of the loop schedule next week.

Other games will find Boyne City hosting Petoskey, East Jordan traveling to Kalkaska, Cheboygan invading Gaylord, Harrison moving into Viking territory at Grayling, Harbor Springs taking on Petoskey St. Francis on the Rams home field and Mancelona crossing the state to meet Oscoda.

Coach Don Cary has not named a starting line-up and probably won't until game time Friday night.

However, he said earlier this week that chances are Gary Spencer and Henry Wagner would probably get the nod for the halfback slots, Denny Wojan at fullback and Stan Martin at quarterback with Dan Pearl, Gary Balch, Herb Cummings, Don Berg, Joe Smith and Rick Miller seeing some action.

Brendon LaBlance, Dave Rader, Frank Curtis and possibly Bruce Bartlett and Bill Dohm may see action at the end position; Darrell Sommerville, veteran tackle is almost assured of a starting berth but the other is still wide open with John Pearl, Mike Bost, Tom Browe and Rick Kallmeyer strong contenders for some time on the field. Al Bolhuis and Mel Holborn also are in the running.

Chuck Mitchell, Dale Burke and Ren Hedrick will probably see action at the guard positions though Howard Majors and Terry Geer are sure to see some action.

Al Wojan and Ted Tunison are expected to share the duties of the center.

Injuries are haunting the Rayders Coach Cary said. Already Dick Odmark has been lost to the squad with the recurrance of an old back injury; Somerville's activities on the practice field have been cut short with a leg laceration which necessitated several stiches and the recurrence of a wrist injury has sidelined Bost.

Elsewhere in the league coaches are looking over returning veterans and lettermen and looking for replacements from among former J-V material.

In some instances things look good. At Boyne City, for instance, Coach Paul Pfahler has almost his entire line intact including ends Ron Ward, a regular and Lawrence Thompson, a letterman; tackles Garg Smith,

Set Week of Oct. 1 For Farm Bureau Roll Call

Plans are being completed for the annual Farm Bureau roll call campaign scheduled to be held the week of Oct. 1 under the management of Mrs. William Parsons, E. K. Shanahan, president of the Charlevoix county Farm Bureau, has announced.

During the 1962 membership drive, volunteer workers will aim at a goal of 380 Farm Bureau family members in the county. The quota is the county's share of the more than 70,000 Michigan membership goal.

Membersbip in the organization is on a voluntary basis.

Mrs. Parsons was at Camp Kett recently to attend a school for roll call managers. The school was held Sept. 7 and 8 under the direction of Roger Foerch, manager of the organization division of the Michigan Farm Bureau with headquarters in Lansing. During the training session be outlined the aims of the organization and brought out the fact the Farm Bureau has a highly trained legislative staff working with the legislatures in both Washington and Lansing making the Farm Bureau an affective power in both.

JayCees Promote Sale of Safety Kits for Motorists

A campaign to encourage motorists to carry some type of warning device for use in the event of a vehicle breakdown of accident on the highway has been launched by the Charlevoix JayCees.

In cooperation with state and local law enforcement officers, the JayCees are encouraging motorists to purchase a safety kit which includes two flares which can be seen for 1,000 ft. and will burn for approrimately one hour. The kits fit easily into the glove compartment of any car.

Robert Reed, chairman of the project, said in announcing plans for the campaign that "Use of such a device to warn approaching traffic of a breakdown or accident would do much to cut down on the large number of accidents which result from cars parked along the highway.

The aafty kits are available at all local service stations and from all JayCee members.

Local Family Sets New Record For Crossing Mackinac Bridge

Several local residents, including four members of one family, combined their efforts on Labor Day to set two new records during the Mackinac Bridge walkathon sponsored by the American Association of Walkers.

Pictured are Ed Boss who is 83 years old, his son, John E. Boss (55), the former's grandson, Dale E. Boss (30) and his great-grandson, Dale Jr., five years old, who became the first four generation group to cross the bridge on foot.

Pictured right is Mrs. John E. Boss's father, M. K. Chew, pioneer resident of Hayes township who, at the age of 91 years, became the oldest person to participate in the 4½ mile walk.

Mr. Chew wasn's a bit surprised at this unusual feat for he recalls walking from Indiana to northern Michigan behind the family's covered wagon when his parents came to Hayes township 82 years ago. He has lived in Hayes township ever since then except for the winter months when he joins his daughter, Miss Alice Chew, in Bav City. Even yet Mr. Chew does a great deal of walking and gardens daily and as a result felt he was well qualified for the walk across the bridge.

Also participating in the walk were Mrs. Dale E. Boss, daughters, Shari and Diane, Kay and Kathy VanZant, Sally Ikens and Dwight Boss, son of the John E. Bosses who took the above picture at the end of the walk.

A. L. Livingston Named President By Bank Directors

Directors of the Charlevoix State Savings Bank last Thursday elected Archie L. Livingston president of the board. He succeeds the late Harry A. Craig who had held the office since 1934. Cornelius D. Gelken, a director since Jan. 9, 1951, was elected to succeed Mr. Livingston as vice president.

Mr. Livingston joined the bank staff as assistant cashier in July, 1913, under the administration of W. J. Rachow. Succeeding presidents were Dr. Archie Swinton, W. S. Richardson and Mr. Craig. Mr. Livingston took over the bank management as cashier Sept. 7, 1934 and was elected vice president and cashier in January 1951.

Mr. Livingston noted that he became president just 27 years to the day after taking charge of the bank as cashier. "During that 27 years we have progressed very successfully and my aim is to assure a dependable and pleasant service to those we serve," he said.

Final Rites Held Monday for Mrs. Emma Bogart

Mrs. Emma Bogart, 74, a resident of this community for more than 80 years, died early Friday at her home at 104 E. Hurlbut ave. She had been in failing health for seme time.

City Approves Rules Effecting Utility Service

The standard rules and regulations effecting utility service were approved by the City Council at its regular meeting Monday night.

The rules and regulations pertain to deposits, establishment of credit, type of service and rate patrons are to receive, resale of electricity, service to multiple dwellings, seasonal customers, farm and stand-by service, annual minimum charge and billings among other items. A more complete resume of the rules and regulations will appear in the Charlevoix Courier at a later date.

In other action the council approved the re-zoning of property purchased by the Freedman Artcraft Corp. from the Charlevoix Industrial Corp. from Agriculture 1 to Industrial; approved application to the State Water Pollution Control Agency of the Water Resources Commission for a federal grant to be used for re-modeling and improving the sewage treatment plant and accepted two bids for the removal of a dwelling from the Albert Thorp property located on the old Norwood Road. Identical bids of $100 were received from W. H. Lunney and Lewis R. Skeel. City Supt. James Taylor is to talk with the two parties and decide which bid is to be approved.

It was decided to install a cement floor in the city garage now under construction instead of only in the workshop part of the structure. Joseph Liston was awarded the contract at the rate of 50 cents per square foot for building the floor.

A committee from the Kiwanis club appeared before the council asking permission to build a sugar house at the corner of Mercer Blvd. and Division ave. for use during the maple syrup festival. The issue was referred to committee for consideration.

Bills totaling $45,283.58 were

Shanahan - Habermehl Win in Election as Con Con Delegates

Edward K. Shanahan, representing the Charlevoix representative district, and Donald M. Habermehl of Alpena, representing the 29th senatorial district, were elected delegates to the Constitutional Convention in Tuesday's general election.

Both are Republicans.

Shanahan polled a total of 4,087 votes in the four counties which comprise the Charlevoix district to 2,218 for his Democratic opponent, Allen Blacklock. A breakdown of the figures show the victior received 1,214 in Charlevoix county, 1239 in Antrim, 595 in Benzie and 1039 in Leelanau counties. Blacklock polled 430, 549, 725 and 512 respectively in the same counties.

Habermehl polled 1127 votes and A. M. Schneider, Democratic candidate, received 421 in Charlevoix county. Habermehl carried the seven counties in the 29th senatorial district by about the same margin, it was reported Wednesday.

The two men will represent their respective district at the Constitutional Convention scheduled to open in Lansing next month.

Rod and Gun Club Auxiliary Elects

Mrs Gordon Moeller was elected president of the Charlevoix Rod and Gun Club Auxiliary at the annual meeting held Monday evening at the club house.

Other officers elected were Mrs. Clayton Trimble, vice president; Mrs. Orlin Cunningham, secretary and Mrs. L. B. Mitchell, treasurer.

Mrs. Louis Courtade is the retiring president.

Charlevoix Public Schools Show Increase In Enrollment

First day enrollment figures reveal an increase in the number of students in both the Charlevoix elementary and bigb schools acccrding to Sept. R. G. Bennett.

In the elementary school a total of 545 students were registered on Tuesday as compared to 528 on opening day last year. Glenn B. Snider, elementary school principal, said that a few more were expected to enroll by the end of the week. This figure includes 106 children in the kindergarten where only children who had not not been registered earlier were in attendance Tuesday.

In the high school the initial enrollment increased from 423 last year to 442 this year, according to H. E. Bingham, high school principal. Major increase in enrollment was in the ninth grade thus giving the school the largest class in its history, a total of 95 students. Enrollment in the top four grades increased from 272 last year to 292 this year.

At St. Mary's school first day enrollments were down five over last year. This year's first day enrollment figure was 138 compared to 143 at the same time last year.

East Jordan Man, Accident Victim Dies Monday

Everett Beishlag, 23, former East Jordan resident who has lived in Madison Heights since December, died late Monday at the Charlevoix hospital from injuries received in a one-car accitend early Sunday two miles north of Bellaire on M-88.

Death resulted from a fractured skull and a crushed chest.

Beishlag was a passenger in a car driven by his brother, Erick, 19, who suffered facial lacerations and bruises. He was discharged after receiving treatment.

William S. Dunson, 19, of RR East Jordan, riding between the two brothers, received fractured ribs and bruises. He was to be discharged Wednesday.

The accident occurred at 1:15 Sunday when the Beishlag car, traveling north from Bellaire, failed to negotiate a curve and took out a utility pole before striking a tree according to Antrim county sherriff Carlton Dunson. The trio was brought to the Charlevoix hospital by ambulances from Bellaire and Central Lake.

At the time a charge of driving too fast for road conditions was made against Erick Beishlag.

Funeral services for Beishlag will be held at the Evangelical Lutheran church in East Jordan at 2 p.m. Thursday with burial in Sunset Hill cemetery.

A native of Detroit, he had lived in Charlevoix county from 1950 to December 1960, when he returned to Madison Heights with his parents. He was a student at Wayne State University. He was vacationing here at the time of his death.

Among his survivors are his parents, Mr. and Mrs. Everett Beishlag Sr. and a brother, Erick, all of Madison Heights.

To Hold Classes On Nuclear War Next Week

Plans for a training program in radio activity monitoring have been announced by Gen. George Ely U.S.A. Ret., director of Civil Defense in Charlevoix county

The classes which will include meter reading and evaluation of the readings will be held at the Boyne City high school.

Lt. Col. Joseph Seidel who has been appointed deputy director of Civil Defense in charge of training will teach the classes which will include five two-hour sessions.

The first or orientation class will be held at the new Boyne city high school at 8 p.m. Friday, Sept. 22. At that time a schedule for classes will be set up and meeting days established.

Efforts are being made to interest enough people in this important program so that eight monitoring teams of six persons each can be organized in the county, according to Gen. Ely. It is hoped that teams can be organized in Walloon Lake, Boyne Falls, Boyne City, East Jordan, Charlevoix and Beaver Island with the others serving the county at large.

City, county, hospital and school officials as well as veterans and farm organizations are urged to participate in this program that will afford them an opportunity to protect themselves and others from the dangers of radio-active fallout.

Persons wishing to take the course are asked to call the Civil Defense office, LI 7-2638 and give their name, address and telephone and indicate the day they would like to have the classes held.

Tentative plans call for a series of the same classes to be held in Charlevoix later in the fall.

How to Stop a Strike in 10 Seconds

The other day, in the town or Dagenham, England, a normally meek housewife with the grand old name of Smith broke up a strike against the American-owned Ford Motor Company plant.

For one long week, Mrs. Evelyn Smith listened to the yak-yak of the strike leaders, meanwhile watching the stoppage cut into the family savings.

At week's end, she'd had it. So she mounted a platform at a mass rally, grabbed a mike, and spoke for 10 seconds.

"I'm and ordinary wife of a Ford worker," she said, "and I think I'm entitled to speak—WHY DON'T YOU ALL GO BACK TO WORK?"

There were scattered boos and catcalls. But Mrs. Smith had scored. In a subsequent vote, the strikers elected to defy their leaders and return to work.

Said Mrs. Smith: "I was fed up seeing my husband sitting around miserable at home. The union leaders just don't represent the men any more."

Said husband Smith: "I'm proud of her."

Say we:

Wish Mrs. Smith would take the next U.S. bound jet. We sure could use her.

Taxes Are Good---But

The National Education Association has issued a booklet entitled "Taxes Are Good'. It observes that "taxes are the price we pay for civilization."

This, of course, is a truism. Taxes, as one writer puts it, are good and necessary for civilization, in the same way that fire and water are good. But you don't have to burn down your house to warm your hands—and you don't have to open a dam and drown in the flood to get a drink.

The "Taxes Are Good" argument is used as a support for an almost endless list of government projects and proposals which advance the welfare state, reduce or destroy local rights and responsibilites, limit the freedom of groups and individuals, and dry up the normal sources of taxation—for example, housing subsidies, farming subsidies, public power schemes, federal aid to schools, federal medical aid plans, and so on.

So the "Taxes Are Good" theme needs to be carefully analyzed. They are good when levied for necessary purposes. They are bad when levied for purposes which should be undertaken, if they are to be undertaken at all, by local government or private enterprise.

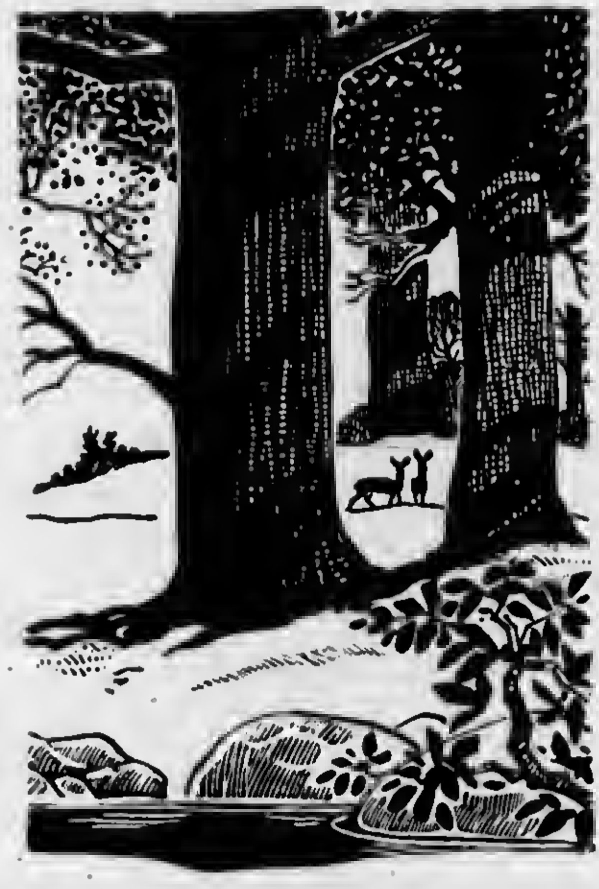
SEPTEMBER
. . . in Michigan

By Harold E. Kohn



All summer long our guests ask us if we can show them deer in the meadows and forest edges of the North. Usually we succeed. There are choice forest glades, birch copses and pastures where deer can almost certainly be glimpsed at given times of the day—let us say at 7:30 A.M. on mid-August mornings and 8:30 in the evenings. We look for them in the same place a few moments later on September mornings and a trifle earlier in the evenings. Deer have their hours for feeding, for resting, for travelling, for loitering, and they hold to their schedule with amazing fidelity. One needs only to discover their agenda, and deer can be seen almost any day of the year attending to their business in their appointed places and at the expected hours.

Bioligists have a name for the regularity found in the behavior of deer and their animal kinfolk. It is "habituation." An aimal performs a certain sequence of activities until the sequence is an established habit. The habit is often associated with changes in the nervous system. Paths, like those worn across a cow pasture by cattle, are formed over which nerve messages pass smoothly and readily. Effective answers to the frequently recurring questions of the body are soon ready-made. "When de we eat?" is answered by an automatic "At dawn" or "At twilight". "Where do we eat?" is quickly answered by "Where the maple shoots grow at the meadows edge by the highway." "Where do we rest?" "On the sunny south side of yonder hill, behind a screen of white cedars." "Where do we hide?" "In that dense cedar swamp over there."

Habituation makes reflective thought unnecessary—even if deer were capable of contemplation. It saves energy, and what is often more important—time. In many instances wild creatures have no time for experimentation. Hesitation or error means death beneath the claws or fangs or rifle of some predator.

Of course, it is true that a predator, knowing a deer's habits, can take advantage of them, lying in wait for the graceful creature where the animal is almost sure to apppear at a predetermined time. Thus habit is to the deer what it is to man—both his great friend and his worst enemy.

SOME THINGS TO NOTICE IN SEPTEMBER:

* Now that the summer is over and the chill of fall is setting in, those people who own swimming pools will have a chance to discover who their friends really are.

* Before this month ends "potatoe picking" will begin in the North. Potatoes are not native to Northern Michigan or to North America. The first potatoes were brought to Boston in 1718 by a group of Irish Presbyterians. Originally the potatoe plants were found in South America from whence they were taken across the Atlantic by early explorers and then brought to this country. At first New Englanders would have little to do with potatoes. Rumors were circulated that they would shorten a man's life and that they were a potent sex stimulant Even after the rumors subsided potatoes were used mostly for feeding cattle. In 1747 more than nine thousand bushels of potatoes were sold out of Philadelphia as food for cattle, and a century later a farm manual instructed its readers to grow potatoes near their hog pens "as a convenience toward feeding the hogs."

Take notice of nature's remarkable ingenuity in spreading seeds through the assistance of burrs that stick to the clothes of man and the fur and feathers of other creatures. After a walk through a meadow see how many different sizes and shapes of "sticktights" you can identify.

To Begin Classes In Parent Education Tues.

"Normal Parents Living with Normal Children" will be the theme of a course in parent education offered to the residents of the area through the cooperation of the University of Michigan Extension Service and Charlevoix P.T.A.

Mrs. Belle Farley, lecturer and consultant in parent education for the Extension Service, will present the course at the Charlevoix Elementary school.

Because of the interest shown in the course, two sections of the course will be offered with one session being held from 9 to 11 a.m. and the second from 1 to 3 p.m. nn Tuesday Sept. 19, and October 10, 17 and 24.

Mrs. George Lusk is accepting registrations for the course and is prepared to answer questions regarding it. She said Wednesday that one question being asked was the age group of the children to be discussed. She said it included children from birth through the teen-age levels. The course will include lectures by Mrs. Murray followed by a guestion period when paarents may present problems they may have with their children.

It is suggested that young mothers with pre-school children trade baby-sitting duties with friends or neighbors with one attending the morning sessions and the other the afternoon sessions.

"Charlevoix is fortunate to have such an outstanding person as Mrs. Murray present a workshop here. We hope that everyone who can will avail themselves of this fine course," Mrs. J. L. Feindt, president of P.T.A. said in encouraging mothers and grandmothers to register for the workshop which promises to be both interesting and rewarding.

Issues Plea for Adult Assistance For Scout Program

A plea for adult assistance with the Boy Scout program scheduled to get underway Monday, Sept. 18, has been issued by Scoutmaster Louis Edwards.

The first meeting of the Scout program will be held at the city hall at 7:30 p.m. Monday. At that time all Scouts are asked to be on hand to make plans for the school year. All boys who have completed their Cub Scout training and have reached the age for Boy Scouts are asked to attend the meetng. The anticipated increase in the number of Scouts has resulted in a request for more adult leadership or assistance.

Anyone interested is asked to attend the meeting or contact Mr. Edwards or Robert O. Bergmann, Scout Committee chairman.

Friday Final Day for NCMC Registration

Final registration for class for the fall semester at North Central Michigan College in Petoskey has ben scheduled for today and tomorrow (Thursday and Friday) according to Dean A. D. Shankland.

This registration is for both new students and those returning to classes in the college.

After Friday registrations will be accepted only if space is available for the particular class in which the student is interested and upon payment of a late registration fee.

Dean Shankland said he expected registrations to be approximately 10 per cent over a year ago.

Anyone interested in registering for the fall term is reminded to do so at once.

Exchange Students And Foster Parents Meet With Committee

A meeting of the Charlevoix Youth for Understanding Committae held last week at the Weathervane Lodge brought together the three foreign exchange students who are spending the school year in Charlevoix under the sponsorship of the Youth for Understanding program of the Michigan Council of Churches, their foster parents and committee members.

Following a brief business session, the visiting students were introduced by their respective foster parents and spoke briefly of their parents and the communities from which they came. Tony Duerr, Charlevoix high school senior who spent the summer in Europe, also spoke on his experiences as an exchange student and his impressions of life in Germany.

Sharon Abfalter, another high school senior who also spent the summer in Germany, was out of town so was not present for the meeting.

The students who are attending classes at the Charlevoix high school while spending the school year with local families are Nynke Bierma, daughter of Mr. and Mrs. Piet Bierma of Oudehildlzyl, Friesland, the Netherlands, who is living with Mr. and Mrs. Ralph McRae; Ulrich Kallmeyer, son of Mr. and Mrs. Erich Kallmeyer of Neustadt and Ruebenberg, Germany, who is with Mr. and Mrs. E. D. Hawley; and Pertti Salmela, son of Mr. and Mrs. Veikko Salmela of Helsinki Finland who is living with Mr. and Mrs. Charles A. Duerr.

Members of the local Youth for Understanding committee who were present for the meeting were Rev. George L. Majors, Mrs. William Ratigan, Mrs. Abe VerWys and daughter, Marylou, who spent the summer in the Netherlands in 1960, Mrs. Clifford G. Riley, Mrs. Byron Wright, Mrs. Harold E. Kohn, and Fran Martin who served as chairman of the meeting. Other members are Mrs. Max Hosmer and Mrs. Harry Stewart.

To Dedicate Church At Boyne City Sun.

The dedication of the recently completed Church of the Nazarene located at 225 W. Morgan st. in Boyne City has been scheduled for 2:30 p.m. Sunday the Rev. John Cole, pastor of the church, has announced.

Dr. Fred Hawk, recently named district superintendent of the Michigan District of the Church of the Nazarene, will be the guest speaker. Dean Fiedler of Highland will lead the singing.

Ground for the new church, a modern one-story brick veneer structure, was broken April 16. The church features two sections, the church proper and an educational wing where the Sunday school classrooms and related rooms are located. C. J. Fiedler of Charlevoix was the general contractor.

NOTICE

In accordance with a Resolution adopted by the Charlevoix County Board of Supervisors, all Court House offices will be closed on Snturday from October 1st. to April 1st until further notice.

a regular, and Chuck Vincent, a letterman; regular guard John Hale and regular center Bill Heierman. The players in the center of the line also pack a lot of weight, giving the Ramblers one of the biggest and most experienced lines in the loop. In the backfield are two returning regulars, speedster Doug Grubbe and Tracy Newville. Other starters will come from among the remaining 55 players out for the squad.

At East Jordan Coach Wes Fleet is also blessed with an experienced squad including three of his four backs from last season, quaterback Bud Gee, halfback Ray Fisher and fullback Tom Graham. Letterman Bruce Shepard is among the candidates for a starting backfield berth.

In the line will be regular end Bill Cox and a letterman, Jim McWaters; tackles. Bob Sherman and Oliver Sayles, both of whom lettered as did the guards, Rick Annear and Dave Pienta and center Bob Gobel.

Coach Charles Paige of Harbor Springs is counting among his returnees two regular backs including halfback Harvey Kasuske and quarterback Gary Stutsman along with ends Howard Allen and Charlie Schlappi, tackles Don VanAvery and Mick Heinz and guard Don Sellers all experienced players. Replacements will come from among the remaining 19 players for the Varsity squad.

At Mancelona Coach Matt Jacobson has four returning regulars but a number of lettermen around whom to build a squad. Regulars include Kenny Johnson, senior halfback; Richard Dickinson, 200 pound center; Kent Stradinger who will be shifted from a guard position to the backfield and Larry McCarty a 185 pound tackle who is being converted a fullback.

Lettermen returning include Bill Neeland, a defensive end, Bob Moore, defensive tackle, Terry Johnson, a guard, Ed Garlick, an offensive end and Ron Conway, a senior center.

At Pellston where practice sessions did not begin until Labor Day Coach Francis McMahon is counting six veterans among his candidate including halfback Ray Makalek and quarterback Merle Cameron. Others are end Rick Anderson, tackle Lud Millhausen, guard Tom Corneil and center Tom Bricker. Also on the roster are three lettermen including Ken Fosmore, a defensive end, tackle Vern Hiar and center Rolland Lempke

At Gaylord where Don Beemer, a recent Central Michigan graduate, has taken over the coaching duties several veterans and lettermen are found among the 60 candidates for the squad. These are Tom Tapio, quarterback, Dick Farrand and Larry Simpson, halfbacks, all regulars.

Maxbauer Installs New Equipment for Packaging Milk

A new and improved type of container for packaging milk will be introduced to Charlevoix area residents in the immediate future by Maxbauer's Creamery, according to John L. Boss, manager of the local plant.

Equipment is now being installed to package milk in a new bright plastic coated carton which will offer a number of improvements over the wax coated cartons presently in use, Mr. Boss points out. A new Maxbauer design printed on the carton will add to the attractiveness of the container.

Distinguishing features of the new bright plastic Marbauer carton are a gable top and sealed in sanitary pouring spout that "pours like a pitcher". Dripping has been eliminated. The new container is said to be highly efficient in keeping the cold and freshness in the milk and keeping impurities out.

"We are adding this new equipment in line with our continuing policy of supplying customers milk that has been processed by the most modern, efficient and sanitary methods obtainable," Mr. Boss said. "During the years Maxbauer's Creamery has served the Charlevoix area we have constantly had that as our objective."

Draft Board Calls Four for Physicals

One Charlevoix county draft registrant will be called for induction into the armed services Oct. 10. Four men will be called for pre-induction physical examination next month at a date to be announced later. Mrs. Mary Bourgoin, clerk of the draft board, has announced.

The names of the county men to be called for induction and for pre-induction physical examinations this month have been announced following a meeting of the draft board.

Dwight D. Lawson of Bay Shore, Bill R. Filkins of East Jordan and Robert J. Matts of Boyne City will depart Sept. 21 to fill the county's September draft quota.

Gary L. Russell, former residents now living in Petoskey, Thomas B. Kruczkowski of Boyne Falls, Theodore J. Karki of East Jordan, Phillip R. Johnson and James E. Craig of Boyne City will report Sept. 27 for pre-induction physical examinaitons.

ROOM 19
BY ANN ESS MORROW

I guess someone really pressed the button labled "School," for just like that the wrole wide world has leaped into activity that's academic once again. In dizzy, busy fashion, all the wheels are whizzing 'round.

Somehow it makes me just a bit nostalgic, as I think of Grandpa's watch. I always loved it when he took the back off his big pocket timepiece. I viewed in greatest wonder all the synchronized activity.

And now we've come to recognize that it's a timely world, like school. Gone is the time to sleep late in the morning. The hour of charm is now one of alarm, as children are routed from their beds in an effort to make their early classes. Breakfasts now are regular, and the air of relaxation is replaced by one of obligation to the clock.

And as if all that were not quite enough, all the related activities have started, too—the social clubs, hobby groups, private lessons, band practice, Scouts, and all.

Sometimes it seems there's much too much to do, and parents are concerned. In fact, many of the extra-curricular. It isn'tjust a them are extra-curricular about matter of the PTA right now. It's the whole academic alphabet that suddenly goes acrobatic and beckons in a hundred ways. Yes, sir, we're off! The season for breathlessness is on.

I thing it is so strange sometimes that we don't ration our activities more than we do. But no, they seem to halt completely in the summer, stop-light fashion —and then, as if the light turned green, they all began at once, like traffic at a highway intersection. And many of us are casualties.

I always think of a remark I once heard Dr. Rasey make: "If in one minute we do what our grandmothers did in one hour, what de we do with the other 59 minutes?" Goodness knows, we never seem to have any time left over. Often, like the chocolate cookies children quietly help themselves to, there's not enough to go around. Yet magically we can find it for what we really want to do.

Thus an obligation of a teacher is to stimulate desire for worthwhile interests that boys and girls wil learn and yearn to follow.

AGRICULTURE in ACTION

by M. L. Woell
MICHIGAN FARM BUREAU

Tha Day The Tractors Stopped

In this dream, the gasoline had run out, . . . petroleum products were cut off. The tractors had stopped. The dark furrows where they had drawn their plows ceased. Cattle cried for water beside the still pumps, and a chill silence spread over the land where formerly locomotives raced, engines sputtered into life and trucks loaded with food roared.

In this dramatic fashion we point up the importance of petroleum products—a major farm production "tool" and a major item in today's farm budget.

"What would we do in America if petroleum were cut off? How long would it take to plow an acre, or cultivate a field of corn?" Those questions were asked recently by Jack McKendry, manager of Farmers Petroleum Cooperative, one of the largest state-wide form petroleum suppliers.

Those are intriguing questions to say the least. A good team of horses hitched to a "walking" plow could cover from one to three acres a day. Four horses on a spike-tooth harrow can go over 20 acres. But where are the horses these days? Without them, how would we plow and seed, combine and elevate? Who would chop and dig, grind and pump?

Human muscles would do these things just as they still do in many parts of the world. Picture if you can, the harvest methods of one Asiatic farmer, who uses two chopstick-like pieces of wood to "pinch off a head of grain, meanwhile depositing it in his collection bucket." Threshing of course, is a repeat of the beating and winnowing process of Biblical times. It goes without saying that such countries have no surplus proplems.

Contrast the 80 acre field harvested in one day by a 16 foot, self-propelled American combine!

Small wonder that, as McKendry points out,—Michigan farmers willingly spend major money on petroleum products. McKendry lists major cash outlays by most farmers for petroleum, fertilizer, seeds and feed, in that order. Much feed and some seeds are still home produced, but "horsepower" is not.

Without adequate petroleum supplies, (farmers are the largest single users of petroleum products) the tractors would truly stop and American farm surplusses would melt into nothing in a matter of months.

"Remember this: The government or anyone else, cannot give anything to anybody without taking if from someone. For every give-away there must be a take-away—No matter how it's disguised or to what extent the giveaway is played up and the takeaway is played down."—George C. Keyes, Oklahoma County (Jones Okla.) News.

"The good old days were when the moon was just something the cow jumped over."—E. M. Remsburg, Vista (Calif. Press.

J. E. Simon, Summer Resident to Enter International Bridge Tournament

John E. Simon of St. Louis, Mo., a summer resident here for many years, and Jack Denny (far right) of Akron, Ohio, pictured during a game of contract bridge at the Simons's summer home here recently. Mr. Simon and Mr. Denny have been named to the 16-man contract bridge team and will represent the American Contract Bridge League at the International tournament in Nice, France in May. Pictured with them are, clockwise, Mrs. Denney, Mrs. Phillip Steinberg of St. Louis, Mr. Simon, his sister, Mrs. Edgar Moch of Cincinnati and Mr. Denny.

★ ★ ★

When the International Bridge tournament opens in Nice, France, in May interest in the event will be running high in this northern Michigan community for one of the members of the 16-man American team will be a summer resident well known to all Charlevoixans.

He is John E. Simon, St. Louis, Mo., financier who has called Charlevoix his second home for the past 56 years.

Mr. Simon and his bridge-playing partner, Jack Denny of Akron, Ohio, who visited here last week, are members of the U. S. bridge team which will be among those from 29 countries in the international meet, the Olympics of the Contract Bridge world.

Both men are hopeful that the American team can capture top honors for in recent years French and Italian players have been walking off with the titles.

Most people who know Mr. Simon even casually know that he is an avid bridge player but few people know that he is one of the founders of the American Contract Bridge League which was organized in 1929 and which now boasts a membership of 135,000 players and growing all the time. Mr. Simon explains the league's rapid growth thusly: "Bridge is an ideal way to forget your troubles for it demands concentration and each game is a challenge. It is also good training for the mind. That is why it is being taught in some colleges and used as a therapy in mental hospitals for more advanced patients".

Bridge has long been a hobby in the Simon household. Mr. Simon first became interested in the game as a small child when he watched his parents play the then-popular version of the game, bridge whist. He began playing at the age of 10 years and has been enjoying it as a hobby ever since. He is now considered a life master as is the charming Mrs. Simon who shares her husband's interest in the game and who is a champion in her own right "In tournament play you play for master points", Mr. Simon explained. "One must have 300 points to become a life master. Mrs. Simon now has earned well over 900 and I have more than 1500 points", he added. The honors they have won in tournament play, like the points they have earned, are evidence that their skill equals their interest in the game.

Mr. Simon and Mr. Denny were runners-up in the Spring Nationals at Denver. More recently they participated in the Summer Nationals in Washington, D. C. While there Mr. Simon spent an evening with his old friend, Gen. Alfred Grunther, now retired, and, of course, played a few games of bridge. Among the kibitzers was President Eisenhower. Mr. Simon related this incident to bring out the point that more and more people are playing contract bridge as a means of relaxation and in order to escape the pressures of the hour.

Unlike players like Goren and Jacoby, Mr. Simon and Mr. Denny have retained their amateur standing and play for the love of the game and the challenge it offers. Mrs. Simon also is an amatuer and a national champion, having won the national women's team for four competition in 1959.

Mr. Simon not only plays bridge but is active in the American Contract Bridge League, serving as chairman of the goodwill and membership committee, a position which demands a great deal of time for he not only assists in conducting tournaments but protects the ethics of the organization and on occasion, serves as a referee in the interpretation of the rules. He will also serve as chairman of the National tournament to be held in St. Louis in the spring of 1983 and is already working on the arrangements for the event which is expected to attract more than 5,000 bridge lovers.

As mentioned before, bridge is only a hobby with Mr. Simon who is the senior member of the I. M. Simon Co. which was established in 1874 and which is the oldest New York stock exchange west of the Mississippi. A Harvard graduate, as have been all the men in his family, Mr. Simon has been a member of the firm for more than 40 years. Even now he spends a major part of each morning in communication with his office despite the fact that he is supposed to be on vacation.

He also is the founder and sole sponsor of the Simon Foundation for philanthropy.

Both Mr. and Mrs. Simon are interested in art and have a fine collection of French and English impressionist paintings in their St. Louis apartment.

How does one learn to play bridge? "Form a group, take a

MORE MORE MORE ....

series of six or more lessons and then play as often as you can" was the advice given by both Mr. and Mrs. Simon. Followers of their own advice, both can be found enjoying a game with friends and 'gaining experience' most any afternoon during their stay here.

A visit to the family home at 405 Michigan ave. offers proof why Mr. Simon has been named to head the goodwill committee of the bridge league for there he can be found greeting numerous guests and answering countless questions in addition to carrying on an interesting conversation regarding his experiences and interests.

Both Mr. Simon and his sister, Mrs. Edgar Moch of Cincinnati who declares, without reservation, that she is Charlevoix's oldest summer resident, enjoy reminiscing about the community and their early days here. They relate how the family first came to Charlevoix in 1902 after their father was sold on the idea of coming to a beautiful new hotel known as "The Inn" by his friend, the president of the Pere Marquette railroad, which had underwritten the cost of the popular resort hotel. "We came to Charlevoix, fell in love with it and have been coming back ever since". Mrs. Moch said. They lived at the hotel every year until purchasing the residence on Michigan ave. in the early 1920's. "We had the same rooms at the hotel every summer and even left many of our possessions in the rooms from year to year or there was never any doubt out that we'd return to following year" she recalled.

In those days Michigan ave. wasn't much of a street north of Petoskey ave., one couldn't see Lake Michigan because of the heavy undergrowth along the bank where their home stands and there were few houses in this part of twon, both secall.

Though they enjoy reminiscing, their enthusiasm about their friends, the community and today's events quickly bring their throught back to the summer of 1961 when they are making plans for the future. Among the plans are those for the trip to Europe in the spring for the International Bridge tournment.

NOTICE

NOTICE IS HEREBY GIVEN, of the abandonment and discontinuance of part of "Norwood Road" pursuant to the following Resolution duly adopted by the Board of County Road Commissioners of Charlevoix County, Michigan, at it's meeting held on September 11, 1961, viz:

RESOLUTION

Commissioner Erber offered the following Resolution and moved its adoption, seconded by Commissioner Rogers:

WHEREAS, the City of Charlevoix and over seven (7) other freeholders of the Township of Charlevoix have petitioned the Board of County Road Commissioners of Charlevoix County, Michigan, to absolutely discontinue and abandon that portion of the County Road Highway known as the "Norwood Road" abutting upon the West side of the Charlevoix Airport, which part is hereinafter more particularly described, to permit the expansion of the City of Charlevoix's Airport; and

WHEREAS, this Board has set it's meeting this date, September 11, 1961, at 10:00 A.M., at the County Road Building on Highway M-75, East of Boyne City, Michigan, for a public hearing upon said Petition and due notice of said hearing having been given by publication in the Charlevoix Courier, a newspaper published and circulated in the City of Charlevoix, Charlevoix County, Michigan by posting in three (3) places in Charlevoix Township, and by mail to all of the owners and occupants of land abutting upon that part of the road sought to be abandoned and discontinued, as appears from the Proof of Publication, Proof of Posting, and Proof of Service filed with this Board; and

WHEREAS, after full hearing thereon and this Board being fully advised in the premises the Board has determined that it is advisable to absolutely abandon and discontinue the said part of said road for the purpose set forth in said Petition;

THEREFORE BE IT RESOLVED, by the Board of County Road Commissioners of Charlevoix County, Michigan, that the following part of a County Road, known as the "Norwood Road" be abandoned and discontinued as of September 11, 1961, as a County Road and cease to be a part of the County Road system, and that said Board determines it to be to the best interest of the public that said highway so abandoned and discontinued should be, and the same is hereby, absolutely abandoned and discontinued; and part of said County Road so abandoned being in the Township of Charlevoix and City of Charlevoix, Charlevoix County, Michigan, described as follows:

> "In the Township of Charlevoix, and the City of Charlevoix, Charlevoix County, Michigan, that portion of Norwood Road (formerly referred to as the Emmet and Grand Traverse State Road) being in the North 843.3 feet of the South Half of the Northwest (NW¼) Quarter and in the Northeast (NE¼) Quarter of the Northwest (NW¼) Quarter, Except the North 20 rods thereof, being a part of Section 34, Town 34 North, Range 8 West."

BE IT FURTHER RESOLVED, that a Notice of this determination be given by the Clerk of the Commission to the proper Highway authorities and pubished in the Charlevoix Courier, a newspaper published and circulated in said County, once each week for three (3) consecutive weeks.

Resolution adopted by the following yea and nay vote:

Yeas: Erber and Fineout.
Nays: Rogers.
Absent: None.
Dated: September 11, 1961.

Ralph S. Hamilton, Clerk of the Board of
County Road Commissioners of

MICHIGAN IS SCIENCE

Science is contributing much to the growth of Michigan and Michigan is contributing much to the achievements of science.

At research laboratories of Michigan colleges and universities, of private industry and government in Michigan, dedicated men and women are working day and night on scientific advancements to benefit all mankind—and incidentally to benefit Michigan industry.

Distinguished in work for peaceful use of the atom, Michigan is a center of newest developments in medicine, uses of natural resources and processes in manufacturing.

Outstanding scientists are coming to the state in increasing numbers to work in public and private research. Another reason Michigan is a great place for industry.

Miss Sally Irene Martin Marries in Holy Cross Church

St. James, B.I.—Holy Cross church was the scene recently of the wedding of Sally Irene Martin and Michael Peter Delia.

Parents of the couple are Mr. and Mrs. Charles Martin of St. James and Mrs. George Cordts of Fremont and the late Peter Delia.

The Rev. Louis Wren officiated at the double ring service during the Nuptial Mass celebrated on Saturday, Sept. 2, in the presence of more than 100 guests. White and red gladioli decorated the altar for the service. The Mass was sung by the Dominican Sisters.

Given in marriage by her father, the bride chose a full length gown of white Chantilly lace, satin and nylon net for her wedding. Chantilly lace scattered with sequins formed the fitted bodice and panels in the bouffant skirt. Her finger-tip veil fell from a crown of satin and seedpearls. She carried a heart-shaped bouquet of white carnations accented with red velvet hearts.

Mrs. Robert Armstrong of Battle Creek, as her sister's matron of honor, wore a street length gown of cherry red Chantilly lace over satin. Her matching small crown featured a nose veil and she carried a bouquet of white carnations.

Karen Pischner of Charlevoix, cousin of the bride as bridesmaid, wore a gown and accessories identical to the honor attendant's and carried a white carnation bouquet.

Robert White of Fremont assisted his brother-in-law as best man. John Delia, also of Fremont and brother af the bridegroom, was groomsman. Seating the guests were Erwin and William Martin and Anthony and Larry Martin.

Mrs. Martin chose a gown of rose lace and white accessoriea for her daughter'a wedding. Mrs. Cordt, mother of the bridegroom, wore a light blue gown and matching accessories. Their corsages were of white carnations.

A reception for more than 250 guests followed at the home of the bride's parents.

Following a northern Michigan wedding trip the couple will make their home at Fremont.

SUNDEW REPORT

For the past few weeks the Sundew has remained in Charlevoix for routine maintenance and repairs to the Main engine.

Tuesday, Aug. 29, we were underway to the Straits area to check buoys including Simmons Reef and Round Lake Passage dredging buoys. We moored at Mackinaw City Tuesday night and returned to Charlevoix late Wednesday.

We remained in port until Tuesday when we got underway for a trip to the Soo.

Sundew Scuttlebnt

Congratulations and best wishes to Pat and Carl Lawson who were married at Escanaba Aug. 26. The best of everything to them both in the future . . . . Two members of the Sundew crew answered an emergency call for a rather rare type of blood at the Charlevoix hospital . . . . They were Billy Six and Bill Fraser who each donated blood.

From where I sit ... *by* Joe Marsh

Slim Gets in the Swim

Shorty Johnson's eldest boy, Slim, is as tall as his dad is short, and when he heard about an opening for an assistant lifeguard at our local kiddie pool, he figured there was the perfect job for him.

Right away he made a beeline over to see the head lifeguard, who asked him how long he'd been swimming. "Well, to tell the truth," says Slim, "I never learned."

"You don't know how to swim?" asks the lifeguard, puzzled. "No," says Slim, who's 6'7", and still growing, "but I sure can *wade!*"

From where I sit, it's not how you get a job done, but *how well* you do it that's important. Most folks have their own way of working—a way that suits them best. It's the same when it comes to *personal* preferences. I may like an occasional glass of beer with my meals; you might rather have buttermilk. Neither of us is "right"—it's just a matter of taste. Recognizing this fact is one sure way to get along "swimmingly" with your friends and neighbors.

Charlevoix High School Early-Birds

Courier Photo

Here are some boys who just couldn't wait to get to school on opening day last week Tuesday. Maybe the completely new high school was the attraction or possibly they wanted to get first choice of seats. Whatever the reason, they were on hand before the teachers arrived and were found quietly settled in front seats in the assembly room. Later, early birds were seen making an inspection of the rooms.

Charlevoix Students Leave For Colleges and Universities

The annual migration to institutions of higher learning is currently underway as recent graduates enroll in colleges and universities as freshmen and others return to campusses to continue their studies.

Approximately 50 per cent of the class of 1961 plan to continue their education. Largest campus-bound group has enrolled at Central Michigan University in Mt. Pleasant. Among them are Betty Stoel, Mable Bingham, Elva Trimble, Ann Phillips and Mary Jean Campbell. Gene McBride and Bonnie Fitzhugh have gone to Kalamazoo to enroll at Western Michigan University; Sam Supernaw has gone to Michigan State University and Glenn Snider to Michigan College of Mining and Technology at Houghton; Lenore Erber and Karen Uhrick have gone to Ann Arbor where they will begin their studies at the University of Michigan; Lynette Mayne and Carl Mitchell bave enrolled in the School of Pharmacy at Ferris Institute: Frances Hayes has started classes at Davenport Intitute in Grand Rapids.

Michael Belfy and Jack Moran have already started classes at the Kendall School of Design in Grand Rapids; James Dennis, Evelyn Peters and Sandia Tuomela have enrolled at Northern Michigan College in Marquette: Judy Clarke and Martha Green will leave later this month to begin their studies at the Northwestern Michigan School of Practical Nursing at Traverse City; Georgia LaBlanee plans to attend Northwestern Michigan College, also in Traverse City: Terry Deyaung, Jerry Keiser, John Reynolds, Carol Smith, Karen Neff, James Sneathen, William Supernaw and Leon Weilenga started classes Monday at North Central College in Petoskey. Earlier Monte Withers went to Elmhurst, Ill., where she started training as an x-ray technician at a hospital there.

Returning to classes at the University of Michigan are Bruce Shanahan, David Miles, Larry Smith, Cynthia Curtis, JoAnn Geer, Carolyn Kohn, Sandra Ulrich, Don Heise and James Ladd.

Barhara Jarvis who spent the summer in the east has returned to classes at Central Michigan as have Marilyn Novak Marilou VerWys, and Vicky Racignal who are returning for their second year. John Bingham who attended North Central College at Petoskey and Wayne Green who has completed two years at Northwestern Michigan College hava transferred their credits to Central.

Returning to Michigan State later this month will be Susie Duerr, Carl Sneathen, Jill Davis, Scott Supernaw and Ruth Ann Riley. Janice Stutzman, a junior this year has transferred to State from Northwestern in Traverse City. Norman Cook who spent the summer in Kalamazoo and Nancy Juilleret who was here for the summer will return to classes at Western Michigan University, Stanley Harwood and Mrs. Harwood, the former Madelyn Rabach who has transferred from Central, Robert Mol and Mrs. Mol, the former Mary Schuchard who has transferred from Northern Michigan College, Raymond Schultz, Jerry Foster and Steve Wells have left for Houghton to resume studies at Michigan Tech. Larry Ingalls who has completed two years at the Soo Branch of the College will also go to Houghton.

Chris Campbell and John Haggard have returned to studies at Ferris Institute; Dale Parsons, Artis Geer and Charles Coleman will return to classes at Northwestern Michigan College; Jack Rader has transferred from Dennison College to Albion College; Ronald Koteskey has returned to Asbury College in Willmore, Ky.,; Emmy Weidman plans to return to Miami University at Oxford, Ohio; Ron Vandenberg and Bruce Kroll are continuing their studies at General Motors Tech; Scott C. Wilson who spent the summer with his parents at the Beach Hotel which they own and operate has gone to Purdue University in LaFayette, Ind.; Kathy McCann plans to return to Marquette University in Milwaukee, Wis.; Ann Martin and Judy Koteskey have returned to their second year studies at North Central College in Naperville, Ill.; Gary Chew and John Norton plan to return to their studies at the Soo Branch of Michigan Tech; Ellen Miller left earlier this month to resume her studies at the University of Arizona in Tucson.

Attending North Central College in Petoskey are Gary Smith, Marianne Makel, Stanley Smith, David Schuchard, Ralph Brock, John Martin, Douglas Reynolds, and Brian Seymour.

Sandy Zipp, a student nurse at Saginaw General, Nancy Klooster a student at Evangelical Deaconess School of Nursing in Detroit and Katherine Oleksy, a senior at Mercy Central School of Nursing in Grand Rapids have continued their studies throughout the year with the exception of a month's vacation.

Other students may be attending school elsewhere but these are the ones the Charlevoix Courier has been informed about.

Village Installs New Street Lights

Ellsworth—New street lights are being installed by Consumer's Power Co., according to Bob Smalley, president of the Ellsworth village council.

Three lights have been installed on Main st.; one on Coeling Rd; three on River Rd. and one at the public fishing site between Morweld and Columbia Foods.

Plans are also being made to Monday in the month at Communremodel the iron bridge.

The council meets the second ity Hall.

Hot Lunch Program Delayed at Elementary School

The hot lunch program in the Charlevoix elementry school will begin as soon as new equipment arrives and is installed, according to Supt. R. G. Bennett.

The former band room has been converted for use as a cafeteria at the elementary school. However, a delay in the arrival of equipment ordered earlier has held up the project. The installation will take only a short time so the cafeteria will be opened shortly after the equipment arrives, Mr. Bennett asid.

Meanwhile, elementary school youngsters have been asked to bring their lunches from home.

An earlier attempt to transport the youngsters to the cafeteria at the new high school did not prove satisfaclory.

Rex Beebe Family Safe Following Hurricane Carla

The Rex Beebe family, now living at Kingsville, Tex., is safe following Hurricane Carla Mr. Beebe has written his parents, Mr. and Mrs. Peter B. Crist of Hayes township.

Mr. Beebe, an airman second class with the U.S. Navy, was transferred recently from duty aboard the USS Lexington to the Texas air field.

He said that the family including Mrs. Beebe, the former Linda Towsley and their two children, was evacuated from their trailer home to a house where they stayed during the storm.

Attends Annual Hospital Parley At Atlantic City

Miss Anne Baumgartner, superintendent of the Charlevoix Hospital, departed Tuesday for Atlantic City, N. J., where she will attend the annual conference of the American Hospital Association and the American College of Hospital Administrators scheduled to open there Monday.

Miss Baumgartner will be installed as a member of the latter organization on Sunday.

Mrs. Arthur Ranger accompanied her on the trip.

Reverend Wood Appointed Vicar Of Christ Church

The appointment of the Rev. Alexander McD. Wood of Yankton, S.D., as vicar of Christ church, Charlevoix, has been announced by the Rt. Rev. Charles E. Bennison, Bishop of the Episcopal Diocese of Western Michigan.

Rev. Wood will arrive in Charlevoix later this month and hold his first service at Christ church on Sunday, Oct. 1.

Prior to coming to Charlevoix, Rev. Wood has served at churches in Duluth, Moose Lake, St. Paul and Stillwater, all in Minnesota. Since 1949 he has been rector of Christ Church in Yankton.

Rev. Wood is married and the father of three children, two of whom live at home.

A native of Duluth, Minn., he is a graduate of Kenyon College and Seabury-Western Theological Seminary. He was ordained to the diaconate in 1936 and to the priesthood in 1937 by the Rt. Rev. Benjamin T. Kemerer, then Bishop Suffragan of Minnesota.

New H. S. Schedule Allows for Longer Class Periods

Charlevoix high school students are now starting classes at 8:45 a.m. daily, 15 minutes earlier than in the past according to Supt. R. G. Bennett.

In addition, the noon hour has been cut to 30 minutes.

The change was made in the schedule to allow for longer class periods, Mr. Bennett explained. The periods are now 56 minutes long with four minutes between each class to allow students to reach other classrooms. There is also a 26 minute period at mid-morning for special meetings such as assemblies, pep meetings, class and other organization meetings.

Classes are dismissed at 3:45 p. m. daily.

Charlevoix JV's Loose Opening Game to Petoskey

The Charlevoix Junior Varsity football team will host the Boyne City Reserves in a game scheduled for 7:30 p.m. Tuesday in the second game of their six-game schedule.

The young Rayders dropped their opener Tuesday night to the Petoskey reserves by a score of 6 to 0.

The young Northmen's single tally came in the second quarter when a 30 yard pass from Quarterback Bert Wilde to End Danny Bates put the ball in scoring position on the five yard line. On the fourth attempt Halfback Harold Keck fell over the goal line for the touchdown. The pass for the conversion point was no good and the score remained at 6 to 0.

Each team had a touchdown called back later in the game.

Finds Lost Shoes Through Courier Classified Ad

People expect you to advertise in the Charlevoix Courier.

This bit of information came to light when Mrs. Lloyd Cummings placed a lost ad in the classified column of the Courier seeking to recover her small daughter's shoes left at the Ferry ave. beach.

Within 24 hours after the Courier appeared on the newstand and in the mail, the shoes were returned by Mrs. Larry Lewis who had seen the shoes on a picnic table late in the evening after everyone else had left the beach and had taken them home with her.

"I knew you would be advertising for them in the Courier so I just waited until the paper came out and looked for your ad" she said when she returned the shoes to Mrs. Cummings.

Irouton School Factions Reach Agreement

The controversial situation which had existed in the Ironton school district for several months has been settled.

The two factions involved reached an agreement over the weekend whereby Kenneth Tunison will remain on the school board as president and, following resignation of other contesting officers, Ralph Price and Alfred F. Gamble were appointed secretary and treasurer, respectively, of the school board.

It was then agreed that the 13 elementary school children in the first through the sixth grades would enroll in the Charlevoix public school for the present.

Walter Wright, 77 Norwood Summer Resident Dies

Walter Wright, 77, of Berwyn, Ill., who headed Chicago's forestry service for nearly 50 years and a summer resident at Norwood for many years, died Sunday at MacNeal hospital in Berwyn.

Funeral services were held Wednesday at St. Odilo church in Berwyn with burial in Queen of Heaven cemetery.

At the time of his death Mr. Wright was general superintendent of the city bureau of forestry and parkways.

From 1927 to 1947 his bureau had jurisdiction over the city government's aviation functions. In this capacity he played a major role in the growth of Midway airport to the world's busiest, a distinction the airport reliquished only recently.

Until the merger of the city and park district governments Jan. 1, 1959, he also had the responsibility for many city parks which the park district took over.

He was a native of Chicago and had been employed by the city since 1906. He first headed the forestry service in 1912.

He is survived by two daughters, Virginia and Mrs. Jane Walsh; two sons, Walter E. and George and 19 grandchildren and a sister, Mrs. Leonore Cass. His wife, Edna, died two years ago.

Gen. George Ely Reports on Civil Defense Program

General George Ely, Charlevoix county Civil Defense Director, reports:

(Note: The following report, issued from Civil Defense headquarters in Charlevoix, is of vital concern to every man, woman and child in the area. Each week, Gen. Ely, director in chief of the Civil Defense program and the voice of the government's safety program, will release important information to civilians to keep them up to date on every phase of the Defense program)

The government's Civil Defense program was not set up for your neighbor or the man down the street. It was set up to protect you and your family.

Civil Defense is the responsibilty of every citizen. To ignore this responsibility is to admit that you do not wish to take care of yourself in time of emergency but prefer to be taken care of! This has never been the American way. We have been first in line when called upon in time of disaster or emergency. Now in a time of PREPAREDNESS, we must recognize the importance of individually serving our community and acquainting ourselves with every facet of our covilian defense program.

We cannot expect the government to guarantee our protection in time of crisis. We must organize our own mass shelters and keep them in readiness. We must work as a team to see that evacuations and test alerts are handled in an orderly and efficient manner.

Before the first of the year, our own local headquarters hopes to be so well organized that every family in the area will not only know what to do but where to go should we be called upon to protect our lives and our homes.

Civil Defense Training Class To Start Sept. 27

The first training program in radio activity monitoring, scheduled for Friday evening at Boyne City, has been postponed to Friday evening, Sept. 27, Lt. Col. Joeseph Seidel, has announced.

It was decided to postpone the first meeting because there were not enough radiological metering devices on hand to satisfactorily carry on instruction program, Col. Seidel said. More metering devices have been ordered and it is expected they will be on hand for the meeting next week Friday at 6 p. m. at the Boyne City high school.

Lt. Col. Seidel who has been appointed deputy director of Civil Defense in charge of training will teach the classes.

Purpose of the classes will be to train persons to serve on monitoring teams to be organized throughout the country. Persons wishing to take the five-lesson course should call the Civil Defense office (LI 7-2639) and give their name, address and telephone number.

Ellsworth Hires Band Director

Ellsworth—Clair Manwaring a graduate from the University of Michigan has been hired as band director and history teacher in the Ellsworth school. Mr. Manwaring, who taught last year in Elk Rapids, has ten years teaching years experience.

There are 300 pupils enrolled in the kindergarten through the 12th grade.

Public School Enrollment at All Time High

Enrollment in the Charlevoix public schools reached a new high this week, Sept. R. G. Bennett has announced.

The record registration in the elementary school was reached when 16 students enrolled on Monday, bringing the overall total to 564. This is an increase of 19 over the first day enrollment figures.

Thirteen of the new enrollees entered the local school from the Ironton school district. The students are expected to attend the local school until the Ironton school board can make a determination regarding future education of the elementary school children of the district.

The enrollment in the high school has also increased by two students since Sept. 12, bringing the total to 445 in the top six grades.

The total enrollment presently stands at 1,009, Mr. Bennett said Wednesday.

City Band to Begin Winter Rehearsals Monday Evening

The Charlevoix City Band will begin its winter rehearsal schedule at 7:30 p.m. Monday according to the director, C. A. Odmark.

The rehearsals will be held at the new band room at the Charlevoix high school.

The band which completed a highly successful season of summer concerts on Aug. 30 has been on vacation since the final concert.

On Monday the band will again hold its weekly rehearsals, reading through materials for possible use next summer and perhaps prepare for some winter concert appearances.

Membersbip in the band is open to all adults of the Charlevoix area. without audition. Vacancies in the instrumentation will be filled by invitation to members of the high school band.

Anyone interested in becoming a member of the group should contact Mr. Odmark or attend the first rehearsal Monday. The rehearsals start promptly at 7:30 p.m. and will end at 9 p.m. every Monday.

Necessary or Desirable?

The pharse, "necessary defense spending" is being promiscuously used to justify the nation's multi-billion promiscously used to justify the nation's multi-billion budget deficits. Defense is necessary and the public will sacrifice to pay for it. But defense accounts for only part of the huge budget deficits.

The present administration proposes to spend $15,267,000,000 more during the 1961 and 1962 fiscal year than was recommended by the previous administration. Defense accounts for a little more than one-third—37 per cent, or $5,708,000,000. Almose two-thirds—63 per cent, or $9,559,900,000—is for other purposes, largely of the "social welfare" or welfare state nature.

Many of the non-defense projects may be desirable but we have reached a point where desirability is no longer a valid criteria.

The crying need instead is to separate what we can afford to do from what we must do. Sacrificing for defense makes for eloquent oratory to justify government spending. But let's have a little sacrificing on the part of government and be able to pay for what we must have.

From theLos Angeles Times: "Somebody said newspaper readers will recall a snaatch of an editorial longer than anything else except the spot news. We can't remember who said it and we can't prove it is true, but it comforts the lonely inmate of the editorial writer's cloister. He knows he has no name, and therefore no fame; he only hopes, if his heart is in his work, that some reader may be confirmed in an opinion or act on a conviction because of a solemn sentence or two in an anonymous editorial."

A Neighbor Bawls Me Out

The most ear-singeing scolding ever leveled at me was received this afternoon. I was reading in my study at Hidden Brook when the air suddenly rent by a high-pitched rebuke from one of the lesser citizens of our woods. At first I couldn't locate the origin of all this loud-mouthed racket. Stepping to the screen door I opened it ever so gently and stepped out. Then I saw my critic, a red squirrel, a small ball of nasty sarcasm, sitting in a young birch tree near the northeast corner of Hideaway House. He jerked his tail in rythmn with his staccato taunts and sneers, adding emphasis wherever it was needed. He looked down upon me and spit pure odium. He glanced at my car and screamed denunciation at me for bringing man-made machinery into his world of natural wonders. He cast a disapproving glance at the smoke rolling from the chimney and ranted about my nerve in contaminating his clean northern air. For half-an-hour or more he carried on, insinuating, disparaging, black-balling me, casting reproach on me and all my ancestors.

As darkness descended his voice trailed off in a few parting reproofs, and by the time I left the house for a late dinner at Wide Sky Harbor the woods were quiet. The scold, his vividly scarlet vocabulary exhausted, had retired from the scene.

SOME THINGS TO NOTICE THIS WEEK:

- Before the hawks leave the North for the winter, notice how carefully the rough-legged hawk avoids revealing his roosting place. It frequently awaits on a telephone pole, a stump, or a fence until dusk settles upon the earth before it makes a secret flight to its favorite resting place.
- Notice how excitement at seeing wild game causes us to exaggerate its size. Ask passengers in your car to guess the size of a large buck whitetail deer and observe how widely the guesses vary—many going above 275 pounds. A buck of this size is extremely rare in Michigan. (A Pennsylvania sportsman's club ran a guessing contest of the weight of a certain bear. The contest was a fund-raising effort. The highest guess was 1,650 pounds and the lowest 700. The actual weight of the Bear? 320½ pounds!
- Have you ever given thought to the tremendous versatility of the watermelon? Centuries ago the Chinese observed what a gifted vegetable the watermelon is. The Chinese told of a traveller who wished to test the ingenuity of an innkeeper who had earned the reputation of providing handsomely for his guests. The traveller threw down a large copper coin and said, "For this copper I want food, drink and entertainment."

The innkeeper disappeared into his kitchen and returned with a slice of watermelon. Placing it before the traveller, he said: "Here you are. You asked for food, drink and entertainment. You will find it all in this slice of watermelon. Eat the pulp. Drink the juice. Play with the seeds."

Weidman-Geer Vows Spoken In First Congregational Church

Sally Ann Weidman, daughter of Mr. and Mr. Theodore R. Weidman, became the bride of Robert E. Geer, son of Mr. and Mrs. Arthur Geer, at a double ring ceremony solemnized at the First Congregational church Friday evening.

The Rev. Harold E. Kohn officiated at the service in the presence of more than 250 guests. Arrangements of yellow and white mums formed a setting for the ceremony. Mrs. Charles Bellinger, at the organ, played a program of traditional music and the wedding marchea.

Given in marriage by her father, the bride chose a floor length gown of white nylon organza for her wedding. Fashioned with a fitted bodice, scoop neckline and long sleeves, the gown featured a bouffant skirt with a flower design of Alencon lace. Her fingertip veil fell from a queen's tiara lined with lace and trimmed with seedpearls, sequins and pearl teardrops. She carried a bridal bouquet of white mums centered with white sweetheart roses.

Mrs. Roy Whitley, as her only attenoant, wore a street length princess style dress of aqua antique satin styled with a chiffon bodice. She wore a matching hat trimmed with pearls and a small veil and carried a bouquet of yellow and white mums.

William McClanaghan assisted the bridegroom as best man. Terry Geer and Ronald Geer, brother and cousin, respectively, of the bridegroom, seated the guests.

Mrs. Weidman wore a dress of navy nylon sheer and white accessories for her daughter's wedding. Mrs. Geer, mother of the bridegroom, selected a hyacinth blue silk dress and pink accessories. Their corsages were of pink roses.

Immediately following the wedding a reception was held at the Ironton home of the bridegroom's parents. Arrangements of yellow and white mums decorated the refreshment table which was centered with a four-tiered wedding cake topped with a miniature bridal couple. Artis and JoAnn Geer, sisters of the bridegroom, assisted.

Following a wedding trip the couple will be at home at 114 East Lincoln ave. after October 1. For traveling the bride wore a white chiffon street length dresa and matching bolero, matching accessories and a corsage of white roses.

The bride is a 1960 graduate of the Charlevoix high school. The bridegroom is a 1957 graduate of the same school and is employed at American Mold Engineering Corp. He is a veteran of service with the U.S. Army Reserve from which he was discharged in April 1961.

Miss Albine Sevick sat with the bridegroom's family at the wedding ceremony.

Past Noble Grands Hold Dinner and Business Meet

The past Noble Grand Club opened its activities for the club year with a cooperative dinner and business meeting at the home of Mrs. Raymond Seymour Thursday evening.

Mrs. William Ager presided at the business session at which Mrs. Grace Gencit gave the devotions and the chaplain, Mrs. Luther Hannah, the opening and closing prayers.

Plans were also made for the meeting to be held at the home of Miss Frances Durance. Mrs. Rasmus Hendrickson was named to lead the devotions.

Mrs. Fred Gill was awarded the mystery package contributed by Mrs. Earl Blood. Games were enjoyed and prizes awarded during the socal hour.

Others present for the meeting were Mrs. Floyd Ikens, Mrs. Murdick, Mrs. Edward Swanson Robert Mitchell, Mrs. Jerold and Mrs. Birdie Gleason.

Mr. and Mrs. Joseph Hayes and four children who have spent the past 22 months in Abadan, Iran, have arrived at their Dixon ave. home. Mrs. Hayes and the children will remain here for the school year. Mr. Hayes plans to return later this fall to his duties with the British-American Oil Co.

To Launch NMCCA Annual Membership Campaign Monday

The Northern Michigan Community Concert Association will launch its annual membership campaign the week of Sept. 25 according to Ross Stoakes, president of the board of directors.

Mrs. Allan McCune of Petoskey, membership chairman and Mrs. Ralph Dean, chairman of the annual dinner which launches the annual drive have been busy contacting committee chairmen and some 125 workers for the kickoff dinner to be held at the Indian River Inn at 7 p.m. Monday, Sept. 25.

A sell-out audience for the four concerts in the series is the goal of the fifth annual membership campaign of the Association.

The Community Concert Association has been instrumental in bringing a variety of fine music and entertainment to northern Michigan. This year will be no exception for the Artists' Selection Committee has announced two outstanding attractions which are under 'hold' agreements. They are the Canadian Opera Company, a well-organized and talented traveling company which carries its own scenery and costumes and the Myra Kinch dance company which will present "The Light Fantastic", a delightful humorous and satirical revue. The opera company will present Puccini's "La Boheme" in English.

The selection committee which has asked for 'hold' agreements on these two attractions and promises to name two others equally exciting selections is composed of C. A. Odmark who is chairman, Mrs. Wayne Fairbairn of Alanson, Mrs. Vaughn Ogden of East Jordan, Mrs. Quincy Leslie of Cheboygan; Mrs. Alfred Frank, Mrs. Katherine Inglis, Wilmer Moyer, Joseph Hanna and John Ferry of Petoskey.

Admission to all concerts is by membership only and single admissions are not available. During campaign week, present members will be given an opportunity to renew their membership before new members are sought. Headquarters for the membership drive will be the Perry-Davis Hotel in Petoskey with Mrs. Carl Peterwicz and Mrs. Edmund Dean, both of Petoskey, serving as secretaries.

The Charlevoix committee in charge of the membership drive will be made up of Mr. and Mra. Odmark, Mrs. Charles Bellinger, Mrs. Robert Tollas, Mrs. Robert Hooper and Miss Frances Martin.

LIKE TOPSY, Michigan's Department of Aeronautics just grew.

And unlike many other agencies of state government, the Aeronautics arm had to attain its maturity in a relatively short time. While many functions of government were young when the state of Michigan was young, aviation itself was only born a few short decades ago.

The state took a hand in the development and management of Michigan aeronautics in 1929 when the Board of Aeronautics was created by legislative action.

* * *

This agency presided over the birth and infancy of flying in Michigan, so to speak, and was still in operation through the adolescense of the new and precocious child.

It wasn't until the post-World War II boom in flying, 1945 to be exact, that the present Department of Aeronautics was organized.

In that year, the Legislature passed what later became known as the Michigan Aeronautics Code. An Aeronautics Commission, expanded to eight members plus the Highway and State from the original five appointees Police commissioners by the addition of the Director of Conservation, is the governing body of the Department of Aeronautics.

* * *

The Aeronautics Department is perhaps unique among state agencies in that it has had close connection with the federal government since the department was established by the Legislature.

Pilots, from private airmen who fly tiny single-engine jobs to the captains of mighty airliners are, licensed from Washington.

But they are registered with the Michigan department, and one of the major functions of the state agency is providing an enormous amount of services to the men and women who fly.

* * *

These range from preparing charts and publications used as aids in planning and executing a trip in Michigan to helping organize such things as "dawn patrols" where private aircraft fly into one or another of Michigan's airports, breakfast together and enjoy other entertainment before flying home again.

A great deal of the department's work is in helping local communities and their airport operators plan and make arrangements for airport construction, expansion or improvement.

It also helps administer some of the programs of, and cooperates closely with, the huge and complex federal agencies which regulate and control aviation.

* * *

IF SOMEBODY ASKS YOU where the greatest concentration of state government workers is located, think twice before answering in what would seem to be logical fashion, "the Capital City of Lansing."

True, Lansing and Ingham county have more state workers than any other county in Michigan, on a head-count basis.

But in little Luce county of the Upper Peninsula, a total of 6 percent of the population is on the state payroll. In Ingham county, only 3.3 percent of the total population work for the state.

* * *

The catch is that in Luce county there are only 650 or so men and women on the state payroll while in Ingham there are more than 7,000 people working for the State of Michigan.

This interesting comparsion of where the state's work force is located came to light when the Civil Service Commission released statistics along this line recently.

If Ingham has the most state employes, and Luce has the greatest percentage, there is no county among Michigan's 63 without a single state worker.

* * *

Other significant figures in the information released by Civil Servcie included:

There are six counties with more than 1,000 state workers stationed there. Wayne, which has most except for Ingham, has more than 4,500 workers for the state. Other 1,000-plus counties are Oakland, Kalamazoo, Washtenaw, Jackson and Lapeer. Fewest state workers were in Missaukee county, which had only four, the Commission said.

Naturally, the greatest number of workers were in counties where large state institutions are located. Total number of state workers is something over 31,500.

* * *

A LITTLE-KNOWN though decidedly obvious police arm of the Michigan Highway Department is the Weighmaster section.

A clarification of its role in the overall law enforcement picture of the state came recently from the Attorney Generaal. The state's lawyers say a weighmaster's jurisdiction extends over the whole state for purposes of performing his specific duties.

While the weighmaster stations along Michigan highways are a familiar sight to most motorists, they probably get little more than passing attention from anyone but truck drivers.

* * *

The Highwey Department wanted to known if weighmasters had statewide jurisdiction to enforce the vehicle code.

Weighmasters are assigned to specific posts, but might sometimes be sent to another sector. The Attorney General said weighmasters can operate anywhere in Michigan, but can only enforce provisions of the vehicle code which concern their specific duties.

Other traffic violations and the fines and costs include: Sheldon Rokotz of Oak Park, charged with not having his car under control, $25.00 fine and $4.30 costs, Sheriff's Department; Clifton J. Woods, 64, of Battle Creek, improper passing, $5.00 fine and $4.30 costs, State Police; Andrew E. Sherwood, 17, of Scottsdale, Ariz., driving too fast for condition of the highway, $15.00 fine and $15.00 costs, Sheriff's Department; Cephas Tuller, 46, of Interlochen no clearance lights on truck, $5.00 fine and $4.30 costs, State Police; Lee H. Hyde, 24, defective automotive equipment, $5.00 fine and repairs made, State Police; James Memmes, 36, of Louisville Ky., ignoring stop sign and expired operator's license, $5.00 on each charge, State Police.

Justice John Connolly reports the following cases which appeared in his court recently:

William R. Fraser, 22, U.S.C.G., charged with furnishing alcoholic beverages to a minor, charged his plea from not guilty to guilty and was ordered to pay $100 fine and $25.00 costs and sentenced to 60 days in the county jail. If fine and costs are not paid he must serve an additional 30 days. Summons was issued by the City Police.

Rodney G. Ostrum, 20 charged with being a minor in possession of alcoholic beverages, was ordered to pay $5.00 fine and $5.00 costs and sentenced to 30 days in the county jail. The sentence was suspended and he was placed on six months probation with the stipulation that he must be at his home at 401 Petoskey ave. at 11 p.m. nightly. Summons was issued by the City Police.

Bertha B. Hargrove, 66, of Thomasville, Ga., charged with failure to yield the right of way involving an accident, was ordered to pay $15.00 fine and $4.30 costs. Summons was issued by the State Police.

Harry Hunter, 58, of Ironton, charged with driving to the left of the center of the highway, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

James Mullennix, 36, of Sparta, charged with having no registration plates on a trailer, was ordered to pay $5.00. Summons was issued by the State Police.

Miss Mary Margaret Schuchard Becomes Bride of Robert Mol

The First Congregational church was the scene Saturday evening of the wedding of Mary Margaret Schuchard and Robert Lee Mol.

Parents of the couple are Mr. and Mrs. Robert O. Bergmann and Mr. and Mrs. John Mol.

The Rev. Harold E. Kohn officiated at the double ring service in the presence of more than 250 guests. Arrangements of lighted tapers in candelabra formed a setting for the candlelight ceremony. Sprays of evergreen marked the pews.

Mrs. Charles Bellinger was the organist and Mrs. Robert Tollas the soloist.

Given in marriage by her setp-father, Mr. Bergmann, the bride selected a full length gown of white moire silk for her wedding. The fitted bodice trimmed with appliques of Alencon lace, seedpearls and sequins featured a portrait neckline and long fitted sleeves and was buttoned to the waist in back. The bouffant skirt ended in a chapel length train. A band of Alencon lace, seedpearls and sequins secured her fingertip veil and she carried a white Bible topped with a white orchid and lilies of the valley.

Mrs. Kit Carson Jr. of Perry as maid of honor and Mrs. Ronald Smegowski of Ludington as bridesmaid wore identical street length gowns of emerald green satin fashioned with scoop necklines, three-quarter sleeves and bell skirts. They also wore matching net headpieces and accessories and carried cascade bouquets of yellow mums.

Karen Mol, niece of the bridegroom as flower girl, wore a white dotted swiss dress sashed in emerald green and carried a miniature bouquet of yellow mums. Terry Mol, nephew of the bridegroom, was ring bearer.

Lawrence Ingalls assisted the bridegroom as best man and David Schuchard, brother of the bride, was groomsman. Seating the guests were Jack Mol and Gordon Mol, brothers of the bridegroom, Stanley Harwood and Samuel Supernaw.

Mrs. Bergmann selected a beige brocade sheath and matching jacket, cocoa brown accessories and a corsage of bronze and yellow mums for her daughter's wedding. Mrs. Mol, mother of the bridegroom, wore a turquoise taffeta sheath and matching jacket, turquoise and black accessories and a corsage of white carnations.

A reception followed at Friendship hall where the refreshment table was decorated with arrangements of autumn flowers and centered with a tiered wedding cake. The reception was catered by the Margaret Parker circle.

For traveling to Houghton where the couple will make their home in the Michigan Tech. Student Village the bride wore a gray Italian knit suit, black accessories and a white orchid corsage.

Both are graduates of the Charlevoix high school. The bride is a graduate of North Central Junior College and attended Northern Michigan College. The bridegroom attended Sault Tech. before transferring to the Michigan College of Mining and Technology where both will continue their studies as senior students.

Wedding guests were present from Haines Falls, N.Y., Detroit, Inkster, Utica, Marquette, Ann Arbor, Sparta, Grand Rapids, Garden City, Petoskey and Memphis, Michigan.

Guild Notes . . .

The annual Thrift shop sale of 'second best clothing has been tentatively scheduled for early November it was announced at the regular meeting of the Women's Guild of the Charlevoix Hospital.

Members were informed of the annual fall workshop of the State Association of Hospital Auxiliaries which will be held at Hidden Valley near Gaylord on Oct. 10 and 11. Members were urged to attend and asked to call Mrs. Harry Gebeau for details and to make reservations.

An announcement regarding the October meeting of the North Central District Council of Hospital Auxiliaries which will be held at West Branch Oct. 19. Mrs. Gebeau is chairman and Mrs. Floyd Brown secretary of the district association.

The October meeting of the Hospital Guild usually held the will be held a week later on Oct. second Tuesday of every month 17 at the request of Miss Anne Baumgartner, superintendent of the hospital who plans to present a special program at the meeting.

Other announcements included the awarding of the nursing scholarship to Joann Swaboda, a June graduate of the Boyne City high school, who has entered nurse's training at Borgess Hospital School of Nursing in Kalamazoo. It was also announced that the recent sale of items from the late Judge Marx estate netted $302.06. This was in addition to the sale of furniture and other large items sold last spring. Funds derived from the sale are used to purchase equipment for the Charlevoix hospital.

Mrs. Gebeau, membership chairman, reported that local membership was lagging and asked local members of the Guild to pay their dues.

Residents of the community are also reminded of the sale of candy sponsored by the Guild which supports the nursing scholarship fund. The candy, all of it packed in cans though all is not vacuum-packed, makes an excellent small 'bread and butter' gift or serves well as a bridge prize or for similar use. Mrs. Alfred Brow, candy chairman can help you in your choice of candies.

American Legion Auxiliary Meets At Post Home

The American Legion Auxiliary met Monday evening at the Post Home with 15 members present.

At the business session plans were made to attend the Lower 11th District meeting at Boyne City Sunday where a dinner, entertainment and dance will follow the business session which is scheduled to begin at 2 p.m. at the post home.

Plans also were made to send gift items, cards and wrapping to the V.A. Christmas gift shop at Battle Creek and to serve a pancake supper at the home from 5 to 7 p.m. Oct. 3.

A scoial hour followed with Mrs. Charles Martini and Mrs. Frank Poole serving refreshments.

When a car is this beautiful, you know Pontiac built it!

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here! WIDEST STANCE ON THE ROAD

Larger V8 Engines and

Diesel Debut in '62 Chevrolet Trucks

Diesel power for the first time, addition of two higher powered V8's, and lower hood lines for better road visibility highlight Chevrolet's 1962 truck line. New to most of the 198 modals are directional signals as standard equipment, single headlamps and longer life mufflers. New optional equipmant includes alternating current generators, tinted glass and sliding rear cab window for better ventilation. Proved independent front suspension is retained with improvaments. New Church of the Nazarene Dedicated at Boyne City Sunday

"We dedicate this building for the worship of God" Dr. Fred Hawk of Grand Rapids, Superintendent of the Michigan District ot the Church of the Nazarene, said Sunday as he officiated at the dedication of the recently completed Church of the Nazarene at 225 W. Morgan st. in Boyne City.

He went on to say that "We erect an altar, we place a Bible in the church and follow its message, we build a pulpit which gives dignity to the message a man of God will deliver and we place an organ and hymn books in the church in order to hear God through music. A communion table will soon be added completing the symbols of the presence of God.

"However, the climactic purpose of the dedication of this building and its facilities is the dedication of the people who form a fellowship for worship, service and stewardship, for home and world-wide evangelism."

More than 300 members and friends of the church were present to hear Dr. Hawk and to participate in the dedication ceremony which also included the pledge of dedication by officers and members led by Dr. Hawk and the pastor, Rev. John Cole; a solo, "Bless this House" by Dean Fiedler of Ellsworth; a clarinet duet by Mark Fiedler of Highland and his sister, Mrs. Herbert Hamlin of Albion; a duet by Mr. and Mrs. Fiedler; a saxophene solo by Elwin Wilde Jr. of Alanson and congregational singing of the hymns, "Holiness unto the Lord" and "O Thou Whose Hand Hath Brought Us". led by Mr. Fiedler with Mrs. Fiedler at the organ.

Others participating in the service were Rev. William Eckel of Lansing who read the Scripture, Rev. John Smith of Alanson who offered a prayer and the Rev. Richard Cook of Mancelona who gave the benediction.

In conclusion Rev. Cole read a history of the church and gave details of its construction the cost of which was $12,009.04, exclusive of donated labor, materials and equipment for construction.

C. J. Fiedler was the contractor and builder of the modern one-story building which seats more than 200 persons and which has an educational wing in addition to the church proper.

Gen. George Ely Reports on C. D.

(Continued from page 1)

In the interest of Civilian Defense, a chapter of the W. G. S. has already been formed. Every citizen is urged to join.

A training program in radio activity monitoring will be presented in both Boyne City and Charlevoix during the fall months. Trained personnel from these classes will assist in setting up five area stations with equipment for testing and reading radioactive fallout.

A citizens committee, headed by Kenneth Staley, is being formed to investigate and approve public shelters in each community.

Assistance and material issued by the government is available from this office for every person interested in preparing home shelters or taking an active part in the defense program. Call Liberty 7-2653 for any questions you may have, or if you wish to volunteer for special service.

With the stepped up program being planned by the Federal Government, Civil Defense has a very bright future. Working as a team, state and federal, we can overcome the negative thinking in many quarters and survive as a people and a Nation.

(Note: Gen. Ely will issue another report next week with current and vital information to assist the citizens in the community effort to keep us ready!)

Buick's New Electra 225 For 1962

The clean, uncluttered styling of Buick for 1962 is exemplified in the Electra 225 series with its sporty new roofline and its tailored rear decklid with the wind-split down the center. The long, sweeping lines of the front and rear fenders make the car look bigger without increasing its size. The new roofline with its wide, sloping rear pillars identify the Electra 225 series, one of the most luxurious cars in the fine car field. Passenger comfort has been improved for 1962 by the almost complete elimination of the transmission hump in the floor of the front passenger compartment. The Electra 225 is powered by a 401 cubic inch V-8 engine with four-barrel carburetor, coupled with Buick's smooth Turbine Drive transmission.

Consoditation Study Group Told of Guidance Program

S. K. Erickson, superintendent, and Harold Malcolmson, guidance director of the Alcona community school, a consolidated district in eastern Michigan, were the guest speakers at a recent meeting of the Charlevoix-Ellsworth-Central Lake study committee.

The Alcona consolidated district, the report of the meeting reveals, covers 400 square miles. Twenty buses transport students along bus routes, the longest of which is 33 miles one way requiring 1½ hours to drive.

The school district is composed of one senior high school, one junior high school and five elementary schools. The latter are scattered throughout the district. The senior high school has an enrollment of 255 students. The state equalized valuation of the district for this year was $14,400,000 and the valuation per membership child $12,000.

The school's guidance program begins in the kindergarten and continues throughout the child's school career. The program has been effective, according to Mr. Malcolmson, who said that while the average drop-out in Michigan is 42 per cent the drop-out in the Alcona schools is 30 per cent.

Supt. Erickson said their enrollment was large enough to offer three sections of many classes. One section is designed as a college preparatory class, another as a regular and the third for those students who have no plans for a specific career.

According to the report, the proposed school district of Charlevoix-Ellsworth-Central Lake would cover approximately 275 square miles and have an estimated enrollment of 333 students. The combined valuations of the proposed district would be an estimated $20,710,000 and the valuation per membership child $12,223, based on current figures.

The curriculum committee reported that all three senior high schools, Charlevoix, Ellsworth and Central Lake, offer virtually the same subjects. Charlevoix, however, offers two languages and has a guidance program.

The above is some of the information compiled during the study now underway and is not to be misconstrued as anything but information presented during the survey.

The next meeting of the school study committee will be held at the Ellsworth gymnasium at 8 p.m. Monday.

The Charlevoix Marine Club will hold its annual fall picnic at the clubhouse at 303 Belvedere ave. Sunday afternoon, Robert Goss, commodore of the club, has announced.

Members and their families will gather at the clubhouse at 2 p. m. for boat rides arranged by several members, games for the youngsters and a picnic planned under the direction of Phil Lawrence.

All members are urged to attend with their families.

To Hold Second Bus Driver Training Session Here

The second session of the annual Bus Driver Education School will be held in Charlevoix Dec. 11 Charles A. Robinson, Charlevoix county superintendent of schools, has announced.

William A. Jarad of Central Michigan University is in charge of the program.

The first session was held at Petoskey earlier this month. The third and final meeting will be held at Boyne City Jan. 15.

The series is conducted under the joint sponsorship of C.M.U. Field Services and the Michigan Department of Public Instruction

AGRICULTURE in ACTION ……

by M. L. Woell

MICHIGAN FARM BUREAU

If people insist on killing themselves on our highways, —I prefer they do it somewhere besides in front of me. Also, it would be more considerate if they killed themselves privately without involving their family and mine.

Perhaps the drivers observed in a recent cross-country trip really were not anxious to leave this world as quickly and as messily as possible, but you would never know by watching them.

This is the time of year when weeds, leaves and tall corn often obstruct vision. Farmers could easily save manly lives by clearing fence corners near highway curves, and by cutting back those last few rows of tall corn. All of this becomes more important at high speeds.

One rule of the road written into law in many states is that each driver must leave at least a full car-length between himself and the car ahead, for every ten miles per hour of speed. If you are driving fifty miles per hour there should be room for five cars between.

It's a good theory, but have you tried it?

Believe me, if you leave room for four or five cars between the one you drive and the one ahead, it will be promptly filled with four or five cars. Nothing, literally nothing, can keep them out!

Certainly not hills, curves, eight-foot tall corn fields, or continuous lines of traffic in all directions. Certainly not statistics that show what happens when Sleepy Joe, up ahead, decides to stop RIGHT NOW.

Joe has just figured out that to get to Aunt Emma's, he must make this quick left turn, across an oncoming line of solid traffic. The fact that there are 20 cars back of him when he reaches this decision, doesn't mean a thing.

The further fact that shoulders have been placed on roadsides for a reason, leaves him cold. Not one driver in ten-thousand considers their use as waiting points for oncoming traffic to clear. As a result, if everyone has been lucky, and all get stopped in time, EVERYBODY takes the shoulder, while Sleepy parks in the road in complete defiance of the Chinese proverb that states, "He who park in middle of road gets fenders dented from both sides"

Diane Puhek left recently to resume her studies at Palm Beach Junior College, Palm Beach, Fla.

telephone lines

By LES JOHNSON, *Manager*

FIFTY YEARS AGO about 250 people met in Boston—birthplace of the telephone—to form the Telephone Pioneers of America. It's an organization dedicated to promoting ideals in the telephone business, and serving communities where Pioneers live. This fall nearly a quarter of a million active and retired members of this international organization—all having at least 21 years of telephone service—will celebrate the Pioneers' 50th Anniversary across the United States and Canada. The 6,000-member Michigan Wolverine Chapter will mark the occasion in special observances at nine state points. We salute the Pioneers on 50 years of accomplishment.

TO EACH HER OWN PRINCESS! Like to surprise the lady of your life with something lovely as a princess, yet practical as a telephone? Well, you can, easily and economically with the Princess phone! Mother, teen-ager or grandmother will love the Princess. It's little, it's lovely, and the dial lights up in the dark! Comes in five regal colors, too. Order hers from our business office today.

MICHIGAN REACHED A MILESTONE in its communications history on September 14. Michigan Bell installed its 3,000,000th telephone—an outdoor public phone—at a safety rest area on Interstate Highway 94, seven miles west of Ann Arbor. It took 65 years to reach our first 1,000,000th telephone, back in 1942. In 1952 we put in the 2,000,000th. Only seven countries outside the United States have more telephones than the 3,000,000 we serve here in Michigan. We're proud indeed to contribute to the progress of our State by serving its growing communications needs.

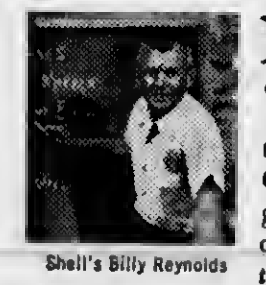
Instructor Billy Reynolds (turning front wheel) and Shell dealers check out a car at one of Shell's 123 training centers.



Shell's Billy Reynolds

HOW TO SPOT TROUBLE:

Shell instructor Billy Reynolds reveals 10 trouble signals he tells Shell dealers to watch for. You should know about them too. They may help you spot trouble before it starts.

More than 12,000 Shell dealers go to Shell's 123 training centers every year. Classes cover the gamut of station operation. But *trouble-spotting* gets special emphasis. Here are 10 trouble signals that Billy Reynolds, one of Shell's chief instructors, stresses.

If you notice any of them in your car, tell your Shell dealer. His advice may help you head off a big repair job.

1. Mushy brakes. When your car is standing still, push your brake pedal down with a firm, steady pressure. If the pedal feels soft and sinks all the way to the floor board, you've got trouble that should be fixed right away. Could be a leaking wheel cylinder. Or, more likely, a leaky master brake cylinder.

A well-trained Shell dealer can track down brake troubles quickly.

2. Wandering wheels. If your front tires show more wear on one side of the tread than the other, your wheel alignment is probably at fault.

NOTE: *an out-of-line wheel drags at an angle to the line of travel—can increase tire wear up to 50 per cent.*

Be sure to discuss rigors of uneven tire wear with your Shell dealer.

3. Jiggly front end. Put your foot on either bumper, and shove down hard. If your car bobs up and down for a long time, ask your Shell service man to check your shock absorbers.

4. Decrepit tail pipe. If your tail pipe is rusted through in spots, it should be replaced. Same thing for your muffler. A worn-out exhaust system can make your car roar like a wounded hippo. Worst of all, you run the danger of exhaust fumes seeping into the passenger compartment. Your Shell dealer can take care of the whole problem.

5. "Bloated" radiator hose. Inspect all of the rubber hoses that interconnect your cooling system. If they are cracked or swollen, they can fail at any time and cause your engine to overheat.

Replacing hoses is a simple task for any Shell dealer.

6. Marred windshield. Feel the blades on your windshield wipers. If they're hard, they can scar the glass. If they're frayed, they can streak it. Ask your Shell dealer to check the spring pressure on your wiper arms too. If the blades rest too lightly against the windshield, they can blow away from the glass and let the rain swamp your view.

7. Strange noises. Listen for squeals, squeaks, rattles and other mysterious noises. Strange noises are often warnings of troubles on the way. So, don't be afraid to ask your Shell dealer about sounds you haven't heard before.

8. Under-the-hood clues. You can learn a lot just by looking at your engine. Watch for oil, fuel or water leaks. Even tiny leaks can lead to big trouble later on. You can also make a quick visual check of wiring and electrical connections. If wires are hanging loose—or insulation has worn away—see your Shell dealer.

9. Sluggish battery. If your engine turns over more slowly than usual when you start up, an inspection of your electrical system is in order.

A run-down battery is usually the cause of starting problems. But the *real* trouble may be elsewhere. Something as simple as a loose battery connection can do it. Or your voltage regulator may need a minor adjustment. Play safe and tell your Shell service man.

10. Oil-streaked sidewalls. It may take a bit of back bending, but it's worth the effort to check the side of your tires you seldom see—the side facing in. Look for signs of leaking fluid on the tire walls. Could be a leaking brake cylinder, or faulty oil seals on the rear wheels. Both can be serious.

Any trained Shell dealer knows many more trouble signals than the ten listed here. Ask him to give your car a bumper-to-bumper inspection next time you stop in for a Shellubrication—or any service job. One last tip: when you've got your car in top condition, keep it filled with the gasoline that's made for *top performance*—today's Super Shell with 9 ingredients.

Rayders Lose to Rogers City 7 to 6 in Opener

The Charlevoix Rayders dropped their opener to Class B Rodgers City by a score of 7 to 6 to even the win-loss record to three games each. Prior to Friday's the Rayders had won three straight games from the east state Class B outfit.

In a game, the first of the season for both squads, the defense took the limelight in a game marked by fumbles, mediocre passing and the inability of both squads to take the initiative.

Charlevoix's single tally came late in the first half when a fumble by the Hurons gave the Rayders the ball on Rogers' 29 yard line. With time running out in the period, the Rayders took to the air on the first play from scrimmage with Quarterback Stan Martin hitting Fullback Denny Wojan with one of the few good passes of the night Wojan then fell into the end zone for the touchdown. The attempted kick for the extra point was fumbled and the score remained at 6 to 0 with 14 seconds remaining in the half.

Rogers City's winning touchdown came later in the third period when Jack Mikitti scored from the 12 yard line on a quarterback keep following a concerted drive which started on their own 36 after the Rayders had punted on the fourth down. Mikitti retraced his steps to score the extra point to give the Hurons a one -point victory.

Charlevoix kicked off to Rogers City to open the game. The Hurons punted on fourth down and the Rayders took over at midfield.

The Rayders picked up a first down on the 40 with Gary Spencer and Henry Wagner toting the ball but lost possession on the 34 when they failed to make their way to the 30. The Hurons seemed on their way to pay dirt as they picked up three first downs on 10 plays only to loss possession to the Rayders on the Charlevoix 17 when the Rayder line held.

Spencer picked up 10 yards to put tha ball on the Rayder 40 as the quarter ended.

The Rayders, on a series of line plays, advanced to the Rogers 28 only to be set back to the 33 on an offside penalty. Three pass attempts failed to move the ball and Rogers City took over on their own 30 to begin a drive that moved to the Rayder 48 where their offense bogged down and the Rayders took over on their own 48. On fourth down Charlevoix, who had been set back to their own 40, punted and the Hurons took possession on their 22. They had moved the ball to the 34 for a first down when the Raydera recovered a fumble on the 29. On the next play Martin passed to Wojan for the TD.

The half ended with the kick-off.

Rogers kicked off the Charlevoix to open the second half but the Rayders were forced to punt early in the period and the Hurons started a drive that moved the ball from their own 3 to the Rayder 12 from where Mikitti went over for the tally. The P.A. the difference in the final score. T,. also scored by Mikitti made

Rogers City recovered a Rayder fumble on the Charlevoix 24 yard line on the second play from scrimmage following the kick-off and again started a drive that moved them to the Rayder three where a Huron fumble sent the ball rolling into the end zone. The Rayders fell on the ball in the end zone for a touchback, thus moving the ball to the 20 yard line as the third quarter ended.

An exchange of punts, a pass interception by Rogers City, repeated offside penalities and one major clipping penalty of Rogers City highlighted the action in the final period as both defensive teams buckled down to hard, tough play to concentrate the action between the 30-yard markers. Neither team threatened in the final period.

North Michigan Class C Teams To Meet Loop Rivals Friday

The Northern Michigan Class C football season swings into high gear this week with Charlevoix playing at Pellston in the only afternoon game scheduled to begin at 2 p.m.

In other action Harbor Springs will invade Boyne City, East Jordan will entertain Gaylord and Mancelona will host Grayling in night games.

This game will mark the first of the season for the Pellston Hornets who started practice sessions a week later than the other teams in the loop.

The Hornets were well on their way last fall when a building program started by Coach Francis McMahon was beginning to show results Graduation, however, took its toll but with six veterans as a nucleus, the Hornets should shape up into a pretty fair outfit. Ray Mehalec and Merle Cameron are resuming their duties as left half and quarterback and the line is scattered with returning veterans including End Rick Anderson, Tackle Lud Millhausen, Guard Tom Corneil and Center Tom Bricker, giving the team fair balance. Players up from the J-V squad who have had limited experience will be depended on to fill the gaps. Three juniors including defensive end, Kan Fosmore, tackle, Vern Hiar and another lineman, Rolland Lempke who lettered last season will be called on te fill vacancies thus giving them a squad with the feel of the game.

Charlevoix, on the other hand, will have one game behind them, a non-loop meeting with Rogers City, when they meet the Hornets. This week Coach Don Carey has been busy looking for players to strengthen weak spots in both his offensive and defensive squads. How successful he is will be made known Friday when the team is put to its first league test.

They will have to put forth their best but the Rayders should come through with a win.

Coach McMahon is receiving some outstanding coaching assistance this year from veteran mentor, Tom St. Germaine, a name well known in grid circles. A Northern Michigan graduate, Mr. St. Germaine, bead coach at Escanaba for seven years, is returning to high school coaching after an absence of five years. He is in charge of Physical Education at Pellston.

Boyne City will be defending its share of the loop title when the Ramblers entertain the Harbor Springs Rams, a veteran squad looking for a comeback.

This is expected to be a battle all the way but the Ramblers with their hefty line composed of veteran players and their backfield which boasts two veterans in Doug Grubbe and Tracy Newville are expected to be too much for even Coach Charlie Pagie's hungry Rams led by Harvey Kasuske and Gary Stutsman, veteran backs.

The Gaylord Blue Devlles did allright in their meeting with the Cheboygan Chiefs and will be out to rack up a loop victory when they invade East Jordan. The Red Devils, however, have other ideas. Despite the fact that they will be without the services of regular back Ray Fisher who has a fractured wrist, the veteran squad composed of players who have been together for two and three years will hold their own against the Blue Devils.

Mancelona has only four returnees in its line-up while Grayling has several but this is not expected to carry the Vikings to victory against a team which will be defending its share of a hard-earned title.

Five NMCC Football Teams Rack Up Victories Friday

Fourteen area teams including seven members of the Northern Michigan Class C conference launced their 1981 football schedules in games played Friday night.

Five of the seven loop teams racked up victories including one of the defending champions, the Boyne City Ramblers who edged Class B Petoskey 19 to 18; Gaylord dumped another Class B team, Cheboygan, 20 to 0; East Jordan trounced Kalkaska 34 to 0; Grayling came through with a 25 to 6 win over Harrison while Mancelona was losing to Class B Oscoda 18 to 0 and Charlevoix was bowing to Class B Rogers City 7 to 8.

Boyna City 19 Petoskey 18

Playing at home, the Boyne City Ramblers rolled up a 13 to 0 halftime lead over the Northmen on an 18 yard pass play from quarterback Larry Gunderson to halfback Doug Grubbe, a 23 yard run through the middle by Grubbe to end Ron Ward for the point after touchdown.

However, Petoskey opened the second half by scoring on a 12 yd. pass play from Quarterback Dave McCarthy to halfback Frank McGeath to cut the margin to seven points bafore Rambler halfback Bob Snyder romped 55 yards for another tally. Late in the third period McCarthy passed 30 yards to fullback George Bare and in the final quarter got off a 15 yard pass to McGeath to cut Boyne City'a winning margin to one point.

Gaylord 20 Cbeboygan 0

Making their first appearance under the guidance of their new coach, Don Beemer, the Gaylord Blue Devils romped over the visiting Cheboygan eleven after a scoreless first period. A pass from QB Tom Tapio to Larry Simpson moved the ball from the 38 to the 10 from where FB Gary Harris went over on an off-tackle plunge two plays later. Later in the period Art Teboe downed Bob Robson in the end zone for a safety and HB Dick Farrand went in from tbe three to make the halftime score 14 to 0.

In the final period Farrand scored again, this time from the one yard line after Simpson had put the ball on the three following a 33 yard punt return.

East Jordan 34 Kalkaska 0

The East Jordan Red Divels had everything their way as they romped rough-shod over Kalkaska.

Jim McWaters, who had replaced regular right halfback Ray Fisher in the line-up after the latter received a fractured wrist in scrimmage, scored the first TD from 10 yards out, HB Don Roberts plunged over from the three and Bud Gee booted the P.A.T. to give the Red Devils a 13 to 0 first quarter lead.

After a scoreless second period, McWaters scored again, this time from 8 yards out, Halfback Tom Graham booted the extra point and later in the period scrampered 13 yards to make the score 26 to 0 as the last period got underway. East Jordan scored two points on a safety and McWatters scored from the 12 as the game ended.

Grayling 25 Harrison 6

The Vikings got off to a good start as QB Tim Neal passed 34 yards and later 20 yards to halfback Tom LaMont; Mike Young plunged over from the one and then duplicated the feat for another seven points and HB Lacy Stephan went 10 yards around end to score. Quarterback Lee Dancer plunged over the one to give Harrison its only tally.

Oscoda 18 Mancelona 0

Hurt by the loss of FB Larry McCarty with a sprained ankle on the first play of the game, the Mancelona Ironmen never had a chance against the big Class B outfit which scored three times to hand the defending champions a defeat.

Harbor Springs 25 Petoskey St. Francis 19

Petoskey St. Francis romped into a 13 to 0 halftime lead over the Rams before the latter caught fire and scored threa quick TD's as the third quarter got underway.

Halfback Harvey Kasuske went over from the four, End Howle Allen snagged a blocked punt and scampered 20 yards to score, Halfback Steve Graham romped 30 ysrds and later in the period went in from the six yard line to account for the Ram's scoring attack. Quarterback Garry Stutsman kicked one conversion point.

Fullback Gary Soblesky romped 50 yards and Dave Ranney went over from the one on a quarterback sneak and then ran the extra point over to give the Crusaders their early lead. Late in the game Soblesky scored a second TD on a 20 yd. pass play to cut the Rams' winning margin to six points.

Magazine Publishes Article Written by Robert Burns

Roocrt Burns, a 1959 graduate of Olivet College and son of Mr. and Mrs. Robert C. Burns of Flat Rock and Oyster Bay, has recently had an article published in the Joyrnal of Chemical Education magazine.

Mr. Burns who is doing graduate work at Michigan State University conducted the experiment on which the article is based while a senior at Olivet College. The experimental work was supported by a research grant from the Research Corporation of New York.

The article, entitled Benzenoid Nitro-Compounds of Organic Reagents for Tin (II) describes how tin, easily missed by using conventional analysis procedores, can be readily identified with his new process.

Mr. Burns is well known here, having summered at Oyster Bay since childhood. His father is a native of Charlevoix and now has a cottage on Oyster Bay where he and his family spend the summer months.

PTA Membership Campaign Set For October 2

The annual Charlevoix Parent-Teacher Association will launch its annual membership drive Oct. 2, according to Mrs. J. L. Feindt, president of the organization.

The membership drive will be conducted under the direction of Mrs. Aaron Brock, chairman, assisted by Mrs. Dorrell Dinwiddie, Mrs. George Lusk and Mrs. Jack Grubaugh.

Objectives of the P.T.A. are to promote the welfare of children and youth in the home, school, church and community, to raise the standard of home life, to secure adequate laws for the care and protection of children and youth, to bring into close relation the home and the school that parents and teachers may cooperate intelligently in the training of the child and to develop between educators and the general public such united efforts as will secure for every child the highest adventages in physical, mental, social and spiritual education.

Certainly every parent in the Charlevoix school district is interested enough in the education and welfare of his child to join the P.T.A. and be instrumental in achieving these things for all children and youth of the coommunity

A concerted drive will be conducted during the week of Oct. 2. Memberships, however, will be accepted throughout the month.

Mrs. Edward Heise Dies Unexpectedly; Rites Thursday

Mrs. Edward Heise, 72 lifelong resident of this community, died unexpectedly at the Charlevoix hospital early Tuesday a few hours after she had been admitted.

Funeral services will be held at the Winchester Funeral Home at 10:30 a. . Thursday with the Rev. Raymond J. McBratnie officioting. Burial will be in Brookside cemetery.

Born in the Barnard area Apr. 26, 1869, the former Laura May Ager was married to Mr. Heise in 1909. He preceded her in death in 1947. She was a member of the First Methodist church and its Women's Society of Christian Service and the Macabee lodge.

She is survived by a daughter, Mrs. Charles (Lila) Robertson of Plymouth, Ind.; a son, Edward C. Heise Jr. of Charlevoix; three grandchildren including Lorraine who made her home with her and three brothers, Edward Ager of East Jordan and Henry and William Ager of Charlevoix.

To Hold Second Workshop for Parents Oct. 10

Parents who have enrolled in the P.T.A.-sponsored workshop series, "Normal Parents Living with Normal Children" have found the course a delightful as well as an enlightening experience, Mrs. Genrge Lusk, who is in charge of registrations, has announced.

Mrs. Belle Farley Murray of the University of Michigan consultant on parent education is presenting the series under the sponsorship of the local P.T.A.

The second class will be held at the Charlevoix Elementary School Tuesday, Oct.10 with the third and fourth classes in the series scheduled to be held on successive Tuesdays. There are two classes each day, from 0 to 11 a.m. and 1 to 3 pm.

Registrations are still being accepted. Anyone interested in learning mnre about the program is asked to call Mrs. Lusk.

Water Safety Program Completes Successful Season

The Water Sofety program in Charlevoix county sponsored by the county Red Cross chapter has completed a most successful season according to Charles Landers, executive secretary of the chapter.

More than 370 boys and girls of all age groups received swimming and lifesaving instruction. At the completion of the program they were given Red Cross water safety cards.

More than 60 youngsters completed swimming and lifesaving instruetions under the city-sponsored program with James Berry, Larry Burns and Judy McKnight serving as instructora.

Other beaches where these instructions were given include East Jordan and Walloon Lake. Boyne City does not participate in the program because of the lack of a public bathing beach.

Cornerstone For New Church To Be Laid Saturday

The cornerstone of the new Community Reformed church of Charlevoix will be laid at 2 p.m. Saturday with the Rev. Charles A. Stoppels, pastor of the church officiating, Dale Boss, chairman of the building committee, haa announced.

Assisting in the impressive ceremony at the site of the new church at Petoskey ave. and Meech st. will be the Rev. Douglas VanGessell of the Atwood Reformed church and members of the building committee, Mr. Boss, chairman, Franklin Boss, building superintendent, Marinus Veirink of Petoskey, Richard Potter, Robert Potter, Lawrenee E. The adult choir and the children's choir will sing. Mrs. John L. Boss will be the organist.

Residents of the community are invited to join members of the church in the witnessing the impressive ceremony.

Ground for the new edifice was broken July 9 and work started the following day under the direction of Franklin Boss, construction superintendent. To date construction is on schedule and includes erecting outer walls and partitions. On Monday laminated arches which will support the pitched roof were hoisted into plsce. Plans call for the structure to be under cover with the month with completion scheduled for early in 1982.

WWTV Cadillac To Resume Morning Programming Oct. 2

Television Station WWTV at Cadillac has completed reconstruction of its building and facilities destroyed by fire last Jan. 26 and is prepared to resume morning programming Monday, Oct. 2, according to an announcement by officials of Fetzer Television Inc.

The station's Monday through Friday program sign-on will be advanced to 7:45 a.m. on that date and a week later will be set ahead to 7:15 a.m.

A major project of moving of equipment and operations into the new studio area without interrupting programming is now underway. The new studio has been erected over and around the temporary studio structure and and the latter is being removed in periods between live programs.

Installed in the new buildings is a complete RCA television transmittor of the most modern design and other new equipment throughaut the station's facilities including its microwave relay system for bringing in network programming.

Organize State Civil Defense Association

The Michigan Civil Defense Association was organized last weekend at Flint during a meeting of Civil Defense officials and directors.

Purpose of the organizotion is to promote more active Civil Defense program for the state as outlined by the government and to act as an advisory body to the governor when requested.

Mrs. Helen Luther, director of Genesee county, was named president; Jack Hickox, director of Livonia, Henry Radke of Sault Ste. Marie, director of Chippewa county and Roy Reppard of Harbor Springs, director of Emmet county, were elected first, second and third vice presidents respectively.

A secretary-treasurer will be appointed later.

Gen. George B. Ely, director of Charlevoix county, served as chairman of the by-laws committee.

Col. Robert Pseil of U. S. Corps of Engineers will head a survey group to approve locations suitable for public shelters.

City Council Eyes Fall-Out Shelter, Sugar House

Fall-out shelters, airport expansion and the construction of a sugar house on city-owned property by the Kiwanis club were the major issues discussed at the regular meeting of the City Council Monday evening.

The feasibility of building a community fall-out shelter was discussed briefly, Kenneth Staley, Civil Defense chairman for the city, asked if fall-out shelter constructed by individuals would be tax exempt. Norman D. Ance, city attorney, said that this wos not a problem for the council to decide but would rest with those assessing the property.

The proposed expansion of the airport was discussed briefly but no action taken. The issue will be discussed at a later meeting.

The council decided to meet with the Kiwanis club in regard to the club's reguest for permission to build a augar house on City-owned property located at the intersection of Mercer Blvd. and Division ave.

Bills totaling $40,447.90 were approved and ordered paid. The figures included a final payment of $12,090.00 on electrical bonds; $3,681.00 for diesal fuel; $8,588.80, payroll; $3,320.62, payment on the construction of the new clubhouse at the golf course. To date the city has paid $26,717.95 toward the total cost of 32,500.; $8,467.88, to Hicks Co. of Alma for re-surfacing of three blocks on State st. from Hurlbut ave. to Garfield ave. and Hurlbut ave. between Bridge and State sts.; $1,724.06, wire and other supplies for electrical distribution aystem; $1,500, donation to the Charlevoix hospital.

Plan Open House And Dedication of New High School

The dates for the P.T.A.-sponsored open house and the dedication of the new Charlevoix high school have been announced by Supt. R. G. Bennett and Mrs. J. L. Feindt, P.T.A. president.

The open house for residents of the school district has been scheduled for Wednesday, Oct. 11 The open house will take the place of a formal meeting ond will be held a week later than usual because of the annual Teachers' Institute. Beginning at 7 p.m. on Oct. 11, there will be guided tours through the new building ending in the cafeteria where refreshments will be served.

Plans for the dedication call for the formal program at 2 p.m. Sunday, Oct. 19, with outstanding speakers from the educational field and others followed by tours of the building. The residents of northern Michigan will be invited to this event.

Kids' Day Saturday At City Golf Course

Saturday will be Kids' Day at the Charlevoix municipal golf course according to Walter Henley, greenskeeper, who has invited the youngsters of the community to enjoy the facilities of the course on that day.

All youngsters through the eighth grade are invited to meet at the clubhouse at 1 p. m. where they will be divided into groups. Accompanied by odults they will then play nine boles of golf before returning to the clubhouse for refreshments. All boys and girls who have clubs and balls are asked to bring them. Clubs and balls will be made available to those youngsters who do not have them. Adult golfers will accompany each group around the course, offering instruction. and explaining the rules of the course.

In announcing plans for the special day Mr. Henley said he hoped that all youngsters would participate in the event which has been planned solely for their entertainment.

To Launch 1961 Chest Fund Drive Monday

The 1981 Community Chest fund drive will be launched Monday under the direction of Mrs. Jeannine Essenberg, Franklin Ochs, Community Chest president, has announced.

The drive has a goal of $10,742, the highest in the history of the Community Chest in Charlevoix. The figure includes funds for 12 agencies. They are the Michigan United Fund, Boy Scouts, Girl Scouts, Community Nurse, American Red Cross, Charlevoix hospital, Mt. McSauba Ski Club, Charlevoix Association to Aid Retarded Children, City Recreation, Salvation Army, Charlevoix Service Organization, and the Community Chest committee. The latter needs funds to underwrite the cost of the drive.

The drive will be launched at a 'coffee' at the cafeteria of the new high school at 9 a.m. Monday, Mrs. Essenberg said. All chairmen, captains, and volunteer workers are urged to attend and receive their supplies.

Campaign chairmen include Mrs. Don Anders, residential; Frank M. Oleksy, business and industrial; Archie L. Livingston and Robert Bridge, special gifts division. Mrs. Robert Foss will again serve as typist.

Kiwanians Hear Experiences Of Army War Nurse

Kiwanians at their regular meeting Monday evening were told the experiences of an Army war nurse whose four year's tour of duty literally started with tragedy—being torpedoed into the Atlantic when submarines raided the convoy.

Mrs. Louis R. Hooper, found plenty of humurous incidents to lighten the tragic situation which ended in seven of the 75 ships in the convoy being torpedoed. The life boat she had been assigned to had been damaged and she had to be taken aboard an already overcrowded boat. They were adrift a matter of hours before being picked up by a motor boat and taken to one of the ships in the convoy. Boarding the ship by way of a rope ladder from the launch pitching over the waves proved more frightening and difficult than abandoning the torpedoed ship, she said.

She told nf other parties adrift in lifeboats that were less fortunate. One group was adrift 16 days before being rescued and another party spent 11 daya before being picked up.

Rope ladders were evidently a jinx for Mrs. Hooper. Later while on duty in Europe she was assigned to instruct new nurses in the ways of war. Part of the instructinn was to go over the side of a ship and down a rope ladder. She was ordered by her superior to go overboard first to show the new recruits how it was done.

School to Close For Annual MEA In Petoskey

Charlevoix schools will be closed Thursday and Friday, Oct. 5 and 8 so teachers may attend the annual meeting of Region 14 and 15 of the Michigan Education Association, more familiarly known as the Teachers' Institute.

Ronald Barkley, Boyne City Man Arrested

Ronald Barkley, 20, of RR 2 Boyne City, charged with breaking and entering in the night, waived examination when he appeared before Justice John Connolly in justice court here Wednesday and was bound over to the next term of circuit court.

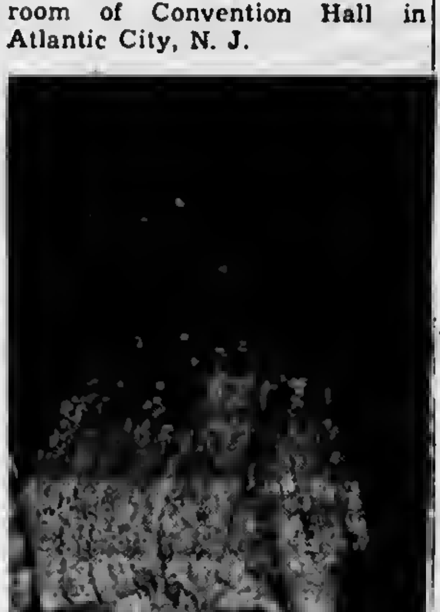
Bond was set at $500. He was released.

Barkley was arrested Tuesday by Charlevoix sheriff's officers. Part of the tools and other articles taken from the garage of Stanley VanHoesen some time after Sept. 7 were recovered.

On Wednesday Sheriff's officers and State Police from the Petoskey post were investigating the theft of a keg of beer from the Charlevoix Rod and Gun club where it had been left following a wedding reception Saturday night.

ACHA Nominates Miss Baumgartner To Membership

Anne Baumgartner, administrator of the Charlevoix hospital, was admitted to the status of nomineeship in the American College of Hospital Administrators, a professional society, at its 27th annual Convocation Ceremony held Sunday in the ballroom of Convention Hall in Atlantic City, N. J.



The College, now in its 26th year, was founded for the purpose of providing recognition to men and women who are doing outstanding work in their professional careers as hospital administrators.

Melvin L. Sutley of Philadelphia, president of the College, presided at the Convocation.

Miss Baumgartner was in Atlantic City for the Convocation Ceremony and to attend the annual convention of the American Hospital Association held there earlier this week.

To Schedule Additional Class In Civil Defense

Because of the unanticipated interest in the proposed training program for radio-activity monitoring classes sponsored by the Charlevoiy county Civil Defense, classes will be offered in each of the three major communites in the county, Gen George E. Ely, county Civil Defense director, his announced.

The first class was held in Boyne City last night (Wednesday) with others to be scheduled in East Jordan and Charlevoix shortly.

Lt. Col. Joseph Seidel, deputy Civil Defense director in chargo of training, will teach the classes.

Also of interest to the residents of the Charlevoix area is the survey now underway to find suitable places for use as fall-out shelter for 50 or more persons. Later a report will be made by Kenneth Staley, local Civil Defense chairman and resident of the community asked to indicate a preference of a shelter unless they have shelters of their own.

Intentional firearm discharges (shooting misjudgments, ricochets, sprayed fine shot, mistaking humans for game) were leading causes of hunting accidents during Michigan's 1961 small game season. They claimed one life and wounded 163.

Hold Military Rites Today for Major J. F. Webb

Military funeral rites for Major Jones F. Webb, 42, of the U.S. Air Force, will be held ot the Winchester Funeral Home at 2 p.m. Thursday with the Rev. Harold E. Kohn officiating. Burial will be in Brookside cemetery, An honor guard will be present from Kincheloe Air Force Base.

Major Webb, who was attached to the Sysaems Development Corp. in Santa Monica, Calif., as Air Force personnel assigned to the Air Defense Command's computer and systems training program, was killed in the crash of an Air Force C-47 Wednesday night, Sept. 20, near Chatsworth, Calif. He was flying a routine proficiency mission out of Oxnard Air Force Base when the twin-engined plane crashed in rugged mountain terrain in a dense fog.

Major Webb was one of three officers who perished in the crash. Three others survived with only minor injuries when they were thrown free of the wreckage. After spending the night on the mountain the survivors made their way to a Nike site radar dome located on the top of 3,756 ft. Oat Mountain. Their appearance brought to and end an all-night search for the missing plane which had crashed at the 3,330 ft. level of the mountain.

A native of San Angelo, Tex., Major Webb served in the U.S. Air Force during World War II and returned to active duty in the late 1940's during the national emergency which preceded the Korean War.

He is survived by his wife, the former Marie Novak, a native of this community, and a aon, Thomas, who have been living at Santa Monica, Calif.; his parents, Mr. and Mrs. Jones S. Webb of San Angelo, Tex., and a sister, Mrs. Robert Nesbit of Decatur, Ill.

Letter of Recommendation

The week of October 1-7 has been designated by President Kennedy as "National Employ the Physically Handicapped Week," and in that connection there's good news for the physically impaired men and women looking for jobs in American industry.

Once again, the National Association of Manufacturers is urging its 19,000 member companies to review their employment activities, looking to further possible openings for the handicapped.

In an open to the NAM membership NAM President John W. McGovern wrote in part:

"Today and every day the physically impaired compete with the able-bodied and ask no special favors.

"Disabled employees in industry throughout the land have written a record of accomplishment which more than justified the confidence management had placed in them.

"It is, of course, in the best interests of the nation, of industry and the persons concerned to give those individuals equal opportunity with the able-bodied for jobs they are qualified to fill.

"I strongly urge you to use 'National Employ the Physically Handicapped Week' (October 1-7) as a timely opportunity to survey your plants for additional job openings for the disabled."

It is newsworthy to report that since World War II, greater progress has been made on this problem than any other in the social field.

Industry should be rightly proud of its efforts in helping the physically impaired become self-supporting members of society.

SEPTEMBER ... in Michigan

Harold E. Koh

A Late September Evening

After dark tonight I drove to Hidden Brook, wanting to spend only a few moments in solitude, behind the thin veil of silence that separates those quiet acres from a noisy world.

The road was mist-laden, with strong autumnal breezes playfully rolling a fog along like boys playing with hoops. A few rain drops splashed the windshield. Frogs, feeling right at home in all this moisture, hopped across the dark pavement, their white bellies gleaming in the glare of the headlights.

Shortly after I turned into the gate at Hidden Brook, the broad, bristling back of a lumbering porcupine loomed out of the darkness. I stopped. So did he. I moved on. So did he—slowly. He turned around, glared at me with baleful eyes, and then ambled forward a few steps with defiant, slow-gaited steps. Then, as if he had proved his independence, or courage, or indifference, or whatever it is that porcupines feel they must prove, he veered off the trail and into the dying ferns, and I moved along toward the cabin.

When I returned to that spot an hour later no porcupine was to be seen.

Now I am back home, in the study of Wide Sky Harbor. I can hear Lake Charlevoix doing her midweek wash, busily scrubbing the shore. A boisterrous wind rattles at our eaves. These small disturbances are nearer music than noise, and closer to eternity than to time. Such waters bind together the seasons, the centuries and the ages, for they have laundered these rocks and sand constantly since long before a white-man caught their sound. Their little movements are caught up by a larger theme that stretches across the ages just as a mighty symphony absorbs many minor trains. And these winds are ancient winds that have whipped Indian tepees and may have tangled the hair of mastodons on some long ago early-autumn night.

It may be that one reason wild nature calms and quiets me is that I, like water and wind and all human kind, belong more to eternity than to time, and feel more at home in the midst of the timeless meadows and forests, winds and rains, than I do surrounded by clocks and calendars, appointment books and schedules.

SOME THINGS TO NOTICE THIS WEEK:

- Notice, now, the thickening of fur on most animals as autumn progresses. Not only the squirrel and racoon, the deer and the bear, develop denser fur, but your domesticated cat and dog, too. Most people believe the purpose of fur is to keep the cold from penetrating to the animal's skin. But it is not. Dense fur keeps the body heat of the animal from escaping into the atmosphere. It is retention of heat rather than protection from cold that keeps an animal comfortable.

- Before winter sets in and skunks become scarcer in the woods and meadows and along the highways, observe that, while a skunk odor may be chokingly nauseating in large doses, when smelled at a distance—say one quarter of a mile—it can be quite pleasant. (By the way, if you encounter a skunk don't rely on the old rule that a skunk will give ample warning before he fires his ammunition. It is true that skunks usually perform a head-lowering and fore-foot stamping ritual before firing a barrage. But not always. Sometimes the ritual is overlooked ..... How much of the stifling fluid does a skunk discharge at a time? Guess! A cupful? A tablespoonful? It is almost incomprehensible, but all that odor comes from hardly one twentieth of a teaspoonful of fluid, discharged in a fine spray

Voice of Our Readers . . .

Charlevoix, Courier:

May we take this method of expressing our sincere thanks for the wonderful support we received from the people of this area. It was a splendid victory for Northern Michigan, and was due to the efforts of many people.

Now that the election is over, we delegates face a great responsibility. There are a great many issues to be resolved at the convention, and we are sure that each delegate wants to know the wishes of the district that he represents. On the reapportionment issue, we feel that we have a mandate to keep our area of Michigan represented as it is now. On the many other issues, we would like to know the feelings of the people of the district. We would like to invite all interested persons to write any of us now, or at any time during the convention, and express their opinions on any issue. And we would like to offer to meet with the people of this area at any meeting that may be arranged, to discuss these issues.

We ask, in return, that all of the people of this area keep up their interest in the work of this convention.

Sincerely,

Donald M. Habermehl

Foreign Exchange Student Writes From Sneek, Holland

Lia Drenth of Sneek, Holland, returned home in July after spending 11 months in Charlevoix with Dr. and Mrs. Robert G. Martin. Her trip here was sponsored by the Youth for Understanding program of the Michigan Council of Churches.

Upon her return to Holland, Miss Drenth wrote of her impressions and feelings of the time spent in the United States. Her letter follows.

Dear Friends,

All of a sudden there came movement in all lbe sleeping people in the plane. Then—the wheels touched the ground . . . America! We were in America at last!

Everybody started to yell and shout and our excitement could not be kept within limits.

It does not seem possible that this was already a year ago, Now I am back in Holland and my stay in the United States seems like pages out of a book.

I remember so well the first day I arrived in Detroit. It was a warm August day and my family took me to downtown Detroit. Big shining csrs rushed by and everybody seemed to know where he was going. On these expressways I got my first taste of America's fast way of living. Detroit, however, was whst I thought all of America to look like.

On the way to my American home the next day I hept reading the advertisements along the road. We don't have these in Holland the way you do.

Charlevoix was so different from the big cities and I fell in love with it the moment I arrived.

The school yesr with all its activities was very, yes, very different from the European schools. The contact between teacher and student is better than with us. I don't like the big variety of abilities in one class. It is very hard this way for the teacher to find the right level to teach a certain class. But I realize this is different in bigger schools. I would like to see more gymnastics in the schools.

The team spirit of the school is tremendous and I never saw anything like the enthusiasm at the football and basketball games. In your school you are taught to think where we are supposed to know the answer instead of trying to find it. You learn by experience when we learn by facts.

Politics are thoroughly discussed in the class and I was amazed at how much the American student knows about European history.

The American teen-ager seems to grow up faster than the European boy or girl. They are self reliant and have self initiative at an earlier age.

The American food is very variable and the church suppers and the outdoor suppers are typically American. Tell me, what am I going to do without the hamburgers and hot dogs? I never learned to like corn though.

During the winter I enjoyed the skiing and ice skating. If I want to ski here I have to go to Switzerland because tbe snow never stays long enough.

I never realized what a buge country you have until my family took me out west to California. I thought we would never get to California and wben we finally arrived I knew that this was only half the country. It was funny to go from one state to another without showing your passport.

I saw all the things one hears about in Holland. . . the Rocky Mountains, Hollywood, Los Angeles, Mount Rushmore and many more. When I was interviewed in Holland last year they asked me if I would like to see the Golden Gate Bridge. I never thought I really would!

Now I am back in Holland. The bost trip from Montreal to Amsterdam was great. It took us nine days to cross the Atlantic.

After spending two weeks at home, I am now in Amsterdam, working for the program, the Michigan Council of Churches, which sent me over last year. I also work as a receptionist in a hotel in Amsterdam. When I told my friends after a week that I was leaving the next week for Amsterdam, they told me I had the speed of an American!

From Holland I want to say goodbye and thank all of you in Charlevoix who made my stay so wonderful. Although there is an ocean between us it will not separate us for I shall always be back with my many memories. I will be back some day. I left too many friends.

Goodbye, aufwiedersehn,
"Totniens".
Lia Drenth.

Plums are grown in every state of tbe union.

Karen Sue Pierce and Mr. Vincent Speak Vows at St. Mary's Church

St. Mary's church was the scene Saturday morning of the wedding of Karen Sue Pierce and John Garner Vincent.

Parents of the couple are Mrs. Charles E. Pierce of this city and Mr. and Mrs. Michael Vincent of East Jordan.

The Rev. E. Francis Denay officiated at the double ring service during the Nuptial Mass celebrated before an altar graced with arrangements of white mums in the presence of more than 200 guests. Mrs. Frank M. Oleksy was the organist and Mrs. Willard Pischner the soloist.

Given in marriage by her brother, Clifford Pierce, the bride selected a waltz length gown of white Chantilly lace over taffeta for her wedding. The fitted bodice featured a beateau neckline which came to a V in back and long fitted sleeves. The houffant skirt had an apron of lace accented by a butterfly bow in the back. Her fingertip veil fell from a crown of seedpearls and sequins. She carried a crescent bouquet of red sweetheart roses centered with a white orchid.

Karen Pischner, as maid of honor, wore a sheath dress of red Chantilly lace over satin styled with a round neckline and overskirt of red organza. Her circular noseveil fell from a band of matching red net and she carried a crescent bouquet of white pompoms.

Artis Geer of Traverse City, cousin of the bride, and Mrs. Richard Vincent of East Jordan, sister-in-law of the bridegroom, as bridesmaids, wore sheath gowns of moss green brocaded satin with overskirts of organza with matching net headbands and veils. They also carried crescent bouquets of white pompoms.

Gary Bartlett of East Jordan was best man and groomsmen were Richard Vincent, brother of the bridegroom, and James Kenny, both of East Jordan. Seating the guests were Berry Pierce, brother of the bride and Fred Vincent of East Jordan, brother of the bridegroom.

Mrs. Pierce selected a dress of gray and white crepe and white accessories for her daughter's wedding. Mrs. Vincent, mother of the bridegroom, wore a dress of lavender jersey and matching accessories. Their corsages were of white pompoms.

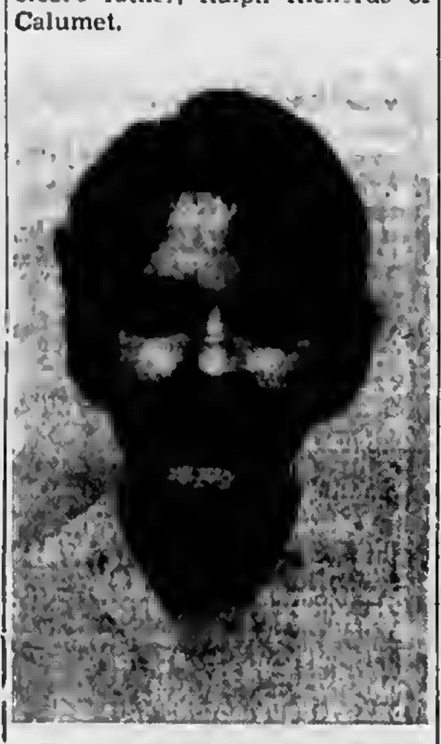
A wedding breakfast for the bridal party and their immediate families and close friends was served at St. Mary's hall by St. Mary's Rosary Altar Society immediately following the service. An evening reception for 200 was held at the Charlevoix Rod and Gun club with Mrs. C. Y. Marshall as mistress of ceremonies.

Following a brief northern Michigan wedding trip the couple left for Lawton, Okla., where they will be at home at 1906 20th St. For traveling the bride chose a charcoal gray wool suit and white accessories complimented with a white orchid corsage.

The bride is a 1961 graduate of the Charlevoix high school and has been employer at the Kroger Company. Pfc Vincent, a graduate of St. Mary's high school in Gaylord, is presently serving with the U. S. Army at Fort Sill, Okla. Prior to entering the service he was employed at Rowden Force Sales in Grand Rapids.

Betrothed

The engagement and approaching marriage of Elizabeth Dorothy Richards to Gary L. Smith has been announced by the bride-elect's father, Ralph Richards of Calumet.



The prospective bridegroom is the son of Mrs. Mary Smith.

The wedding will be an event of October 15 at the First Baptist church here.

The bride-elect is a graduate of Calumet high school and Northern Michigan College and is presently teaching in the Charlevoix public the Charlevoix high school and a schools. Mr. Smith, a graduate of veteran of four years service in the U.S. Marine Corps, is a second year student at North Central Michigan College.

She also discussed Michigan's project for the year, to complete the Doris Pike white auditorium and gymnasium at the Kate Duncan Smith school in Alabama and to assist St. Mary's school for Indian Girls at Springfield, S. D.

Other state officers were present from Bay City Birmingham, Southfield Kalamazoo, Battle Creek, Northville, Monroe and Mt. Pleasant.

Mrs. Earl A. Young welcomed the group and introduced the state officers at the luncheon meeting held at the Weathervane Inn.

Miss Kerr, Honoree At Bridal Shower

Betty Kerr, whose marriage to Floyd Johnecheck will be an event of Oct. 7 at the Community Church of God, was honored at a bridal shower given Friday at Fellowship hall by a group of women from the church.

Forty-five guests gathered for an evening of games and a skit presented by Mrs. Peter H. Timmer and Mrs. Clarence Murray. Refreshments were served from a table centered with a double-heart cake. Gifts were placed on a table decorated with an open blue unbrella and pink and blue streamers. The honoree was presented with many lovely gifts.

Show New Mercury Models This Week

The 1962 Mercury Comet retains its own distinctive identity but has significant styling changes this year. The Mercury name spans the front hood since the new model of the compact becomes one of the entries in the complete Mercury line. Styling of the Comet for 1962 includes a completely new rear appearance, new grill and a full-length molding which sweeps low on the rear fender. A new Custom series increases the number of Comet sedan and station wagon models from five to nine. New Mercury models will be on display this week at Erber Auto Company.

First Lecture in Celebrity Series To Be October 9

Tickets are now on sale to the general public for the Celebrity Lecture Series being sponsored by the North Central Michigan College Student Government and Michigan State University Continuing Education Center, Dean A. D. Shankland, has announced.

Robert St. John, roving correspondent for the National Broadcasting Co., will open the series at the Petoskey high school auditorim 8 p.m. Oct. 9, when he speaks on the timely subject, "Exploring Africa."

Author of several books including "Through Malan's Africa." "The Boss: the Story of Nasser" and "Ben-Gurion: The Biography of an Extraordinary Man", Mr. St. John knows Africa's problems from trips made almost annually across that continent during the past 10 years. He knows first-hand of such countries as Ghana, Nigeria and Tunesia and in his lecture gives his audience an insight into how the two hundred million people of the 44 African countries are finally beginning to enter the twentieth century.

Other lecturers appearing in the series will be Dr. Richard Armour who will speak Jan. 11 on the subject "A Satirist Looks at the World" and Vance Packer who will speak on the "New American Revolution" Apr. 9:

Students at N.C.M.C. and MSU off campus students receive free tickets to the series. The public may purchase tickets at the college for single lectures or for the series at a nominal sum. They may also be purchased at Kilborn's Boot Shop or at the door.

Kilts have been customary Scottish garb for centuries. The traditional style was a 15-foot length of tartan that the owner spread on the ground and pleated. He then lay upon it and belted it around him, pinning the upper part at the shoulder. Today's kilt extends only from waist to knee-cap. National Geographic

COMPACT MERCURY COMET
BIG MERCURY MONTEREY

FIRST SHOWING! THE NEW 1962 MERCURYS (COMPACT AND BIG)

MERCURY
COMET
smartly ahead of the compact crowd

MERCURY
MONTEREY
the best-looking buy for the big-car man

HIGHLIGHTS: COMPACT MERCURY COMET. Talk value and you're talking Mercury COMET. It's the compact with the extras that make the difference. Take beauty. This is the only compact with fine-car styling. You get extra room plus a smoother ride (up to 7.5-inch longer wheelbase than other compacts). Extra trunk space for as many as six extra suitcases. Extra savings on oil and upkeep. This year you can drive 6,000 miles between oil changes. A new type anti-freeze, anti-rust coolant lasts two years or 30,000 miles. Extra resale value, too (best record of any compact). The price? With or below most compacts.

HIGHLIGHTS: BIG, LUXURIOUS MERCURY MONTEREY. This is Mercury's finest car. The very top of the line. It is specially built for the big-car man—with those big extra values a man likes. More room than other cars near its price—for long legs and big families. An extra-long wheelbase (120") for that solid, luxury-car "feel." A smoother, quieter ride—the result of exclusive Cushion-Link Suspension. A wide engine choice—"6" or three V-8's. Plus the kind of savings that really cut upkeep. Routine service is needed only twice a year (at 6,000- to 30,000-mile intervals)! The price? Well within the popular-price range.

Boyne Mountain To Host Annual Judges Convention

The 66th annual convention of the Michigan Probate and Juvenile Court Judges Association will be held at Boyne Mountain July 22-25 John Makel, Charlevoix county probate judge, has announced.

In making the announcement Judge Makel outlined the significance of having the convention in Charlevoix county, stating that an estimated 200 persons including some 91 probate judges would be attending the convention. This would do much, he said, to publicize Charlevoix county and its vacation facilities through the atate.

In conclusion he said "Naturally, my presence at the 1961 convention (held at King's Gateway Hotel at Watersmeet) and my untiring efforts at selling Charlevoix county as an ideal location brought the convention to our county for next summer. I was exceptionally pleased, too, because I was a new, first year recruit and yet was given this privilege and opportunity over lthers".

From where I sit ... *by* Joe Marsh

A "Moving" Story

A couple of nights ago, Bud Holmes, who runs the town's local drive-in movie, got to talking about a "honer" he had pulled last summer.

Seems one night he wes waiting to close up when a customer came over and asked if Bud would get his car started. Turned out his battery was dead. Bud drives over to where he thinks the customer's car is parked and starts to give it a big shove.

All of a sudden, Red Dolan's head pops out of the front window! "Listen, Bud," Red says with a grin, "if you want me to go home so you can close up, I'll *go*. But you don't have to *push* me!"

From where I sit, a person always has to be careful not to interfere with other people's enjoyment by "pushing" his preferences. Whenever Bud has me over to dinner, he's always considerate enough to make sure there's some beer on hand for me, even though he prefers tea himself. He's respecting my right to think for myself, and not trying to "drive home" his own views.

NOTICE

NOTICE IS HEREBY GIVEN, of the abandonment and discontinuance of part of "Norwood Road" pursuant to the following Resolution duly adopted by the Board of County Road Commissioners of Charlevoix County, Michigan, at it's meeting held on September 11, 1961, viz:

RESOLUTION

Commissioner Erber offered the following Resolution and moved its adoption, seconded by Commissioner Rogers:

WHEREAS, the City of Charlevoix and over seven (7) other freeholders of the Township of Charlevoix have petitioned the Board of County Road Commissioners of Charlevoix County, Michigan, to absolutely discontinue and abandon that portion of the County Road Highway known as the "Norwood Road", abutting upon the West side of the Charlevoix Airport, which part is hereinafter more particularly described, to permit the expansion of the City of Charlevoix's Airport; and

WHEREAS, this Board has set it's meeting this date, September 11, 1961, at 10:00 A.M., at the County Road Building on Highway M-75, East of Boyne City, Michigan, for a public hearing upon said Petition and due notice of said hearing having been given by publication in the Charlevoix Courier, a newspaper published and circulated in the City of Charlevoix, Charlevoix County, Michigan by posting in three (3) places in Charlevoix Township, and by mail to all of the owners and occupants of land abutting upon that part of the road sought to be abandoned and discontinued, as appears from the Proof of Publication, Proof of Posting, and Proof of Service filed with this Board; and

WHEREAS, after full hearing thereon and this Board being fully advised in the premises the Board has determined that it is advisable to absolutely abandon and discontinue the said part of said road for the purpose set forth in said Petition;

THEREFORE BE IT RESOLVED, by the Board of County Road Commissioners of Charlevoix County, Michigan, that the following part of a County Road, known as the "Norwood Road" be abandoned and discontinued as of September 11, 1961, as a County Road and cease to be a part of the County Road system, and that said Board determines it to be to the best interest of the public that said highway so abandoned and discontinued should be, and the same is hereby, absolutely abandoned and discontinued; and part of said County Road so abandoned being in the Township of Charlevoix and City of Charlevoix, Charlevoix County, Michigan, described as follows:

> "In the Township of Charlevoix, and the City of Charlevoix, Charlevoix County, Michigan, that portion of Norwood Road (formerly referred to as the Emmet and Grand Traverse State Road) being in the North 843.3 feet of the South Half of the Northwest (NW¼) Quarter and in the Northeast (NE¼) Quarter of the Northwest (NW¼) Quarter, Except the North 20 rods thereof, being a part of Section 34, Town 34 North, Range 8 West."

BE IT FURTHER RESOLVED, that a Notice of this determination be given by the Clerk of the Commission to the proper Highway authorities and pubished in the Charlevoix Courier, a newspaper published and circulated in said County, once each week for three (3) consecutive weeks.

Resolution adopted by the following yea and nay vote:

Yeas: Erber and Fineout.
Nays: Rogers.
Absent: None.
Dated: September 11, 1961.

Ralph S. Hamilton, Clerk of the Board of
County Road Commissioners of
Charlevoix County, Michigan.

Cadillac presents for 1962 the Masterwork of the Motoring Age

Fleetwood Sixty Special, above; Sedan de Ville, below.

You have had your first look at the new "car of cars".

Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers . . . and new conveniences on every hand.

Engineering triumphs include independent front and rear braking . . . exclusive new cornering lamps that light your way around turns . . . a revolutionary three-phase rear lighting system . . . and many other important advances.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble . . . handling ease so great that the mere weight of your hand puts you in command of the road . . . craftsmanship that is so practiced and so precise that the car has become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. You'll be hearing a lot about it.

Rayders Take First Defeat from Pellston

The Charlevoix Rayders dropped their first league game of the season Friday when they were downed by the Pellston Hornets 7 to 0 in a meeting that saw both teams threaten numerous times.

In the game played at Pellston Friday afternoon, the Rayders marched to Pellston five yard line early in the game, only to lose the ball on a fumble.

Later in the game an offside penalty nullified a Rayder touchdown.

Pellston all-important scoring play came late in the game when Hornet halfback Ray Mehalec went around right end for 38 yards and the tally. Veteran back Merle Cameron booted the extra point with 3:40 remaining in the game. The scoring run came on the third play after Pellston had taken a Rayder punt on their own 40.

Both teams moved the ball for a total of 217 yards. The Rayders picked up 99 yards by rushing and 118 by passing for a total of 11 first downs. Charlevoix attempted 11 passes, completed five and had one interecpted.

Pellston had a total of 10 first downs, all by rushing. They attempet six passes, did not complete any and had one intercepted.

Boyne, E. Jordan, Mancelona, Pellston, NCMC Winners

Boyne City, East Jordan, Mancelona and Pellston shared first place honors in the Northern Class C conference following Friday's games.

The Ramblers dumped Harbor Springs 27 to 7, East Jordan rolled over Gaylord 25 to 6, Mancelona defeated Grayling 20 to 0 and Pellston edged Charlevoix 7 to 0 to remain on the top of the heap after one conference game.

Boyne City 27 Harbor Springs 7

Playing in a driving rain, interspersed with thunder and lightening, the Boyne City Ramblers had everything their way after the Rams had scored first early in the game.

Harbor Springs' single tally came on a 43 yard run by Fullback Jim Burdick with Harvey Kasuske running the conversion point over.

Later in the first period scat back Doug Grubbe went 7 yards to score the Ramblers's first touchdown of the game and then ran the ball over for the conversion point.

In the second period Grubbe broke away a second time, this time for 25 yards with halfback Bob Snyder adding the extra point on a run.

Larry Gunderson went over from the two-yard line on a quarterback sneak midway in the third quarter and Tracy Newville bucked the line for six yards and a tally late in the game with Bob Snyder making the score 27 to 7 as he scored the extra point late in the game.

East Jordan 25 Gaylord 6

Gaylord's Dick Farrand, playing the right halfback position, broke away and went nine yards to score in the game played at East Jordan.

From then on, however, East Jordan took over and scored in each period.

The first Red Devil touchdown was scored by Halfback Tom Graham who went over from the two yard line to climax a 75 yard drive. Quarterback Bud Gee carried the ball over the conversion point.

In the second period Haffback Don Roberts intercepted a Blue Devil pass and took off on a 45 yard jaunt for the Jordanites' second tally, giving East Jordan a 13 to 6 halftime margin.

It was a trip down the middle for 41 yards by Graham in the third period that made the score 19 to 6 in the third period before Gee went in from the one on a quarterback sneak late in the game.

Though Gaylord failed to score more than one TD they made a fine appearance, containing the Red Devils in most instances.

Mancelona 20 Grayling 0

Pass interceptions by Mancelona set up the Ironmen's scoring plays in their meeting with Grayling.

Mancelona kicked off to the Vikings who were moving the ball well when an interception cut short their drive. A drive by the Ironmen then moved the ball to the five yard line where Halfback Kent Stradlinger took the ball over for the tally.

A passing combination of quarterback Pat Dutcher to End Bill Lawerence accounted for Mancelona's remaining touchdowns. The first was scored on a 7 yard pass play in the second period and the final touchdown on a 30 yard pass play in the third period. The twosome teamed up to score points after touchdown on two of the three attempts.

Mancelona played without regular backs Ken Johnson and Larry McCarty. Johnson is recuperating from a concussion suffered in the Oscoda game and McCarty from a badly sprained ankle.

Tackle Bob Moore suffered a knee injury in the Grayling game and will be sidelined indefinitely. Steve Ottgen and Roger Patton replaced Johnson and McCarty in the line-up.

This game was the last one for Viking tackle Ted Carlson who is moving out of the area with his family. His loss will seriously hamper the Vikings'chances this season as he was a key player in the Grayling line-up.

Courier Photo by Mick Smith

Rayder Reserves, playing at Petoskay last week. are pictured hare making a good gain against the Northmen. However. their efforts wera not enough as they lost to the Petoskay Reserves 6 to 0.

This Week With Class "C"

The Charlevoix Rayders will host the Mancelona Ironmen in the first home game of the current season here Friday. The game will be played at Kipke field at 8 p.m.

In other games East Jordan will play at Boyne City, Harbor Springs will travel to Gaylord and Grayling will entertain Pellston.

When the Charlevoix Rayders take to the home turf Friday they will be seeking their first win of the season against the defending champions who have a record of one win over Grayling and a loss to Oscoda coming into the game.

The Rayders, thus far have failed to show the competitive spirit and desire to win which are 'musts' for a winning team. This week Coach Don Carey is expected to devote his efforts to tightening up the line and finding the secret of making the team 'jell'. Seemingly, the players have the ability if they can learn to take advantage of the breaks and to hang on to the ball on crucial plays.

The Ironmen, co-champions with Boyne City, will be out to protect their position when they invade Rayder territory this week. Their two veteran backs, Kenny Johnson and Larry McCarty, who missed the Grayling game, will be back in the line-up, giving depth and experience to the backfield. The line, however, will be without the services of tackle Bob Moore who will be sidelined indefinitely with a knee injury suffered in last week's game.

The Rayders could shape up this week and give the Ironmen a good game. It will all depend on the players. Going into the game however, Mancelona, by virtue of its record, will be favored.

The East Jordan-Boyne City game on the Rambler field will be the renewal of an old rivalry that has existed for years. As a result the game should be a close one with East Jordan depending on its passing and the ability of its backs to skirt the rugged Boyne City forward wall that has already stopped Petoskey and Harbor Springs. The Ramblers will be dependent on speedster Doug Grubbe who is well on his way to a touchdown whenever his team can spring him free. Added to that Coach Paul Pfahler is well pleased with his young signal caller, Larry Gunderson, who has stood up well against two rugged rivals. The Ramblers have taken to the air on occasion and with two veteran ends in Rod Ward and Lawrence Thompson plus experienced backs like Grubbe and Terry Newville as receivers may score via the aerial route if the Red Devil line proves too rugged.

East Jordan has a host of verteran players who looked well against Gaylord last week but it it takes to beat the Ramblers. is doubtful they will have what

The Harbor Springs-Gaylord game will be an interesting one for it will pit two teams that are hungry for victory against each other. Both boast some standout players who should shape up well as the season progresses. Both teams are out for a win and this could make it a good fight all the way with the Rams having a slight edge only because they have a few more seasoned players.

The Pellston Hornets are riding high after dumping Charlevoix last weekend and will be hard to stop now that they have tasted victory. The Grayling Vikings suffering from the loss of verteran tackle Ted Carlson who is moving out of the area, may find themselves at the mercy of a big, hard-playing Pellston outfit that has finally "jelled for Coach Francis

Pellston will be facored in the meeting though Grayling may be

About This Question

"On vacation or weekend trips, the personal belongings we take along and the ones we leave behind are both vulnerable to theft, loss or damage. We are also apt to injure someone in sports and play. Does the new Homeowners Police cover our belongings at home or away and provide family liability coverage as well?"

By ELMER E. WHITE

WHO OWNS THE COMMODITY that makes Michigan the Water Wonderland? Nobody does. And everybody does. And the right to use water is determined by where it is found why it is there and how it is used.

Michigan's problem is not one of water rights for survival, as is the case in some arid south- problem on getting enough water western states.

There is not even much of a for drinking, washing, watering crops and livestock and related purposes, although these factors enter into Michigan water law.

Ground water and surface water in Michigan are covered by different sets of legal principles.

Diffused percolating water which can be tapped by wells, and underground streams, though unimportant in Michigan, are ground water. Surface water is found in watercourses, such as lakes and streams and diffused surface waters, such as rain or melting snow, running freely over the land or standing in puddles.

The rule of "reasonable use" governs ground water. The right of landholders to sink wells and pump water is recognized in Michigan. courts.

Wasteful, malicious or other unreasonable use of ground water can be prevented by the courts under the currently accepted interpretation of the law.

The place where conflict occurs in use of Michigan water is when a body is used for recreational or agricultural purposes.

The so-called "Riparian Doctrine" governs use of this water. Only owners of land in contact with surface water sources have the right to use it. They don't own it, and they can't move it outside its natural watershed.

* * *

Riparian owners must share their rights with other riparian users, and upstream owners cannot hold back waters except long enough to build reserviors.

The doctrine can be summed up: "Use the water, but pass it along or leave it substantially undiminished in quantity and quality."

People who don't own land with riparian rights gain access to water through public lands bordering on water. They also have the right to travel on, or fish in lakes where surrounding land is totally owned by private individuals, if the lake has an inlet and an outlet.

When the state sells any of its land bordering on a watercourse, it reserves the right of ingress and egress to posterity, also.

* * *

THE DAYS OF PAYING for higher education in Michigan at so much a head may be numbered.

For some time legislators have tended to look further than "just numbers" when making appropriations. They try to consider to some extent the cost of the training as well. But it's a difficult problem to deal with.

Educators and lawmakers have long complained that there was really no accurate way to compare the cost of education a medical student at Wayne State University with a liberal arts freshman at Western Michigan University.

So formulas used at various times really boil down to little more than a complicated headcount basis for budgeting.

* * *

All this may be changed due to work of the Michigan Council of State College Presidents. The organization recently announced through its executive director, M. M. Chambers, that accurate figures should be available soon to tell exactly how much it costs to educate one student for one hour in any given academic program, in a given institution.

The figures will be kept current and permit close comparison of education costs among the universities and colleges.

* * *

Chambers said the figures will be made available to "an interested public" in order to inform the people just how their education dollars are used.

There will likely be two other, and possibly much more valuable rusits of the uniform cost studies.

First, legislative committees will be better able to stop slicing education's "appropriation pie" into segments based on enrollment. Second, accurate cost studies should eliminate competition between the various schools for disproportionate shares of budget money.

* * *

PROBABLY MOST PEOPLE have never stopped to wonder how it is they happen to know when there's an election coming up.

News outlets do such a thorough job of publicizing impending issues that little else in the way of general notice would be required in most cases. The law, however, spells out how impending elections be publicized in detail. There is sound reason behind the law.

Election notices which must be published by local clerks before general elections are specific reminders, according to Attorney General Paul L. Adams. They provide exact date as to location and hours of balloting. They also provide a complete list of contests and issues as the voter gets a chance to see the entire election pictured rather than be overwhelmed by a few of the "hotter issues."

* * *

Adams says people are expected to know that there is a general election in November of every even-numbered year, because that is spelled out in the law, as are certain other elections.

In special elections, however, Adams said, the notice is even more important. People can't be expected in any other way to know about an election that is set by administrative decree. Adams' rundown on election notice law, and reasons for it, came in an opinion issued to clarify the form which published notices of upcoming elections

P. T. A. to Sponsor Open House at New Junior-Senior High School

A P.T.A.-sponsored open house at the new Charlevoix junior-senior high school next Wednesday will give residents of the school district their first opportunity to tour the city's first new secondary school in 60 years. The open house is scheduled to begin at 7 p.m. and continue until 8:30 p.m.

The open house will be an informal event with visitors entering school at any of the main entrances located on Garfield ave. May st. and on the west side of the school. There they will be handed maps of the building and allowed to tour the building at their leisure. Members of the Charlevoix Board of Education will be stationed throughout the building and teachers will be in their respective classrooms to answer questions relating to the building proper and the equipment in the classrooms.

Visitors will then gather at the beautiful new cafeteria for refreshments served by the P.T.A.

It was decided to have an informal open house where parents and friends of the school could visit the departments in which they are most interested rather than guided tours which would allow them only a limited time in each department.

In announcing plans for the open house, Mrs. J. Lawrence Feindt, president of the P.T.A., joined with school officials in inviting members of the school district to avail themselves of this opportunity to view the district's beautiful new school. "It is your school attended by your children. I hope you will be interested enough to tour the building and see for yourself the setting you have provided for the education of the youth of the Charlevoix school district" Mrs. Feindt said in urging everyone to visit the new building on Wednesday.

Members of the P.T.A. Executive committee and room mothers will assist with the open house.

The formal dedication of the new high school has been scheduled for 2 p.m. Sunday, Oct. 29.

Kiwanis White Elephant Sale To Open Oct. 12

The 11th annual White Elephant sale sponsored by the Charlevoix Kiwanis club will be staged at the Colonial Club on Meech st. Thursday, Friday and Saturday, Oct. 12-13-14, it was announced following a meeting of the Kiwanis club board of directors.

The sale will begin at 9:30 a.m. Thursday and continue until 8 p.m. on Thursday and Friday and until 9 p.m. on Saturday night.

A large selection of household appliances will be featured at this year's sale with more than 50 pieces of equipment being offered for sale.

There will also be a large selection of clothing, shoes and household furnishings.

The sale items will be displayed in large, airy rooms allowing patrons a chance to browse and make their selections at their leisure.

The Kiwani-Queens will assist with the sale as in past years.

Glenn Kenny and Kit Carson are co-chairmen of the 1981 White Elephant sale.

Community Chest Sets Budget At $10,742

The 1961 Community Chest fund drive to raise $10,742 for 12 agencies was launched at a 'coffee' at the Charlevoix high school cafeteria with workers receiving a pep talk from Mrs. Jeannine Essenberg, fund chairman, who then distributed materials to the assembled volunteers.

Agencies and the funds being raised for each follow: Michigan United Fund $1642; Charlevoix hospital, $1500; Community Nurse, $1550; Red Cross, $1000; Charlevoix Association to Aid Retarded Children, $950; City Recreation, $800; Boy Scouts, $750, reduced from the original request of $1450 and the only agency to have its request cut; Girl Scouts, $750; Mt. McSauba ski area, $500; Salvation Army, $375; Charlevoix Service Organization, $275, Emergency Fund, $300 and campaign expenses, $350.

Mrs. Don Anders, residential chairman, has named the following area captains whose workers will be calling on homes in the community: Area 1, Mrs. Clifton Gregory; Area 2, Mrs. S. E. Coleman; Area 3, Mrs. T. R. Weidman; Area 4, Mrs. James W. Gallagher; Area 5, Mrs. Emerald Chew; Area 8, Mrs. Frank M. Oleksy; Area 7, Mrs. Jack E. Rader; Area 8, Mrs. E. Darrell Dinwiddie and Area 9, Mrs. Gerald Goss.

Mrs. Amandus Evers will serve as chairman in Hayes township, Mrs. E. A. Loop in Charlevoix township and Mrs. Orville Harding in the Norwood-Marion Center district. Other area chairmen will be named later this week.

Frank M. Oleksy will head the business and industry division of the drive with Robert Bridge and Archie L. Livingston the special gifts division.

Maurine Sanford To Reign As 1961 Homecoming Queen

Maurine Sanford, petit Charlevoix high school senior has been named Homecoming Queen to rule over the festivities at the annual homecoming at the Charlevoix high school Thursday and Friday Oct. 12 and 13.

Members of her court are Nynke Bierma, foreign exchange student, Kathy Gallagher, Rose Stewart and Lorraine Heise, 1961 Venetian Queen and also president of the Pep Club which is in charge of the homecoming events.

Queen Maurine, a 5 ft. 2 in. strawberry blonde, will receive her crown during the annual Pep rally scheduled for Thursday evening Oct. 12 at Kipke field. The hour will be announced later. She is the daughter of Mr. and Mrs. Frank Sanford.

The Homecoming parade will be staged at 4 p.m. Friday with the homecoming game between the Charlevoix Rayders and Harbor Springs scheduled for 8 p.m. The halftime show will be devoted to further homecoming festivities. A homecoming dance will climax the special event.

George Granger Guest Speaker At Kiwanis Meeting

George Granger, superintendent of the Charlevoix county road commission, was the guest speaker at the regular meeting of the Kiwanis club held Monday at the high school cafeteria.

Mr. Granger spoke on the county's primary and township roads and how the construction and maintenance of these roads are financed.

Visiting Kiwanian was A A. Scherer of Detroit and club visitor was Robert McClellan of Charlevoix.

To Serve Lunches At Elementary School

With the arrival and installation of new equipment in the cafeteria at the Charlevoix Elementary school, hot lunches will be served to the more than 385 students in the first through the sixth grades as well as elementary teachers.

Elementary school students have had to carry their lunches from home since school opened because equipment had not arrived for the cafeteria, located in the former high school music room.

Cornerstone For New Church To Be Laid Saturday

The laying of the cornerstone at the new Community Reformed church of Charlevoix, located at Petoskey ave. and Meech st., postponed from Saturday because of inclement weather, will be staged at the church site at 2 p. m Saturday, Dale Boss, chairman of the building committee, has announced.

The Rev. Charles A. Stoppels will officiate, assisted by the Rev. Douglas VanGessell of the Atwood Reformed church. The adult and children's choirs of the church will sing, accompanied by Mrs. John E. Boss, at the organ.

The ceremony will be staged by this week, regardless of the weather, for the roof of the edifice is being placed this week and it will be possible to hold the service under cover, if necessary, Mr. Boss said.

Youth Offered Training in Safe Use of Fire Arms

A training course in the safe use of fire arms by boys and girls will be offered here this year under the sponsorship of the Michigan Department of Conservation, Harley R. Burris district conservation officer of Boyne City has announced. The hunter's safety training classes will be held at the Charlvoix city hall. Both boys and girls 12 years of age and older are eligible to attend the classes. There is no charge for instruction.

The local classes will be conducted by Jack Mol and Robert Sommerville. Both are experienced and well qualified in the safe use of fire arms.

Dates and times of classes will be announced by the Charlevoix schools.

There were many violations by minor hunters last year, Mr. Burris said. He pointed out that youth under 17 years of age must be accompanied by a parent or guardian when hunting or using fire arms. He believes if youth learns to respect guns along with the safe use of them, there will be fewer accidents and less willful destruction of property.

Two Newspapermen Given Citations at MAAM Convention

Awards were presented last Thursday evening to two state newspapermen for articles written in the interest of aviation at the annual meeting of the Michigan Association of Airport Managers held at Escanaba.

Frank Hand of the Lansing State Journal was given the citation to writers on daily papers and Harold M. Totten, editor of the Charlevoix Courier received the citation for weekly newspaper writers.

The awards were presented at the annual banquet by Frank Sickelsmith, president of the MAAM. An award to the "Airport manager of the year" was presented to Homer Hoskins of Pontiac. James D. Ramsey, Michigan director of aeronautics, was given a citation for "outstanding direction of the state's aviation agencies".

Mr. and Mrs. Totten were guests of MAAM at the banquet.

Graveside Services Held Monday for Mrs. Charles Fox

Graveside services for Mrs. Charles Fox, 68, former local resident who died Tuesday at a hospital in St. Pertersburg, Fla., were held at Brookside Monday with the Rev. Raymond J. McBratnie officiating.

Mrs. Fox, the former Inez Morris, lived here for a number of years before leaving Charlevoix about 1928. In recent years she and Mr. Fox, a pharmacist, had resided in the south.

Besides her husband she is survived by a step-brother, Ira Brown of Charlevoix.

Offer Reward For Vandal Who Shot Horse

A substantial reward is being offered for information leading to the person or persons who shot and killed one of a team of Palimino draft horses at Camp Charlevoix in a pasture area near the camp.

The carcass of the dead horse was discovered in the brush in the pasture area near Suson Lake by Barney Englehart when he returned from a vacation trip. He said the horse, which had been shot in back of the ear, had been dead several days.

It is believed the horse was shot by poachers while they were 'shining' deer.

Anyone having information regarding this crime is asked to contact Mr. Englehart at Camp Charlevoix of the Charlevoix county Sheriff's Department at LI 7-9291.

The reward is being offered by Ken Smith, owner-operator of Camp Charlevoix, who said that the horse was one of a team of Palamino draft horses used at the camp. The team was a rarity and it will be impossible to replace the animal, he said.

It is hoped that anyone having information regarding the shooting will relay it to the proper authorities in order to help halt the slaughter of grazing animals.

Place Automatic Control on City's Fire Siren

A new automatic control has been placed on the city's fire siren residents of the community learned Tuesday when it was tried out without warning to anyone but the volunteer firemen.

According to Fire Chief John Curtis, the new automatic control will replace the former manually-operated signal thus making it necessary to abandon the ward signals used until this time. The new control will blow seven continious blasts for all fires within the city limits. The old manually operated equipment will be used to blow one long blast warning of fires outside the city limits, the same as in the past.

Volunteer firemen will now call the fire department to find out where in the city the fire has been reported instead of calling to find out where in a given ward the scene of the fire is located Mr. Curtis explained.

Residents are warned against jamming the lines with calls regarding the scene of fires under the new signal system.

Charlevoix operates with a volunteer fire department headed by a fire chief, Mr Curtis, and an assistant fire chief, Patrick R. Martin. The siren is used to notify the 14 volunteer firemen and the three auxiliary firemen of a fire.

Little Rayders Down Boyne City Reserves 13 to 0

Charlevoix's Little Rayders racked up their first win of the current season Tuesday night when they downed the Boyne City Reserves 13 to 0 at Kipke field.

The local reserves will host the East Jordan Reserves in their third game of the season at 7:30 p.m. Tuesday.

In Tuesday's game the Charlevoix eleven scored midway in the first period when Left Halfback Gary Stutzman broke loose for a 31 yard run with Steve Bergmann going over to score the point after touchdown.

The second and third periods were scoreless but in the final quarter Stutzman got away again, this time for 40 yards and the Rayders 'insurance' touchdown. The attempted run for the extra point was short and the score remained 13 to 0.

Boyne City threatened several times, advancing well inside the Rayder 20 on numerous occasions but lacked the punch to cross the Charlevoix goal line.

State Industrial Ambassadors to Meet Here Tuesday

Michigan's Industrial Ambassadors have scheduled a meeting here Tuesday noon at the Weathervane Inn, Paul Kohler, president of the Charlevoix Chamber of Commerce has announced. The meeting will be in charge of Ralph Swan, chief administrator of the state organization.

It is expected 75 of the state ambassadors and local guests, representing the city, the Chamber and the Development corporation, will attend.

Following the meeting at the Weathervane, a tour of the Big Rock Point Nuclear plant has been planned.

Local Teachers Attend Two-Day MEA Conference

Teachers in the Charlevoix schools will join with the more than 2,000 faculty members of schools throughout northern Michigan in attending the 1981 session of the Regional M.E.A. Conference to be held at Petoskey today and tomorrow (Thursday and Friday).

The two-day event, more familiarly known as the Teachers Institute, will feature outstanding speakers from the field of education appearing before the teachers of the area. Among them will be Dr. Lynn M. Bartlett, state superintendent of public instruction, Dr. Karl H. Berns, assistant executive secretary of field operations, NEA, Dr. Nicholas Nyaradi, director of the School of International Studies at Bradley University, George N. Lauer, registrar of Central Michigan University and MEA president and Len Stuttsman, Lansing film director.

Classes will be resumed at the usual hour Monday, Oct. 9.

Christ Andersen Funeral Services Held Monday

Christ Andersen, 92, retired salt water sailor and Alaskan commerical fisherman, died unexpectedly Friday evening at the home of his daughter-in-law, Mrs. Dewey Fosmore.

Funeral services were held at the Winchester Funeral Home Monday with the Rev. L. L. Lewis officiating. Burial was in Brookside cemetery.

Born in Laeso, Denmark, July 14, 1869, Mr. Andersen sailed all over the world as a fireman on ocean-going vessels. Later he lived in Alaska where he became a commerical fisherman, operating his own tug out of an Alaskan port. Upon retirement 31 years ago he lived with his son, the late Klaus Andersen, and since his death in 1954 has continued to make his home with his daughter-in-law.

Surviving are a daughter, Mrs. Carl Nordstrum of Hull, England; two sons, Johannes of Leaso, Denmark and Senius of Copenhagen, Denmark; 14 grandchildren including Mrs. James Pettis and Mrs. Don Brown of this city and six great grandchildren. His wife and two sons, Klaus and Christian, preceded him in death.

To Start Classes On Monitoring Radio Activity

Radio activity monitoring classes being held under the sponsorship of the Charlevoix Civilian Defense program will be held in Charlevoix beginning the week of Oct. 30, Gen. George B. Ely, Civilian Defense director, has announced.

Persons interested in enrolling in these important classes are asked to contact Lt. Col. Joseph Seidel, deputy director, in charge of training, informing him of classes to be held.
their intentions to enroll and also the night they would like the

The first class in the county was held in Boyne City Wednesday night. At an earlier meeting 28 persons enrolled for this class.

Hopes Mount for Airport Expansion

The proposed expansion of the Charlevoix airport moved several steps closer to a reality last week following a meeting of the Charlevoix city council and representatives of the Medusa Cement Co. with offices in Cleveland.

The meeting resulted in the proposed exchange of 25 acres of property now owned by the city for approximately 50 acres of property belonging to the cement company which owns some 875 acres in the South Point area. The agreement would allow the city air easement over another 20 acres of company-owned property.

The exchange would, among other things, give the city possession of the Medusa company railroad right-of-way across the present airport, an issue which has been a headache to city fathers since the airport was built.

According to City Supt. James Taylor the proposed exchange would give the city the present cement company right-of-way across the air field in exchange for a strip of property along the south side of the airport in order that the company will have a railroad right-of-way to its lake front property and the exchange of the five acres of property where the city dump is located for approximately 33 acres located to the south of the city dump.

The city also agreed to the eventual closing of the west end of Carpenter ave. from the Norwood road to the city dump and the construction of a replacement road across Medusa-owned property. This road would leave mile west of the present Norwood US-31 SS. approximately one-half road, cross Medusa-owned property in a westerly direction to the section line between Sections 32 and 33 then turn north for approximately one mile to Carpenter ave. about 2000 ft. from Lake Michigan. The existing section of Carpenter ave. would then carry traffic to the Bell's Bay area on Lake Michigan.

It has not been determined at this time which of the two agencies, the city or the cement company, will underwrite the cost of building the road which will be located in Charlevoix township.

However, this issue was expected to be ironed out and the transfer of land approved by the city and the company.

Representatives of Charlevoix township where the majority of the land involved in the exchange is located and of the Charlevoix county road commission were also present at the conference held at the city hall.

Funeral Services Held Monday For Mrs. Gertie Doctor

Ellsworth—Mrs. Gertie Doctor, 93, died Thursday, September 28 at the home of a daughter, Mrs. Dwight Fisher of Holly with whom she had been living since Labor Day. She had been in failing health for some time.

Funeral services were held Monday at 2 p.m. at Pilgrim Holiness church with Rev. W. L. Silvers officiating. Burial was in the Atwood cemetery. Hastings Funeral Home was in charge of arrangements.

Born in the Netherlands January 21, 1878 the former Gertie DeYoung came to the United States with her parents at the age of 10. Later they settled in the Mopleville area. She was married to John Doctor in 1896. He preceded her in death in 1937. Mrs. Doctor was a member of Holiness church and was a Sunday school teacher for 43 years.

Surviving are six sons; Bernie, Floyd and Lambert of Detroit, Richard of Muskegon and Paul and Silas of Ellsworth; three daughters, Mrs. Bernard (Josephine) Kratz of Breckenridge, Mrs. Marion (Lillian) Sitzema of Charlevoix, and Mrs. (Dora) Fisher; 31 grandchildren; 39 great grandchildren and a brother Nicholas DeYoung of Central Lake.

Weathervane Inn To Close Sunday

The dining room at the Weathervane Inn will be closed Sundays effective Oct. 8, it has been announced.

The Inn will continue to remain open daily for the luncheon and dinner hours on Monday through Saturday.

Final Rites Held September 28 for Atwood Resident

Atwood—Funeral services for Martin Groenink, 72, of the Bentley Hill district, were held Thursday at the Atwood Reformed church with the Rev. Douglas VanGessell officiating. Burial was in the Atwood cemetery.

Mr. Groenink died unexpectedly Monday at the East Jordan office of Dr Jerry VanDellen where he had gone for examination.

Born at Alba in Antrim county June 3, 1889, Mr. Groenink moved to Banks township with his parents as a child. He had made his home on a farm three miles east of Atwood since 1918. On Feb. 11, 1918 he married the former Winifred Burgraff of Grand Rapids who preceded him in death in 1948. He was a member of the Atwood Reformed church.

Surviving are his wife, the former Mrs. Kate Goemon whom he had married in 1951; two daughters, Mrs Fred (Wilma) Bolhuis of Ellsworth and Mrs. Berme (Annaiane) Maurer of Battle Creek; three sons, John of Ellsworth, Milton of Pontiac and Marvin of Zeeland; 12 grandchildren and six sisters, Mrs. Martin DeVries, Mrs. Dessie Farrell, Mrs. Hubert Bearss of Stockbridge, Mrs. Mary Gouwens of Harvey, Ill., Mrs. Peter Burns of Ellsworth, and Mrs. Anna Henry of Charlevoix.

The Hastings Funeral Home of Ellsworth was in charge of arrangements

The Alternatives

Living within one's income is something of a problem to most of us. But we have to do it—if we want to keep out of the bankruptcy courts—even though it means doing without many things we'd like to have.

It's high time the federal government took note of this simple truism.

The government has lived within its income just six times in the last 30 years. It is more than $290 billion in debt—and that debt is an obligation against every man, woman and child in the country. It works out to more than $1600 per capita now, and more deficits, which will build the debt higher and higher, are foreseen for the future.

What will the rusults be? There are several alternatives. We can have higher taxes, or more inflation, or both. Or we can abandon the ruinous welfare state philosophy, and cut non-essential government spending to the bone.

OCTOBER IN MICHIGAN
By Harold E. Kohn

Now the countryside is warmed by colorful blazes spreading over forested hills and wooded lowlands, flaming through swamps and kindling the fencerows. Birches turn yellow and poplars russet. Elms smolder in smoky tan while maples flame with crimson.

It is almost impossible to realize that this autumnal glory of brilliantly colored leaves is due in large measure to a tiny pocket of vegetable cells so small that they would barely cover the head of a common pin. But it is so. The absciss layer of cells grouped at the base of each leaf forms as the days grow shorter at summers close. (The lessening of daylight decreases the production of the plant hormone, auxin, which stimulates the growth of the absciss cells.) And these cells cut off circulation between leaves and branches, so that less and less water, food and other materials can make passage between leaves and limbs.

Now production of green chlorophyll in the leaves ceases. Old chlorophyll, trapped in the leaves, disentegrates and disappears. Yellow pigments—carotene and xanthophylls—in hiding under the green pigmenta now emerge. The bright reds and purplish reds, painted by red blue and purple pigments called anthocyanins, blaze forth upon the red maples, the black gum dogwoods and certain oaks. These flaming colors are locked in pigments produced from plant sugars that normally travel from the leaf to twig to branch to trunk, but are now imprisoned in the leaf by the abaciss cells.

While at Hidden Brook yesterday, I saw the stream clogged here and there with fallen, multicolored leaves, and the woodland trails were heavily carpeted with an all-over pattern of yellow, bronze, red and purple. Isolated leaves, cut off by the abaciss cells and starved and parched without fresh food and water had lost their will to live. Then the layers of abscisa cells had separated from one another. Attachments to the parent tree had weakened. At last the old holds were broken. The leaves fell.

SOME THINGS TO NOTICE THIS WEEK:

- See how lowly the limbs of apple trees bow, now that their fruit is ripe. Each year every tree that is fruitful gradually adds several hundreds of pounds of weight to its limbs as the buds develop into fruit and the fruit swells and grows. Branches sometimes break under the burden, but it is a great wonder the limbs do not always split under the pressure. Apple trees must be flexible and strong to carry such a load—a load frequently shifted about and made still more burdensome by winds sweeping through the orchard. All fruit and nut trees, like the apple tree, must be strong if they are to carry their increasing burden and survive. The strength and flexibility of fruit and nut woods have made them ideal for fashioning man's primitive plows, his wagon wheels, spade handles, rakes and other agricultural instruments as well as furniture.
- Notice that there seem to be more white birches now than in mid-summer. This illusion is caused by autumnal falling of leaves, revealing more of each birch, and more birches too, as your eyes penetrate farther into the forests. (By the way, how large is the biggest birch currently alive in the United States? Attorney Raymond Zillmer of Wisconsin found a birch with a circumference of 7 feet 9 inches, compared with the former record tree in New Jersey which had a circumference of 4 feet 7 inches. The height of the Wisconsin tree, located at Mud Lake in the Cedarburg Swamp, is 62 feet.)

Constance Marie Oleksy Marries Mr. Pischner in St. Mary's Church

St. Mary's church was the scene Saturday of the wedding of Constance Marie Oleksy and Roger John Pischner.

Parents of the couple are Mr. and Mrs. Frank M. Oleksy and Mrs. Emil Pischner.

The Rev. Fr. Victor Gallagher of Reed City officiated at the double ring service during the Nuptial Mass celebrated before an altar decorated with arrangements of fall flowers. Mrs. George Troyk of Mancelona was the organist and accompanied the soloists, Arthur Heilig and Ray Grunch.

Given in marriage by her father, the bride selected a full length gown of white bridal satin for her wedding. Fashioned with a fitted bodice, sweetheart neckline and long pointed sleeves, the gown featured a bouffant skirt. Her fingertip veil of bridal illusion fell from a cap of Swiss embroidery. She carried a cascade bouquet of white roses.

Katherine Oleksy as her sister'a maid of honor wore a street length gown of bittersweet taffeta styled with a fitted bodice, jewel neckline, cap sleeves and bouffant skirt. A bow of bittersweet taffeta and a circular veil formed her headdress and she carried a bouquet of yellow mums.

Mrs. L. E. Rymers of Kalamazoo and Mrs. Jerry Houts of Petoskey, as bridesmaids, wore gowns and headdresses of gold and rust taffeta, respectively, identical to the honor attendant'a and carried bouquets of yellow mums.

Barry Pischner assisted his brother as best man. Jack White and Larry White, both of Grand Rapids, seated the guests.

Mrs. Oleksy selected a beige sheath, brown accessories and a corsage of bronze mums for her daughter's wedding. Mrs. Pischner, mother of the bridegroom, wore a brown wool dress with mink trim, pink accessories and an orchid corsage.

Immediately following the ceremony a wedding breakfast for 120 guests was held at St. Mary's hall which was decorated with white wedding bells. Tables were decorated with fall flowers and trailing ivy and bells. An evening reception followed at the Charlevoix Rod and Gun club where the bride's table was centered with a tiered wedding cake and decorated with fall flowers and ivy.

After a northern Michigan wedding trip the couple will leave for Fort Leonard Wood, Mo., where the bridegroom is stationed with the U. S. Army. For traveling on her wedding trip the bride wore a forest green plaid wool walking suit, white accessories and a white rose corsage.

Both are graduates of the Charlevoix high school. The bride is a graduate of Mercy Central School of Nursing.

Out of town guests were present from Chicago, Ill., Lac du Flambeau, Wis., East Lansing, Grand Rapids, St. James, Petoskey, Mancelona, Bellaire and Catawissa, Pa.

Leading Magazine Publishes Story By Rebecca Bergeon

A children's story written by the daughter of a former Charlevoix couple will appear in the October issue of "Highlights for Children", a popular monthly children'a magazine with more than a million readers.

The young writer is Rebecca Bergeon, daughter of Mr. and Mrs. Walter Bergeon of Ionia, who is presently a third grade pupil in Ionia's Jefferson school. Her story, "The Little Duck" was written when she was a second grade pupil and now appears in the children's magazine with an illustration by the art staff of the magazine. Beckly likes especially to read and has written several stories.

The publication, edited by Dr. and Mrs.Garry Cleveland Meyers, is published in Columbus, Ohio, and stresses development in reading, thinking and creating and is described by the editors as "fun with a purpose". Highlights is used by teachers in the Ionia schools as well as by many families in the Ionia area.

Boyne City To Host Annual W .C. T. U. Dist. Convention

The annual district convention of the Women'a Christian Temperance Union will convene in Boyne City at 9:30 a.m. Friday. according to Mrs. Elmer Pritchard of Boyne City, district president.

Mrs. Chester Walker of Corunna, secretary of the Michigan Youth Temperance Council, will be the guest speaker at the meeting which will be held at the First Methodist church in Boyne City.

The convention dinner will be held at the church dining room at noon

Mr. and Mrs. Robert G. Mathews To Make Their Home In Eastport

Mr. and Mrs. Robert G. Mathews are making their home at Eastport following a southern Michigan wedding trip.

The couple was married Sept. 9 at the Easport Baptist church with the Rev. Paul Bone officiating at the double ring service in the presence of more than 150 guests. Arrangements of gladioli, snapdragons and delphinium formed a setting for the service. Mrs. Marvin Mathews was the organist and Shirley Arnold of Eastport the soloist.

The bride is the former Judy G. Brooks, daughter of Mr. and Mrs. Lester H. Brooks of Eastport. Mr. and Mrs. Vernon L. Mathews are the parents of the bridegroom.

Given in marriage by her father, the bride selected a floor length gown of white net and lace over satin for her wedding. Fashioned with a lace bodice, the gown featured a sabrina neckline, long fitted sleeves and a bouffant skirt. Her fingertip veil fell from a beaded crown and she carried a bouquet of white sweetheaart roses entwined with ivy.

Sonja Richardson of Norwood, as maid of honor, wore an orchid gown, matching head piece and white accessories and carried a bouquet of yellow carnations. Miss Arnold, as bridesmaid, wore a similar gown and headdress of mint green and white accessories and carried a yellow carnation bouquet.

Brenda Brooks of Eastport, sister of the bride as flowergirl wore a pink dress and a pink and white hat and carried a basket of rose petals. Clinton Blanchard of Charlevoix, nephew of the bridegroom, was ringbearer.

Vernon L. Mathews of Charlevoix assisted his brother as best man. Rex Blanchard of Charlevoix, brother-in-law of the bridegroom was groomsman. Seating the guests were Darwin Brooks of Eastport, brother of the bride, and Kenneth Boss and John Bascom, both of Charlevoix.

Mrs. Brooks selected a peacock blue suit and black accessories for her daughter's wedding. Mrs. Mathews, mother of the bridegroom, wore a gown of bronze lace over turquoise satin and brown accessories. Their corsages were of white carnations and pink sweetheart roses.

Immediately following the ceremony, a reception was held in the church parlors.

The bride is a 1961 graduate of the Ellsworth high school. The bridegroom is a 1956 graduate of the Charlevoix high school.

MINUTES OF SCHOOL BOARD MEETING

September 11, 1861

PRESENT: Lieberman, Martin, Dinwiddie, C. Smith, Al Smith, Martinchek, Blanchard, and Bennett, Supt.
ABSENT: None.

The Meeting was called to order at 8:12 p.m.

Mr. Bingham, high school principal, appeared before the Board and a discussion of the new high school schedule was held and tentative approval given by the Board for the new program, including calling school at 8:45 a.m., a six period day, 30 minute noon hour, and closing time at 3:45 p.m.

Minutes of the meeting of August 21, and those of a special meeting held August 28, were read and approved.

It was moved by Al Smith, supported by Martin, that bills in the amount of $4,622.62 payable from General Fund, be approved and ordered paid. Carried: 7-0.

Moved by Martin, supported by Dinwiddie, that bills in the amount of $22,842.64, payable from Building & Site Fund, be approved and ordered paid. Carried: 7-0.

It was moved by C. Smith, supported by Martinchek, that the bid of the Leonard Refineries of Alma, Michigan, for fuel oil for the year 1961-62 at $0.085 per gallon delivered, price not to exceed $0.8625 per gal. and to reflect any downward trend date of delivery, be accepted. Carried: 7-0.

Moved by Martin, supported by Blanchard, that a contract be given Mary Jean Walkup, Central Michigan University student, for the first semester of 1961-62. Motion carried: 7-0.

Glen Williams, Joseph Howe, and Earl Crowell of the Ironton School District, appeared before the Board to request a room in which they could have their own school classes pending building of a new school. Since there are two possible Boards in Ironton with questionable authority the Charlevoix Board decided that the pupils from Ironton would be allowed to enroll in the Charlevoix schools until such time as a board with authority could make definite decisions. Also, that a room would be leased to them immediately when such authority is determined. Furthermore, the Charlevoix Board would call special session immediately when such authority had been determined, in order to facilitate this matter.

Notice was made of the area meeting at Traverse City of the Michigan Association of School Boards on Wednesday, Nov. 8. Also, discussion was made of the Board members who could attend the State meeting Sept. 14-15-16 at Cobo Hall in Detroit.

It was moved by Al Smith, supported by Martinchek, that the contract for Workmen's Compensation be renewed with the Michigan Mutual Liability Co. and that their invoice be approved and ordered paid in the amount of $713.90. Carried: 7-0.

It was moved by Dinwiddie, supported by Al Smith, that the new 1961 Dodge bus recently purchased from Brown Motors be financed as follows: Payment of $247.00 in cash and the balance of $7,200.00 financed through the bank at $1,800 a year for four years at 4% interest. Motion carried: 7-0.

Applications for the maintenance work at the school were considered and Mr. Bennett authorized to have interviews and make selections from the list presented.

The question of dedication of the new building and the Open House of the P.T.A. was discussed and Pres. Lieberman asked to contact the P.T.A. executive board for a final decision

Mr. Martinchek reported on his investigation of used pipe to be used in the parking area at the new high school and was asked to find the amount available as soon as possible. The price quoted was $6.00 for 4 inch pipe in lengths of 16 feet, and $7 to $9 for 6 inch pipe in 16 foot lengths.

One dollar and a quarter ($1.25) an hour was decided on for the substitute clerical work in the administrative office.

Bus route changes were discussed but no changes made in the general policy already established. Further changes were left until school had started and new locations for students to be transported determined.

Approval was given to the plan that has been in effect for many years for pupils to pay for their consumable supplies, such as workbooks, but to be extended to include the kindergarten, first and second grades. In those rooms the teachers are to send home statements of the amount and what is included.

Mr. Lieberman appointed Mr. Dinwiddie, Dr. Martin, and Al Smith to work with him on a committee to meet with the City Council representatives regarding the library.

The meeting adjourned at 11:32 p.m.

'62 CHEVROLET
Think of just about everything you ever wanted in a car—and darned if this one doesn't have it! A road-gentling Jet-smooth ride. New choice of V8 skedaddle. Beauty that stays beautiful—right down to new rust-resisting front fender underskirts.

This one may have you asking, "How did Chevrolet do it?"

There's a new V8 choice ranging all the way from a standard 283-cubic-inch sizzler to two 409-cubic-inch powerhouses.* And there's that '62 Jet-smooth ride with a supple Full Coil spring at each wheel and well over 700 body and chassis sound insulators and cushioners.

There are longer lived mufflers for all engines. A Grand Canyon of a trunk. Magic-Mirror finish. And, well, we could write a book about it all. Matter of fact, your Chevrolet dealer's got it all down on paper. Get a fill-in from him now.
